County moves forward on Noblesville parking garage

200 Riverfront apartments, retail shops could replace county parking lot

By JEFF JELLISON | Reporter Publisher

On Monday, the Hamilton County Commissioners approved publishing a Request for Proposals that will bring a parking garage to downtown Noblesville.

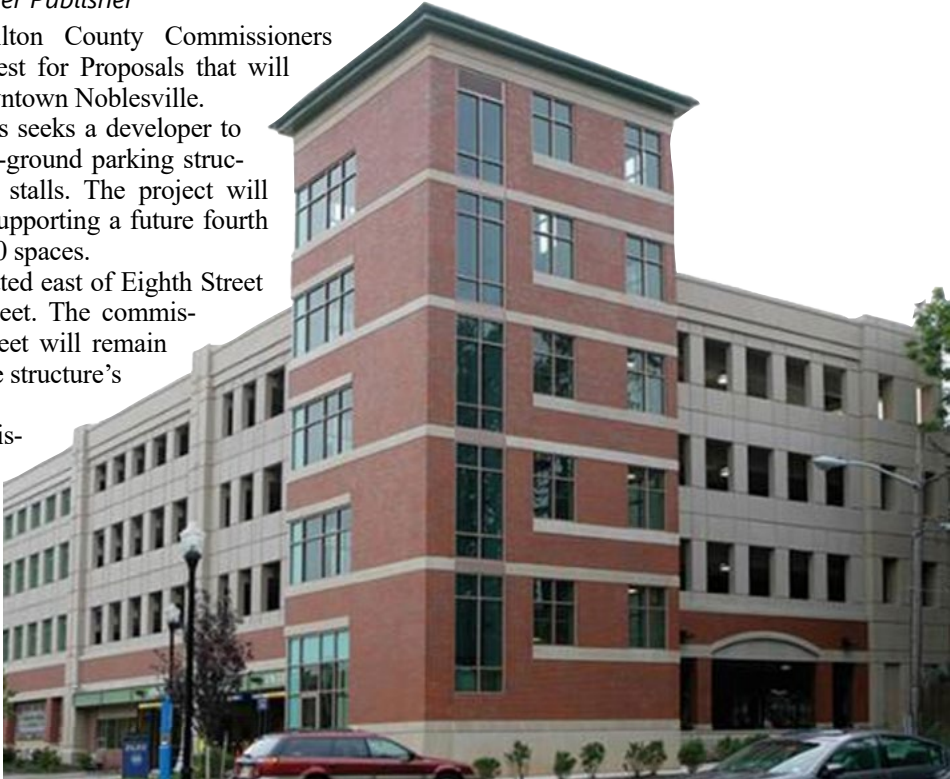

The Request for Proposals seeks a developer to construct a three-story above-ground parking structure containing 430 parking stalls. The project will require a design capable of supporting a future fourth floor, adding an additional 150 spaces.

The garage would be located east of Eighth Street on both sides of Clinton Street. The commissioners indicated Clinton Street will remain in place and be covered by the structure's first floor.

According to documents distributed by County Attorney Mike Howard, the project will be a public-private partnership with the intent to fulfill parking needs for county employees and make current county-owned property available for an economic development project.

The commissioners said on Monday they have been contacted by developers who

Heart valve maker to open new operation in Westfield by 2021

The REPORTER

On Monday, Westfield Mayor Andy Cook, Governor Eric Holcomb and global healthcare leader Abbott announced plans to develop a new manufacturing site in Indiana, creating more than 450 new jobs, in two phases, by the end of 2024. The Westfield City Council paved the way for the announcement by approving its incentive package.

"This is a great day for the City of Westfield," said Cook. "We have worked hard to attract diverse businesses. The addition of a Fortune 500 life sciences company, like Abbott, is a big win not only for Westfield but for the state of Indiana. We look forward to welcoming the Abbott team to Westfield and showing them the caliber of people and community, they are joining."

"We're pleased to expand our U.S. presence by building an additional MitraClip

manufacturing facility in Indiana. This facility will help in our goal to improve the health of people around the world and meet the needs of physicians and patients battling structural heart disease," said Mike Dale, vice president of Abbott's structural heart business.

"Indiana's economy continues to fire on all cylinders, and global companies like Abbott are taking notice," said Holcomb. "Operating in a global economy, Abbott had endless options, and I am incredibly grateful they chose the Hoosier state to not only grow their business and create hundreds of careers, but also improve the lives of people around the world."

Abbott is investing at least \$37.6 million to build a new manufacturing facility in Westfield to support the company's Structural Heart

See *Heart* . . . Page 2

Reporter photo by Jeff Jellison Representatives from Abbott Laboratories, David Topp (left) and Jesse McQuiston (right), were all smiles while talking to Westfield residents about their company's announcement to develop a new \$37 million manufacturing site in Westfield's NorthPoint Industrial Park.

HSE Schools to hold community meeting on flipping start times

By LARRY LANNAN | LarryInFishers.com

When Hamilton South-eastern (HSE) Schools Superintendent Allen Bourff first broached the idea of "flipping" school start times, he promised there would be a community meeting to receive the input of the public before any recommendation is brought before the school board.

