# New nonprofit status will help partnership create a healthier Hamilton County

The REPORTER

Nancy Chance, Founder and Executive Director of Good Samaritan Network, said she and the Board of Directors are “pleased to announce the transition of one of our fiscal sponsorships since 2014, Partnership for a Healthy Hamilton County to an official 501(c)(3) nonprofit.” Chance said, “This transition from a nonprofit to an official 501(c)(3) nonprofit sustains the original mission and formalizes their placement among nonprofits in Hamilton County, Indiana.” According to Chance, “As the lead agency and fiscal sponsor since 2014, our goal has been to advance the public benefit organizations like Partnership For A Healthy Hamilton County (PHHC) by facilitating their development and growth and providing an opportunity to have a formal legal home so they could devote significant time and resources building a full-fledged organization. ## Fishers police looking for vandals who destroyed a giant American flag

**WISH-TV | [wishtv.com](http://wishtv.com)**  
Authorities in Fishers are searching for the person or persons responsible for destroying an American flag overnight. Fishers Mayor Scott Fadness posted a photo to his official Twitter page Friday morning showing a giant American flag that had been destroyed. The flag is hanging in the Nickel Plate District

Amphitheater where it was installed for part of the Fourth of July festivities. “It’s unfortunate that someone or a few people thought this was a good way to celebrate the 4th,” said Fadness on Twitter. If you have any information about the incident you are urged to call the Fishers Police Department at 317-595-3300.

## A different kind of fireworks

Hopefully Mother Nature was kind to us last evening and we were all able to safely celebrate our nation’s birth with family, friends and, of course, fireworks! My heart had already experienced fireworks of a different kind a few days earlier this week. Let me explain. I’ve been waiting for months to see my sister Vicky who lives in Florida. She and her fiancé Terrence come up for a week in the summer to visit their Indiana people. I look forward to seeing them every year. But I know my mother looks forward to their visit most of all. Usually I mark Mom’s calendar as soon as I know when Vicky will be in town, but this year things were a

bit touch and go. Everyone and their brother in many companies was asking for the holiday week off, so her vacation request took quite a while to process. Vicky finally let me know last Friday that she would be arriving Sunday. She also said she’d like to surprise Mom. Perfect! Vicky figured they’d get to Noblesville around 2:30 p.m. Summertime construction and traffic, however, messed up their timeline a bit. I had called Mom and told her I was going to stop by with some freshly cut watermelon sometime Sunday afternoon. It looked like Vicky and Terrence wouldn’t arrive until a little

I knew I had to stall her, so I zoomed over to her facility to find her already in the dining room at 3:45. I made up a crazy excuse to get her back in her room claiming my husband John was bringing her some delicious ribs from the grill. Amazingly, she bought it.

Advocating for Victims of Crime and Abuse

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.

**WISH-TV | wishtv.com**  
The search is on for a mystery couple after a photographer unknowingly photographed a wedding proposal during Fourth of July festivities in Carmel Thursday night.  
Tyler Huffman, Carmel, was taking photos of the fireworks show near the Monon Trail Thursday night, but it wasn't until later that he realized he caught a special moment on camera.  
"I had no idea I was capturing it as I was focused on the fireworks. By the time I looked back at the photos, the couple was gone," Huffman said. "I'm hoping to find them and give them these images!"

# Sheridan: Small town with a big heart

Sheridan's Fourth of July parade had a little something for everyone. From the Sheridan Blackhawk Band and Guard (top left) to sad clowns in tiny cars, this parade covered all the bases. Memorable moments include Sheridan July 4th Queen, the Grand Marshal float with the Biddle Family Memorial Foundation and Kay Palmer and Holly Palmer-Snell. No Sheridan parade would be complete without the always-popular unicyclist Gary Stahl.

## Work toward your financial Independence Day

Once again, the nation has been enjoying fireworks, picnics and parades for the celebration of Independence Day. Collectively, we enjoy many liberties, but some freedoms can be elusive – and financial freedom is one of them. What actions can you take to help yourself eventually declare your own financial independence?

