Forever friendship

It was a same time, same place, kind of Tuesday morning. My best friend Patrice and I were sharing a cup of coffee at Ginger's. I should say a few cups of coffee.

JANET HART LEONARD
From the Heart

We call it therapy. We have an appointment every Tuesday.

You see, after some 50-plus years of friendship, we know each other well. Our hearts are well acquainted.

We are part of a growing number of those who are a bit over middle-aged, and caring for our elderly mothers, as well as holding tightly to children and grandchildren as they find their way through life.

It's a roller coaster.

Now when Patrice and I were 13 she convinced me to go on my first roller coaster ride in Pigeon Forge, Tennessee. It would be my last. It was not only me that decided that but Patrice as well.

I think she lost part of her hearing that day as I screamed for dear life. I was sitting behind her as the car, in which we were riding, dropped what felt like hundreds of feet. We then careened around a bend that I was sure would shoot me to my death.

I made a vow to Patrice and God that I would never again ride a rollercoaster. I have kept that promise.

Over the past 50 years we have been on a few emotional roller coasters. We have ridden those together.

We have both made the call that our dads had passed. We have both written and read the texts that our kids were in car crashes. One time, our daughters, Jill and Emily, hit a deer as they were coming back from Cincinnati. We both thanked the good Lord that they were not hurt, just a bit shaken up and scared...as were we.

Life is hard. The journey is often a bit treacherous and the ride is scary. Knowing you have someone in your messy, sometimes not so fun life, is truly a blessing.

Patrice and I both understand, yet have to remind each other, that life is not about figuring it all out BUT learning to accept it. Friends make that a bit easier.

The older I get the more I am reminded of the value of a longtime friendship. What happens along our journey makes us who we are and that forever friend knows us well.

A longtime friend will often remind us that we will be okay ... someday. If we are not yet okay, then they will be there to hold our hand, even while we scream.

I look forward to Tuesdays with Patrice and the coffee at Ginger's café. The coffee is strong and the friendship is sweet. I may have to speak a little louder. I may have hurt her hearing on that roller coaster when we were 13 but she still hears very well with her heart. I am forever grateful for her heart and how well it listens.

And if I ever even think about riding another roller coaster? Patrice will convince me otherwise.

Westfield workers overcome by fumes at IMMI Friday

WISH-TV | wishtv.com
Thirteen people fell ill from epoxy fumes Friday night at a supplier of safety equipment for vehicles.

Westfield Fire Department responded at approximately 9 p.m. to IMMI, which is located southwest of the intersection of U.S. 31 and 191st Street.

Matt Bijanic with the fire department said fumes from epoxy flooring went into the air-conditioning unit. The people who fell ill were taken to area hospitals. There were no major injuries and they have since been released from the hospital.

Firefighters worked to air out the building throughout Friday night.

"The health and safety of our team is always our first concern, and we are thankful everyone is OK," said Director of Corporate Communications Julie Coolley. "While the issue has been resolved and there are no lingering fumes in the building, we will remain closed this weekend as a precautionary measure. We want to thank the Westfield Fire Department, first responders and medical staff from nearby hospitals who took excellent care of our team members."

IMMI said 60 team members were working in the building at the time of the incident.

Janus helps keep County moving

The REPORTER

For many people, getting from one location to another without having a car is a really big deal, and getting everything from food to medicine can be an overwhelming challenge. Fortunately, Hamilton County Express (HCE) Public Transit and Riverview Health Rides are available to assist county residents with their travel needs. Operated by Janus, both transportation services provide a shared ride origin-to-destination service with wheelchair accessible buses.

HCE, in partnership with Hamilton County, has been providing transportation to Hamilton County residents within the county and to several IndyGo bus stops in Marion County since 2007. Rides can be requested up to two weeks in advance and a 24-hour advance notice is required. Fares cost \$3 one way. You have probably seen the buses traveling throughout Hamilton County as the fleet of 23 HCE buses provided 62,346 trips in 2018.

Riverview Health Rides provides transportation to medical appointments at Riverview Health locations. Fares are \$5 with return trip included. The service is provided in partnership with Riverview Health.

Recently, one of the HCE reservationists received a phone call from a first-time rider who could not get to work because her truck broke down. Not knowing where to turn, she called HCE and was able to get to her job by riding a bus. Another community member had a dental emergency and needed a ride to her dentist. Within a short period of time, HCE was able to provide the needed transportation to the dentist.

