# Noblesville road resurfacing beginning next week, runs through end of April

**The REPORTER**  
Starting next week and running through the rest of April, the City of Noblesville will begin street resurfacing of four areas within the city. The order, which is subject to change and weather dependent, includes the Pine Knoll subdivision, Logan and Nixon streets near Federal Hill Commons, Fairfield Farms subdivision and Mercantile Boulevard.

Work on Logan and Nixon streets helps to complete the Federal Hill Commons area and prepare it for the grand opening on April 29. The other three projects are part of the State’s Community Crossings matching grant that the city received last year. Sidewalk work was completed in the fall and the street resurfacing this month completes the projects.

“The matching grant allows Noblesville to address two subdivisions and a heavily traveled commercial street that otherwise would have had to wait for funding,” Mayor John Ditslear said.

These projects are using 2016 funds. The Noblesville Engineering Department is working on the 2017 street rehabilitation and resurfacing list, which is based on grades of each roadway in the city. That list will be bid later this spring for summer construction.

# Promposals on the rise

## StatePoint

The countdown to prom is on and there's a lot to do. From finding the perfect date, locating the right ride, getting the dream dress or tux, and coordinating hair, makeup and accessories . . . it can be a little overwhelming . . . and pricey.

However, your prom focus shouldn't be on how much money is spent – but rather on the memories you can make. So instead of rolling out the cash this season, roll up your sleeves. With a little preparation and creativity, you can "make" it a prom to remember for years to come.

### "The Promposal"

"Promposals" are elaborate ways to ask your prospective date to the dance. In recent years, students have spent an average of \$324 on the promposal alone, according to a Visa Survey – going all out by using things like food, handmade posters and even pets to pop the big question.

Alternatively, a DIY promposal can keep the moment personal and authentic, while saving some serious cash.

### The Look

Your prom outfit should pop, fit well and express your personality. With prom-goers spending \$231 or more on a dress and \$184 on a tuxedo, according to Seventeen magazine, you may want an alternative to high-priced, traditional prom clothing and accessories.

Check out services like Rent the Runway, which allows you to rent a designer dress for a fraction of the retail price; shop at resale stores; or even make your own. Homemade prom wear using Duck Tape is a great example. Over the last 17 years, nearly 8,000 students have participated, and nearly half a million dollars has been awarded, in the Duck brand Stuck at Prom Scholarship Contest. Each year, over \$50,000 in scholarships is awarded to creative prom-goers that DIY their prom outfits and wear the sticky stuff to the big dance. For more information, visit [stuckatprom.com](http://stuckatprom.com).

After formalwear, you may spend another \$218 on hair, makeup and accessories, according to Seventeen magazine. Luckily, with so many online videos, you can learn to do almost anything yourself – including achieving salon-quality hair and makeup. Gather your pals and jump on YouTube for inspiration and tutorials from beauty vloggers and cosmetic brands.

Finally, DIYing accessories, such as jewelry and a clutch, can also keep money in your wallet. By purchasing flowers at a grocery store or using fabric flowers, you can even make your own corsage.

### The Memories

Instead of pricey professional photos, capture memories by making an online scrapbook. Digital Scrapbooking is a great tool for layouts and ideas. Add photos and

Photo provided

create unique cards through the app, then share with friends via social media.

If you prefer a physical scrapbook, FreePrints allows you to order photos directly from your smartphone, for free. Then, use stickers, cardstock, washi tape, markers and other embellishments, such as textured or glitter craft tapes, to make the pages something you'll cherish.

For more prom tips, visit [duckbrand.com](http://duckbrand.com).

Your prom experience should be 100 percent you. To ensure the big dance is special and to save some money in the process, tap into your imagination and your "maker" side to create a prom you'll never forget.

# Huskies softball gets walkoff win

Hamilton Heights scored a walkoff victory over Anderson Friday, 2-1.

With the score tied in the seventh inning, Taylor Ewing hit a double to score Bayleigh Runner. The Huskies also scored in the fourth inning, with Adyson Baber's double batting in Mickey Stupp. The Indians took an early 1-0 lead in the top of the first before Heights tied the game.

"We got off to a rough start allowing

Anderson to score in the first and not being productive on offense," said Heights coach Landi Lockwood. "After that our defense did a really nice job backing up Emily Wright and keeping Anderson to only one run."

Wright pitched a complete game, tossing four strikeouts. Stupp and Shelby Wills both had one hit.

# Tigers hold off Millers in HCC opener

By **RICHIE HALL**  
Reporter Sports Editor

One inning made the difference in a Hoosier Crossroads Conference baseball battle between Fishers and Noblesville at Don Dunker field Friday.

The Tigers, ranked No. 2 in Class 4A, scored four runs in the top of the second inning. The Millers chipped away at the lead for the remainder of the game, but Fishers was able to hang on for a 4-3 win. The series now moves to the Tigers' field today, where the two teams play a doubleheader. First pitch is at noon.

"It's always big to win here at Noblesville," said Fishers coach Matthew Cherry. "Coach Keever does an amazing job. They defend their home turf really well, so to win our first game here, it's a big deal."

Fishers' first two runs were scored by a Trevor Newman double with the bases loaded. That hit sent Caleb Brenczewski and Matthew Wolff home. Brendan Toungate was moved to third, and he scored right after the other two on an error. Newman was later sent home by a Craig Yoho double.

"Trevor Newman is just a competitor. He finds ways to get on base," said Tigers coach Matthew Cherry.

Noblesville scored its first run in the bottom of the third, when DJ Owens batted in Harris Camp. In the fourth, Zac Tuinei took a first pitch and hit a home run, getting the Millers within 4-2.

Noblesville scored again in the seventh inning, with Travis Gilliam sending home Jackson Ramey. But Tigers closer Taylor Soper ended the game with a strikeout, earning his fourth save in four outings.

Ryan Metz pitched the first six innings to get the win, tossing four strikeouts.

"They answered," said Millers coach Justin Keever. "And that's kind of what we want them to do. We just got ourselves in too big of a hole. We had the winning run on base there in the last inning."

Yoho and Newman both had two hits for Fishers, while Owens had two hits for Noblesville.

Reporter photo by Kent Graham

Fishers' Ryan Metz went six innings to get the win for the Tigers in their 4-3 victory over Noblesville Friday at Don Dunker Field. The two teams will play a doubleheader this afternoon at Fishers to complete the Hoosier Crossroads Conference series.

## Huskies lose close opener

Hamilton Heights lost a close opening game to Anderson Friday by the score of 3-2.

The Huskies scored first, with Kolan LeMaster batting in a run in the second inning. Reese Wills drove another run in for Heights in the fifth inning on a fielder's choice to give his team a 2-0 lead. But the Indians scored in the bottom of the fifth, and two runs in the seventh gave them the game.

Cole Meyer had two hits for the Huskies. Isaac Peterson threw four innings, tossing four strikeouts.

"Isaac Peterson pitched really well for us in his varsity debut," said Heights coach Matt Wallace. "He was very efficient but on a tight pitch count. Tonight, was about missed opportunities. We left bases loaded once and left runners in scoring position three other innings. When we hit the ball hard it was right at people we had a couple tough breaks where the ball didn't bounce our way. Once our bats get going, I think this will be an exciting team."

The Huskies travel to the Scottsburg Invitational today. Heights will play its first game at 12:30 p.m. against Jennings County.
