On Saturday morning, dozens of people turned out for Shine Up Sheridan, a community program to clean up the parks and streets of the town.

This project should help get Sheridan recognized as an Indiana CLEAN Community.

According to the Indiana Department of Environmental Management, the Indiana Comprehensive

Jack Russell named Chief Operating Officer of OneZone

The REPORTER

OneZone, a Hamilton County chamber of commerce, announced last Thursday that Jack Russell has been named Chief Operating Officer and will join the organization on May 14. As COO, Jack will take on responsibility for the marketing, communications and operational aspects of the organization, along with oversight of member acquisition and retention, member services and events.

Russell

Jack comes to OneZone from the Westfield Chamber of Commerce, where he served as president. A graduate of Indiana University, he previously worked in marketing, sales and business development at Continental, Inc. in Anderson.

Mo Merhoff, OneZone President, said, "We're looking forward to Jack's joining us at an exciting time for OneZone. We are in the first year of a broad, aspirational strategic plan and welcome his being part of the team."

About OneZone

OneZone serves the Central Indiana business community as a commerce connector, strong voice, significant presence and business advocate in an ever-changing marketplace. With OneZone, businesses get an organization that reaches across municipal boundaries – just the way business does – to deliver more impact and more opportunities more efficiently.

Cicero celebrates Hildebrand's career

Reporter photo by Stu Clampitt

Friday afternoon at Red Bridge Park in Cicero, members of the public, community leaders and law enforcement officials who have known him for decades turned out to thank outgoing Cicero Police Chief David Hildebrand for his 39 years of service to the community. Hildebrand's last official day as police chief is Sunday, after which Jim Hunter will become the next chief of police for Cicero. **(From left)** Indiana State Police Superintendent Doug Carter, incoming Cicero Police Chief Jim Hunter, retired Cicero Police Chief Gary Cook, retiring Cicero Police Chief Dave Hildebrand, Noblesville Police Chief Kevin Jowitt, Hamilton County Sheriff Mark Bowen, Fishers Police Chief Mitch Thompson, retired Cicero Police Chief Jerry Cook. Noblesville Schools announces 2018 Teachers of the Year

The REPORTER

Noblesville Schools has named four educators as 2018 Teachers of the Year. The teachers were nominated by their principals and were then selected for the honor by a committee of administrators.

The winners are:

- Asheley Harris, second grade teacher at Noble Crossing Elementary (elementary winner)
- Jamie Harris, media specialist at North Elementary (elementary winner)
- Derek Ruble, eighth grade social studies teacher at Noblesville East Middle School (middle school and overall district winner)

Prevail grows to meet needs of community

The REPORTER

Last Tuesday, Prevail conducted a ribbon cutting ceremony and open house to celebrate the expansion of the organization's facility.

Prevail is an organization that provides services to victims of crimes and abuse. The organization also provides crime prevention educational opportunities.

More than 100 visitors attended the ribbon cutting ceremony and behind the scenes tours of the newly expanded Prevail office led by Prevail team members.

Organizers stated their hope is that our community was able to get an in-depth understanding about the services Prevail offers to all victims of crime.

"It is because of the continued passion and support of those around us that we are able to expand and meet the growing needs of our community. We are humbled and grateful for the show of support today," stated Prevail's Event and Marketing Coordinator Natasha Robinson.

putting Noblesville Schools' mission and vision into action. The winners regularly demonstrate the highest levels of quality instruction for their students and leadership among their peers.

Some examples include:

• Asheley Harris is known for her math expertise, mentorship of other teachers and her strong relationships with students and peers. Her students are actively engaged in setting their own learning goals and challenging themselves to reach her high expectations. She helped launch her school's student council and Random Acts of Kindness movement, and she was recently invited to testify before Indiana state lawmakers regarding math specialist certification for elementary teachers.

• Jamie Harris inspires students and fellow educators with her passion for learning. When she is not helping teachers with their academic data analysis, she is looking for "out of the box" ways to make learning more engaging. She launched a virtual field trip movement at her school through the use of 3D viewers, created a community reading initiative and has supported district and state education initiatives.

• Derek Ruble embraces innovative "gamified" practices to make his classroom and curriculum more engaging, ultimately leading to deeper learning for his students. He is a leader among his peers and continues to facilitate positive changes to the eighth grade social studies curriculum. He is actively involved in the student trip to Washington, D.C., coaching track, sponsoring a video game club and also launched a civics and debate organization at his school.

• Brandon Swart chairs the Social Studies department at his school and also teaches as an adjunct instructor at the college level. He is a respected master teacher who continuously pushes his own learning to the next level through professional development and collaboration with other educators across the state. His students develop a deep understanding of concepts, focusing beyond the "what" into the "why," and forming their own educated opinions through critical thinking.

The winners will be honored at a May 15 Noblesville Education Foundation recognition dinner held at Mustard Seed Gardens, as well as a school board meeting and district employee recognition breakfast.

As the overall district honoree, Ruble will also participate in the state Teacher of the Year competition.

Noblesville Schools employs approximately 650 teachers.

Pedal Perks returns for National Bike Month

The REPORTER

The Pedal Perks program is back for its second year in Hamilton County with even more businesses offering deals to bicyclists. The ride-and-save discount program is an affordable way for locals and visitors to explore the area on bikes.

There are more than 30 businesses across Hamilton County participating this year. Bicyclists simply need to show proof of their ride to the business in order to participate. Riders can bring in their helmet or take a photo of their bike outside the business. The program runs from May 1 through Oct. 31.

"The timing for Pedal Perks couldn't be better with the celebration of National Bike Month," said Whitney Riggs, communications coordinator for Hamilton County Tourism. "There's no better time to enjoy the outdoors, try a restaurant you've always wanted to and save a few bucks."

No bike? Hamilton County has several Zagster bike share stations in Carmel, Westfield and a new one in Noblesville. The Zagster app is free to download, and the cost to rent is $3 per hour.

A few of the deals include: A free appetizer at Books and Brews in Carmel, 20 percent off at Vardagen in Fishers, a free spin art activity at Caravan Classes in Noblesville and 10 percent off at Rail Epicurean in Westfield. A full list of the deals can be found at **PedalPerks.org**.

"Pedal Perks is one way Hamilton County Tourism supports bicycling tourism efforts," said Karen Radcliff, chief strategy officer for Hamilton County Tourism. "This year, the organization will invest more than $75,000 in strategies designed to support its communities to raise awareness of bicycling opportunities available for all."

Partners interested can still sign up to join the Pedal Perks program. Contact Hamilton County Tourism's partnership coordinator Megann Kramer at **mkramer@hamiltoncountytourism.com**.

About Hamilton County Tourism, Inc.

Hamilton County Tourism Inc. is a nonprofit, destination management organization that promotes tourism growth through strategic marketing, hospitality and development initiatives providing hospitality to more than four million visitors to Hamilton County each year.

Noblesville infrastructure improvements underway

The REPORTER

Several infrastructure improvement projects involving roadways and storm water sewers began in Noblesville last Monday.

In Downtown Noblesville, city contractors will be reconstructing the south leg of the 14th Street and Logan Street intersection and will have that half block closed. That group will then move up one block and repeat the process for the south leg of the Clinton Street intersection the following week. All homeowners will have access to their driveways during construction, but no through traffic will be permitted.

Earlier this month, patching was done on Greenfield Avenue. The second phase of work will be the milling and resurfacing of Greenfield Avenue from State Road 37 to Boden Road. Work is anticipated to take approximately two weeks. This project will require temporary lane restrictions and flaggers will assist motorists. The resurfacing of Greenfield Avenue is part of the Community Crossing Matching Grant Program, which is funded 50 percent from the state and 50 percent from the City of Noblesville.

As part of the Noblesville Utilities Long Term Control Plan Phase IV project, work will be done along Conner Street (State Road 32/38). A new storm water sewer pipe will be installed along the north side sidewalk, which will not be accessible for pedestrians. Conner Street will remain open during construction, but the three-lane roadway will be narrowed to two lanes along that block of construction. Work is expected to take two weeks.

Reconstruction of 171st Street from Willowview Road to Cherry Tree Road was completed Friday, April 20. Throughout the winter, the Noblesville Street Department made temporary repairs until this more permanent repair could be constructed.

Little Huskies break ground at Heights

The REPORTER

Hamilton Heights School Corporation held a special groundbreaking ceremony recently to serve as the official launch of several new construction projects slated to take place at the elementary, middle and high schools.

The event highlighted the community's tax dollars at work and represents the next round of investment to the corporation through its well-planned Project Vision Comprehensive Facilities Plan designed to create optimal learning environments for Hamilton Heights students and staff.

These projects are being accomplished without raising the district total tax rate of $1.0461 based on current legislation thanks in part to strong fiscal management of past and present school board members and district administration. Project construction began in 2014 and is expected to be complete in 2021.

"This is such an exciting season for the Little Husky Learning Center (LHLC) and the Hamilton Heights School Corporation Community," said Andrea Griswold, LHLC Director, of the impact of the new addition that is being made possible through Project Vision. "The Little Huskies Learning Center is constantly growing and adapting to meet the needs of the families and students we serve as well as the Heights community. The new wing will provide us with a flexible and fresh canvas to which our program can change and adapt ... with continued focus on the students. We are looking forward to making use of every inch of flexible space and continuing to do great things for the young children of this community."

Additional information and Project Vision updates can be found on the corporation website at **hhschuskies.org** under the "Our District/Project Vision" tab.

Local Environmental Action Network (CLEAN) is a free voluntary Community Challenge recognition program that recognizes and rewards Indiana cities, towns and counties for proactively managing environmental impacts associated with governmental operations. IDEM's Challenge to be a CLEAN Community is helping communities achieve goals to make Indiana a cleaner, healthier place to live.

Gloria Del Greco from Purdue Extension told The Reporter, "At the Sheridan Change Coalition we've been talking about getting Sheridan recognized. We picked today and are getting things spruced up because in two weeks Main Street is going to be finishing the process of planting flowers downtown. We wanted to get a head start on that because you can't do it all at once. We decided to help Main Street by getting some people out and really getting the community involved."

According to Del Greco, Shine Up Sheridan partnered with Young's Kitchen, who is giving a 15 percent discount to every participant who helped.

Ken Alexander (left) signs up with Gloria Del Greco to volunteer his time for the Shine Up Sheridan project.

"This is a way to bring some pride to the community and get some recognition," Del Greco said.

Babe Ruth Coach George Reners and his baseball team come out Saturday to help this event turn into a huge success.

"This town gives so much to us," Reners said. "We wanted to come in and give something back to the community."

The Reporter also caught up with Hamilton County Commissioner Mark Heirbrandt while he was helping clean up State Road 47 in Sheridan.

"I'm proud of what this coalition has done already to bring this community together and be proud of what we have here," Hamilton County Commissioner Mark Heirbrandt said while he was helping Shine Up Sheridan.

Learning the reality of beauty

From the Heart

JANET HART LEONARD

There she stood, on the steps of the hospital where she had just given birth to a royal son, some seven hours before. That's right, SEVEN hours. Make up done like that of a celebrity hitting the red carpet. Hair styled as if she had just left the hair salon and not the delivery room. And she was wearing HIGH HEELS.

She is royalty. She is Kate.

I am not royalty. I am Janet.

Watching the news, I had a flashback of when I delivered my kids, some 40 and 36 years ago. Brandon and his broad shoulders arrived after a 32 hour back labor with no epidural. Emily arrived on her due date during what would have been the appointment time of my doctor visit. Still no epidural. There is a reason they call it LABOR.

I will refrain from the gory details of childbirth but I can tell you ... it ain't pretty.

Seven hours after the arrival of my descendants I looked nothing like the royal Kate. I looked more like death warmed over and set on a back burner. Upon leaving the hospital I had to send for my maternity pants to wear home. Elastic waistbands tightly hugged my waist for months after giving birth. Up at all hours of the night left me too exhausted to even think about make up.

High heels? No way. I simply waddled and shuffled my way around, wearing sneakers or whatever flats into which I could wrangle my swollen feet.

