Tuesday, an information technology and professional services company announced plans to build a headquarters in Fishers.

Plans call for creating up to 400 jobs by 2021, according to a news release from the company, Knowledge Services, founded by Julie Bielawski, its CEO. It will invest more than \$17 million to build and equip an 80,000-square-foot headquarters at 11001 USA Parkway. Groundbreaking is set for 2018, followed by a move into the space in 2019.

The company formed in 1994 employs 1,200 Hoosiers and more than 1,500 professionals across the United States, the release said. It is hiring web and mobile developers, program and compliance specialists, business development and marketing professionals and client service associates. Knowledge Services is currently based at 5875 Castle Creek Parkway N. Drive on the Indianapolis northeast side.

“Our new environment will allow us to retain and grow a remarkably talented and engaging team of professionals who are creating the most exciting and advanced workforce development solutions available,” Bielawski said in the release.

Carmel Police warn public about jury duty scam

The Reporter

Recently, the Carmel Police Department has taken several fraud reports regarding a previously circulated telephone scam. The scammer called victims and represented himself as a police officer or sheriff’s deputy and advised them that they failed to show up for jury duty. Subsequently, the victims were told that they were required to pay a fine or a warrant would be issued for their arrest. These victims were also told to purchase Green Dot MoneyPak, iTunes or Visa gift cards for several thousands of dollars to rectify the issue.

If someone contacts you about missing jury duty or speaks of other situations where you are requested to purchase money cards to pay a fine, pay for services, or pay a late fee, etc., hang up and call your local police department to report the incident.

The Carmel Police would also like to warn citizens not to give out personal information or send money to unknown or unreliable sources. Scammers tend to prey upon the elderly, but these crimes can impact all ages.

Please take a few extra minutes to talk to family members and friends about how to avoid being a victim of this scam. If you need to speak to an officer or report a possible scam, you may call (317) 571-2580.

Soapbox derby car registration is still open for Westfield’s Grand Junction Derby, returning Saturday for its ninth year.

Grand Junction Derby returns to Westfield

The REPORTER

Westfield’s annual soapbox racing event returns when the Grand Junction Derby rolls into the city’s downtown on Oct. 7.

“We can’t wait for everyone to come out and root on their favorite cars and drivers,”

Parks and Recreation Director Melody Jones said.

The family friendly derby gives residents and businesses the chance to race hand-built derby cars in bracketed heats. A gravity powered start via two large flatbeds sends the cars down Union Street and

onwards to a chance at victory. Drivers are encouraged to wear costumes to match their car’s theme. All cars will be displayed along “Gasoline Alley” to win the coveted people’s choice award.

The festivities kick off at 3 p.m. with a parade of cars and

tricycle race, followed by the derby car race itself at 3:30.

The Grand Junction Derby is once again sponsored by title sponsor Church Brothers Collision Repair.

Noblesville students are exploring the virtual world

WISH-TV

Kids in Noblesville are visiting places around the world without leaving their classroom.

The district is using virtual reality in classrooms. The virtual reality sets include viewers and an iPod that allows students to see what the teacher allows them to look at through the viewers.

There’s a set that goes around the district, but with the help of their parent-teacher organization, North Elementary was able to get a set of their own.

The school’s media specialist works with teachers to help decide the best ways to use the virtual reality with the curriculum they are teaching in the classroom.

For example, in Mrs. Seller’s third grade class, they are working on a mystery unit, using clues to find meaning in context to what they’re learning.

“They have been working on a mystery unit, so what Mrs. Seller and I have been working on is taking them to the Seven

Fishers Fire & Emergency Services Score Upgraded

By LARRY LANNAN
www.LarryInFishers.com

The Fishers Fire and Emergency Services, which handles calls within the City of Fishers and areas outside the city under contracts with townships, has just had an

upgrade to its Public Protection Classification (PPC) evaluation from the Insurance Services Office, Inc. (ISO). The score was elevated from a 4 to a score of 2.

The new rating may mean lower insurance rates within the area served by Fishers Fire and Emergency Services. The higher score takes effect Jan. 1, 2018.

“Improving from an ISO rating of 4 to a rating of 2, is another example of the City of Fishers’ commitment to provide

the highest level of public safety services to the citizens of our community,” Fishers Fire Chief Steve Orusa said in a Fire Department news release. “This achievement is the direct result of the hard work and dedication of our firefighters.”

In 2014, the agency was re-accredited by the Commission on Fire Accreditation International (CFAI). Nation-wide, less than one percent of all fire departments are internationally accredited.

One dead in Sheridan Road crash

The REPORTER

The Hamilton County Sheriff's Office responded to a serious crash on Sunday evening, Oct. 1, at approximately 8:20 p.m.