For starters, you'll want to determine what financial independence means to you. Is it the liberty to meet all your cash flow needs? The freedom to retire comfortably, at the age you choose? The ability to set up the kind of legacy you'd like to leave? If any or all of these things are important to you, consider the following suggestions:

**Liberate yourself from oppressive debts.** The cost of living is certainly not cheap, so it's hardly surprising that so many people incur significant debt. Yet, the higher your debt load, the less you'll have available to invest for the future. Debt might be one of the biggest barriers you face on the road to your financial independence. To avoid piling on too much debt, live within your means. Take steps such

**COLUMNIST**  
**COREY SYLVESTER**  
Cicero Edward Jones

as saving for a vacation, rather than putting it all on your credit card, and getting just one more year out of that old car. Look for bargains everywhere – and find out what you can live without. And if you have sizable debts, see if you can consolidate them and lower your interest payments.

**Free yourself from chaotic investing.** The financial markets can be unpredictable – but that doesn't mean your investment moves have to be chaotic. So, for example, instead of responding to a sudden plunge in stock prices by selling stocks that still may be fundamentally sound with strong growth potential, you might be much better off by holding your ground. And you'll be in a better position to do nothing during periods of market volatility when you've already done something – namely, built an investment portfolio that reflects your goals, time horizon and risk tolerance. With this type of portfolio in place, you'll be in a good position to overlook the day-to-day fluctuations in the market and keep your focus on your long-term goals.

**Unleash the potential in your retirement plan.**

Your 401(k) or similar employer-sponsored plan is a great way to save for retirement. You can contribute pre-tax dollars, so the more you put in, the lower your taxable income, and your earnings can grow tax deferred. (With a Roth 401(k), you put in after-tax dollars, but your withdrawals are tax-free, provided you meet certain conditions.) But despite these tax advantages, your 401(k)'s full potential won't be realized unless you fund it adequately. Try to contribute as much as you can afford each year and increase your contributions as your salary goes up. Another way to unclog your 401(k)'s potential is by choosing appropriate investments. Your 401(k) likely contains a dozen or more investment options, so you'll want a mix that offers the greatest possibilities for growth within the context of your personal risk tolerance.

Gaining your financial independence requires time and commitment. But once you've achieved this freedom, you'll know it was worth the effort. And who knows? You might even want to wave a sparkler or two to celebrate.

## Margretha Alyssa Ann Collins

July 9, 1996 – June 29, 2019

Margretha Alyssa Ann Collins, 22, Sheridan, passed away unexpectedly at Riverview Health in Noblesville on Saturday morning, June 29, 2019 following a brief illness. Born in Indianapolis on July 9, 1996, she was the daughter of John Michael and Melissa Ann (Greenwood) Collins.

She was Salutatorian of the Kokomo High School Class of 2015. Alyssa had a very creative and artistic personality. Her years in high school band as a trombone player helped fuel her love of music. As she got older, she found her passion for both creative writing and poetry, as well as her love of drawing and painting. Always looking for a new creative outlet, Alyssa eventually found her way into the kitchen and began cooking up a storm.

Alyssa was a very independent and empowered woman who wanted to leave the world just a little bit better than she found it. She had a kind and loving soul and constantly wanted to reach out and help anyone in need. As an animal lover, she didn’t leave neighborhood strays out of the equation. If there was an animal in need of some love and attention, and sometimes a home, there was no better caretaker than Alyssa.

Family and faith played a strong role in her life. Alyssa was a huge Colts fan, and even though the team has had quite a few rough seasons, she and her brother never missed watching a game together.

Alyssa is survived by her mother, Melissa Ann (Greenwood) Collins; her maternal grandfather, Cameron Greenwood, Sheridan; maternal stepgrandmother, Jennifer Hommel Greenwood, Sheridan; brother, Jonathan Cameron Collins, Sheridan; cousins, Chad Hunter, Jr. and Kaylin Hunter; and by her best friend and maternal aunt, Rachelle A. Greenwood-Hunter (Chad), Sheridan. Also surviving are her canine BFF Cleopatra; her rescue cat Milkshake; and her special friend, Daltan Hicks, Sheridan.

She was preceded in death by her father; maternal grandmother, Carol Ann Greenwood; and her paternal grandparents, Robert and Wanda Joyce Collins.

Services were held on Friday, July 5, 2019 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation prior to the time of service. Elder Gary Streebal officiated. A graveside committal service will take place at 11 a.m. on Saturday, July 6, 2019 at Spencer Cemetery in Sheridan.

The Sheridan football team celebrated a Hoosier Heartland Conference championship last season. The Blackhawks will have a slightly different schedule in the 2019 season, replacing Delphi with Heritage Christian.