Those glamour shots of Kate Middleton got me to thinking. Her reality is not that of the women I know. Yet, the media causes most of us to doubt where we measure up. So we simply measure down ... way down.

Every day we find women to whom we compare ourselves. The story behind their perceived perfection, we do not know. Yet, we think they always look that way. We think, I wish I had their life. Imagine the pressure they are under to look like they have it all together. It's all about the look and what we perceive it to be.

Of course with Kate we know behind the doors of the hospital were doctors and nurses and a hair and makeup stylist, and a personal assistant. It took a staff of fixer uppers to put her all together to then walk out the doors of the hospital looking like she just left a royal gala rather than a birthing room.

As I have gotten older I realize that to compare myself to anyone is a waste of time and energy.

I have learned to accept my "I've had two kids" body. Gravity is a reality that cannot be nipped and tucked and botoxed and lasered and lyposuctioned by the average, over 50 something, woman.

I've learned that with wrinkles comes wisdom. I've learned that the best makeup trick is to LET GO of bitterness and anger. And yes, only my hairdresser knows for sure just how much gray she has washed and dyed out of my hair.

About 20 years ago I had a friend say to me, "Janet, I envy your life." I was astounded. She had no idea what was behind the forced smile. You see, I somehow had joined the crisis of the month club. It was an effort to face each and every day. What I showed the world was not my reality. I had learned how to put on the "I'm ok" mask to face the world every day.

Recently, I've had people say to me, "It's so nice to see you so happy." I will tell you that happiness is the best makeup artist that there is. It does not come without a price. I know what sadness looks and feels like.

I know my someday has arrived. You know, where some things start to make sense, where the battle scars of life are stitched together to make a tapestry of beautiful colors.

I may seldom wear high heels. I may not look like I have it all together because I don't. My battle scars are many. Life has refined my thinking. I look for the beauty in the soul of my friends. I look for the weary to give them a word of encouragement. You see, because of what I have gone through, I know what beautiful looks like in others.

A woman, refined by hurt and stolen dreams, will stand before those who love her well and tell them to never compare themselves to others. You have no idea what they are going through or what they have gone through.

We all simply survive. Some have survived better than others but every battle refines us. We arrive at beauty or we arrive at bitter. The look will be seen on our face and in our heart.

Happiness is never found in comparison but in gratitude.

None of us come out of life unscathed. We make good choices. We make bad choices. We battle unforeseen giants and obstacles.

Never measure your mistakes or your failures against your successes. Both bring you to who you are now. All are a part of the refining process. It brings you to who you were designed to be ... YOU.

We may wipe a few tears. We may smile and shake our head remembering the strength we found when we could barely face the day.

There may never be a crown on our heads or high heels on our feet, but our smiles will be radiant. And they will be real, for all who have loved us well.

Our tapestry will be beautiful. It's been woven over many years.

'Commuter tax' must be a two-way street

The County Line

FRED SWIFT

Hamilton County residents are likely to be hearing more about "commuter taxes" in the coming months. And, this comes from a "regional" concept that many Indianapolis officials and some state legislators like to talk about. The regional approach in government means Indianapolis and its surrounding counties are all part of a metropolitan area that share certain economic and social advantages and obligations.

In the short term, we will hear that a tax for commuters from this county and the others around Indy is fair and necessary to repair the crumbling streets and highways in the capital city. There is without doubt a good argument that motorists who use a road with regularity should contribute to its maintenance.

But, if some type of tax is levied on Hamilton County commuters for roads or public transportation or anything else, it should be a two-way street. We are told that 40,000 of our county residents drive into Marion County every business day. Not so widely publicized is the fact that 15,000 Marion County residents commute to jobs in Hamilton County and the number is growing.

Our mayors, county officials and state legislators should insist that any discussions on a commuter tax include provisions for Marion County to pay for its workers who come to our county each day. We deserve a fair share of such a tax, but probably won't hear much about this suggestion from the Indianapolis city administration or city news media.

But, our roads need to be maintained too, and more employment is being created in this county all the time with a lot of employees likely to come from out of the county. So, it would be helpful if our officials make sure they speak up for us.

HSE kindergarten entrance age changed

By LARRY LANNAN
LarryInFishers.com

The coming school year will see a temporary change in the kindergarten entrance age for Hamilton Southeastern (HSE) Schools. The school board voted unanimously last Wednesday night to accept early entrance kindergarten students. This applies to youngsters with birthdays between Aug. 2 and Sept. 1.

The State of Indiana will no longer provide funding to local school corporations for these early entrance kindergarteners. HSE Schools decided to fund these students for one year due to the recent change in the state rules as a matter of fairness to the families involved.

Take steps to reduce home burglaries, thefts from vehicles

The REPORTER

Bowen

Spring is finally in the air, but an increase in temperatures is often accompanied by an increase in crime, particularly residential burglaries and thefts from vehicles. The Sheriff's Office wants to remind area residents to take proactive steps in protecting their homes and vehicles as well as promptly reporting suspicious activity.

Among steps to take, Sheriff Bowen encourages residents to:

• Get to know your neighbors and watch out for each other.

• Lock your doors even when you are home.

• Close and lock garage and shed doors.

• Park vehicles in the garage or in the driveway and lock the doors.

• Close windows when away from home.

• Keep outside lights on or install motion detector lights around the house and driveway.

• Never leave a hidden key outside. Burglars know all the good hiding places.

• Home alarm systems are great but they only work if they are armed and activated.

• Trim landscaping and avoid clutter to minimize hiding places.

• Record make, model, and serial numbers of electronics, firearms, and other items. Photos and appraisals should be kept of jewelry, artwork and similar items. Having these records on hand in the case of a theft can make the difference in recovering stolen items.

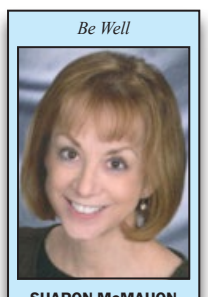
• If you arrive home and your home has been burglarized, stay outside until law enforcement arrives. You don't want to walk in with a burglar still in your home.

The Sheriff's Office has responded to several reports of burglaries and thefts in recent weeks, which is typical for this time of year. While cases are random, areas of increased population density, such as Home Place in the southern part of the county, are typically more active. Criminals often focus on small items such as electronics, cash and jewelry that can be easily transported. Thefts from vehicles most often occur with vehicles that are unlocked or parked in isolated areas.

As always, report suspicious activity to Hamilton County Public Safety Communications at 317-773-1282 or dial 911 for an emergency.

Don't just be 'ReTired,' get yourself 'ReWIRED'

Be Well



SHARON McMAHON

Plans are nothing; planning is everything." – Dwight D. Eisenhower

The verb definitely trumps the noun in the above quote by General/President Eisenhower. Although my column primarily addresses nutrition and fitness, those are two items of discussion which should always be involved in retirement planning as well. I decided to focus on "retirement" in this column today although the definition is a varied as the people who claim to be "retired" which I have observed from friends and professional acquaintances recently retired.

Which one are you: "ReTired" or "ReWIRED"? I know that for me the latter is true. After many years spent in professional organization management, I find that I am at a point in my life where I can refocus on everything from my fitness level to volunteering to professional consulting at my own pace. As much as I enjoyed my career and found it fulfilling, I am now re-energized for other pursuits and activities and feel both blessed and awed by that opportunity.

Maybe you are reading this and know that "retirement" or making a big change in your life is not appropriate at this time. However, as you will note in the quote above, an inactive plan is inferior to active planning for the future.

Most of us understand that working with a financial advisor is very important; however without engaging yourself to be more active physically and mentally, and focusing on nutrition, I am afraid the financial comfort will not be all that you had hoped. Life is about balance in all that you do – a holistic endeavor. Being active while eating junk food; practicing great nutrition but never moving your body; enjoying hobbies but never engaging with others, are all examples of a life out of balance. Making time to connect with family and friends, volunteering when possible, staying physically active and mentally sharp, eating whole and nutritionally sound foods, these are all "plans" for your retirement years – but don't forget that important word "planning" – making conscientious changes when necessary and engaging yourself in the process.

Whether you are long ago, recent, or soon to be "retired" start planning this new phase of your life and get "rewired" – you deserve it!

Every time I write a column, I always have my wife read through my first draft. She points out any typos, lets me know if I am being clear enough with my content, and calls me out when I get too wordy or use too much political jargon. Quite frankly, she's become a great editor and, at times, one of my biggest critics. Which is why when I brought her the draft for this column, she asked if she could just write it instead. So, here's my column brought to you by my much better half, Julie Jensen.

* * *

By JULIE JENSEN

The political world intimidates me. The strong opinions, personal attacks, and the idea that "my way is clearly better than your way" has always made me uncomfortable. That being said, being married to my husband has been very eye-opening. I have met and mingled with many different public servants at various levels of government, and I've learned more about the day-to-day operations of local and state government than I ever really cared to know. And throughout it all, I've developed my own opinions about what would work and what would not – some of which align with my husband's and some that do not. This household dynamic has led to many healthy (and let's face it, occasionally heated) discussions about what we think is best for our city, state and country.

Which has made me realize this – that while my husband and I do not always agree on the best way to do things, we are both passionate about doing what we think is right, fair and beneficial to the people around us. I have heard and seen many politicians attacked, ridiculed and teamed up against for where they stand on certain issues or for decisions they've made – my husband included. It often makes me wonder why anyone would run for public office in the first place.

Why would people put themselves through the bashing, slander and public scrutiny? Why would they put themselves in a position to be hated simply because their platform does not align with another's? My answer lies in watching my husband and the countless other "politicians" I've met over the years. My husband is a man who is more passionate about his hometown than anyone I've ever met. He cares deeply about others and wants Noblesville to be a place where our children can flourish, thrive and hopefully stay to raise families of their own. And he is not alone. A majority of the people willing to put themselves on the election chopping block are similarly passionate about this city – whether their views on how to do it align with yours or not.

So, the point of this piece? To remind us all that as this election cycle approaches, the majority of the people putting their names on the ballot are, in fact, just people. People who care about Noblesville and Hamilton County and who genuinely believe in what they are fighting for.

So before you publicly bash a candidate, or claim that a candidate is intentionally setting out to "ruin" the place you call home, take a minute to think about why they'd be willing to put themselves in such a hostile and vulnerable position. While you may not agree with the "how," you may have more in common with the "why" than you think. And as my husband and I continue to learn, healthy conversation and debate is never a bad thing.

Jack F. Prather
April 25, 2018

Jack F. Prather, 92, Noblesville, died Wednesday, April 25, 2018. Jack was preceded in death by his wife, Betty; and is survived by daughters, Sara (David) Neitzel and Patricia Prather; and grandchildren, Emily and Andrew Neitzel.

After serving in the U.S. Navy during WWII, Jack began his long career as a 'bean counter' working for Standard Oil, Stonefort Coal Company and retiring in 1989 as CFO of Riverview Hospital in Noblesville. Jack was a quiet man with a gentle sense of humor. He loved books and dogs (not necessarily in that order). He will be greatly missed by all who knew him.

A graveside service will be held at 11 a.m. on Tuesday, May 1, 2018 at Oaklawn Memorial Gardens, 9700 Allisonville Road, Indianapolis, IN 46250.

In lieu of flowers, the family requests that you read a book and greet every dog you meet with a pat on the head; or make a donation to the animal welfare organization or library of your choice.

John Charles Holscher
July 24, 1924 – April 26, 2018

John Charles Holscher, 93, Noblesville, passed away on April 26, 2018, at Harbour Manor Health & Living Community, surrounded by his loving family members. He was born July 24, 1924, in Natrona, Pa., to the late John F. and Clara J. (Neupert) Holscher.

John graduated from Har-Brack High School, Natrona Heights, Pa., in 1942. He served in World War II in the European Theater Operation. John was given an honorable discharge from the 79th Fighter Group 12th Division of the Air Force with the United States Army on December 31, 1945. He graduated from Grove City College, Grove City, Pa., in 1950. John married his college sweetheart, Ruth Elizabeth (Heath) Holscher in McKeesport, Pa., on August 18, 1951. He and his family moved to Noblesville in 1959. John retired in 1985 from Firestone Industrial Products in Noblesville from the Accounting/Auditing Department. He was involved with Junior Achievement, Toastmasters and the Noblesville Firestone Retirees Group.