To request a ride on HCE, please call (317) 773-2688 from 8 a.m. to 4 p.m. Monday through Friday. For more information, please visit HCEpublictransit.org

To request a ride on Riverview Health Rides, please call (317) 473-2323 from 7 a.m. to 3:30 p.m. Monday through Friday.

Westfield parents upset after severe weather hits graduation ceremony

By JENNY DREASLER
WISH-TV | wishtv.com

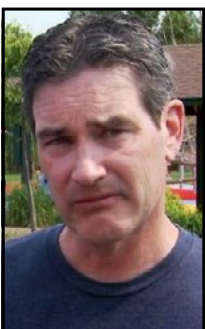

Parents in the Westfield Washington Schools district are upset after they say severe weather put the high school's outdoor graduation ceremony in danger.

The parents say they believe district officials didn't do enough to protect parents and students.

Rain poured on parents and students Thursday night at Westfield High School's graduation ceremony.

Nearly 600 graduates were on the football field as thunder boomed and lightning lit up the skies.

A severe thunderstorm warning was issued for Hamilton County at 6:19 p.m. Parents were frustrated as they awaited for the officials to call off the ceremony that was supposed to

"There is no perfect solution or scenario. If there was, rest assured, we would be doing it. We are always open to considering other options for our commencement ceremony and will continue to pursue what we believe to be in the best interest of serving our graduates' needs."

start at 7 p.m.

Parent Brian Roeller said, "I think they really need to address some of the people that made the decisions. I think there should be some fallback for it. There were thousands of lives

put in danger last night, point-blank, no question about it."

Parent Allen Bainbridge said, "As I'm looking above the students, I can see what looks like a wall cloud or something starting to form right above

them and I thought they're surely going to call it now."

Some students were in the elements for about two hours. It was not until 8 p.m. when school officials made the decision to cancel Thursday's ceremony after some parents left with their kids.

Parents hope for school officials to put in place protocol that will prevent this happening again.

"We need to increase everyone's awareness level on how dangerous lightning is. And if you hear thunder, you need to take it very seriously and move on and change up and go to safety. Go to some place and suspend [sic] whatever you're doing," said Jay Dyer, the grandparent of a graduate.

The graduation ceremony was rescheduled Saturday on Westfield High School's campus.

HAND awarded \$2M in funding for senior housing in Tipton Co.

The REPORTER

Noblesville-based HAND Inc. plans to invest \$2.1 million to build a nine-unit rental property in Tipton for low-income seniors. The nonprofit housing and neighborhood development organization will receive \$2 million from the Indiana Housing and Community Development Authority's Home Investment Partnerships (HOME) and Development Fund programs; it also will utilize a bank loan.

HAND's Tipton development is planned for about an acre of vacant land on Southwood Drive, just east of Tipton High School. The property is in an existing residential neighborhood where construction stalled. Residents of the area asked HAND to consider building there to address the need for more

affordable senior housing in the Tipton County seat.

"Across rural parts of Indiana, there is a shortage of safe, decent and affordable housing," said Indiana Lt. Governor Suzanne Crouch, who serves as IH-CDA's board chair. "This funding will not only support the creation of affordable units, but [it also will] leverage additional investment into Tipton County."

Tipton Mayor Don Havens credited synergies promoted by Tipton Care Coalition for this investment.

"Over the past few years, this local coalition led by Dr. JoAnn Burke and Bill Gossard ... has prioritized affordable senior housing for Tipton," Havens said. "As a result, Indianapolis-based TWG also is developing a \$7 million, 49-unit senior

apartment building there. \$9 million total investment is phenomenal for a community the size of Tipton."

The Southwood Villas development will be HAND's first in Tipton County. The 16-year-old organization already owns eight rental communities in Hamilton and Boone counties – in Carmel, Cicero, Noblesville, Sheridan and Lebanon – leasing almost 140 affordable apartments to low-income residents.

"HAND is excited to become part of the Tipton community," said Executive Director Jennifer Miller. "We look forward to working with our new neighbors."

Plans call for constructing three single-story buildings, each with three 2-bedroom, 1-bathroom rental units. Residents

must be at least 55 years old and earn no more than 60 percent of area median income. Rents will be based on income and family size.