Dr. Bourff announced at the Oct. 23 HSE School Board meeting that the public session has been scheduled for 6 to 8 p.m. on Tuesday, Nov. 19 at the HSE High School College & Career Academy (CCH) cafeteria.

Jensen transition team releases Noblesville's Next Chapter report

Submitted

On Monday, Noblesville mayoral candidate Chris Jensen's Transition Committee released its report to the public following months of outreach, discussion and research with the Noblesville community.

The report, which can be found on Jensen's website, features sections on four and months of work on the policy pillars and administration organization that represents Jensen's core

plan for Noblesville's Next Chapter. The four policy pillars are:

1. Comprehensive Economic & Workforce Development
2. Downtown, Culture & Recreation
3. Public Health & Safety
4. Roads & Infrastructure

"Throughout the campaign transition, our team heard

HEART

business. The 120,000 square-foot facility will be built in Holladay Properties’ NorthPoint Industrial Park located along U.S. 31 in Westfield. Once completed, the facility will house manufacturing for the company’s MitraClip transcatheter mitral valve repair system, which is also manufactured in Menlo Park, Calif.

Construction is set to begin later this year, with the space slated to be fully operational by 2021. Founded more than 130 years ago and headquartered in Chicago, Abbott offers products in a variety of health care specialties including medical devices, diagnostics, nutrition and medicines. The company’s MitraClip device, which will now be manufactured in both California and Indiana, is a small, clip-based device proven to repair primary and secondary mitral regurgitation without the

Rendering provided

need for open-heart surgery. To date, MitraClip has been implanted in more than 90,000 patients worldwide.

City Council action

The Westfield City Council approved 10-year real and personal property abatements. In addition, the Indiana Economic Development Corporation (IEDC) offered Abbott up to \$3.5 million in conditional tax credits and up to \$1 million in training grants

based on the company’s plans to create more than 300 jobs by the end of 2024. These tax credits are performance-based, meaning the company is eligible to claim incentives once Hoosiers are hired. The IEDC also offered up to \$750,000 to the community from the Industrial Development Grant Fund to support infrastructure improvements to the new site. The city of Westfield will consider additional incentives. Duke Energy

has also approved additional incentives to offset a portion of the energy costs.

According to BioCrossroads and the Indiana Business Research Center, Indiana is the second largest exporter of life sciences products in the U.S. at \$10.2 billion in total exports in 2018. Together, more than 1,750 companies support more than 56,000 Hoosier jobs with average wages of approximately \$97,600 annually.

GARAGE

have an interest in the county-owned parking lot located on the east bank of the White River south of State Road 32. That location currently serves as a large parking lot for county employees.

Although commissioners would not identify who, they say one developer would like to bring 200 market rate apartments, along with first-floor retail and parking to the riverfront property.

Commissioner Christine Altman said funds used from the potential sale of the of the county-owned riverfront parking lot would be redirected towards funding the parking garage.

In addition to the new parking garage, the county

Altman

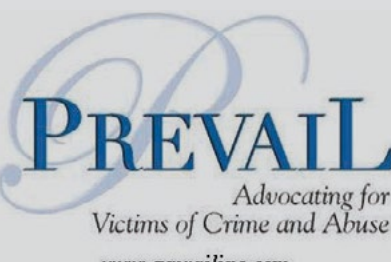

Heirbrandt

will ask Noblesville to transfer ownership of the public parking lot, located on the north side of Logan Street just south of Eighth Street, to Hamilton County.

Altman and Commissioner Mark Heirbrandt both described how State Road 32 (Conner Street) represents a dangerous physical barrier between county offices and available parking. Moving parking north of the courthouse and Judicial Center eliminates the need for pedestrians crossing one of Noblesville’s busiest roadways.

Officials hope to break ground on the new garage in the spring of 2020 with completion in the fall of 2021.

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

– Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

Drop off items at Tom Wood Volkswagen in Noblesville, 14701 Tom Wood Way.

Over the river and through the woods....in our new

HSE START TIMES

As the schedule stands now, secondary students are the first group reporting to school in the morning, with elementary students starting later in the morning. Under a possible schedule “flip,” the elementary students would report in the first part of the morning and secondary schools would start later.

Dr. Bourff told the school board that the Nov. 19 meeting would feature a discussion of what flipping the school start times would mean, along with the advantages and disadvantages of making such a change. There will be an opportunity for the public to comment.

In addition to the public meeting aimed at adults, Dr. Bourff says he plans on meeting with secondary students at both high schools about their views on flipping start times. The superintendent plans to utilize a random selection system on who will participate in this discussion with him.

NEXT

a strong message again and again: Our city is ready for a clear vision and leadership to push boundaries, innovate, and bring the community together to build on Noblesville’s incredible success,” Jensen said. “I’m incredibly proud of the committee and their work on this transparent first step to building a brighter next chapter for Noblesville.”

Guided by Jensen’s vision, Transition Committee members spent months working with community leaders, residents, businesses, nonprofits and experts to build a plan filled with ideas and solutions to make Noblesville a better place.