In addition to his parents, he was preceded in death by his loving wife of 58 years and his sister, Frances McMeans.

His interests included gardening, in which he took great pride in having the tastiest tomatoes around, feeding the birds, reading, working crossword puzzles and vacationing in Florida. John enjoyed his nightly game shows and his favorite Hallmark movies. He was a good neighbor and friend to everyone he knew. Most of all, he was a devoted husband and loving dad and grandpa.

He is survived by his daughters, Lynn (Robert) Forsterling, Kokomo, and Kathy (Hugh) Reynolds, Fort Lauderdale, Fla.; his son, David Holscher, Covington, Ky.; three grandchildren, Suzanne (David) Wright, Marta (Gabe) Pinheiro, Stephen (Meredith) Reynolds; six great-grandchildren, Jenna, Kaitlyn and Aubrey Wright, Bianca and Sophia Pinheiro and Emilia Reynolds.

Visitation will be held from 4 to 7 p.m. on Tuesday May 1, 2018, at Randall and Roberts Funeral Home, 1150 Logan St., Noblesville. A private graveside service will be held at a later date.

HSE student wins award for aspirations in computing

The REPORTER

Hamilton Southeastern High School student Julie Tadrous has received the Indiana Affiliate NCWIT Award for Aspirations in Computing. The award, sponsored by the National Center for Women & Information Technology (NCWIT), OneAmerica, Women & Hi Tech, Society for Information Management - Indianapolis Chapter and Indiana University recognizes high school women for their computing-related achievements and interests as part of an effort to encourage more young women to choose careers in technology.

"Encouraging young women's interest in technology careers is critical: Our workforce needs their creativity and their innovation," said Lucy Sanders, CEO and Co-founder of NCWIT. "We congratulate our award recipients for their dedication and vision for a brighter future in technology."

A total of 23 award recipients and 23 honorable mentions were selected from high schools across the state of Indiana for their outstanding aptitude and interest in information technology and computing. Honorees also displayed solid leadership ability and a good academic history, and have plans for post-secondary education. Each award recipient receives $250 and two engraved awards – one for the student and one for her school's trophy case.

Tadrous's interest in computing and technology was sparked by her father and his job as a Data Systems Analyst. She enjoys using Adobe products to create digital art and likes to practice her web skills by coding with JavaScript. At school, Tadrous is part of the National Honor Society and is known to other students as someone who's willing to help. In the future, she plans to pursue a degree in informatics.

About NCWIT

The National Center for Women & Information Technology (NCWIT) is a non-profit community of more than 850 universities, companies, non-profits and government organizations nationwide working to increase women's participation in computing and technology. NCWIT equips change leaders with resources for taking action in recruiting, retaining, and advancing women from K–12 and higher education through industry and entrepreneurial careers. Fishers residents, mind the rules when driving golf carts

By LARRY LANNAN
LarryInFishers.com

We never thought it would ever come, but warm weather is finally descending upon Fishers, and with the warmth, Fishers Police want to remind everyone that certain motorized vehicles are governed by specific city ordinances.

Golf carts can be driven on streets under very specific circumstances only. Carts can be driven on subdivision streets when the neighborhood has all the following requirements in place:

1. Fishers has determined that golf carts may be safely operated on the streets within the specific neighborhood;

2. A threshold amount (75 percent or higher) of property owners in the neighborhood have voted in favor of allowing golf carts within the neighborhood and the results of the election have been certified; and

3. The proper signage in the designated locations has been placed.

It should be noted that only three neighborhoods meet all three criteria as I write this post. They are Britton Falls, Thorpe Creek and Graystone.

If you live within these three neighborhoods and use your golf cart on subdivision streets, there are still rules and regulations you must obey, listed later below.

Fishers Police officers would also like to remind everyone that there are state laws dealing with mopeds, scooters and small vehicles such as motorized bicycles – all must have plates and registrations. Other requirements include:

• Operators and passengers under the age of 18 must wear a helmet

• Divides into two categories:

Class A MDCs

• Greater than 50cc

• Require Insurance

• Require Operators License

Class B MDCs

• 50cc or less

• No license, no insurance

Class B requirements

• 15 years old

• ID card with MDC Endorsement

• No passengers

• No interstates or sidewalks

• Not faster than 35 mph

Golf Cart Operation Regulations

Hoosiers could save money with new prescription drug law

By DAVID WILLIAMS
WISH-TV | wishtv.com

A state law could soon help you save money when it comes to prescription drugs.

"This is a win for our patients, our clients and we're just very happy about that," said Hamid Abbaspour, owner of the Dr. Aziz Pharmacy, which opened in 1988.

"I've seen patients refuse to take medications because it wasn't covered, or it was too expensive," he said.

That could change. Signed into law four weeks ago and taking effect July 1, the measure will allow doctors and pharmacists to offer cheaper options for prescription drugs if you pay with cash instead of using insurance. The **Indiana Pharmacists Alliance** said if patients buy medicine through their insurance, but the cash price of the medicine is less than your copay, pharmacists can tell you that the cost will be lower if you pay in cash.

Robert Widener, a customer at Dr. Aziz Pharmacy, said, "Now, since they can tell you, everybody benefits, regardless of your social class or whatever."

Randy Hitchens, executive vice president of the Pharmacists Alliance, said the law removes what is called a "gag clause."

"**HB 1317**, PBM (pharmacy benefits manager) transparency, goes into effect July 1, [2018]," he said Thursday. "This new law contains two key components, including the elimination of gag clause language that has prevented the pharmacist from disclosing Rx pricing options to their patient; and the elimination of prescription reimbursement clawbacks by PBMs that has forced many independent pharmacies to close their doors. This new law provides fair business practices on prescription drug reimbursement for Indiana pharmacists and their patients."

Abbaspour of Dr. Aziz Pharmacy said, "'Gag order' was something that pharmacy benefit managers put on the contract that would not allow me to talk to my patients freely about the prescription costs. What are the alternatives they have? This has given us relief to be able to do our job."

Kurt Moyer, a pharmacist and vice president of clinical services at Dr. Aziz Pharmacy, said insurance companies might be upset with the new law.

"Of course. They like to dictate everything through those contracts," Moyer said. "They don't like a lot of information getting out about pricing and discrepancies, whether it be how much a patient pays or how much a pharmacy gets paid."

Abbaspour estimated Hoosiers may save upwards of $50 per prescription under the new law.

"There is absolutely no reason for a generic item to be so expensive," he said. "There are other alternatives to reduce that cost by $40, $50. We're at the forefront of that … The community pharmacists are at the forefront of that."

Cicero Fire serves 428 breakfasts

On Saturday morning, 428 people turned out to support the Cicero Fire Auxiliary's 2018 pancake breakfast fundraiser held at the fire department, 1359 Stringtown Pike, Cicero.

According to Chief Lance Overholser, this year was "quite a bit larger than last year." He credits his department's work to promote the event and engage the community on social media as one reason for that growth.

The silent auction raised nearly $1,000, in addition to the funds generated from the breakfast.

Funds from Saturday's event will go toward purchasing new thermal imaging cameras for all Cicero Fire Department trucks.

"This will allow our firefighters to quickly and efficiently locate the seat of the fire and will aid in rescue operations," Overholser told The Reporter. "With these cameras we will be able to locate victims a lot quicker and help save lives."

One such camera is currently in use on the department's fire engine, but with advances in technology there are now smaller less expensive models that Overholser hopes to add to every truck in the fleet.

Overholser sends his thanks to everyone who sponsored and donated to the silent auction and to everyone who attended the event.

"We'd like to see everyone again next year," Overholser said.

Fishers High School prepares teens for local tech jobs

By BRENNA DONNELLY
WISH-TV | wishtv.com

With several technology companies looking to set up headquarters in Indianapolis, several central Indiana high schools are already hard at work training students to enter that competitive workforce.

Fishers High School in the Hamilton Southeastern School District hosts dual-credit college classes inside its building taught in part by local tech industry professionals. The program is in its third year and boasts three classes with about 15 enrolled students each. Those high school students will receive three college credits per course at Purdue University for these freshman level major courses and pay about $25 per credit hour.

"The goal I think is to really connect kids with authentic learning and bring that into the classroom as much as possible," said Steve Loser, assistant principal at Fishers High School. "Kids are going to actually reinvent their jobs through their lifetime. They need to know what's there, but also be able to shift and pivot as they move in those next steps."

John McDonald says these courses teach that kind of innovation, teamwork and problem solving. He's the instructor for **CNIT 18000** through the Purdue Polytechnic Institute, but he isn't a trained teacher. He's the CEO of **Fishers-based ClearObject** and teaches the course from personal experience, with supervision from Purdue faculty.

"If we want kids to be able to be a part of this data economy that we have growing here in Indiana without necessarily loading them up with college debt or have them escape Indiana," said McDonald. "You need to have ways and pathways for kids to lean to be a part of the computer industry in a high school setting."

Wednesday, McDonald held out his Indiana driver's license and explained to the students how it's a metaphor for digital certificates on the internet. He says coding and computer skills are the new form of English, and believes everyone needs to understand them. The students say they really believe this course could make a difference in their futures.

John McDonald, CEO of Fishers-based company ClearObject.

"I thought it was really cool. I didn't know about this until junior year," said Jeremy Simpson, a senior at FHS. "I want to be a computer engineer so this systems analyst stuff would be helpful for my future job."

"I think it's really interesting because it's a new way of learning and I know he knows his stuff because he has a job doing it currently," said Sarah Stensland, also a senior.

At age 17, Jeremy Simpson already has a job in the tech industry and wants to make sure he'll be competitive once he graduates.

"The jobs are getting so much more technically skilled that you need training and knowledge beforehand to be competitive in there," Simpson said. "So knowing everything you can as soon as possible and preparing for that is very useful for getting a job in this field."

"Our high school students are already telling us that they know how code websites, they know how to build apps," said McDonald. "So we need to do a better job at driving this technical education into high schools so they're prepared to go directly into jobs in the IT industry."

McDonald says several efforts are underway across the state, including some by Governor Holcomb to bring catered technical education to a younger population. Westfield Washington Schools' **Innovate Westfield** and Carmel Clay Schools' **Ivy Tech Dual Credit Courses** are similar programs in Hamilton County.

"We're really trying to tap into the pulse of the smart, vibrant, entrepreneurial city of Fishers and have that reflected in the building as much as possible," said Loser. "This is one model that's a college level course taught by Purdue with a local expert but we have a multitude of opportunities for local experts, local companies to come into our classrooms connect with our teachers."

Riverview Health purchases new hospital beds to enhance safety

The REPORTER

Riverview Health has purchased 57 new state-of-the-art Hill-Rom Centrella™ Smart+ beds for its medical-surgical unit.

"As a hospital system, improving patient experience and safety is a priority for us, and these beds are currently the best on the market to do just that," said David Wilhite, director of Inpatient Services. "Among other new features, these beds help reduce the risk of falls, which is a big patient safety concern, and include technology that enhances the way patients communicate with their care team."

Hill-Rom launched this new bed in the fall of 2017 after investing significantly in clinical and customer research. The Centrella™ Smart+ beds are designed to simplify how caregivers work while keeping patients safe by reducing the risk of falls. The care team is able to better ensure fall-risk patients are in a safe state at all times through a new feature that automatically arms the bed exit alarm and notifies caregivers if a patient tries to get out of bed. The beds are also equipped with a display system that projects icons onto the floor so the bed safety status can be monitored from a distance.

"Not only do these new beds keep patients safe, they also help our team work together more effectively and efficiently," said David. "Having new features like the display system that can be seen from outside the room can prompt any team member to quickly tend to the patient."