The development will address key housing issues and goals cited in Tipton's 2012 Comprehensive Plan by providing safe and suitable housing opportunities for the growing senior population. The rental housing options will help with alleviating concerns about housing accessibility, property maintenance and affordability that older adults often experience.

Advocating for Victims of Crime and Abuse

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – **Mike Bragg, GM of Tom Wood Volkswagen in Noblesville**

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.

Our view on gun control

Editor's Note: The Sheridan Student Column is brought to readers by Sheridan High School's 10th grade English class, taught by Abby Williams.

One of the biggest debates in our country today is whether or not people living in America should have guns. We would like to inform readers why we as high schoolers do not support gun control.

We have many reasons we don't support gun control, and we both grew up being taught gun safety in our homes. The main reasons we are against control are: Guns can protect, criminals will still get access to guns, and stricter gun control would infringe upon people's rights to self-defense.

Having a gun is important for protection. We grew up with guns in our homes, but we were also taught how to use them and when to use them. A great idea for kids and parents wanting to learn gun safety, or just for teaching their kids, is through the 4-H gun safety course. Having taken this class in third grade, it helped understand more about guns and their safety precautions.

The people who are going to use guns for the wrong purpose are still going to find a way to get guns. Then, without access to guns, the people who are targeted will have no way of defending themselves. Also, according to FBI crime analysis, of 10 active shooters events, 49 percent ended before police arrived. Sixty-seven percent ended with the shooter's suicide or him fleeing the scene. The other 33 percent were stopped by potential victims stopping the attacker.

Having gun control laws would infringe on people's rights to self-defense. Being able to protect yourself and your valuables is your right. For example, if a shooter came into your house and you didn't have a gun to protect yourself, what would you have to protect yourself? More than likely the person would harm you or your family. According to the National Rifle Association (NRA), guns are used for self-defense 2.5 million times a year. Also, according to a Pew Foundation report, 79 percent of male gun owners and 80 percent of female gun owners said owning a gun made them feel safer.

In conclusion, we are against gun control for many reasons. Our main reasons are that guns can protect, criminals will still get access to guns, and gun control would infringe on the people's rights to self-defense. Gun control will only be effective on law-abiding citizens.

As in years past, attendees can enjoy seeing future musical stars at the Songbook Academy Finals.

10th Songbook Academy Finals set for July

The REPORTER

See tomorrow's musical stars in the making July 20 when 40 of the nation's most talented high school-age vocalists perform and compete in the annual Songbook Academy® Finals at the Palladium at the Center for the Performing Arts.

Tickets go on sale June 7 for the concert, the culmination of the Great American Songbook Foundation's weeklong music intensive. Now in its 10th year, Songbook Academy is the only youth program focused on the timeless pop, jazz, Broadway and Hollywood standards known as the Great American Songbook.

Forty finalists – hailing from Indiana, California, New York and 13 other states – have been selected from among hundreds of applicants to spend a rigorous, life-changing week this summer at the Center, home of the Songbook Foundation. From July 13 to 20, they will experience workshops, masterclasses and mentoring from performing arts professionals and respected university educators, led by five-time Grammy® nominee and Foundation founder Michael Feinstein.

During the closing concert at 7 p.m. July 20, all 40 participants will perform before a live audience, and the Top 10 are evaluated by a panel of judges. Awards are presented for excel-

lence in several categories, and top performers are invited to represent the Songbook Foundation and sing at such venues as Carnegie Hall, the Kennedy Center and the nation's top cabaret clubs. The Songbook Academy Finals concert is sponsored by Current Publishing LLC and is part of the Center's 2019-20 Season sponsored by Allied Solutions.

Tickets starting at \$25 go on sale at 10 a.m. Friday, June 7, available by phone at (317) 843-3800, online at TheCenterPresents.org and at the Palladium Box Office, 1 Center Green, Carmel.

Two other performance events during Songbook Academy week are open to the public free of charge, although tickets are required. Beginning June 24, these tickets can be reserved at (317) 843-3800 or obtained in person at the Box Office.

- Public Masterclass, 2 to 5 p.m. Wednesday, July 17, at the Palladium – Ten randomly selected participants undergo critiques from Michael Feinstein and guest mentors.
- Songbook Showcase, 10 a.m. to 12:30 p.m. and 2:30 to 5 p.m. Thursday, July 18, at the Palladium – All 40 participants perform solo, with 10 chosen to compete in the Saturday finals.