“Our goal was to bring the best people, ideas and policies together to serve the people of Noblesville by producing a plan that would allow the next administration to hit the ground running on day one,” Transition Committee Chair Steve Nation said. “It was an honor to be part of a process that brought together the pillars of our community with the next generation that will carry Noblesville’s torch into the future. Our hope is that this work will allow all invested in the next chapter of Noblesville’s success story, and all those who would come to Noblesville, to have access to a clear plan of the Jensen Administration’s priorities – and ultimately build a better Noblesville for our families, businesses and thriving community.”

Selected highlights from the report include:

Streamlining Noblesville’s leadership

A constant recommendation to the committee was the need for vision and leadership from the Mayor’s Office as Noblesville grows and expands. To handle the city’s growing challenges and opportunities, the committee recommends creating Directors of Public Safety and Economic & Community Development for a more agile and effective municipal government.

Strategic infrastructure investment

Jensen says he is committed to developing much needed east-to-west transportation corridors within the city, including completing the Pleasant Street extension, while also creating Noblesville’s first Capital Improvement Plan to protect Noblesville’s taxpayers by ensuring future projects are planned and fully funded.

Activate downtown

According to Jensen, Noblesville needs to make

full use of its best and most unique asset – its historic Downtown. By carefully protecting Downtown’s historic nature, connecting it to neighborhoods, developing the Riverwalk, increasing walkability, and by offering a diverse array of dining and entertainment options for all ages, Noblesville can be further set apart from the pack as the best place in Central Indiana to live, work and play.

A coordinated approach to public health & safety

The challenges facing first responders are rapidly changing. By adopting new techniques like paramedicine, establishing partnerships and processes to ensure mental health and addiction treatment and follow-up, and partnering with Noblesville Schools to proactively protect children, the Noblesville community can build public safety agencies that have the organization, staffing, training and leadership in place they need to prevent and respond to new public health and safety challenges.

DONALD RAINWATER

MAYOR OF WESTFIELD

Westfield can continue to grow, without the ever increasing taxation, borrowing, and spending that has become the status quo. We must practice sound fiscal policies, if we are going to leave a positive legacy and affordable cost of living for our children.

Our fire department, police department, schools, and roads must grow in anticipation of our population, not in knee-jerk response to it. Our first priority must always be the safety of our residents, especially our children.

DONALD RAINWATER
MAYOR OF WESTFIELD

Letter to the Editor

Carmel voter: Let’s end one-party rule

Dear Editor:

Since 1976, Carmel voters have been electing City Council members, all who have been Republicans. Isn’t it time for Carmel voters to end the 43 years of one-party rule?

Voting the same party into power election after election tends to stifle different opinions and creates an echo chamber of agreement in all parts of city government.

For the first time in several years, Democrats are seriously competing for City Council seats. William Howard is one of these candidates, and he is running in the Northwest District.

While canvassing for William, we have heard from many voters, who have expressed concerns about their voices not being heard. Among other things, they have expressed concerns on diverse issues such as excessive city spending, safety concerns on crossing Rohrer Road to and from the Monon parking lot, and storm sewer issues resulting in standing water (drawing mosquitos) on Village Drive East.

William believes in community outreach, in terms of asking constituents what their concerns are, what matters most to them and being their advocate.

Please vote for William Howard on Election Day.

James Blessing
Carmel, North District

Letter to the Editor

Carmel voter asks you to vote for Howard

Dear Editor:

To my fellow North District residents:

Over the past few months, I hope you’ve had the opportunity to meet my friend William Howard, who is running to become our city councilor in the new North District. William has knocked on doors in every neighborhood in our district to talk to people about the local issues that matter most to them. As our city councilor, he will continue to listen to our concerns and work hard to represent our interests as taxpayers.

William values citizen engagement, government transparency, and fiscal responsibility – with a goal of ensuring that Carmel remains an excellent place to live – not just today, but also for future generations. He’s seeking to represent the diverse voices that make up our district so that we have a say in the critical decisions that affect our community.

I encourage every citizen to research the candidates on the ballot, but most importantly, to vote early or on Nov. 5. I’ll proudly be casting my vote for William L. Howard to represent me on the city council.

Erin Vahrenkamp
Carmel, North District

Letter guidelines this election season

The REPORTER

The Hamilton County Reporter, your hometown newspaper, is always willing to publish Letters to the Editor in our pages. But with the approach of the Nov. 5 General Election, we are establishing some guidelines to keep things fair and balanced.

Letters to the Editor addressing new topics about the upcoming election or the policies of individual candidates will no longer be accepted.

Letters in response to new topics published in the Oct. 30 edition will be accepted until Friday, Nov. 1 and will be published in the Saturday, Nov. 2 edition.

These deadlines will give candidates and their supporters the opportunity to reply to letters sent the last week of October.

Please send your letters to News@ReadTheReporter.com.

Letters to the Editor do not represent the opinions of The Reporter or our staff.

Letter to the Editor

Fishers voter credits Moeller for quick action

Dear Editor,

Thank you in advance for the privilege of writing to the residents of Fishers on behalf of a good friend and valued member of the Fishers community, Eric Moeller.