About Riverview Health

Riverview Health is comprised of a full-service, 156-bed hospital and 23 primary, immediate and specialty care facilities located throughout Hamilton County. Together, they provide comprehensive healthcare services in 35 medical specialties and have frequently been recognized for their clinical and service excellence. IMCU announces new Fishers, HSE Schools debit cards

The REPORTER

Indiana Members Credit Union (IMCU) is pleased to announce it has partnered with the Hamilton Southeastern Schools Foundation to offer both a Fishers and Hamilton Southeastern Schools branded debit card.

The partnership allows fans of both schools the opportunity to show their school spirit and support the foundation by signing up for one of the debit cards. Every time the cards are used as a signature based transaction, the foundation benefits. The more cards that are in use, the larger the contribution.

The cards are available for issue to members at the IMCU Fishers Branch, 13220 Olio Road, as well as IMCU's other 25 Central Indiana locations.

The Fishers or Hamilton Southeastern Schools debit cards are free to members with IMCU's free checking account and can be issued immediately through IMCU's Instant Issue program, which allows members to receive their debit cards on the spot.

Noblesville artist transforms Forest Park crosswalks

The REPORTER

Two Forest Park crosswalks recently received makeovers with artwork reflective of the park and its surroundings. The two crosswalks enhanced were the ones near the Forest Park Aquatic Center and the newly remodeled center restroom building.

"We're always looking for ways to incorporate art in our parks and we saw this as a great opportunity to update the crosswalks in a fun, creative way. Parks staff are involved with various art councils around town, which is where we first heard about Nickel Plate Arts transforming other crosswalks, and we knew we wanted to work with them on this project," said Noblesville Parks Director Brandon Bennett.

Working with Nickel Plate Arts, a selection committee reviewed the numerous artwork entries before selecting two different designs by Noblesville resident Darren Peterson.

"Darren's designs really brought the crosswalks to life and incorporated elements of Forest Park," said Mike Hoffmeister, assistant park director.

A water life theme containing colorful fish and other aquatic life connects the park to the aquatic center. The center restroom crosswalk features two large footprints with silhouettes of animals typically found in the park – such as a squirrel, bunny and fox – with the animal footprints walking along the crosswalk. Each crosswalk includes safety elements with vibrant colors.

Peterson

"The two parks crosswalk projects were a great opportunity to develop some ideas and use some lessons learned on first two Nickel Plate Arts crosswalks – at Eighth and Maple and Ninth and Maple – to create a fun, whimsical, large-scale art project in Forest Park," said Peterson. "The part I enjoy most about the projects is community building, because none of these wacky ideas happen without volunteers, partners and the entire community."

In addition to Nickel Plate Arts, the parks department would like to thank the following local sponsors who helped fund this project: Committee to Elect Greg O'Connor, Meyer Najem, Kurt Meyer, Hamilton County Tourism, Innovative Planning, Ann Lemna, Boys & Girls Club of Noblesville, Noblesville Lions Club and Keep Noblesville Beautiful.

In Heights softball's win over Northwestern...

Three grand slams for the Huskies

By RICHIE HALL

There's been quite a bit of history made on the Hamilton Heights softball field over the past few years, but never quite like what happened last Tuesday.

April 24 will be known as the Triple Slam day on the Huskies' field. The Heights team totaled three grand slams in its win over Northwestern. Not only that, but two of those slams were hit by one player.

Freshman Hayley Greene smacked her first slam in the fourth inning, then with the bases loaded in the sixth inning, hit another ball over the fence. That made the score 14-3, and that would be the final, since that was over the limit for the 10-run rule.

"We were just all in together," said Greene. "Our defense was in and of course our bats were going, which is really good all around."

Senior Taylor Ewing got the Huskies' first slam of the game in the second inning, which broke a 1-1 tie. Aliyah Dorsey drew a walk, Kelsie Albright got on with a fielder's choice and Jesse Nomdo singled to load the bases, and that brought Ewing up for her slam.

"When I go up there, I just look to hit the ball," said Ewing. The senior said she doesn't look for power, but after she saw her coaches telling her "Just go," and her teammates came out to congratulate her, that's when she knew.

"And it was a good feeling, for sure," said Ewing.

"It was very impressive tonight," said Heights coach Landi Lockwood. "It's something we've been lacking the last few games and I was excited to see us start to get our swing back and get a hold of it. It's rare to see one grand slam, but three is pretty amazing. For them to keep their composure after they've done that and do it again, and to have the girls on base to do that, we needed to have that and that worked for us in our favor tonight, too."

In the fourth inning, Ewing singled on to base, then Bayleigh Runner got on with a fielder's choice. Jessica Kaurich drew a walk, and that set up Greene for her first slam.

That same group came together in the sixth inning with the Huskies up 10-3. Ewing got a walk, Runner singled, Kaurich was hit by a pitch, then Greene took the 2-1 pitch over the fence.

"That time I had to think like, we just needed to get more runs on to win," said Greene. "We were thinking, just get it in play and score these runs. It went over, so it worked out in the end."

Runner got the first run in the first inning, when Greene batted her in with a double. That means Greene finished the game with nine RBIs. Kylie Schakel also scored in the fourth inning, prior to Greene's first grand slam.

Hamilton Heights' Taylor Ewing (left) and Hayley Greene helped the Huskies "slam" the door on a Tuesday 14-3 win over Northwestern. The freshman Greene hit two grand slams in the game, while the senior Ewing hit a second-inning grand slam.

It was a nice rebound for a Heights team that went through a bit of a rough patch last week, dropping three games, two by run-rule. The Huskies got off to a fine start with the season, but have had to deal with their ups and downs, which can happen when a team has young players.

"Honestly, going in nobody knew how we were going to do with such a young team," said Ewing. "But from the get-go, we've been really good. We started off beating Zionsville our first game, so it was an accomplishment."

Ewing admitted that the middle of the season "got a little rough," but said her team is getting things together. She's also amazed by the younger players on the team.

"Watching the game, you would never have know that there are such young girls out here playing," said Ewing. "I think this game, everybody came out with their heads in it and we all knew we wanted to win. We knew there was nothing to lose, so we all had confidence in ourselves about this game."

Ewing and Kaurich are the only two seniors on the team this season. Greene said she's learned quite a bit from them.

"Taylor's a shortstop and I play there sometimes," said Greene. "If I'm at third (base) during practice, I'll watch her and see what she does. I can just carry that into the game with me. They're role models for us and it's a lot of help."

Albright pitched three and a third innings, while Greene threw the final two and two thirds. Between them, the two pitchers allowed Northwestern just five hits.

With Tuesday's win under their belts, the Huskies feel like things are getting better for them.

"We're definitely going to keep going up," said Ewing. "I have a lot of confidence in our girls. With our losses, I know conference is out of the question, but I think we have a really good chance at winning sectionals, hopefully."

"We just got to keep our heads in it," said Greene. "We had tough losses all last week, and it showed that we got down. But today's game showed that we were still in it, and we can win. And like Taylor said, I think we have a great chance at winning sectionals if we just stay in it."

In other games, the Huskies lost a 10-0 contest to Northwestern on Thursday. Sydney Massicotte had the lone hit for Heights.

The Huskies dominated Pike 17-0 in a Thursday home game, scoring 10 runs in the second inning.

Ewing went 3-for-3 at the plate. Five different Heights players had two hits, including Kaurich, who collected the 100th hit of her career. Five Huskies also batted in two runs.

Adyson Baber pitched an excellent game, striking out 12 and allowing just one hit.

"It was nice to see us rebound after our game last night," said Lockwood. "All the girls did a nice job both offensively and defensively."

The Huskies' next game is Tuesday at Lewis Cass.

Games take place the week of May 21...

IHSAA announces softball sectional pairings

The IHSAA announced the sectional pairings for the 2018 softball state tournament on Sunday.

Hamilton County's Class 4A schools will compete in Sectional 8 at Westfield. The Shamrocks play the first game, hosting Noblesville, followed by a Mudsock rematch between Hamilton Southeastern and Fishers. First-round winners will play each other in the semi-finals, followed by the second semi-final between Carmel and North Central.

Hamilton Heights will host Class 3A Sectional 24. In first-round action on Tuesday, May 22, Jay County will play Delta at 5 p.m., followed by the Huskies taking on Yorktown at 7 p.m.

Tuesday winners will advance to the Thursday, May 24 semi-finals. They will play the first game at 5 p.m., with the second semi-final to be contested between Guerin Catholic and New Castle at 7 p.m. The championship game is set for 6 p.m. Saturday, May 26.

In Class 1A, Sheridan will compete at the seven-team Sectional 54 at Rossville. The Blackhawks got the bye into the semi-finals and will play the winner of a first round game between Faith Christian and the Hornets. On the other side of the bracket, Frontier takes on Tri-County and Clinton Central will play Clinton Prairie, with the winners facing off in the second semi-final.

University travels to Bethesda Christian to compete in Sectional 58. The Trailblazers will play Covenant Christian in the second first-round game, following the opener between Indiana School for the Deaf and Providence Cristo Rey.

The first-round winners will meet in the semi-finals, followed by the second semi-final between Tindley and the host Patriots.

Heights had already announced its schedule at press time. Sectional dates and times for the other sites will be announced later by the host schools.

Millers beat Greyhounds at Victory Field

Noblesville got some big early hits, then held off a furious Carmel rally to win 4-3 Friday night at Victory Field as part of the Victory Field Classic.

The Millers got on the board in the bottom of the second inning. Jacob Thieman drew a walk, then Reese Sharp came up and hit a 1-0 pitch over the left field fence for a home run. Noblesville led 2-0.

The Millers added two runs in the fifth inning when DJ Owens doubled into left field. Tyler Owens and Mark Goudy both scored.

The Greyhounds began their rally in the sixth inning. Jared Greene scored the first run when Will Richter was hit by a pitch with the bases loaded. JD Rogers was the next to score after Jack Van Remortel drew a walk. Kade Gorman struck out the next batter, then the Millers got a double play to end the inning.

In the seventh inning, Luke Barnes got on base for Carmel with a double, then scored when Greene reached on error. But Noblesville held on, with Gorman getting a strikeout to end the game.

Clay Holzworth pitched five innings for the Millers, striking out seven and getting the win. Gorman struck out three in two innings and is credited with the save. Both pitchers only allowed one hit.

Tanner Simmons had Carmel's other hit, in addition to Barnes' double.

Noblesville ran away with a 10-1 victory over Frankfort in a Wednesday game at Don Dunker Field.

The Hot Dogs scored a run in the top of the first inning, but the Millers took control of the game with four runs in the bottom of the second. Ethan Imel's single sent Thieman and Bryce Randolph home, then Zac Tuinei scored when Tyler Owens reached on error. Goudy hit a sacrifice fly to score Owens.

Noblesville poured in another six runs in the fourth inning. Goudy hit a left field single that got Ramey and Owens in to score. Reese Sharp doubled in Goudy, then scored on an error. Randolph knocked a right field single to get Thieman home, then would later score himself on a wild pitch.

Goudy collected three RBIs and was one of four Millers with two hits. Thieman, Randolph and Imel also had two hits, with Imel getting a double and two RBIs. Owens, Thieman and Randolph all scored twice.

CJ Stuckey pitched four innings of no-hit baseball to get the win. Jackson Ramey pitched the fifth inning to close the game.

The Noblesville baseball team split a pair of games at its own Miller Classic on Saturday.

In its first game, Noblesville beat Terre Haute North 3-1. The Millers scored their first run in the third inning after Cooper Miles ran home on a wild pitch.

Reporter photo by Kent Graham

The Noblesville baseball team received possession of "The Oar" after beating Carmel 4-3 at the Victory Field Classic on Friday night. The Millers took an early lead, then held off a rally by the Greyhounds in the late innings of the game.

The Patriots tied the game in the top of the fifth, but Noblesville got the run back in the bottom of the inning; Miles scored again after DJ Owens reached on error. The Millers scored another run in the sixth inning. Randolph got home after Tuinei reached on error.

Ryan Plummer got the win, pitching a complete game and allowing just two hits.

The Millers dropped the second game to Louisville St. Xavier 8-3. Noblesville scored the game's first run in the second inning when Thieman hit a home run.