911 callers reported a motorcycle and a car involved in a collision at the intersection of State Road 38 (Sheridan Road) and Moontown Road/Hinkle Road. Callers further indicated the motorcyclist was ejected from the bike and bleeding severely.

The initial crash report

indicates a black 2009 Charger, driven by Gary B. Mendenhall, age 51 of Kokomo, was northbound on Moontown Road preparing to turn left onto SR 38. A black 2003 Harley Davidson motorcycle driven by Kenneth Fitzgerald, age 64 of Indianapolis, was traveling southeast on SR 38 and collided with the Charger as it pulled into the intersection. Fitzgerald was thrown from the bike by the impact and sustained

multiple injuries, including head injuries. A helmet was not located at the crash site.

Deputies arriving at the scene were assisted by bystanders in administering CPR to Fitzgerald until medical personnel arrived. He was taken by ambulance to Riverview Health where he died a short time later. Mendenhall was checked by medics at the scene of the crash. A passenger in the Charger was transported to Riverview

Health for complaints of pain and later released.

Due to the fatality, the Hamilton County Crash Investigation Team responded to the incident for further investigation. Anyone with information on this incident is requested to contact the team at 317-773-1282.

The Hamilton County Sheriff's Office was assisted at the scene by the Indiana State Police and the Noblesville Fire Department.

Teachers Credit Union’s Karol Griffin inducted into TCU Hall of Fame

The REPORTER

Karol Griffin of Teachers Credit Union was inducted into the Indiana Credit Union Hall of Fame during the Indiana Credit Union League’s statewide convention. She was honored at the Chairman’s Awards Banquet at the JW Marriott Hotel on Sept. 22.

Over her 40-year career she has held a number of key leadership positions in retail, human resources, branch operations and facilities at the credit union, where she was one of the first females to reach the vice president level. Griffin has also served as Executive Director of the TCU Foundation, whose youth financial literacy efforts have won a national award. Teachers Cred-

it Union serves nearly 300,000 members in Indiana and Michigan.

Her contributions outside Teachers CU have benefited credit unions and their members in Indiana and nationwide. Griffin’s leadership was instrumental in the growth of shared branching as Credit Union Centers of North Central Indiana merged with others to form one statewide organization called Credit Union Centers of Indiana, and eventually included Illinois to become Credit Union Centers, where Griffin was president for 15 years. Her skills were recognized on a national scale when she was elected to the board of CUSC, a position she held for 10 years. She was influen-

tial in helping the CUSC board adopt the vision and strategy that led to partnering with CO-OP Financial Services, ultimately leading to the combining of the operations of three national shared branching networks into CO-OP Shared Branching, a unified national network, which currently has more than 5,600 locations throughout the United States.

Griffin holds Certified Chief Executive credentials from Credit Union Executive Society (CUES), and has received the CUES Rising 100 Award. She also has a Bachelor’s degree in Organizational Management and a Masters of Business Administration from Bethel College.

No. 2 Royals edge Millers on late goal in epic battle

By CRAIG ADKINS

Anytime a pair of Hoosier Crossroads Conference teams meet up in the state tournament, it's an automatic that the intensity level will be as high as it can be. That's exactly what the feel was at the White River Soccer Complex as No. 2 Hamilton Southeastern escaped with a 3-2 first round sectional win over the host Noblesville Millers.

The crowds were rowdy and ready for what probably was already the sectional championship match, but was only the second game of Class 3A Sectional 8. This

was a game where you knew that both teams would play 80 minutes without any let up.

"Without question. The six years I've been here, we have not had a battle like that until tonight," said Jake Hart, Noblesville interim head coach.

"For them, we said we had to leave everything on the field," Hart said of the Millers' attitude toward a game of this magnitude. "These guys have been at the top of the table the whole year and they've been running really well, especially coming into the tournament," Hart continued on South-

eastern's play this season.

Noblesville got on the board first with 28:47 left in the first half, as the duo of Alec Vanyo and Nicolai Andersen took advantage of the HSE defense. Vanyo tapped the ball to Andersen and he slipped it right by Royals goalkeeper Ben Haxton for a 1-0 Miller lead.

The Royals would find their chance to tie the game 1-1 on a quick offensive sequence that gave Darian Ghaffari a chance to net the equalizer with 8:00 left in the half.

The match got more and more aggressive, only dialing up each team's intensity

and play throughout.

As the first half wound down, Noblesville junior midfielder Andrew Noel took a free kick from about 25 yards out. The box was packed, so it was tough to tell where he would put the ball. Noel lofted the ball up high and into the goal to put the Millers up 2-1 with 1:04 until halftime.

The second half would grow to be twice as aggressive and physical as the first 40 minutes.