The Public Masterclass and Songbook Showcase are sponsored by Ruth's Chris Steak House.

The Songbook Academy is sponsored nationally by the Efroymson Family Fund, a fund of the Central Indiana Community Foundation, with additional support from the City of Carmel. This year's participants from Indiana are:

- Jack Ducat, Carmel High School
- Peter Fulton, Fishers, Colonial Christian High School
- Sydney Greene, Carmel High School
- Cynthia Kauffman, Zionsville Community High School
- Morgan Koontz, Carmel High School
- Griffin Scott, Carmel High School

About the Great American Songbook Foundation

The mission of the Great American Songbook Foundation, founded in 2007 by five-time Grammy® Award nominee Michael Feinstein, is to inspire and educate by celebrating the timeless standards of pop, jazz, Broadway and Hollywood. More information is available at TheSongbook.org.

Hoosier History Highlights

What religious group worked to established Earlham College?

The REPORTER

This upcoming week in Indiana's history ...

1847 – Quakers in Richmond opened a boarding school which, 12 years later, became Earlham College. It was the second Quaker college in the world and the first one to be coeducational. The school was named in honor of Quaker minister Joseph John Gurney, who was born at Earlham Hall in England.

1865 – The first city election was held in South Bend. With 543 votes cast, William G. George was elected mayor. Members of the city council were also chosen. South Bend had incorporated just two weeks before. Located near the southernmost bend of the St. Joseph River, the area was used many years ago by Native Americans as a short overland route from the St. Joseph to the Kankakee River.

1918 – Charles Warren Fairbanks died at his home in Indianapolis. He had served as United States Senator from Indiana and Vice President under Theodore Roosevelt. His body lay in state in the rotunda of the Indiana Statehouse.

1961 – A. J. Foyt and Ray Harroun appeared on

the TV quiz show "I've Got a Secret" with host Garry Moore. Foyt had won the Indianapolis 500 Mile Race the week before and Harroun had been the winner of the first race 50 years earlier, in 1911. It took only a few minutes for the panel of four celebrities to guess their "secrets."

1978 – Broadway legend Ethel Merman performed with the Indianapolis Symphony Orchestra at Clowes Hall in Indianapolis. She sang many of the songs for which she was famous, including "I Got Rhythm" by the Gershwins and "I Get a Kick Out of You" by Indiana's Cole Porter. Charles Staff, reviewer for *The Indianapolis News*, said "Everything about her was up, the way she moved, the way she looked, the way she sang."

1979 – President Jimmy Carter addressed members of the Indiana Democratic Party at the Jefferson-Jackson Day Dinner at the Indianapolis Convention Center. He was met at the airport by United States Senator Birch Bayh and was later joined by Indiana Congressman Andy Jacobs as well as many other party members.

Whether swimming or boating, water safety always matters

The REPORTER

Regardless of why you are around bodies of water, you should always recognize the danger water poses, even to strong swimmers or experienced boaters. If you are going to be recreating around the water, please remember these basic safety tips:

- Always wear your lifejacket
- Always tell someone where you are going and when you will return
- Go with a buddy
- Never venture around flooded or fast moving waterways
- Avoid alcohol

In addition to basic water safety, Indiana Conservation Officers are also stressing the importance of boating safety and are reminding boaters to know the rules of the water.

Reducing the boat's speed in unfamiliar areas and being aware of unusual water conditions respective to the size and type of boat are among the important environmental considerations. Regardless of boat type, an initial assessment of the water levels and current speed are essential prior to beginning your voyage.

Designating a sober boat operator should always be a priority. Alcohol causes impaired balance, blurred vision, poor coordination, impaired judgement and slower reaction time. These impairments can be magnified by wave action, sun exposure, and wind. It is illegal to operate a motorboat or personal watercraft in Indiana while intoxicated due to alcohol or drugs. Indiana law defines intoxication as

having a blood alcohol level of 0.08 percent or greater.

Another priority is lifejackets. Lifejackets should be United States Coast Guard approved, be in good working condition, and size appropriate. New lifejackets are designed to be lighter, less obtrusive, and more comfortable. Inflatable lifejackets allow mobility and flexibility for activities like boating, fishing, or paddling, and are much cooler in warmer weather.