Recently, MetroNet received approval to add services in our neighborhood, Sedona Woods. As a part of this process, they used a large device throughout the neighborhood to install wires. When they got to our street (and ultimately our home) they brought their large piece of equipment on our property. The end result? A large crack in our driveway.

The issues and discussions of repair with MetroNet had been consuming our time for over a month with no end in sight. I knew we had to do something different, but never could have imagined what would come next.

Eric Moeller saw my tweet to MetroNet Corporate, reached out to me, and took actions in less than 12 hours. The next day, we had two engineers/inspectors from the City of Fishers (shout out to Carl and Chris, you have been awesome!) at our door to be our liaisons with MetroNet, and in less than five days had a solution and plan in place.

The following week, the repairs were complete all because of the actions of Eric Moeller. He could have kept scrolling and not think twice about that tweet, but he didn’t. That is not the person he is. He is caring, compassionate and dedicated to anything that he is involved in.

Eric Moeller has my vote in the North Central District – he should have yours, too!

Sincerely,
Amanda L. Suter
Fishers

Letter to the Editor

Fishers voter thanks Moeller for taking the extra step

Dear Editor:

I am writing this letter in support of Fishers City Councilman Eric Moeller.

Eric lives in my neighborhood, and our kids attend the same schools. I first met Eric when I approached him three years ago to see if he would discuss local government with our Girl Scout Troop as part of a badge requirement.

He went a step further and invited us to meet with him personally for a question and answer session, then to a city council meeting for a presentation and acknowledgement from the mayor. It was an amazing experience for the girls, and from then on, I realized what a kind and genuine person he is, and that he truly cares about our community.

He is very involved in school events, and he is also working to expand opportunities for students in the area. He co-founded the Zimmerman/Moeller Fund to support projects for our local students and teachers. The fund supported a class project on solar energy that eventually lead to the placement of solar panels that are now powering three of our schools. He is also involved with the Guiding All Kids counseling initiative advisory board to help promote emotional wellness in our schools. I look forward to what more he has in store to help our youth if elected for another term.

Eric Moeller is exactly what I want in someone representing our city. He is generous and kind, and I now consider him a friend. Please join me in supporting Eric Moeller for City Council by voting for him on Nov. 5.

Tricia Grabinski

Trick or Treat hours unchanged in Fishers, for now

By LARRY LANNAN
LarryInFishers.com

Several cities in Central Indiana have moved their official Trick or Treat hours to the weekend due to a rainy and windy weather forecast for the evening of Oct. 31, but Fishers is not changing plans.

The official Trick or Treat hours for Fishers remain 6 to 8 p.m. on Halloween.

Fishers Police Spokesman Tom Weger says his department is aware of the less than ideal weather forecast, but adds that “conditions are not likely to be dangerous.”

But city officials will keep an eye on the forecast as Halloween draws closer.

“We will keep watch of the weather and be prepared to make adjustments in the event the weather forecast changes,” according to Weger.

Have fun, stay safe this Halloween

The REPORTER

The Noblesville Police Department reminds citizens that the official designated hours for Trick-or-Treat this year in the City of Noblesville will be from 5:30 to 8:30 p.m. on Thursday, Oct. 31.

NPD reminds citizens to observe a few safety tips that will help to make this an enjoyable evening for all:

Parents

- Make sure an adult or older responsible youth will be supervising the outing for younger children.
- Instruct your children to travel only in familiar areas and along an established route.
- Teach your children to stop only at houses or apartment buildings that are well-lit and never enter a stranger’s home.
- Tell your youngsters not to eat any treat until they return home.
- Establish a return time.
- Review all the appropriate trick-or-treat safety precautions, including pedestrian/traffic safety rules.
- Remind children to walk on sidewalks, not in the street. If no sidewalk is available, have children walk on the left side of the road, facing traffic.
- Remind children to walk, not run. Be careful crossing yards and lawns where unseen objects or uneven terrain can present tripping hazards.

Costumes and face design

- Only fire-retardant materials should be used for costumes.
- Costumes should not be so long that they are a tripping hazard. (Falls are the leading cause of unintentional injuries on Halloween.)
- If children are allowed out after dark, outfits should be made with light colored materials. Strips of reflective tape should be used to make children more visible.

- Avoid masks that may obstruct a child’s vision. Use facial paint instead.

Motorists

- Watch for children darting out from between parked cars.
- Watch for children walking on roadways, medians and curbs.
- Enter and exit driveways and alleys carefully.
- Travel at a reduced speed (10-15 mph below the posted speed limit) especially in residential areas where it is obvious that children will be walking.

Residents

- Leave your exterior lights on near your front door if you are participating in handing out candy. Parents/children will use this as a means to identify your willingness to participate.
- Secure any pets (outside and inside) that may become startled because of the costumes, noise, or overall increase in activities on that evening.
- Make sure that children have a clear path to and from your front door. Decorations or other Halloween displays can sometimes impede or present a tripping hazard for unsuspecting children.