St. Xavier got two runs in the third inning to take the lead, and never trailed after that. Noblesville's other runs came in the fourth inning, when Goudy singled Miles home, and in the sixth inning, when Thieman scored on a wild pitch after getting on base with a triple.

Imel and Miles both hit a double for the Millers.

Noblesville is 10-9 and hosts Wapahani on Tuesday.

Solid week for Huskies beings with Northwestern sweep

The Hamilton Heights baseball team began last week with a Hoosier Conference sweep of Northwestern.

On Tuesday, the Huskies held off Northwestern 5-4 in a home game. While the win was nice, Heights coach JR Moffatt was happy with how his team won. The Huskies did so by doing the little things: Putting the ball in play, and avoiding strikeouts. Moffatt believed the most important stat of the night was that his team struck out only four times on Tuesday.

"I think tonight for us, it was the way we won," said Heights coach JR Moffatt. "We've been striking out way too much. And tonight was the exact opposite."

After the Tigers scored in the top of the first inning, the Huskies answered right away in the bottom of the first. Sam Fulton's single got Sam Wahl in to score and Heights on the board at 1-1.

The Huskies extended their lead to 4-1 in the fourth inning. Sam Rupe and Luke Stohler both singled to get on base, then Cobe Koors reached on error, and eventually all three scored.

Northwestern got two runs back in the fifth inning, then Heights added a run in the sixth when Alex Roth scored. The Tigers scored one more run with two outs in the seventh, but Koors caught a fly ball in center field to get the third out.

The Huskies totaled seven hits in the game, with Rupe going 2-for-3. Ike Peterson pitched a complete game, striking out seven.

Heights traveled to Northwestern on Wednesday and beat the Tigers 4-1 to clinch the sweep. The Huskies scored their first run in the first inning, when Sam Fulton's RBI groundout got Cole Meyer home. Sam Wahl got an RBI groundout in the third inning to score Luke Thesier.

Heights added two more runs in the sixth inning. Cobe Koors sent a single into left field to get Evan Warner home; Warner was pinch running for Ike Peterson, who had gotten on base with a double. A little later, a single by Meyer single sent Issiac Hickok home.

Meyer and Koors both finished the game with two hits. The Huskies were very active on the bases with six steals.

Fulton pitched a complete game, striking out six and allowing just two hits.

"Sam was really dominant tonight. When he is hitting his spots he is really tough to deal with. He has good command of all of his pitches and when he's throwing like that it makes coaching pretty easy."

Reporter photo by Richie Hall

Hamilton Heights' Sam Wahl had a run and a hit during the Huskies' 5-4 win over Northwestern on Tuesday.

Hamilton Heights dropped a 5-2 game at Pendleton Heights on Thursday.

The Arabians never trailed, scoring three runs in the first inning. The Huskies scored their first run in the third inning; Sam Wahl got home after Sam Fulton reached on error.

Wahl scored again in the fifth inning on an RBI single by Sam Rupe, who finished the game 2-for-3 at the plate. Luke Thesier hit a double in the fourth inning.

'Rocks win HCC series

Westfield took a Hoosier Crossroads sereis with Brownsburg last week.

In Thursday's first game, the Shamrocks scored early, then held off a rally by Brownsburg to win 7-4.

Westfield scored in each of the first four innings. Matthew Meyer got the first run when his double scored Logan McClurg, who also got on base with a double. Later, Zach Collins hit his own double to send Meyer home. Luke Hutson came in to run for Collins and later scored, giving the 'Rocks a 3-0 lead after the first inning.

Meyer batted in two runs in the second inning, as his single scored Payton Tamm and Brandon Yoder. In the third inning, Trey Anderson singled home Hutson. A fourth-inning double by Eaton got Yoder in for his second run, this after Yoder got on base with a double.

Meyer, Collins and Bryce Dorton all had two hits, with Meyer driving in three runs total. Matthew Robinson pitched six innings for the win, striking out seven and allowing three hits.

"Matthew Robinson had another great outing for us," said Shamrocks coach Ryan Bunnell. "He is really locked in right now and is doing a great job for us on the mound and when it's not his night he's leading well. I thought we did a nice job of being aggressive early in the count tonight until about the fourth, but we had several kids with good nights."

Westfield dropped the second game of the series to Brownsburg 10-5 Friday at the Bulldogs' field.

The Shamrocks scored the first run of the game in the first inning; McClurg got home after Collins reached on error. Brownsburg answered with four runs in the bottom of the inning.

Westfield cut the lead to 4-2 in the third inning when Meyer scored after Kyle Pepiot drew a bases-loaded walk. The 'Rocks took the lead in the fourth inning: Meyer's double scored Tamm, McClurg scored on a wild pitch and Eaton got Meyer home with a single.

That put Westfield up 5-4. The Bulldogs took over in the fifth inning, though, going ahead 6-5 before hitting a grand slam to lead 10-5.

Meyer finished the game 2-for-4, including his RBI double. Pepiot hit a double as well. Zach Zaborowski struck out four in four innings.

In Saturday's final game, Westfield rolled past Brownsburg 12-2 in five innings at the Shamrocks' field.

The Bulldogs scored two runs in the top of the third inning, but the 'Rocks answered with three in the bottom of the third. Eaton doubled in McClurg and Meyer for the first runs, then Collins smacked a triple to get Eaton home.

Westfield poured in seven runs in the fourth inning, including a two-RBI double for Meyer. In the fifth inning, Eaton hit his second double of the day and scored McClurg to make the score 11-2. Collins then got Meyer home on a sacrifice fly, and that finished the game.

Meyer was 3-for-4 at the plate, scoring three runs and driving in two. Eaton and Collins both finished with three RBIs, while McClurg scored three runs. Meyer pitched all five innings, striking out six.

The Shamrocks are 7-5 in the conference and 7-7 overall. They will play again Tuesday at Pendleton Heights.

'Hawks need two days, but beat Bulldogs

It took two days, but Sheridan finally got a 12-5 win over its rival Clinton Central.

The game started last Wednesday but was suspended due to darkness and had to be finished on Thursday. The Blackhawks played one inning on Thursday, and scored five runs.

Sheridan never trailed in the game. The 'Hawks got their first run in the third inning when Jake O'Hara scored on an error. The Bulldogs tied the game in the bottom of the third, but Kyle Archer got Sheridan back ahead 2-1 after scoring on a passed ball.

The Blackhawks added three runs in the fifth inning. Jacob Vita got home on a passed ball, then Cameron Hovey and Steve Smith scored on separate errors. Cole Cummings got home in the sixth inning when O'Hara reached on error.

In the seventh inning, Archer scored two runs on a left field triple, getting Hovey and Smith home. Archer then scored on a Sean Speck single, then Speck scored when Cummings hit a bunt single. Finally, O'Hara singled in Cummings for Sheridan's 12th run.

O'Hara finished the game 3-for-4, while Speck was 2-for-2. Archer scored two runs and batted in another two.

Reporter photo by Richie Hall

Corbin Went scored Sheridan's run during the Blackhawks' Thursday game with Carroll.

Leonard pitched four innings for the win, striking out four and allowing just three hits.

Sheridan dropped a 3-1 Hoosier Conference game to Carroll Thursday in a home game.

The Cougars scored one run each in the third, fourth and seventh innings. The Blackhawks got their run in the bottom of the fourth when Zach Mannies hit a double to score Corbin Went.

Cameron Hovey and Sean Speck both had one hit for Sheridan.

O'Hara pitched a complete game, striking out six against five hits. O'Hara issued no walks.

Sheridan is 1-3 in the conference and 4-3 overall. The 'Hawks next play at Tri-Central on Tuesday.

Taylor locks in, then Millers lock down win at Pendleton

Reporter photo by Richie Hall

Noblesville's Chloe Tragesser makes a catch during the Millers' softball game with Lawrence Central Saturday at the Miller Invitational.

By RICH TORRES

The recipe for disaster was there last Thursday night, but Noblesville freshman ace Madison Taylor never wavered.

Instead, she kept attacking as the strike zone morphed and the host Pendleton Heights Arabians loaded the bases in the bottom of the first.

With the Class 4A No. 22 Millers ahead, Taylor's composure was challenged while trying to protect Noblesville's early 4-0 advantage despite a lengthy 40-pitch opening frame.

She hardly flinched.

The 4A Arabians scored one run off a wild pitch and were awarded three walks in the inning, but Taylor locked in to strikeout Chloe Closser to end the threat en route to 6-2 victory.

"It was a little bit of a struggle, but it was fun," Taylor remarked after her 89-pitch performance for her eighth pitching win of the season. "You have to trust in yourself and in your coach and teammates."

The Florida State verbal commit scattered two hits over four complete frames, striking out six and walking five while carrying a no-hitter into the third inning.

"I thought she had great control. I thought the strike zone was horrible," Noblesville head coach Deke Bullard said. "I think both sides would agree to that because both catchers, you could tell, were holding pitches longer that were strikes being call balls. And I'm not sure what was being seen on that part."

Other than the first inning, the Arabians (11-5) saw few opportunities, posting five combined hits against Taylor and reliever Baily Ryan, who went three innings with a strikeout.

An RBI single by Amanda White in the bottom of the seventh supplied the Arabians with their final run. White led her team by going 2-for-4, but the Millers' pitching duo silenced seven Arabians' batters through 14 at-bats.

The Millers' hitters did the rest, fueled by a five-hit, four-run top of the first.

"Our philosophy is always to get out ahead early. It allows our defense to relax. It allows us to play a little bit looser," Bullard said. "We were fortunate to come out and our bats were good in the first inning. We struggled from there on out, though."

Noblesville (8-4) sent eight batters to the plate in the first, opening the game with four straight hits.

Abby Brown connected first with a leadoff double, followed by RBI singles by Chloe Tragesser and Julia Furiak. Grace Smith split the two at-bats with a double, and Emily Minett plated her 19th RBI with a sacrifice fly. Taylor drove in the fourth run with a single to left field and two outs.

The Millers' hit barrage chased Arabians' starter Kelsey Sturgeon after the first as Pendleton Heights turned to Jordan Benefiel. The second-inning switch cooled Noblesville momentarily, but the lapse didn't last long.

"(Benefiel) definitely confused some of our hitters with spin. She had a lot of them off balance, and I think she put a lot of doubt in some of their heads," Bullard said. "But the great thing about our team is they battled through it, tried to figure things out and made adjustments."

Benefiel struck out five through six innings and walked one. She retired the first six batters she faced and didn't allow a base runner during the Millers' final eight at-bats.

In between, a three-hit, one-run top of the fourth and a towering solo home run by freshman Ella White in the fifth padded the lead 6-1.

White crushed Benefiel's 2-2 offering over a viewing deck behind the centerfield fence at Legends Field for her eighth on the season. She entered the game tied for third on the state's recent home run leaderboard.

"She is a very, very talented player, and I truly believe that the next three years will be absolutely special," Bullard said of White, who is hitting .474 this year with 18 RBIs.

Brown pushed the Millers' lead to 5-1 in the fourth with a bases-loaded walk to score Kyleigh Lowry. Six different Millers drove in a run and eight of the team's 10 hitters contributed to Noblesville's nine hits.

"Winning is always good for momentum. We purposely schedule our schedule to be very tough. We played five ranked teams in the top 12, five games in a row," Bullard said. "And we battled. That makes us battle tested, and that's what we want going into sectional."

In other games: Noblesville held off 4A No. 8 Harrison 14-13 on Tuesday before losing to 4A No. 10 Cathedral 7-3 on Wednesday.

On Saturday, the Millers hosted their own Miller Invitational. Noblesville beat Lawrence Central 9-4 in its first game, then dropped the second game 7-2 to Plainfield.

Ream's one-hitter sends Sheridan to victory over Clinton Central

A one-hitter by Addyson Ream led the Sheridan softball team to an 11-0, five-inning win at Clinton Central last Tuesday.

Ream pitched a fantastic game, allowing no hits through the first four innings. A single at the beginning broke up the no-hitter, but Ream struck out two of the next three batters to preserve the shutout. Ream totaled eight strikeouts on the night.

