Noblesville fire chief to retire in December

Wyant to explore private sector after 25 years with NFD

The REPORTER

Fire Chief Greg Wyant announced Tuesday that he will retire at the end of the year from the Noblesville Fire Department.

Wyant began his service with NFD in 1994 and has served as an administrator since 2004. In his tenure with the department, Wyant has been a firefighter, lieutenant, captain, division chief, assistant chief and fire

chief. Prior to his employment with NFD, Wyant served six years in the United States Navy.

“The entirety of my adult career has been employment in the public sector. While I have thoroughly enjoyed all of my various roles, I have a strong desire to explore private sector opportunities,” Wyant said.

Mayor John Ditslear appointed Wyant in May 2015 after the retire-

ment of then Chief Ken Gilliam. During his NFD career, Wyant was appointed by Governor Mitch Daniels and reappointed by Governors Mike Pence and Eric Holcomb to serve on the Indiana Board of Fire-fighting Personnel Standards and Education, where he also served as the board’s chairman for five years. He graduated from the National Fire Academy’s Executive Fire Officer

Program and is a graduate and past president of the Hamilton County Leadership Academy.

“Despite the growth of our community, under Chief Wyant’s leadership the NFD response times have never been faster or the quality of service better. Our residents know that when they are in an emergency, the

Hamilton County Tourism’s marketing team wins national destination award

The REPORTER

Hamilton County Tourism won one of the country’s most prestigious destination awards at the Educational Seminar for Tourism Organizations (ESTO) conference recently held in Austin, Texas.

The 2018 “Closer Than You Think” marketing campaign, which highlights experiences ranging from art performances, wine tasting and outdoor adventures in Hamilton County to the target market of Chicago, received the Destiny Award presented by the U.S. Travel Association. The Destiny Award was given to 23 U.S. destinations for excellence in marketing on the local and state level in a variety of categories.

“I am proud of our team at Hamilton County Tourism and our strategic partners that have worked together to create an inspiring campaign that targeted Chicago with a key message as an ideal place for a getaway,” said Ashley Ledford, Hamilton County Tourism’s director of marketing and promotions, who attended the ESTO conference.

The seven-person marketing team at HCT works closely with Three Sixty Group, an advertising agency in Indianapolis. The

“Closer Thank You Think” campaign used TV, radio and print marketing to express how close – just three hours – Chicago is to Hamilton County.

The layered campaign generated \$372 of visitor spending for every \$1 spent on advertising – the best outcome thus far of any marketing campaign created by HCT. Locally, it generated \$62 million in visitor spend-

ing in the county, according to market research conducted by SMARInsights.

“The HCT marketing team has taken integrated marketing to a whole new level,” said Brenda Myers, CEO/president of Hamilton County Tourism. “The team’s data-driven approach is soundly based on research, ongoing metrics and well-tested creative and success is demonstrated in

the results.”

Democrats to host likely candidate for governor

Hamilton County Democrats' annual dinner, formerly known as the Jefferson Jackson Day Dinner, will be held Sept. 21 at the Carmel American Legion, 852 W. Main St.

Karlee Macer, State Representative from Indianapolis, will speak to party faithful. She is expected to announce her plans to run for governor in the near future. She is married and a

mother of two.

A 5:30 wine and cheese reception will precede the dinner program. Dinner will be served at 6:30. Tickets for the reception and dinner are \$75; for dinner only, the cost is \$50.

Democrats have been considering a name for their annual dinner for the past two years. Since both former presidents Jefferson and Jackson were slave owners, the party has decided it is politically incorrect to use their names.

Three companies moving headquarters to Carmel’s Agora at the Proscenium

The REPORTER

Three central Indiana companies have announced they will relocate their corporate headquarters to the Agora at the Proscenium, located at 10 W. Carmel Drive.