Additional considerations

- Carrying flashlights will help children see and be seen more clearly.
- When in doubt about a specific treat that your child has brought home, simply throw it away. It is not worth the risk.
- Contact the Noblesville Police Department immediately if you suspect that your child’s candy/treat has been compromised in any way.

If you have any additional questions or concerns, please feel free to contact Lt. Bruce Barnes at the Noblesville Police Department at (317) 776-6340 ext. 1243.

Letter to the Editor

Shaffer uncovers plan to pay off Carmel’s debt

Dear Editor:

Not long ago, the financial wizards at Carmel City Hall paid \$455,000 for the second-floor office space for its redevelopment commission.

Now, the city councilors are mulling buying the second floor for \$1.5 million.

Does that mean that, in a few years, the redevelopment commission will buy it back for \$3 million? Then \$6 million a few years after that?

At that rate, the profits alone will surely pay off the city’s \$1.4 billion debt.

If you believe that, how are you on the Tooth Fairy?

Bill Shaffer

Tragic loss for two communities

Last Wednesday night when Perry and I got the call that our dear friend Tony Etchison had died in a farming accident, we were in total shock, just as many were when they heard the news. It is so hard to lose someone so quickly like that in a tragic accident. In a split second, how many lives were changed ... It is that helpless feeling

when you want to do something. Our family has been close to the Etchison and Stretch families for many years. We went to be with the family that evening, if nothing else to just be there to hold on to them and help whatever was needed. Tony is another one of our great community leaders to pass away, way too young. His loss has greatly affected two communities – Noblesville and Hamilton Heights.

COLUMNIST

KATHY WILLIAMS
Hamilton County Clerk

accomplishments. After college, Tony came back to work in the Noblesville community. We both belonged to the Noblesville Noon Kiwanis Club and we would get to have weekly lunches together and catch up on sports and politics. He would often send me an email about an issue at the statehouse. He was a great person to have as a sounding board when talking things through. I talked to him several times about how I thought he should run for the statehouse, if the time was right for him. He had an interest and I am sure some day down the road he might have done it. Such a loss ... his statesmanship would have made him a great elected leader.

Throughout the years I would see him and his wife Toby, the love of his life, at games or events. But it was about seven years ago when we would start seeing each other frequently somewhere at a basketball gym. Tony coached our grandson Sammy along with his son Tillman in basketball. Tony was so good to the kids. He was competitive and always wanted to win but teaching them the game was what was important to him. I will say I did see him be a little tense with a referee and a call from time to time, but never with the kids. He was always doing what was best for them. Tony set very high standards and expected as much from his players and those around him.

So many kids from Heights had the benefit of his skills and patience while trying to make them all a better person and ball player. Future players have lost a great role model and mentor, but I hope and pray there are others who will step up and carry on Tony's legacy. Perry and I started watching as many Heights games as we could so we could watch their middle son Gus. If you haven't seen him play, he is such a fun basketball player to watch. He has that same ability to hang up in the air around the basket that Tony had.

Their oldest son J.P. and I, like Tony, share an interest in politics and government. J.P. came to the statehouse to page and visit. I helped him with a couple things his senior year and want to always be there to help him in anyway, as he moves forward and decides what part of government works best for him. He is a very kind and considerate person, like his father, who wants to serve his community, and I look forward to watching him and helping where I can. We need leaders with compassion and heart like J.P.

I can't say it enough: Our two communities have loss a special person. I, like many, am heartbroken and still can't believe he is gone. My heart and prayers go out to his parents, Phil and Lavonne, his wife, Toby, and the boys, his siblings and their families, Eric, Tim and Roxanna, as well as his in-laws, Kathy and John Stretch.

The last thing I will leave you with is what Tony would always say to his sons and his players: "Love everyone, be kind, make a difference." This is clearly how Tony led his life. I wish we could all live our lives with this as our focus. Tony, my friend, I am going to miss you, but I know where you are and you will be watching over your family, and I want you to know Perry and I will be there also, to do anything we can for them and our two communities. Fly high, Tony!

When you didn't know Tony, he was a special person, a very humble and caring man. A true gentleman. A man of true character and integrity. He had a very cool and calm demeanor but at the same time a very passionate man. Passionate about his family, his coaching, his community and his friends. Tony was just simply a great guy.

I first got to know Tony when he played basketball for the Millers. He was so much fun to watch. He had a crazy hang time when going up for a basket that he looked like he was flying to the rim. He worked hard and made us all proud of his accomplishments.

The Grand Junction Plaza project is about to get underway in downtown Westfield. Westfield Mayor Andy Cook, Westfield city leaders, the Grand Junction Task Group and community members will participate in a groundbreaking ceremony at 10 a.m. on Thursday, Oct. 31 – rain or shine, wind or cold – at the future location of the plaza, 222 Mill St.

The \$35 million project, designed by architect David Rubin, is expected to be complete by the summer of 2021.

- ★ Indianapolis Business Journal's 40 Under 40 Award Recipient

Re-Elect **Mark Boice** For Noblesville City Council.