Meanwhile, Sheridan's offense had eight hits. Lauren Railer and Audrey Reed both had two hits, with Reed getting doubles for both of her hits. Cassie Vargas had a double as well. Amanda Perry, Railer and Reed all scored two runs.

The 'Hawks began the game with three runs in the first inning, then added seven more in the second. Reed and Vargas both hit one double in the inning to score one run.

The Sheridan softball team scored early, then it scored often in its 11-1 Hoosier Heartland Conference game with Carroll Thursday at Biddle Park.

The Cougars scored their lone run in the top of the first inning. The Blackhawks answered right away with three runs in the bottom of the first. Lauren Railer drew a walk, then Reed hit a home run into left field to get Sheridan ahead 2-1. Later, Cassie Vargas doubled and was sent home when Sydney Neff hit a single.

Emma Went scored in the third inning on an RBI groundout from Addyson Ream. Sheridan added two more runs in the fourth inning: Allie Delph got on base with a double, then got home after Went reached on error, then Railer scored when Vargas was hit by a pitch with the bases loaded.

Delph doubled in Katy Crail for the first of two runs in the fifth inning. Delph would score minutes later when Reed hit a double. In the sixth inning, Sheridan started with back-to-back singles by Went and Vargas. Kayla Beahrs was walked to load the bases, then Caitlin Neese hit a single into left field to score Went and Vargas, thus ending the game on the run-rule.

Vargas finished the day 3-for-3 at the plate, scoring two runs and batting in one more. Reed totaled three RBIs on 2-for-3 hitting, while Delph scored two runs and drove in two more. Delph also pitched a complete game for the win, striking out three and allowing just three hits and no walks.

Sheridan dropped a 14-1 game at Western Boone in five innings last Tuesday.

The Blackhawks scored their run in the fifth inning, when Reed doubled in Delph, who also hit a double to get on base. Neff hit a fourth-inning double, while Ream was 2-for-2 at the plate.

Busy week for Shamrocks, who go 2-for-3

Westfield lost a Hoosier Crossroads Conference game at Brownsburg 11-3 last Tuesday.

The Shamrocks took a 1-0 lead in the top of the first inning when Ashley Swartout singled in Reghan Oland. The Bulldogs went ahead 2-1 in the bottom of the second, but Westfield got those runs back in the top of the third.

Corinne Molter singled home Regan Nickel, then Sara Harmeyer's single scored Swartout, who had gotten on earlier with a double. Westfield led 3-2, but Brownsburg took the lead back in the bottom of the third with two runs, then poured in seven runs in the fourth inning.

Swartout finished the game 3-for-4 with two doubles. Savannah Arvin and Emily Revercomb both hit one double.

Westfield got a win at Tipton on Wednesday, by the score of 4-3.

The Shamrocks took the lead right away, scoring twice in the top of the first inning. Oland walked, then moved to second when Nickel got on base with a bunt single. Both Shamrocks would score during the at-bat, with Ohland going home on a passed ball, then Nickel scored on a wild pitch.

Westfield added two more runs in the top of the third. Molter hit a sacrifice bunt that scored Nickel, then Swartout got home after Arvin reached on error.

Nickel and Swartout both went 2-for-4 at the plate. Avery Wagner got the complete game win, striking out five, allowing just three hits and issuing no walks.

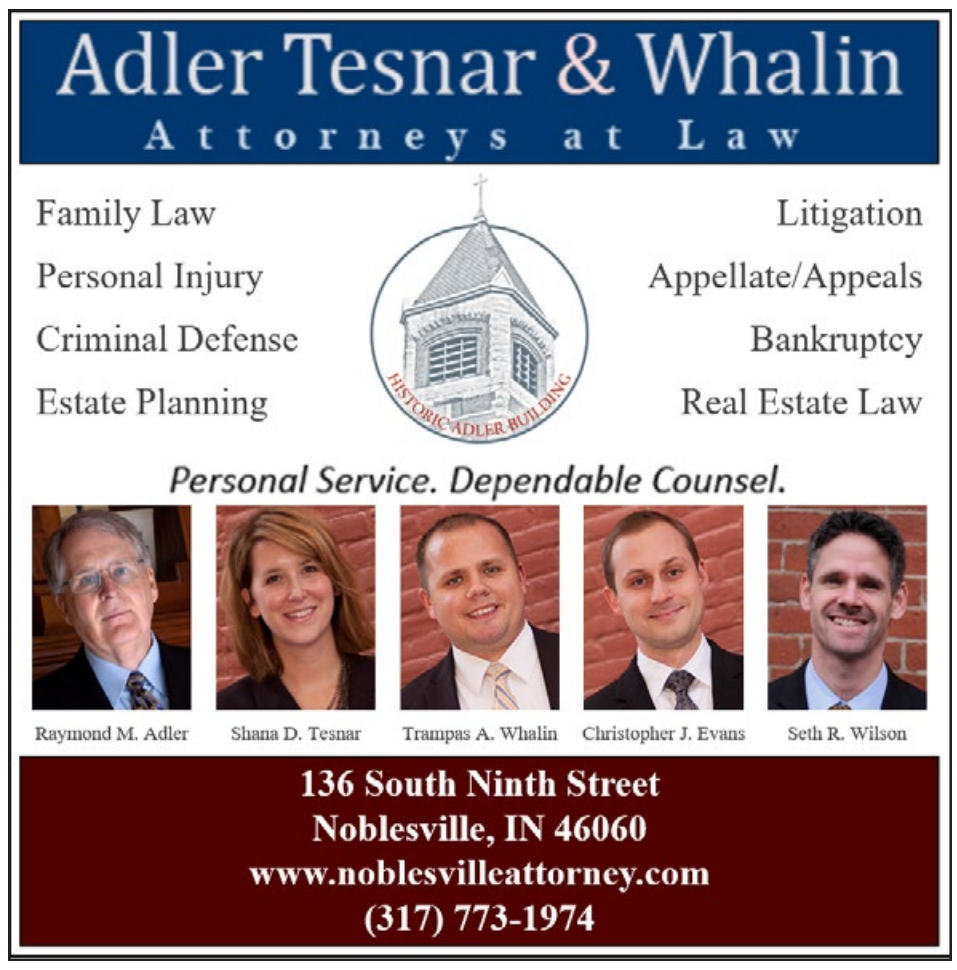
Westfield cruised past Pike 19-7 in a Friday away game.

The Shamrocks scored at least two runs in each of the five innings, including five in the first and six in the fifth. Six different Westfield players hit a double during the game, starting with Swartout: Her first-inning double scored Oland and Nickel, then Molter smacked a double to send Swartout home.

Georgia Haffley's second-inning double got Oland home. In the fourth inning, Brooklyn Carey sent Avery Wagner and Caroline Maymon home with a double, then Oland sent Carey home with her two-base hit. Harmeyer got Westfield's sixth double of the game in the fifth inning; she would eventually score on a Wagner single.

Molter finished the game with four RBIs, while Oland was 3-for-3 at the plate and scored four runs. Nickel, Molter and Carey all had two hits, with Carey scoring three runs. Nickel, Swartout, Haffley, Revercomb and Carey each drove in two runs.

Rebekah Davidson pitched all five innings, striking out seven.



Millers, Shamrocks golf teams win Saturday invites

The Noblesville boys golf team won the Winchester Invitational on Saturday.

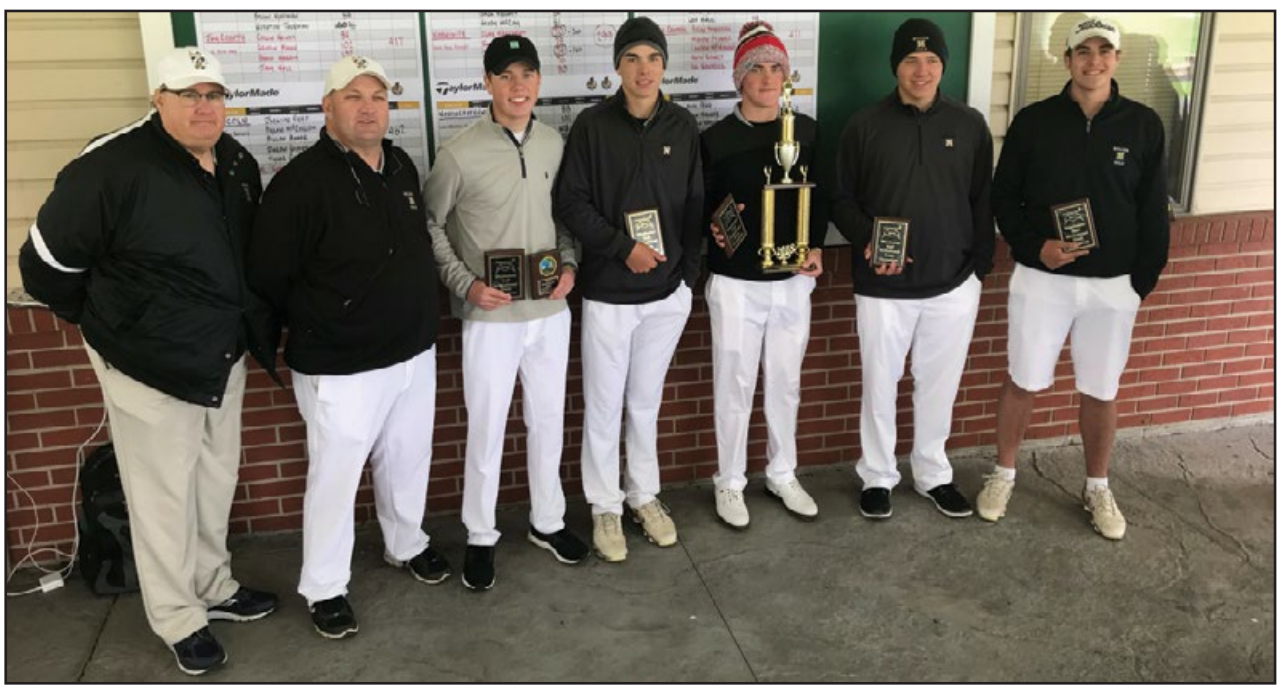
The Millers were victorious with a first place score of 299. Leading the way for the Millers with a two-under par 70, good for second place, was junior Clay Merchent. Following Merchent and in third place was junior Jacob Deakyne with a two-over par 74.

Senior Kyle Claussen came in fourth place with a 4-over 76. Senior Jack Barnes finished sixth with a 79 and junior Joe Whallon tied for seventh with an 80.

Earlier in the week, Deakyne set a new nine-hole school record during the Millers' boys golf dual meet with Lawrence Central on Thursday.

Noblesville won the meet 140-203. Deakyne fired a five-under par 30, making it a memorable meet for the Millers in their Turn-Back-The-Clock Night. Noblesville played at Forest Park, home of the Millers from 1961 to 1971.

Following Deakyne was the even par 35 from Merchent. Other Miller scores were Barnes with a 37, whileClaussen and Whallon each carded a 38.



Westfield team won the 16-team Ulen Invite in Lebanon on Saturday.

The Shamrocks finished with a score of 309 in very windy scoring conditions. Westfield was led by Andrew Lewis, who was part of a three-way tie for low score with a 74. Next in line for the 'Rocks were sophomore Drake Biggs with 77, senior Stephen Hildebrand with 77 and junior Ethan Lutz's 81.

Hamilton Southeastern tied for third place with a 316. Daivic Akala carded a 74 to be part of the low score tie.

Fishers boys win first Mudsock, HSE girls dominate

Two kinds of history were made at the Mudsock track and field meet, which took place Friday night at Hamilton Southeastern.

The Fishers boys track team won their competition, marking the first time the Tigers boys have ever claimed the Mudsock trophy. With that victory, it also means that Fishers won the overall Mudsock competition for the 2017-18 school year.

The Tigers scored 69 points to the Royals' 63. Fishers won eight events, including two relays, the 4x800 and 4x400. The Tigers swept the throwing events, with Luke Martin taking the shot put and Hayden Tobias winning the discus.