The four-story, 100,000 square-foot office building is currently under construction and is scheduled for completion next summer. The office is being developed by Lauth Group, Inc. and is a part of Novo Development Group’s mixed-use Proscenium development located in the heart of Carmel.

“We are thrilled to see that our investment into the redevelopment of this once underperforming property is now producing results in the

way of private investment and new jobs for Carmel,” said Mayor Jim Brainard. “We welcome these companies to our growing number of corporate headquarters, and we look forward to sharing in their growth and success.”

Schwarz Partners will relocate approximately 70 employees from its Indianapolis-based headquarters at Woodview Trace to the third floor of the Agora, occupying approximately 25,000 square feet. Schwarz is a privately-held, second-generation company with multiple locations across the United States.

Clements honored for service to animal control

The REPORTER

On Thursday, Sheriff Dennis Quakenbush along with Animal Control Deputy Doug Sanford presented a Recognition Award to local volunteer, Kherri Clements, for her invaluable service to Hamilton County’s Animal Control Division.

Kherri is a former case manager for Friends of Indianapolis Dogs Outside (FIDO) and remains committed to her freelance work on behalf of animals throughout the area. Kherri remains in constant contact with Deputy Sanford, regarding information on loose or stray dogs in the community that have proven to be a challenge for local authorities to catch and rescue.

He will be missed, but we wish him the best of luck as he enters the next stage of his life.”

His research was published in the *International Fire Service Journal of Leadership and Management* and led to the creation of safer opera-

"I am grateful to Mayor Ditslear for giving me the opportunity to lead this department. It has been an honor to serve the citizens of Noblesville. I will always value the memories of my 25-plus years at NFD and the relationships with my colleagues in the profession," said Wyant.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.

CICOA working to gain 1,000 Dementia Friends in September

The REPORTER

CICOA Aging & In-Home Solutions is challenging Hoosiers across the state to become a Dementia Friend. The nonprofit focused on improving the quality of life for seniors and people with disabilities wants at least 1,000 people to become a Dementia Friend in September as part of Global Alzheimer's Awareness month.

Dementia Friends is a global movement that is changing the way people think, act and talk about dementia. Since launching Dementia Friends Indiana in 2017, it now partners with more than 15 area agencies on aging throughout the state, municipalities and other organizations who are working to educate people about dementia, reduce stigmas surrounding it and implement practical changes that create more welcoming environments for those affected by it.

Becoming a Dementia Friend is easy. Watch a video online at dementiafriendsindiana.org, or for those who want even more knowledge, they can attend a Become a Friend Session, which will be held at the fol-

lowing dates and locations:

- Sept. 6 from 2 to 3 p.m. at CICOA, 8440 Woodfield Crossing Blvd., Indianapolis

- Sept. 12 from 2 to 3 p.m. at CICOA

- Sept. 12 from 11 a.m. to noon at CICOA

- Sept. 16 from 7 to 8 p.m. at Hamilton East Public Library, 5 Municipal Drive, Fishers.

- Sept. 25 from 2 to 3:30 p.m. at Hamilton East Public Library

- Sept. 26 from 9:30 to 10:30 a.m. at CICOA

Dementia Friends Indiana is also hosting two Memory Cafés in September for people with dementia and a caregiver:

- Sept. 8 from noon to 2 p.m. at the Memory Café at Conner Prairie, 13400 Allisonville Road, Fishers. Participants will try fall-time delicacies such as apple fritters and pumpkin butter, learn a craft and make apple butter, in addition to visiting the Apple Store.

- Sept. 26 from 10 to 11 a.m. at Hamilton East Public Library in Fishers.

Memory Cafés are free to attend, but registration is required at dementiafriendsindiana.org/

[events-calendar](#).

Dementia is an epidemic and will continue to be one of the most challenging health conditions of our time. As the number of Indiana residents affected by it continues to grow, so does our need to better understand what dementia is, how it affects people and how to make a difference in the lives of those touched by it.