Paid for by The Committee to Elect Mark Boice

Family Allergy & Asthma opens its doors in Noblesville

The REPORTER

Family Allergy & Asthma, a leading allergy and asthma medical practice headquartered in Louisville, Ky., is opening a new location in Noblesville. The office, located at 13436 Tegler Drive, Suite 300, will open on Wednesday, Nov. 6. Board-certified allergist, Vivian Nanagas, MD, will see patients in this office.

“We are excited to continue our expansion in Indianapolis; doubling our offices this fall will allow us to build a solid foundation in the region,” said James Sublett, MD, co-founder and Chief Medical Officer of the practice. Family Allergy opened an office in Avon at the beginning of October. “As Northeast Indianapolis continues to grow, so will the need for convenient allergy and asthma care. We chose this location to help meet that demand.”

Office specifics

- This is Family Allergy’s fourth office in the Indy area, joining offices in Avon, Greenwood and Zionsville.
- The Noblesville office is open three days a week for allergy shots and appointments and is now accepting new patients.
- The addition of this office created four positions for the area, including Dr. Nanagas.
- Family Allergy offers allergy and asthma testing, immunotherapy, food allergy challenges and more.

Welcoming Vivian Nanagas, MD

Dr. Nanagas joined the practice in August and has

since begun seeing patients in the Family Allergy Greenwood office. She is board-certified in Pediatrics and Allergy/Immunology and sees patients of all ages. A graduate of the University of Notre Dame, she completed her medical school at Wright State University in Dayton, Ohio. Dr. Nanagas then completed her Pediatrics Residency at Loyola University, followed by her fellowship in Allergy/Immunology at Michigan Medicine in Ann Arbor, Mich.

In November, Leena Padhye, MD, will also join Family Allergy and Dr. Nanagas at the Noblesville office. Dr. Padhye is board-certified in Pediatrics and recently completed her fellowship in Allergy/Immunology at Rush University Medical Center in Chicago.

Until Dr. Padhye joins, Dr. Anita Sivam will also be seeing patients in this office. Dr. Sivam joined the practice in September and has since begun seeing patients in the Family Allergy offices. A graduate of Indiana University Purdue University at Indianapolis, she completed medical school at Touro College of Osteopathic New York, N.Y. Dr. Sivam then completed her Internal Medicine Res-

idency at Scripps Mercy Hospital, followed by her fellowship in Allergy/Immunology at the University of Tennessee in Memphis, Tenn. She is excited to return to Indianapolis to practice in her specialty.

About Family Allergy & Asthma

Founded in 1979 by Drs. James L. Sublett and Stephen J. Pollard, Family Allergy & Asthma is a leading allergy practice. The group of 31 board-certified allergists and 16 nurse practitioners now serve 43 offices in Indiana, Kentucky, Ohio and Tennessee. Family Allergy & Asthma’s mission is to help patients remove the limitations of their allergic and asthmatic conditions. For more information, visit FamilyAllergy.com.

Meeting Notice

Notice is hereby given that the Hamilton County Council will meet for a work session at 6:15 p.m. on Wednesday, Nov. 6, 2019, in Conference Room 1A of the Hamilton County Government and Judicial Center, 1 Hamilton County Square, Noblesville, for discussion of the Parking Garage in Noblesville.

SHAMROCK SELF STORAGE

presents

Holidays With Heroes

This holiday season, the Carmel Police Department, in partnership with Shamrock Self Storage and Meijer stores, will host our inaugural “Holidays with Heroes” community program.

Holidays can sometimes be stressful and for those families with financial challenges, the stress of not being able to provide gifts for their children can be overwhelming.

A Carmel Police officer will go shopping at Meijer with a child-in-need from our community. Our goal is to provide each child with a gift card to buy coats, clothes and toys. The kids and officers will begin their day with a hot breakfast before they go shopping. At the end of the day, each child will go home with wrapped gifts and a holiday stocking.

To be successful, we need your help!

Your donation will help us provide gift cards, breakfast items, wrapping paper, stocking stuffers and refreshments for a truly memorable day for each child.

Our event will be held Saturday, December 7, 2019! Checks can be written to the Carmel Police Department, with “Holidays with Heroes” in the memo. Please contact Ann Gallagher, Community Resource Specialist at 317-571-2720 or email at agallagher@carmel.in.gov with any questions.

TODAY'S BIBLE READING

Jesus cried and said, He that believeth on me, believeth not on me, but on him that sent me. And he that seeth me seeth him that sent me. I am come a light into the world, that whosoever believeth on me should not abide in darkness. And if any man hear my words, and believe not, I judge him not: for I came not to judge the world, but to save the world. He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day. For I have not spoken of myself; but the Father which sent me, he gave me a commandment, what I should say, and what I should speak. And I know that his commandment is life everlasting: whatsoever I speak therefore, even as the Father said unto me, so I speak.

John 12:44-50 (KJV)

Howard L. Hart

April 3, 1927 – October 28, 2019

Howard L. Hart, 92, Fishers, passed away on Monday, October 28, 2019 at Grand Brook Memory Care in Fishers. He was born on April 3, 1927 to John and Hazel (Hatch) Hart in Chicago, Ill.