"We had a fantastic meet," said Fishers coach Nathan Warnecke. "It was just a high-quality meet overall."

Southeastern also won eight events, including a double win from Noah Malone in the 100 and 200 dashes.

In the girls meet, the Royals won 90-42. Southeastern took 12 first place in 12 events, with Mia Mackenzie winning three of them: the 100 hurdles, 300 hurdles and the long jump. Camille Christopher took the 100 and 200 dashes, and Kennedy Drish dominated the pole vault with a leap of 12 feet, 8.25 inches. Southeastern also swept all three relays.

Huskies track runs in Tipton Invitational

Hamilton Heights participated in the Tipton Invitational on Friday.

The Huskies girls finished second out of five teams. Markaela Pugh was a double winner in the 100 and 200 dashes, as was Maria Mitchell in the 1600 and 3200 runs. Other Heights first-place finishers were Abby Christiansen in the 400 dash, Abby Roth in the 800 run and the 4x800 and 4x400 relay teams.

The Huskies boys took third place. Christian Broshears took the 300 hurdles, Isaiah Kunzer won the pole vault, and Dylan Bannon and Tyler Wiltermood finished 1-2 in the shot put.

Heights boys basketball hosting Summer Camp in May

The Hamilton Heights boys basketball program will host its 2018 Summer Camp in May.

Ballenger

The camp will be conducted by Huskies varsity head coach Chad Ballenger. The areas of instruction include dribbling, layups, ball handling, pivoting, passing techniques, block out/rebounding, defense, offensive play, free throw technique, body balance and shooting, offensive moves and competition.

"The basic requirement in developing a strong basketball program is to instill in all our boys a desire to improve themselves so that some day they can become part of the Husky Basketball team," said Ballenger. "This can be best accomplished by developing the proper fundamentals and pride in themselves and their school at an early age."

The cost is $35, with a family discount of $5 off for each additional child. The camp for boys just finishing kindergarten and Grades 1-2 will take place May 14-17 at the Hamilton Heights Primary Gym, with the camp for boys just finishing Grades 3-5 is set for May 21-24 at the Heights Elementary Gym. Both camps take place from 3:30 to 5 p.m.

If any boy cannot afford to pay the camp fee, please call Ballenger at 765-438-2016. Email Ballenger at cballenger@hhschuskies.org for registration forms, or you can register the first day of camp. Walk-ups will be welcomed, no one will be turned away.

NOTICE OF ADOPTION

Amanda Choban is notified that a petition for adoption of the children, named Brenden Stickles (DOB 5/8/2006), Tyler Stickles (DOB 12/14/2007), and Krista Stickles (DOB 4/9/2009), born to Amanda Choban, was filed in the office of the clerk of Hamilton County, 1 Hamilton County Square, Noblesville, Indiana, 46060, under the above listed cause number. The petition for adoption alleges that her consent to adoption is not required pursuant to IC 31-19-9-8(11) due to unfitness to be a parent and the best interests of the children sought to be adopted would be served if the court dispensed with her consent.

If she seeks to contest the adoption of the children, she must file a motion to contest the adoption in accordance with IC 31-19-10-1 in the above named court not later than thirty (30) days after the date of service of this notice.

If no motion to contest the adoption is filed within thirty (30) days after service of this notice, the above named court will hear and determine the petition for adoption in her absence. The consent to adoption will be irrevocably implied and she will lose the right to contest either the adoption or the validity of her implied consent to the adoption.

No statement made to the named individual relieves her of her obligations under this notice. This notice complies with IC 31-19-4.5-3 but does not exhaustively set forth a person's legal obligations under the Indiana adoption statutes. NOTICE TO BIDDERS OF SALE OF EXCESS PROPERTY

Notice is given that the Board of Commissioners of Hamilton County will open bids at 1:00 p.m., on the 14th day of May, 2018, at the Commissioner's Courtroom at the Hamilton County Government and Judicial Center, One Hamilton County Square, Noblesville, Indiana, 46060, for the sale of the following described property by Quit Claim Deed:

Platted right-of-way between Lot 58 and Lot 59 (50' x 148.5'), the northern 38' of the platted right-of-way between Lots 59, 60, and Lots 35, 36 (38' x 148.5') along with the platted alley between Lot 56 and Lot 57 (12' x 148.5') of the original Plat of Farmington ("the Real Estate")

All bids shall be delivered to the Hamilton County Auditor, located at 33 N. Ninth Street, Noblesville, Indiana, prior to 1:00 p.m., on May 14, 2018.

A bid form and map showing the Real Estate is available from Tim Knapp at the office of the Hamilton County Highway Department at 1700 S. 10th Street, Noblesville, Indiana. All bids must include the following:

1. A bid on forms that are available from the Hamilton County Highway Department.

2. A cashier's check or other certified funds payable to Hamilton County in the amount of Five Hundred Dollars ($500), to secure the completion of the purchase of the Real Estate. The cashier's checks of all unsuccessful bidders will be returned within twenty (20) calendar days of the receipt of the bids. The check of the successful bidder will be applied to the purchase price of the property set out above. If the highest bidder fails to complete the sale according to the bid, the Five Hundred Dollars ($500) will be forfeited. The minimum bid for the Real Estate shall be Four Thousand Four Hundred Fifty-five Dollars ($4,455). Immediately after bids are opened, all bidders may raise their bids until the County has received the highest bid. Only bidders who submit sealed bids will be permitted to increase their bid at the meeting of the Board of Commissioners of Hamilton County on the 14th day of May, 2018, at 1:00 p.m. Any bidder who fails to appear at the meeting, forfeits his right to raise his bid unless he designates an agent by tendering to the Board a signed and notarized Power of Attorney.

Any person seeking additional information concerning the sale of the interests in the Real Estate should address those questions in writing to Mr. Tim Knapp at 1700 S. 10th Street, Noblesville, Indiana, 46060. A written response to all written questions will be provided within two (2) working days. Those responses will be sent to all parties who pick up bid documents at the addresses provided to the Hamilton County Highway Department and those responses will be considered as addenda to the terms of the sale.

The successful bidder shall close on the purchase of the property within twenty (20) days of the date of bid.

After 12:30 p.m., bids can be delivered to the Commissioners Courtroom up until the noticed bid opening time. Bids received after the noticed bid opening time will not be considered but will be returned to the bidder unopened. Only proposals from those CONTRACTORS who are registered on the Indiana Department of Transportation's current listing of Prequalified Contractors for item D(A) "Bridges: Highway Over Water" will be considered. Any bids submitted by CONTRACTORS not approved for this item on the list will be returned to the bidder unopened.

All proposals will be considered by the OWNER at a public meeting held in the Hamilton County Government & Judicial Center in Noblesville, Indiana, Commissioners' Courtroom, and opened and read aloud at **1:45 p.m. local time, May 14th, 2018.**

The work to be performed and the proposals to be submitted shall include a bid for all general construction, labor, material, tools, equipment, taxes, permits, licenses, insurance, service costs, etc. incidental to and required for this project.

All materials furnished and labor performed incidental to and required by the proper and satisfactory execution of the contracts to be made, shall be furnished and performed in accordance with requirements from the drawings and specifications included in these documents. Bidding documents may be examined at BF&S., 8450 Westfield Blvd. Suite 300, Indianapolis, IN. 46240 beginning at 9:00 am. on **April 26th, 2018**. Electronic copies of the Proposal, Specifications, Contract Documents and Plans must be obtained from Reprographix http://reprographix.com/) or contact **Laura Morgan** at Lmorgan@bfsengr.com for further information and cost on obtaining the Contract Documents. Payments and costs of Contract Documents are non-refundable. Interested parties can view the Contract Documents and Plans at www.hamiltoncounty.in.gov. Documents posted to the county website are for informational purposes only. It shall be the responsibility of the Bidder to periodically check for addendums posted online. Only those who obtain Contract Documents and Plans through Reprographix or BF&S. will be automatically notified of addenda. Contract Documents and Plans must be obtained through Reprographix or BF&S to be eligible to bid on this contract.

Each proposal must be enclosed in a sealed envelope with the county supplied sealed bid notice, bearing the title of the project, bid opening date and the name and address of the bidder firmly affixed. **The bidder shall affix identifying tabs to the following sheets of each proposal:**

- ■ Form 96
- ■ Itemized Proposal
- ■ Non-Collusion Affidavit
- ■ Receipt of Addendum (if applicable)
- ■ Bid Bond
- ■ Employment Eligibility Verification
- ■ Financial Statement
- ■ Drug Testing Program Compliance

Each individual proposal shall be accompanied by a certified check or acceptable Bidder's Bond, made payable to the Hamilton County Auditor, in a sum of not less than **ten percent** of the total amount of the proposal, which check or bond will be held by the said Hamilton County Auditor as evidence that the bidder will, if awarded a contract, enter into the same with the OWNER upon notification from him to do so within ten days of said notification. Failure to execute the contract and to furnish performance bond to Hamilton County, Indiana, will be cause for forfeiture of the amount of money represented by the certified check, or bidder's bond, as and for liquidated damages. Form 96, as prescribed by the Indiana State Board of Accounts, shall be properly completed, and submitted with bid proposals. The Commissioners at their discretion reserve the right to waive any and all informalities in the bidding. All bids submitted shall be valid for 90 days from the opening of the bids.

OFFICIAL NOTICE OF INTENT TO SELL BONDS

Upon not less than twenty four (24) hours' notice given by telephone, the undersigned Auditor of Hamilton County, Indiana ("County") will receive and consider bids for the purchase of the bonds described below. Any person interested in submitting a bid for the bonds must furnish in writing to the undersigned Auditor of the County, c/o H.J. Umbaugh & Associates, Certified Public Accountants, LLP, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240, (317) 465-1500 or via e-mail to adlam@umbaugh.com and bids@umbaugh.com, on or before 11:00 a.m. (Indianapolis time) on May 11, 2018, the person's name, address, and telephone number. The persons may also furnish an e-mail address. The undersigned Auditor will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by e-mail if an e-mail address has been received. Bids may also be submitted electronically via PARITY® in accordance with this notice. To the extent any instructions or directions set forth in PARITY® conflict with this notice, the terms of this notice shall control. For further information about PARITY®, potential bidders may contact H.J. Umbaugh & Associates, Certified Public Accountants, LLP, at the address set forth above, or PARITY® at (212) 849-5021. The undersigned Auditor will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by telex or e-mail if a telex number or e-mail address has been received. The sale is expected to take place on or about May 15, 2018.

If a potential bidder has questions related to the County, the financing or submission of bids, questions should be submitted by email to the addresses above no later than two days before sale by 11 am (Indianapolis time). (The sale is anticipated to occur on May 15, 2018). To the best of the County's ability, all questions will be addressed by the County and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than two days prior to sale by 5:00 p.m. (Indianapolis time). Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the Preliminary Official Statement and submit any questions in advance of this deadline to submit questions.

At the time designated for the sale, the Auditor will receive and consider bids for the purchase of the bonds of the County designated "General Obligation Bonds of 2018" in the aggregate amount of $12,000,000. Bidders may bid a net discount not to exceed 0.75% of the par value of the bonds. The bonds will bear interest at a rate or rates not to exceed 6% per annum (the exact interest rate or rates will be determined by bidding). Interest will be payable semiannually on January 15 and July 15 of each year, beginning on July 15, 2019. Interest will be calculated on a 360 day year consisting of twelve 30 day months. The bonds will be dated as of the date of delivery of the bonds, will be in the denominations of $5,000 or integral multiples thereof and will mature semiannually on January 15 and July 15 on the dates and in the amounts as follows:

Date	Amount	Date	Amount

The bonds of this issue maturing on or after January 15, 2029 are redeemable at the option of the County on July 15, 2028, or any date thereafter, on thirty (30) days' notice, in whole or in part, in the order of maturity determined by the County and by lot within a maturity, at face value, without premium, plus in each case accrued interest to the date fixed for redemption.