AG Hill defends health, safety regulations involving abortion

The REPORTER

Indiana Attorney General Curtis Hill filed court documents this week defending the constitutionality of two regulations designed to protect the health and safety of women seeking abortions.

One of two challenged statutes requires physicians, hospitals and abortion clinics to report instances of abortion complications. Under the statute, the Indiana State Department of Health would compile this data into a report on the frequency of 25 specific complications after abortion. The avail-

ability of such information would aid the research of women considering abortions and others who study the abortion procedure.

The second challenged statute requires the Indiana State Department of Health to inspect clinics annually for compliance with all health and safety regulations.

“The state has a
interest in protecti
en’s health and sa

said. "These laws are reasonable and constitutional means toward achieving this goal."

TODAY'S BIBLE READING

The day following, when the people which stood on the other side of the sea saw that there was none other boat there, save that one whereinto his disciples were entered, and that Jesus went not with his disciples into the boat, but that his disciples were gone away alone; (Howbeit there came other boats from Tiberias nigh unto the place where they did eat bread, after that the Lord had given thanks:) When the people therefore saw that Jesus was not there, neither his disciples, they also took shipping, and came to Capernaum, seeking for Jesus. And when they had found him on the other side of the sea, they said unto him, Rabbi, when camest thou hither? Jesus answered them and said, Verily, verily, I say unto you, Ye seek me, not because ye saw the miracles, but because ye did eat of the loaves, and were filled.

Boys soccer

Royals stunned by Bulldogs in HCC opener

By RICH TORRES

FISHERS – After two straight victories and a convincing 3-0 win over Class 3A No. 12 Carmel on Saturday, the 3A No. 4 Hamilton Southeastern boys soccer team had its sights on an early-season winning streak.

The unranked Brownsburg Bulldogs had other ideas in mind on Tuesday night during both team’s Hoosier Crossroads Conference opener.

The visiting Bulldogs (2-0-2, 1-0 HCC) grabbed a 1-0 lead in the first half and snapped a 1-1 tied in the second to upset HSE (2-1, 0-1 HCC) with a 3-1 win.

HSE was coming off back-to-back shutout victories against Mt. Vernon 2-0 and Carmel, but the Bulldogs struck in the 12th minute and added two more decisive goals in the 45th and 68th minutes.

Brownsburg settled in after the game’s eighth minute and came out firing once their offense found its rhythm behind 16 shots overall and 13 shots on goal against HSE goalkeeper Jake Kane, who logged nine saves.

“Us playing Carmel on Saturday is no excuse. I told them at halftime, Brownsburg played two games on Saturday,” HSE head coach Chris White said. “We got some talent, and we got some guys that can play, and we can be a good team. But, until they decide they want to work together and not be outmanned, the talent isn’t going to mean a whole lot.”

Brownsburg attacked repeatedly and controlled the midfield throughout the game, leading to multiple opportunities. HSE had its share of chances with 17 shots and 11 shots on goal, but the Royals could only find the back of the net once.

Kam Greenwald slid a perfect pass to Harsahil Gandham in the game’s 40th minute to tie it 1-1 with 13.4 seconds remaining before halftime. The goal was Gandham’s first of the year.

From there, the Royals found little success.

“Saturday against Carmel we played hard. The previous Saturday we didn’t, but we were still able to get a win,” White said. “When you play quality opponents

and you don’t play hard, good things aren’t going to happen for you.”

HSE’s Sam Kay had a solid shot on goal in the game’s 42nd minute and Parker Gopsill fired another potential goal in the 63rd minute, but Brownsburg goalkeeper Evan Huston recorded eight clean

saves to keep HSE subdued.

“We created some opportunities that normally we’d finish, but just the mental approach was not there today,” White said. “We left those guys out on islands. We didn’t play as a group. The defensive transition wasn’t very good. They have some nice players that we let become a lot more dangerous because we just wouldn’t get down on defend one-on-one

like we need to.”