"A person is never too old to wear a lifejacket," said Lt. Kenton Turner, Indiana's Boating Law Administrator. "The majority of Indiana drownings on public waterways involve adults."

TODAY’S BIBLE READING

Then certain of the scribes answering said, Master; thou hast well said. And after that they durst not ask him any question at all. And he said unto them, How say they that Christ is David’s son? And David himself saith in the book of Psalms, The LORD said unto my Lord, Sit thou on my right hand, Till I make thine enemies thy footstool. David therefore calleth him Lord, how is he then his son? Then in the audience of all the people he said unto his disciples, Beware of the scribes, which desire to walk in long robes, and love greetings in the markets, and the highest seats in the synagogues, and the chief rooms at feasts; Which devour widows’ houses, and for a shew make long prayers: the same shall receive greater damnation.

Dennis Kay “Butch” Haskett January 19, 1947 – May 31, 2019

Dennis Kay “Butch” Haskett, 72, Noblesville, passed away on Friday, May 31, 2019 at Prairie Lakes Health Campus in Noblesville after a brave battle with cancer. He was born on January 19, 1947 to the late Raymond and Margaret (McAvoy) Haskett in Noblesville.

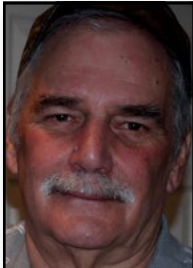

After completing a metalworking apprenticeship, Dennis joined the Peace Corps and served as a teacher in Tehran, Iran, from 1969 to 1972 at a time when that country still enjoyed peace and prosperity. He then moved to Munich, Germany, and worked for Siemens where he met his wife and had a daughter who was born there. The family returned to Hamilton County where he started Vibcon Corporation in Arcadia and worked until he sold it and retired in 2009. Dennis was an avid collector of Civil War tokens, and enjoyed giving talks on the subject to various groups. He loved to travel and visited more than 40 countries.

Dennis is survived by his daughter, Christa (Thomas) Emodi; two grandchildren, Jack Emodi and Alice Emodi; and his sister, Kathie (John David) Tilton.

Services will be held at 7 p.m. on Thursday, June 6, 2019 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with visitation from 5 p.m. to the time of service.

Memorial contributions may be made to Riley Children’s Foundation, 30 S. Meridian St., Suite 200, Indianapolis, IN 46204.

Richard Carmine DeStefano February 24, 1947 – May 23, 2019

Richard Carmine DeStefano, 72, Sheridan, passed away Thursday morning, May 23, 2019 at Riverview Health in Noblesville. Born February 24, 1947 in Queens, N.Y., he was the son of the late Anthony and Irene (Nelson) DeStefano.

Shortly after graduating from Port Jervis High School with the Class of 1966, Richard would serve his country as a soldier in the United States Army. After his service was complete he continued his education at Ivy Tech, earning degrees in Accounting and Written Communication.

During his younger years, Richard worked as a photographer for the Port Jervis newspaper. Being a working photographer, friends and family soon began asking him to take stills and videos of their weddings and other important life events. Richard enjoyed being able to help out in that way; however, his favorite photographs were the ones he took out in the natural world. He loved capturing the beautiful flowers, animals out in their natural state, and the awesome beauty of storms as they came rolling in. Richard’s artistic side didn’t stop with photography. He was a very talented painter, creating many floral and animal oil portraits throughout the years. Richard also enjoyed fishing and working in his garden. For the last 13 years of his career Richard worked in the electronics department at the Noblesville Walmart, eventually retiring to spend more time doing the things he truly loved.

A family man to the core, Richard was always the first one to offer help to anyone who was in need. He loved baking and enjoyed sharing the goodies he made with friends and family.

He is survived by loving wife, Peggy (Ezell) DeStefano. She and Richard were married on September 25, 1999. Also surviving are his two daughters, Shawn Amato (Rich) and Kelly DeStefano, both of Port Jervis, N.Y.; two stepsons, Danny Parker (April), Kempton, and David Parker of Florida; three grandchildren, Rori DeStefano, and twins Michael and Josephine Amato; many step-grandchildren and step-great-grandchildren; brothers, Anthony “Tony” DeStefano (Jeri), Long Island, N.Y., and Joseph “Joe” DeStefano of Indiana; many nieces and nephews, including Sue Childs (Bill) and Sally Lewis (Kenny). Richard is also survived by his “rescue children,” his dog Peanut and his cat Midnight.