Howard proudly served his country in the United States Navy, where he served in the South Pacific during World War II. He was an engineering associate at Fermilab in Batavia, Ill., where he was instrumental in converting the Chicago Cyclotron Magnet from conventional to superconducting. Howard had made his homes in Chicago; Santa Cruz, Calif.; Arlington Heights, Ill.; Rolling Meadows, Ill.; Hot Springs Village, Ark.; and New Berlin, Wis. He enjoyed going on vacation and loved his family dearly.

Howard is survived by his son, Paul (Sheryl) Hart; daughter, Penny Hart (Michael) Oczkowski; grandchildren, Jonathan (Jessica) Hart, Julie (Jared) Arford, Joann Hart and Jason Hart; great-grandchildren, Amelia, Elijah and Rosalie; as well as several step-children, step-grandchildren and step-great-grandchildren.

In addition to his parents, he was preceded in death by his adoptive parents, Ann and Paul Heidenreich; his wives, Elaine Smith Hart, Eloise Jones Hart and Janie Vinson Hart; and brother, Jack Hart.

Services will be held at 2 p.m. on Saturday, November 2, 2019 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, Fishers, with visitation starting at 1 p.m. prior to the service. Pastor Chris Neel will officiate.

Memorial contributions may be made to Teen Challenge of Arkansas, P.O. Box 8177, Hot Springs Village, AR 71910; or at teenchallenge.org.

Howard felt strongly about encouraging young men to reach their potential and enlisted their talents through the organization.

Anthony A. “Tony” Etchison

April 14, 1972 – October 23, 2019

Anthony A. “Tony” Etchison, 47, died in a farming accident Wednesday evening, October 23, 2019 on the family farm in Arcadia. He was well-known as a loving husband, father and brother, as well as an outstanding farmer, business professional, friend and athlete. Born April 14, 1972, to Phil and Lavonne (Morris) Etchison in Tipton, he married his high school sweetheart Toby Stretch in Noblesville on June 21, 1997. She survives.

Tony was a 1991 Noblesville High School graduate and basketball standout. A four-year letter winner in basketball, he was a member of the 1989, 1990 and 1991 sectional championship teams.

He was named All-Hamilton County four times and was the County Player of the Year two seasons. Upon graduation, he accepted a basketball scholarship to Mercer University in Macon, Ga., where he led the Trans American Conference in three-point shooting during his four-year playing career. Tony was the first basketball player in school history to earn Trans American All-Academic Team honors all four years he played. He graduated from Mercer’s Stetson School of Business & Economics in 1995 with a BA in Business Administration and Finance.

After completing his playing career at Mercer, he excitedly returned home to Indiana to farm for Etchison Farms. Although farming was a passion of Tony’s, he also used his Mercer education to build a successful 22-year career as an agent for Indiana Farm Bureau Insurance.

In 2009, Tony was selected as a member of the Hamilton County Basketball Hall of Fame. Noblesville High School inducted him into their Hall of Fame in 2016. In the same year the Indiana Basketball Hall of Fame honored Tony by selecting him to their 2016 Silver Anniversary Team. More recently he had been elected as a Director of the Indiana Basketball Hall of Fame in July 2019. One of the hobbies he enjoyed the most was coaching his sons and area youth in sports. He greatly impacted all the lives that he touched.

Tony’s greatest joy was being the husband of Toby and the father of their three sons: John Phillip “JP”, a freshman at Indiana University, Gus, a junior at Hamilton Heights High School, and Tillman, an eighth grader at Hamilton Heights Middle School. In addition to his children, survivors include his parents, Phil and Lavonne; sister, Roxanna (Cam) Perkins; and brothers, Tim (Stephanie) Etchison and Eric Etchison. He was blessed with many nieces, nephews, other relatives and friends. He was preceded in death by his grandparents, Vallie and Gertrude Etchison, and Clem and Ruth Morris.

Services will be held on Saturday, November 2 in the historic gymnasium at Hamilton Heights Middle School in Arcadia. Visitation will be from 10 a.m. to 2:30 p.m., with a memorial service at 3 p.m. Arrangements have been entrusted to Randall and Roberts Funeral Homes.

In lieu of flowers, a Tony Etchison Memorial Fund was set up and can be donated to at gofundme.com/f/tony-etchison-memorial-fund.

Also in his honor, the Tony Etchison Foundation will be launched soon to help Youth Assistance Programs in Hamilton County and throughout the United States.

Online condolences can be left on Tony’s memorial tribute at randallroberts.com.

Mariola Kulesza

June 7, 1960 – October 29, 2019

Mariola Kulesza, 59, Noblesville, passed away on Tuesday, October 29, 2019 at Community Hospital North in Indianapolis. She was born on June 7, 1960 to Jerzy and Boqumila (Olkowska) Szczecinski in Poland.

Mariola worked for Marsh for 18 years. She was an awesome cook and baker, and her family considered her a spitfire. Mariola was a vibrant person who loved life and loved her family. Her granddaughter was the apple of her eye.

Mariola had a courageous battle with cancer, but always carried a smile to share with others.