Brownsburg was coming off a 1-1 tie against Cathedral on Aug. 21, a 6-2 win over Elkhart Memorial on Saturday and a 2-2 tied against 3A No. 13 Columbus East on the same day.

“We just came tonight wanting to improve on how we’ve been playing. We

Ryan VanOeveren hired as new Heights baseball coach

Hamilton Heights announced on Tuesday that Ryan VanOeveren has been hired as the new head baseball coach at Hamilton Heights High School.

VanOeveren was approved to guide the Huskies’ baseball program on Aug. 21. VanOeveren graduated from Grandville High School (Grandville, Mich.) in 1991 and earned seven varsity letters in football, basketball and baseball. After high school, VanOeveren graduated from the University of Michigan in 1997 where he earned four varsity letters in baseball and was co-captain in 1994-95. He also earned All-Big Ten selection honors in 1994 as an infielder and was ultimately drafted in the 26th round of the 1995 Major League Baseball draft by the Montreal Expos.

“Ryan is going to bring a different style of coaching to the baseball program”, said Athletic Director, Kurt Og-

den. “His strength is teaching the foundational fundamentals of the game, which are often overlooked in today’s sports. He is very passionate about the sport and has dedicated the past several years to the individual development of many Heights players, past and present. We are excited to see where the program will go under Ryan’s leadership.”

“I am tremendously excited for the opportunity to lead the baseball program at Hamilton Heights High School,” said VanOeveren. “The entire coaching staff is anticipating the beginning of a new era of Heights baseball. We look forward to the challenges ahead and will focus on being a positive influence on the student athletes at our school.”

Ryan has been married to his wife, Tami, for 21 years and they reside in Cicero. They have two children: Hailey (18) and Andrew (16).

Jacob Theineman signs with Colts

Jacob Theineman, a standout football player for Guerin Catholic and Purdue University, has signed with the Indianapolis Colts.

Theineman, a safety, had signed with the New York Giants in May as an undrafted free agent, and while he participated in the team's offseason program, he was placed on the Injured Reserve list shortly after signing, then waived in June. The Colts announced the signing earlier this week in a news release on their website.

Theineman had a solid career for the Boilermakers. In his senior season, he started in 10 games and totaled 74 tackles (49 solo and 25 assists), including seven tackles for a loss. Theineman also had five sacks during the 2018 season.

Theineman is the second recent Hamilton County player to put on a Colts uniform, following Hamilton Southeastern's Joe Reitz, who played from 2010 to 2016.

New baseball, softball sectionals announced

The IHSAA announced the baseball and softball sectional assignments for the 2020 and 2021 seasons on Tuesday.

The big schools – Carmel, Fishers, Hamilton Southeastern, Noblesville and Westfield – will remain in Class 4A Sectional 8 in both sports. The only change is that Zionsville is back in that sectional after a few years of being in Sectional 7.

In Class 3A, Guerin Catholic and Hamilton Heights will continue to play in Sectional 24 in both sports. The two schools will be joined by Delta, Jay County, New Castle and Yorktown.

The University baseball team makes its expected move to Class 2A. The Trailblazers, who won the 1A state champi-

onship in June, will play in Sectional 43 with Cascade, Covenant Christian, Monrovia, Park Tudor and Speedway.

Sheridan's baseball team will continue to play in Class 1A, Sectional 54. The Blackhawks will play with Clinton Central, Frontier, Rossville, South Newton and Tri-County. Sheridan's softball team will also play in Sectional 54; that sectional includes Carroll, in addition to the aforementioned teams.

University's softball team will play in Class 1A Sectional 58, along with Bethesda Christian, Indiana Deaf, Irvington Prep, Metropolitan, Providence Cristo Rey and Tindley.

came in tonight knowing it was going to be a good game. All HCC games are, so we just wanted to come out and show what we could do," Bulldogs head coach Josh Brown said. "It was a great result against a very good team."