He was preceded in death by his parents; four sisters, Elizabeth, Dorothy, Helen and Joyce; his brother, Donald DeStefano; and by his “fuzzy little girl,” his dog Cindy.

A Celebration of Life is being planned privately by Richard’s family; it will take place at a later date.

To honor Richard, his family requests that memorial contributions be presented to the American Cancer Society.

Girls state track and field meet

Tyler, Drish finish careers as three-time champions

By RICHIE HALL

BLOOMINGTON - The list of three-time state champions at the IHSAA girls state track and field meet is relatively short, but two more athletes added their names to that list on Saturday.

Hamilton Southeastern's Kennedy Drish and Noblesville's Shelby Tyler closed out their fantastic high school careers with their third consecutive state title in their respective event at the state meet, which took place at Indiana University in Bloomington. Drish finished first in the pole vault, while Tyler was the winner of the high jump.

Tyler's winning jump was 5 feet, 9 inches, which she cleared on her first try.

"Obviously I didn't jump my best, but I'm still happy with my performance," said Tyler. "Getting out to state and competing against these girls is a good experience."

Tyler, a senior who has committed to the University of Georgia, became the first three-time state champion in Noblesville history, and the first to win so many high jump titles since Ellie Tidman of Batesville won four in a row from 2007 to 2010.

"It's definitely a privilege," said Tyler. "It's all that I could ask for."

Drish cleared 12 feet, 9 inches in the pole vault, the highest she has ever vaulted at state. The senior found herself in a battle with Center Grove sophomore Taylor Jarosinski, who also got over 12-9, but Drish won the event because she had fewer misses.

It was a remarkable win for Drish, a Virginia Tech commit, since she had been dealing with an injury that limited her practices. But as the great ones always do, she came through at the big events.

"This one was probably the hardest one for me," said Drish of her three state wins. "Taylor definitely gave me a battle, but it was definitely worth it in the end."

Drish's performance helped Southeastern finish high in the team standings for the third straight year. The Royals, who came into the meet as defending state champions, placed third with a score of 48 points. North Central won the meet with 75 points, while Warren Central was the runner-up by scoring 52 points.

Noblesville's Shelby Tyler won her third consecutive state championship in the high jump at Saturday's IHSAA girls state track and field finals at Indiana University. Tyler's winning jump was 5 feet, 9 inches.

"We did what I hoped in most places," said Southeastern coach Julie Alano. "We didn't have breakthroughs in a couple of events. Everybody ran a PR, or close to their PR, in every event. You can't go wrong with that."

The Royals were part of an incredibly fast 4x400 relay race. The team of junior Olivia Burgess, senior Mya Hammons, senior Tierra Sydnor and freshman Regan Wans placed second in a time of 3:45.72, which was over a second and a half under

ABOVE: Hamilton Heights' Maria Mitchell earned two medals at the IHSAA girls state track and field finals, placing eighth in the 1600 run and ninth in the 800 run. LEFT: Carmel's Phoebe Bates finished fifth in the 1600.

RIGHT: Fishers' Alison Casey finished fifth in the pole vault for the Tigers

BELOW: Hamilton Southeastern's Tierra Sydnor (right) earned four medals, placing third in the 300 hurdles and seventh in the long jump, in addition to a runner-up finish in the 4x400 relay and third place in the 4x100 relay.

Sheridan's Rebecca Merritt competed in both throwing events, placing 11th in the discus and 16th in the shot put.

the old state record. North Central won the race in 3:43.99.

"That's just crazy that we ran that fast," said Alano. It was a total team effort - "Every girl ran fast," said Alano. "It wasn't any certain one on that relay. Everybody ran a PR. That last race was amazing."

"It was so fast and I loved every single minute of it. It was amazing," said Wans. The freshman was happy with her performance: "I threw down a new PR in the 400 and I threw down a PR in the 4x4 as well for my split, so I'm really excited about how things turned out today."

While Wans is just beginning her career, senior Lulu Black finished hers up on a strong note. Black started the meet by running on the 4x800 relay, joining senior Maddie Mirro, sophomore Halle Hill and junior Ellie Pedersen in placing second in that event.

Black said it was the first time she had run in more than one event at state. She has committed to North Carolina State University.