Fishers takes down feisty Arabians to advance

By CRAIG ADKINS

The Fishers Tigers knew that it wouldn't be an easy match against the Pendleton Heights Arabians, but they knew they could find a way to advance to the second round for a second date of the year with Hamilton Southeastern.

It didn't take long, but the Tigers came away with a 2-0 first round Class 3A Sectional 8 win over Pendleton Heights on Monday night at Noblesville.

They got their scoring started early with a goal from senior defender Quinn Luckie at the 31:04 mark of the first half.

"Yeah, that's for certain, they came to play," Fishers head coach Robbie Pels on the aggressive play of Pendleton Heights.

"As far as on the defensive side, I really think they set the tone," Pels on the constant defensive pressure by the Arabians all game long.

Fishers netted their other goal when senior midfielder Drew Gavit sent the ball into the net with 17:59 left in the first half for what would hold up to be the final score of 2-0.

"Our goal as always is to come out and establish dominance in the first 10 minutes and so goal achieved and so it kind of puts them on their back foot and their ability to sit in defensively is gone at that point," Pels on his Tigers' ability to get in command of the game from the start.

With the first round win, Fishers (6-9-2) advances to play No. 2 Hamilton Southeastern (14-1-2) in the first semifinal on Wednesday at 5:30 p.m. Pendleton Heights finishes its season at 8-9-1.

Sectional roundup: Guerin Catholic stuns No. 1 Zionsville

Guerin Catholic shocked the state on the first day of sectionals.

The No. 9-ranked Golden Eagles got out to a fast start against No. 1 Zionsville, then held off the Eagles in the second half to win 2-1 in Monday's opening day of play in Class 3A Sectional 10 at Carmel. Guerin Catholic scored both of its goals in the first half.

Daniel Cloran and Noah Dewaal found the back of the net for the Golden Eagles. Zionsville scored its goal in the second half, but was stopped time and again by GC goalkeeper Will Oberndorfer, who had nine saves.

Guerin will play Westfield in the first game of today's semi-finals.

First-round play at Carmel continued on Tuesday with the host and No. 16-ranked Greyhounds falling to Brebeuf Jesuit 2-1.

The Braves scored their first goal with 14:29 left in the first half. Carmel finally broke through for the equalizer with 5:35 remaining when Riley Shives found the back of the net. But Brebeuf came back immediately, scoring the game-winner 36 seconds later.

"Credit to their game plan," said Greyhounds coach Shane Schmidt. "It worked to a tee. They played with a lot of emotion. We did too. Our boys played extremely hard. I'm very proud of the effort that we gave and what they did and everything else."

Carmel ended its season with a 9-5-3 record.

Hamilton Heights lost to Frankfort 2-1 Tuesday in the first round of the Class 2A Sectional 25 at Lebanon.

The Hot Dogs scored first, converting a second-chance goal with 6:54 left. The Huskies answered back immediately when Nahuel Zarate found Josh Thorpe for the equalizer, and the 1-1 score stood at the half.

Frankfort got its game-winning goal with 14:50 left in the second half. Caleb Grabarz had four saves for Heights, and Luke Vanderwall was the player of the game.

The Huskies ended their season at 9-8-1.

University won an all-county game with Sheridan 6-0 Tuesday in the first round of Class 1A Sectional 40 action at Heritage Christian.

The No. 2-ranked Trailblazers scored three goals in each half. A complete list of scorers was not available.

University will play the second semi-final game at 7 p.m. tonight, taking on the host and No. 4-ranked Eagles. Sheridan finished its season with a 5-10-2 record.

Royals, ‘Hounds advance in hard-fought games

By **RICHIE HALL**

Sectionals will always take a hotly contested rivalry and amp it up about a million times.

Example: Hamilton Southeastern and Fishers girls soccer.

The No. 7-ranked Royals and the No. 16 Tigers battled it out Tuesday in the first round of Class 3A Sectional 8 at Southeastern. The Royals won 4-2, but needed a late goal from freshman Izzie Wallace to be assured a spot in Thursday's semi-finals.

"It was very timely, too," said HSE coach Greg Davidson of Wallace's score, which came with 6:20 left in the game. "The wind started picking up. They were able to play some direct balls. We had a couple girls that went down with little injuries or pre-emptive stuff."

Southeastern led 2-1 at halftime. Molly Harris got the Royals on the board with 12 minutes left in the first half. Gretchen Mills tied the game in the 36th minute for Fishers, but Madison Dalton scored two minutes later, getting HSE the halftime lead.

Another quick exchange took place early in the second half. Layla Brown's goal put HSE ahead 3-1 five minutes into the half, then Dianna Rollag brought Fishers back to within 3-2 a little over a minute later. The game continued at a tense pace until Wallace finally scored.