# A look ahead at 2019 football

## The REPORTER

The 2018 high school football season in Hamilton County saw several dramatic changes in many teams' schedules, mostly due to Franklin Central entering the Hoosier Crossroads Conference.

Now that the changes have taken place, the 2019 season is much more stable. Only two of the eight football-playing schools have different schedules, and those are only one-game adjustments.

Guerin Catholic dropped Indianapolis Howe from its lineup, replacing the Hornets with a second Michigan team. The Golden Eagles will host Birmingham Rice during Week 8 of the season, this after Guerin Catholic welcomes Pontiac Notre Dame; GC played at Pontiac last year. The Golden Eagles are moving their Circle City Conference game with Brebeuf Jesuit from Week 8 to Week 4 to replace Howe.

Sheridan will also have a new team in its lineup. The Blackhawks will play Delphi during Week 4, with the Oracles replacing Heritage Christian. Sheridan played the Eagles during Week 9 last year, but will move last year's Week 4 opponent, Carroll, to Week 9 for its season-finale.

Also of note: Fishers will again open its season against North Central, but the two teams will play each other at Lucas Oil Stadium. Kickoff will be at 6 p.m. on Friday, Aug. 23, and likely will be the very first game of

the 2019 high school football season.

As for other openers, Carmel plays at Louisville Trinity, Guerin Catholic travels to McCutcheon, Hamilton Heights heads to Mount Vernon. Sheridan will play at Western Boone, the defending Class 2A state champion. County teams playing their season-openers at home will be Hamilton Southeastern (against Lawrence Central), Noblesville (against Cathedral) and Westfield (against Harrison).

## Guerin Catholic partners with Franciscan Health, Methodist for sports medicine

### The REPORTER

Guerin Catholic has announced it is now partnering with Central Indiana Franciscan Health and Methodist Sports Medicine.

In discussions with St. Vincent Sports Performance this past spring, it was mutually agreed upon that Guerin Catholic would move in a new direction for its sports medicine provider.

"We are so grateful for the top-notch care provided by St. Vincent," said Guerin Catholic President Dr. John

Atha. "We are confident that the transition to another faith-based, mission-driven provider will be seamless."

In addition to tending to the training and medical needs of student-athletes, Franciscan & Methodist Sports Medicine will also partner with the Golden Eagle athletic department in providing resources and informational workshops for Guerin Catholic families.

"As a faith-based, Catholic organization founded in the Franciscan tradition of

respect and compassion, we believe Franciscan Health will be a great fit for the families of Guerin Catholic," said Atha.

More detailed information regarding the partnership, including names and contact information for trainers, will be shared with the Guerin Catholic community in the coming weeks.

Tips to take better care of your clothes this summer

**StatePoint**

From dripping popsicles to grassy soccer fields, your clothes will become susceptible to a wide array of stains and odors over the next few months.

Use these tips to keep your wardrobe fresh-smelling and looking new as long as possible:

- Air out: Give wet, sweaty clothes and towels a chance to breathe. When you get home from the beach, gym or baseball diamond, empty your bag of soiled items.
- Understand stains: Science shows there is no one single ingredient that cleans every kind of stain well. For example, spaghetti sauce stains are best treated by peroxides, while grass stains are best treated by enzymes.

For this reason, it's important to look for a cleaning solution that can fight all the different kinds of stains you may encounter this season. Combining more ingredients than other brands, consider adding Biz Stain and Odor Eliminator to your loads, which works to make clothes brighter while eliminating a wider range of stains.

- Pre-treat: For tough stains, pre-treat the area with a multi-faceted solution. Wet the garment with warm water and apply a stain treatment directly to the area. Rub gently and wait five to 10 minutes, being careful not to allow it to completely dry. Then, wash your clothing as usual.
- De-odorize: When the mercury rises, your clothes need a bit of extra care to keep them smelling fresh. Give clothes a boost with products designed to keep laundry fresher longer.

- Fabric care: You are likely pulling out such warm weather wear as seersucker, linen and silk. Extend the life of your wardrobe by reading individual garment's labels and following care instructions.

Laundry day comes with its own set of challenges during the warm weather months, when life takes us outdoors and into the heat, and our clothes suffer the consequences. However, new tools and old tricks can help your favorite gear survive the season in great condition.