"That was an amazing accomplishment, just considering I haven't done that before, haven't doubled at state before and I got to do it with my best friends," said Black. "And we really just set high goals for ourselves this year and we achieved them. So I'm super proud of us as a whole."

Black would later go on to race in the 3200 run, where she placed fifth in another outrageously fast race. Black's fifth-place time was 10:39.01 - the top five girls all went under 10:40.

"I think I ran pretty well," said Black.

"It's crazy that it's my last race here at IU and for my team."

Sydnor had another outstanding meet. In addition to the 4x400, she also joined Burgess, Hammons and sophomore Alyssa Barker in placing third in the 4x100 relay. Sydnor came back a little while later and finished third in the 300 hurdles and also placed seventh in the long jump.

Noblesville tied for 12th as a team by scoring 14 points. In addition to Tyler's win, the 4x800 relay team of senior Maria Anderson, sophomore Bella Sharples-Gordon, senior Aubrie Deal and junior Anna Hazelrigg finished sixth.

Fishers tied for 20th by scoring 11 points. The Tigers had two fifth-place finishes, starting with the 4x800 relay team of junior Abby Carter, freshman Vera Schafer, junior Emma Gillespie and freshman Elizabeth Barrett.

While the 4x800 team was running, sophomore Alison Casey was vaulting her way to a fifth place finish in the pole vault. Fishers' 4x100 relay team of freshman Ella Scally, sophomore Myah Donaldson, junior Gabby Lewis and senior Grace May took ninth place.

Carmel junior Phoebe Bates scored five points for the Greyhounds with a fifth-place finish in the 1600 run.

Hamilton Heights sophomore Maria Mitchell picked up two medals for the Huskies, placing eighth in the 1600 run and ninth in the 800 run. Mitchell was the first Heights runner to medal at state since Sierra Brown in 2014.

Mitchell was part of an exceptionally

fast 800 run, which saw Pike senior Elizabeth Stanhope win in a new meet record time of 2:06.62. But she held her own and earned a medal.

"I knew I was running at the end with the seeds, so I was in the back of that pack," said Mitchell. "I was just like, 'Well, we'll start in the back and we'll just start to pick them off through the race.' That's what happened."

Sheridan junior Rebecca Merritt competed in both throwing events, placing 11th in the discus and 16th in the shot put. Westfield senior Zoe Pentecost also competed in the discus, finishing 13th. Guerin Catholic senior Ellie Schroeder placed 11th in the 800 run.

Team scores (Top 10 and all county): 1. North Central 75, 2. Warren Central 52, 3. Hamilton Southeastern 48, 4. West Lafayette 42, 5. Zionsville 30, 6. Fort Wayne Northrop 26, 7. Royals win first regional title since 2004

By RICH TORRES
LAFAYETTE – There was no dogpile. Not this time.

As Cole Graverson induced a popup to left field for the final out of the Class 4A Regional title game at Loeb Stadium, the Hamilton Southeastern Royals celebrated, but they stood tall doing it.

After claiming the program's first regional championship since 2004, the Royals rejoiced shoulder to shoulder and played the same way in all facets of the game to defeat Carroll 6-1 on Saturday night.

"This senior class has done a lot of firsts. The first (Hoosier Crossroads Conference) title. As a senior class, we hadn't won a sectional while we've been in high school, and we did that," HSE senior Cam Bolling said. "Winning regional is another step, but we have two more games."

The Royals (21-8) are now one step closer to their goal of reaching Victory Field for a chance at a state title, and they did it was an array of dominant pitching and contagious hitting.

HSE outscored their sectional foes 15-1. At regional, they went higher, outproducing both Fort Wayne South Side and Carroll 20-1.

In the morning semifinal, senior Michael Dillon pitched a five-inning no-hitter to run-rule Fort Wayne South Side 14-0 while the offense logged 14 hits and eight extra-base hits.

Against Carroll, the bats stayed hot, churning out 10 hits with five extra-base knocks, including four doubles and a tow-

ering home run by senior Greyson Droste, an Akron recruit.

Droste finished 2-for-3 with two RBI. The first run driven in off his bat came in the top of the first with a single to left field for a 1-0 lead. His next hit traveled well beyond 321 feet over the left-field wall for his first home run of the season to put HSE ahead 2-0.

"We've been attacking fastballs. Earlier in the year, we were watching more pitches and we were being hesitant and getting two strikes a lot," Droste said. "It's hard to hit with two strikes, so I think we're doing a much better job with attacking."