"Ben, he's a great coach," said HSE coach Greg Davidson. "He always has his team hyped up. They've obviously proven themselves in the tournament for the last few years, and so it's an honor to beat their team."

The Royals will play Pendleton Heights in the first semi-final, followed by a contest between fifth-ranked Noblesville and Anderson.

Carmel won its sectional opener Tuesday night at Guerin Catholic.

The No. 3 Greyhounds got past No. 10 Zionsville 1-0. Carmel got its goal in the 53rd minute when Emily Speidel found the back of the net unassisted. Speidel kicked a

ball from about 25 yards that had just enough to spin over the hand of the Eagles' goalkeeper.

Emily Melchi had nine goalkeeper saves.

"It's great to get that out of the way," said Carmel coach Frank Dixon. "We've got a pretty good rivalry going in the sectionals, back and forth. "They beat us maybe when we should've won, and we've beaten them when maybe they should've won."

Next up for the Greyhounds is No. 2 Brebeuf Jesuit, which will be the second semi-final on Thursday. No. 4 Guerin Catholic and Westfield will play the opener at 5 p.m.

Hamilton Heights beat Jay County 2-1 Tuesday in first-round play at Class 2A Sectional 24 at Yorktown.

Amanda Irwin and Madi Hasler scored one goal each for the Huskies, with Emily Stirn and Katy Beery each making one assist. Tessa Harr had nine goalkeeper saves.

Heights will play host Yorktown at 7 p.m. Thursday in the evening's second semi-final.

Sheridan, hosting Class 1A Sectional 37, fell to Western Boone 3-1 in Tuesday's

first round.

Makenna Hammack scored the goal for the Blackhawks in the second half. Sheridan ended its season with a 6-7-3 record.

"We just improved on a few things, had a better win-loss record," said Hawks coach Kurtis Olsan. The coach said his team worked on fundamentals, and as a result Sheridan saw "some of our ties going to wins, some of our losses going to ties."

University is also playing at Sheridan; the Trailblazers will take on Tipton in the first semi-final at 5 p.m. Thursday.

ROYALS

From Page 7

"It's an intense, physical game and when us and Noblesville play, it always is," Hamilton Southeastern head coach Chris White on the rivalry between the Royals and Millers.

After a see-saw in possession for the first 25 minutes of the second, Hamilton Southeastern senior Cole Barnes found room and put the Royals' second equalizer into the back of the net with 14:17 left.

With thoughts of a possible two seven-minute overtime periods looming, both teams played frantic to avoid overtime.

It wasn't until late in the game that the Royals' Chayton Davidson took a foot to the ball off of a deflection into the goal with 26.6 seconds left that would seal the win for Hamilton Southeastern, 3-2.

"It was a difficult game to ref," White on the impact of the officiating on Monday night's game.

"There's contact on almost every play and you can't blow the whistle on every tackle. Emotions run high and it's tough to be consistent because of how much there is," White on the teams playing through the number of fouls called.

Emotions will ride even higher when the No. 2 Royals (14-1-2) meet up with the Fishers Tigers, who beat Pendleton Heights in the first game of the night to advance. Noblesville finishes 7-6-4 on the season.

Fishers tennis plays NC at regional

The Fishers boys tennis team got its first taste of the regional on Tuesday.

The Tigers played host North Central in the semi-final round. Both teams are ranked in the top 10: Fishers is No. 8 and the Panthers are No. 2. North Central had a little too much for the Tigers, winning 5-0 and advancing to today's championship.

Still, Fishers battled. No. 2 singles Nic Knoderer played a tough match before losing 6-4, 6-2. No. 3 singles Marcus Luke recovered from dropping the first set 6-0 and battled TJ Brady to 7-5 in the second set.

"We got six of the seven guys coming back and we played them pretty tough," said Tigers coach Dave Heffern. "The scores might not reflect it so much. We're going to be much better next year, so this is going to go a long way in helping us. We played

seven or eight top 10 teams this year, so we're getting a lot of experience."

Fishers finished its season 11-6 in dual meets, and won the Warsaw Invitational in addition to its first-ever sectional championship.

Meanwhile, Carmel cruised past West Lafayette 5-0 Tuesday in the semi-finals of the Kokomo regional.

The No. 1 Greyhounds will play Western today for the championship.

Millers play tough matches, ‘Rocks win twice

The Noblesville volleyball team played a pair of tough five-set matches to begin the week.

On Monday, the Millers lost a very close match to New Palestine. The scores were 25-21, 22-25, 21-25, 25-20, 15-13. Lexie Bowler hit 18 kills for Noblesville and made five blocks.