All or a portion of the bonds may be issued as one or more term bonds, upon election of the successful bidder. Such term bonds shall have a stated maturity or maturities of January 15 and July 15, on the dates as determined by the successful bidder, but in accordance with the maturity schedule to be provided for the bonds, and no later than the final maturity established by the County prior to the sale. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates consistent with the schedule to be provided.

Principal is payable at the office of a registrar and paying agent to be designated by the County. Interest shall be paid by check mailed to the registered owners or by wire transfer to depositories. The bonds will be issued in fully registered form.

Each bid, including bids submitted via PARITY®, must be for all of the bonds and must state the rate or rates of interest in multiples of 1/8, 1/20 or 1/100 of 1%. Any bids specifying two or more interest rates shall also specify the amount and maturities of the bonds bearing each rate, but all bonds maturing on the same date shall bear the same single interest rate. The award will be made to the best bidder complying with the terms of sale and offering the lowest net interest cost to the County, to be determined by computing the total interest on all of the bonds to their maturities and adding thereto the discount bid, if any, and deducting therefrom the premium bid, if any. Although not a term of sale, it is requested that each bid show the net dollar interest cost to final maturity and the net effective average interest rate on the entire issue. No conditional bid or bids for less than 99.25% of the par value of the bonds will be considered. The right is reserved to reject any and all bids. In the event no satisfactory bids are received at the time of the sale, the sale will be continued from day to day thereafter, without further advertisement for a period of thirty (30) days during which time no bid which provides a higher net interest cost to the County than the best bid received at the time of the advertised sale will be considered.

Each bid not submitted via PARITY® must be on a customary bid form which shall be enclosed in a sealed envelope or emailed bid addressed to the undersigned Auditor and marked "Bid for Hamilton County, Indiana, General Obligation Bonds of 2018." The winning bidder will be notified and instructed to submit a good faith deposit which may consist of either a certified or cashier's check or a wire transfer in the amount of $120,000 ("Deposit"). If a check is submitted, it shall be drawn on a bank or trust company which is insured by the Federal Deposit Insurance Corporation and shall submitted to the County (or shall wire transfer such amount as instructed by the County) not later than 3:30 p.m. (Indianapolis time) on the next business day following the date of the award. In either case, the Deposit shall be payable to "Hamilton County, Indiana," and shall be held as a guaranty of the performance of the bid. No interest on the Deposit will accrue to the successful bidder. If the successful bidder fails to honor its accepted bid, the Deposit will be retained by the County. The successful bidder will be required to make payment for such bonds in Federal Reserve funds or other immediately available funds and accept delivery of the bonds within five days after being notified that the bonds are ready for delivery, at such bank in the City of Indianapolis, Indiana, or Hamilton County, Indiana, as the purchaser shall designate, or at such other location which may be mutually agreed to by the County and such bidder. It is anticipated that the bonds will be ready for delivery within thirty days after the date of the sale and if not ready for delivery within forty five days after the sale date, the purchaser shall be entitled to rescind the sale and obtain the return of the Deposit. The opinion of Ice Miller LLP, bond counsel of Indianapolis, Indiana, approving the legality of the bonds, together with a transcript of the bond proceedings, and closing certificates in the usual form showing no litigation, will be furnished to the successful bidder at the expense of the County.

All provisions of the bid form and Preliminary Official Statement are incorporated herein. As set forth in the Preliminary Official Statement, the winning bidder agrees by submission of their bid to assist the County in establishing the issue price of the bonds under the terms outlined therein and shall execute and deliver to the County at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the County and Bond Counsel.

The bonds may be issued, at the option of the successful bidder, by means of a book-entry-only system with no physical distribution of bond certificates made to the public. In this case, one bond certificate for each maturity will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and immobilized in its custody. In this case, the successful bidder, as a condition of delivery of the bonds, would be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., nominee of DTC.

It is anticipated that CUSIP identification numbers will be printed on the bonds, but neither the failure to print such numbers on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the bonds in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the County or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the bonds shall be paid for by the County; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder. The successful bidder will also be responsible for any other fees or expenses it incurs in connection with the resale of the bonds.

The bonds are being issued under the provisions of Indiana Code 36-2-6-18 for the purpose of providing funds to be applied on the costs of the construction of a building addition to the existing County Government and Judicial Center, including underground parking, together with all necessary appurtenances, related improvements and equipment and incidental expenses in connection therewith and on account of the issuance of the bonds therefor. Principal of and interest on the bonds are payable from an ad valorem property tax levied and collected on all taxable property within the County. In the opinion of bond counsel, under the federal statutes, decisions, regulations and rulings existing on this date, the interest on the bonds is excludable from gross income for purposes of federal income taxation.

The bonds are subject to the Internal Revenue Code of 1986 as in effect on the date of their issuance ("Code") which imposes limitations on the issuance of obligations like the bonds under federal tax law. The County has covenanted to comply with those limitations to the extent required to preserve the exclusion of interest on the bonds from gross income for federal income tax purposes.

The County has prepared an Official Statement relating to the bonds which it deems to be nearly final. A copy of the nearly final Official Statement may be obtained from the County's Municipal Advisor, H.J. Umbaugh & Associates, Certified Public Accountants, LLP, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240.

Within seven (7) business days of the sale, the County will provide the successful bidder with up to 10 copies of the final Official Statement at the County's expense and such additional copies as may be requested, within five (5) business days of the sale, by the successful bidder at the expense of the successful bidder. Inquiries concerning matters contained in the nearly final Official Statement must be made and pricing and other information necessary to complete the final Official Statement must be submitted by the successful bidder within two (2) business days following the sale to be included in the final Official Statement.

In the ordinance approving the bonds and pursuant to a Continuing Disclosure Undertaking Certificate to be delivered by the County upon delivery of the bonds, the County will covenant to comply with Securities and Exchange Commission Rule 15c2 12, as in effect of the date of delivery of the bonds ("Rule 15c2 12"). The County will covenant to provide the most recent annual financial information and operating data relating to the County as described in the Preliminary Official Statement prepared in connection with the sale of the bonds. Further, with respect to the bonds, the County will undertake to provide notice of those material events required by Rule 15c2 12.

Dated this 19th day of April, 2018.

The Bonds of this issue maturing on or after December 31, 2026 are redeemable at the option of the City on June 30, 2026, or any date thereafter, on thirty (30) days' notice, in whole or in part, in the order of maturity determined by the City, and by lot within a maturity, at face value, together with no premium, plus in each case accrued interest to the date fixed for redemption.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the successful bidder. Such term bonds shall have a stated maturity or maturities of June 30 or December 31, as determined by the successful bidder, but no later than the final maturity as set forth above. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates consistent with the above schedule.

Principal is payable at the office of a registrar and paying agent to be designated by the City. Interest shall be paid by check mailed to the registered owners or by wire transfer to depositories. The Bonds will be issued in fully registered form.

Each bid, including bids submitted via PARITY®, must be for all of the Bonds and must state the rate or rates of interest in multiples of 1/8, 1/20 or 1/100 of 1%. Any bids specifying two or more interest rates shall also specify the amount and maturities of the Bonds bearing each rate, but all Bonds maturing on the same date shall bear the same single interest rate. The rate on any maturity shall be equal to or greater than the rate on the immediately preceding maturity. The award will be made to the best bidder complying with the terms of sale and offering the lowest net interest cost to the City, to be determined by computing the total interest on all of the Bonds to their maturities and deducting therefrom the premium bid, if any. It is requested that each bid show the net dollar interest cost to final maturity and the net effective average interest rate on the entire issue. No conditional bid or bids for less than the par value of the Bonds will be considered. The right is reserved to reject any and all bids. If no satisfactory bids are received at the time of the sale, the sale will be continued from day to day thereafter, without further advertisement for a period of thirty (30) days during which time no bid which provides a higher net interest cost to the City than the best bid received at the time of the advertised sale will be considered.

Each bid not submitted via PARITY® must be on a customary bid form which shall be enclosed in a sealed envelope addressed to the undersigned Controller and marked "Bid for City of Noblesville Park District Bonds of 2018." The winning bidder will be notified and instructed to submit a good faith deposit which may consist of either a certified or cashier's check or a wire transfer in the amount of $75,000 ("Deposit"). If a check is submitted, it shall be drawn on a bank or trust company which is insured by the Federal Deposit Insurance Corporation and shall be submitted to the City (or shall wire transfer such amount as instructed by the City) not later than 3:30 p.m. (Noblesville time) on the next business day following the date of the award. In either case, the Deposit shall be payable to the "City of Noblesville," and shall be held as a guaranty of the performance of the bid. No interest on the Deposit will accrue to the successful bidder. In the event the successful bidder fails to honor its accepted bid, the Deposit will be retained by the City. The successful bidder will be required to make payment for the Bonds in Federal Reserve funds or other immediately available funds and accept delivery of the Bonds within five days after being notified that the Bonds are ready for delivery, at such bank in the City of Indianapolis, Indiana, or the City, as the purchaser shall designate, or at such other location which may be mutually agreed to by the City and such bidder. It is anticipated that the Bonds will be ready for delivery within thirty days after the date of the sale and if not ready for delivery within forty-five days after the sale date, the purchaser shall be entitled to rescind the sale and obtain the return of the Deposit. The successful bidder is expected to apply to a securities depository registered with the SEC to make the Bonds depository-eligible. The successful bidder will also be required to certify as to the price at which a substantial amount of bonds of each maturity was reoffered to the public. The successful bidder will also be required to certify as to the price at which a substantial amount of Bonds of each maturity was reoffered to the public. The opinion of Ice Miller LLP, bond counsel of Indianapolis, Indiana, approving the legality of the Bonds, together with a transcript of the Bond proceedings, and closing certificates in the usual form showing no litigation, will be furnished to the successful bidder at the expense of the City.

All provisions of the bid form and Preliminary Official Statement are incorporated herein. As set forth in the Preliminary Official Statement, the winning bidder agrees by submission of their bid to assist the City in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the City at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the winning bidder, the City and Bond Counsel.

The Bonds may be issued, at the option of the successful bidder, by means of a book-entry-only system with no physical distribution of bond certificates made to the public. In this case, one bond certificate for each maturity will be issued to and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and immobilized in its custody. In this case, the successful bidder, as a condition of delivery of the Bonds, would be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., nominee of DTC.

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the Bonds in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the City or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the City; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder. The successful bidder will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The Bonds are being issued under the provisions of Indiana Code 36 10 3 for the purpose of providing funds to be applied on the costs of the construction of certain park improvements in the Noblesville Park and Recreation District ("District"), as more fully set forth in the resolution approving the Bonds, together with necessary appurtenances, related improvements and equipment and to pay costs of issuance. The Bonds will be payable solely out of the special benefits tax, an ad valorem tax, levied on all property of the District. In the opinion of bond counsel, under the federal statutes, decisions, regulations and rulings existing on this date, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.

The Bonds have not been designated for purposes of Section 265(b) of the Code to qualify for the $10,000,000 annual exception from the 100% disallowance, in the case of banks and other financial institutions, of the deduction for interest expense allocable to tax-exempt obligations.

The City has prepared an Official Statement relating to the Bonds which it deems to be nearly final. A copy of the nearly final Official Statement may be obtained from the City's Financial Advisor, O.W. Krohn & Associates LLP, 231 East Main Street, Westfield, IN 46074.

Within seven (7) business days of the sale, the City will provide the successful bidder with up to 25 copies of the final Official Statement at the City's expense and such additional copies as may be requested, within five (5) business days of the sale, by the successful bidder at the expense of the successful bidder. Inquiries concerning matters contained in the nearly final Official Statement must be made and pricing and other information necessary to complete the final Official Statement must be submitted by the successful bidder within two (2) business days following the sale to be included in the final Official Statement.

In the resolution approving the Bonds and pursuant to a Continuing Disclosure Undertaking to be delivered by the City upon delivery of the Bonds, the City will covenant to comply with Securities and Exchange Commission Rule 15c2 12, as in effect of the date of delivery of the Bonds ("Rule 15c2 12"). The City will covenant to provide the most recent annual financial information. Further, with respect to the Bonds, the City will undertake to provide notice of those material events required by Rule 15c2 12.

Dated this 26th day of April, 2018.