Bolling was on the attack all day, going 2-for-3 in both games with a pair of RBI in each. He blasted solo home run in the semifinal and in the final, Bolling hit consecutive doubles during HSE's back-to-back two-run innings in the fifth and sixth.

"Cam did phenomenal today. He did a really good job," Droste said.

Anthony Eggers added an RBI bunt in the top of the fifth, and Cole DeWael dropped in an RBI single into left field in the sixth.

HSE's six runs were plenty for starter Tyler Schweitzer, who carried a shutout until he was relieved in the bottom of the seventh for closer Cole Graverson.

"I was a little upset that I couldn't finish it just because I finally found my pitches and I was finding the zone, but Graverson came out there and he did what he does best. He got the three outs," Schweitzer said. "He gave up one run, but it's only our second one this postseason. We'll take it."

Schweitzer threw 82 pitches and struck out nine. Dillon had eight during his outing in the morning. The tandem walked a combined three batters.

"We're a family right now. We're loving each other," Schweitzer said.

"We're all relaxed, and I think that's what's helping us win."

Like siblings, they back each other. No more so than the pitchers.

Prior to the postseason, the Royals had six starters in the lineup hitting below .286 and the team's batting average fell lower until they flipped the switch to win nine straight games.

In the semifinal, the Royals had nine batters with at least one hit. DeWael went 2-for-4 with a double, Jack DeWolf was 2-for-3 with two RBI and a double, Eggers was 1-for-3 with two run, an RBI and a double. Brayton Harrison drove in a run, and Droste had two RBI with a double. Jake Huston laced an two-run double during HSE's six-run top of the third against Fort Wayne South Side.

"The amount of strikeouts the pitchers have had in the earlier games, we feel awfully confident with Michael and Schweitzer on the mound and Graverson. It's just all confidence," Bolling said. "We're playing our best baseball. It feels good."

Schweitzer's title game win improved his record to 8-2. Dillon is now 8-1.

"They hit me around a little bit today, which I was a little scared of but my defense backed me up a lot," Schweitzer said. "I'm really happy with them and how they helped me out."

Schweitzer allowed seven hits, but the Carroll Chargers stranded 10 runners after losing in the regional final to a team from Fishers for a second straight postseason. Now, the Royals are heading to semistate next.

"The kids are having fun and above all that's what it should be," HSE coach Jeremy Sassanella said. "This is great for HSE."

Trailblazers power their way to second regional title

University powered its way to a second consecutive regional championship Saturday at Morristown.

The Trailblazers took care of Shakamak 9-0 in the championship game. University scored three runs in the first inning; Dawson Estep led off with a triple and was batted in by Alex Washlock's left field hit. Ben Westerkamm singled in Washlock, then was later brought home by Nate Shatkowski's line drive RBI.

The 'Blazers added six more runs in the sixth inning. Tyler Galyean singled in Washlock, then scored on an error. Westerkamm got home on a wild pitch, Adam Oxley scored on an error, then Matt Moore singled

home Shatkowski. Reese Sharp hit a double to bring in Moore.

Washlock was 3-for-4 at the plate, while Galyean was 2-for-3. Sharp pitched six innings for the win, striking out 12.

University advanced to the championship game with a 10-1 win over Indianapolis Lutheran in the first semi-final.

The Trailblazers got on the board with four runs in the third inning: Ben Ewer scored first when Washlock drew a bases-loaded walk, then Dawson Estep was brought in by Galyean's walk. Ethan Johnson scored on Westerkamm's sacrifice fly, then Oxley drove in Washlock with a right-field hit.

Washlock singled in Sharp for the first of two University runs in the fourth inning. Westerkamm later batted in Washlock.

The 'Blazers added four more runs in the sixth inning. Galyean hit a two-RBI single to center field, scoring Estep and Sharp. Washlock scored his third run of the day on

an error, then Westerkamm hit his second sacrifice fly of the game, bringing in Johnson again.

Washlock finished the game 3-for-3 at the plate, with Galyean and Oxley both getting two hits. Sharp hit a double, and also tossed six strikeouts in two innings of pitching. Galyean came in for three and two-thirds innings and got the win, also striking out six.

University is 20-10-1 for the season and will play Tecumseh in the Class 1A south semi-state next Saturday. The place will be determined by Tuesday.