The Bulldogs' first goal unfolded off two well-placed passes from Gavin Waltz to Delijah N'gbesso to Noah Yohannes, who lined the ball past Kane. Yohannes dropped a corner kick in the path of N'gbesso to put Brownsburg ahead 2-1 early in the second half.

"We're going to create chances. We know we will. We're very fast up top. I'd put my front three against any team in the state with their speed," Brown said. "We struggled earlier in the season putting balls into the back of the net, but tonight we got chances and we're going to get chances. If we convert them, we should do OK."

The Bulldogs earned another opportunity with 11:18 left on the clock as Waltz was fouled, earning a penalty kick. He hammered in the goal to give Brownsburg a comfortable lead.

"The PK helped. That was effort. It was a hustle move by Gavin Waltz, who got tripped. He's one of the fastest kids in the state. He runs track, too. I knew he would get to that ball. We got fortunate

with that and it kind of sealed it for us," Brown said.

The Bulldogs dominated the game up top and while currently unranked, they might garner the attention of the pollsters after their latest win.

"The rankings are what they are. It's possible. Who knows? I've been around this game for a long time. I've seen teams that are ranked that shouldn't be and teams that aren't that should be," Brown said. "If we do, I think this 3-1 win helps. It's not like we won 1-0 at our place. We won 3-1 on the road. We had a lot of the run of play. It wasn't lucky. If we do, we do. If not, we keep pounding."

For the Royals, they host Shelbyville in a non-conference game on Thursday before traveling to HCC foe Franklin Central on Saturday in an attempt to course correct.

"We talk about it all the time. It's their team. They have to get it figured out, and you would think this is going to motivate them," White said. "But, I thought the wakeup call last Saturday against Mt. Vernon was going to motivate, and it did for one game. So we have to see if we can find the leadership to try to push it and the consistency to bring it night in and night out."

Hamilton Southeastern No. 1 singles player Andrew Orme battled one of the best players in the Hoosier Crossroads Conference before falling 6-2, 6-1 during the Royals' dual meet with Zionsville Tuesday.

Tennis 'Hounds, 'Rocks stay unbeaten

The Carmel boys tennis team improved to 3-0 on the season after beating Lawrence North 5-0 in a Tuesday dual meet at the Todd Witsken Tennis Center.

The No. 1-ranked Greyhounds were boosted by the return of senior Presley Thieneman. Carmel's junior varsity also won 6-0 to remain undefeated. The 'Hounds will play at the John Shirley Invitational Saturday at North Central.

Westfield picked up a 5-0 win at Avon in a Tuesday Hoosier Crossroads Conference dual meet.

Connor Maris and Quentin Markle got the No. 16-ranked Shamrocks on the board with quick victories at Nos. 1 and 2 singles respectively. Harrison Sindelar won No. 3 singles 6-2, 6-4. The doubles teams of No. 1 Brett Barnes and Nichols Mabe and No. 2 Danny Hildebrand and Connor Housefield both won close first sets before winning easily in the second sets.

The Shamrocks are now 3-0 and host

Brebeuf Jesuit at 5 p.m. today.

Westfield's junior varsity dropped a close match 8-7.

Hamilton Southeastern, ranked No. 20, dropped an HCC dual meet to No. 27 Zionsville 4-1 on Tuesday.

The Royals' lone win came from Rohan Golla at No. 3 singles. Southeastern's No. 1 doubles teams both had close three-set battles that could've gone either way, including an epic at No. 2 doubles, with Jackson Bill and Logan Hubbard being edged 6-4 in the third set.

"It was disappointing to lose both of those matches, but I was proud of how our guys fought," said Royals coach Kirk Webber. "These close matches will make us tougher in the long run."

Southeastern is 1-3 and 1-2 in the HCC. The Royals travel to Fishers tonight for the Mudsock meet, which begins at 4:30 p.m.