She is survived by her husband of 39 years, Roman Kulesza; mother, Boqumila Szczecinski; daughters, Patrycja Kulesza (Timothy Henriksen) and Joanna Ruth (Jonathan); brother, Andrew E. Szczecinski; sister, Anna; and her granddaughter, Ayda Ruth. Mariola was preceded in death by her father.

Services will be held at 1 p.m. on Saturday, November 2, 2019 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with visitation from 11 a.m. to the time of service. Rev. Michael Bower will officiate. Burial will follow at Crownland Cemetery in Noblesville.

Elda Whitenight

April 7, 1930 – October 28, 2019

Elda Whitenight, 89, Fishers, passed away on Monday, October 28, 2019 at Community Hospital North in Indianapolis. She was born on April 7, 1930 in Bloomsburg, Pa.

Elda was a 1948 graduate of Benton High School. She was a clerical worker for over 20 years and “mothered” many people throughout her career. Elda loved nature, going on walks and birdwatching. She was a very friendly lady and her friends were very important to her. Most of all, Elda loved her family.

She is survived by her daughter, Lacinda (John) Hobbs; and her grandson, Tyler Hobbs. Elda was preceded in death by her father, Fred Pealer; mother, Leah (Hartman) Hidlay; brother, Keith Pealer; and sister, Sceva Laubach.

Services will be held at 6 p.m. on Wednesday, November 6, 2019 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, Fishers, with visitation from 5 p.m. to the time of service.

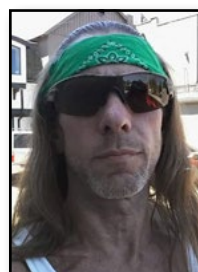

Memorial contributions may be made to Derr's Christian Church, 466 Derr's Road, Benton, PA 17814.

Christopher Willard Turner

August 18, 1970 – October 24, 2019

Christopher Willard Turner, 49, Noblesville, passed away on Thursday, October 24, 2019 at Riverview Health in Noblesville. He was born on August 18, 1970 to Willard and Barbara (Jones) Turner in Noblesville.

Christopher is survived by his sisters, Rhonda Barker, Julie Seymour and Melissa Fleenor.

In addition to his parents, he was preceded in death by his brother, Tim Turner; and sister, Mitzi Hoffman.

Per Christopher's request, there will be no visitation or services. Condolences: randallroberts.com

Noblesville students admitted free...

Noblesville girls basketball to honor Davis, Cox Cole at Nov. 9 home opener

The Noblesville girls basketball program will celebrate the legacies of Krissi Davis and Courtney Cox Cole at its home opener on Saturday, Nov. 9.

Noblesville will play Fort Wayne Snider that day, with the junior varsity game beginning at 5 p.m. and the varsity tipping off at approximately 6:30 p.m. Proceeds from both games will go to a scholarship fund.

All students at Noblesville Schools will be admitted free of charge and the program will host a tailgate party with grilled burgers and hot dogs for all high school student-athletes in the cafeteria from 3:30 to 4:45 p.m. Student-athletes attending the tailgate will be eligible to win a pair of tickets and a parking pass to the Dec. 1 Indianapolis Colts game against the Tennessee Titans. Student-athletes must RSVP with their coach by Nov. 6 to attend the tailgate party.

You can still purchase a custom Krissi/Courtney t-shirt at the [Noblesville Girls Basketball Club's website](http://NoblesvilleGirlsBasketballClub.com) or donate directly to the Courtney Cox Cole and Krissi Davis Scholarship. Community members interested in contributing can also make a donation directly to NSEF c/o the Courtney Cox Cole and Krissi Davis Scholarship. NSEF donations can be made online at noblesvilleschools.org or by mailing a check to 18025 River Road, Noblesville, IN 46062.

Please join the Millers as they honor the legacy of Courtney and Krissi.

NHS sectional football has 7:30 kickoff

Noblesville's sectional football game with Homestead will kick off at 7:30 p.m. on Friday.

The Millers host the Spartans at Beaver Materials Field in the semi-finals of Sectional 3. Pre-sale tickets are available for \$6 at the Noblesville High School athletic office.

SOCCER TICKETS ON SALE

Pre-sale tickets are also available for the girls soccer state championship this weekend. Noblesville will play Carmel in the Class 3A game at 4 p.m. Saturday at Fishers High School. Tickets are on sale until noon Friday.

Boys & Girls Club of Noblesville gearing up for 40th annual Youth Basketball League

The Boys & Girls Club of Noblesville's youth basketball league, for boys and girls in grades K-8, is right around the corner. Practices will begin the week of Dec. 2, with games beginning the week of Jan. 6. Registration is now open and will last until Nov. 15, with player evaluations being held the same day at the Community Center for Grades 3-8.

New this year, a special registration day will take place from 9:30 a.m. to 12:30 p.m. on Saturday, Nov. 2 at the Community Center. An open gym session will be offered to all prospective youth league players interested in registering. Gift cards, with values as much as \$100, will also be raffled off throughout the event to those signing up.

The league will consist of an eight-game regular season, plus playoffs, with the season culminating at our annual Basketball Spectacular on March 14 at Noblesville High School. All championship games for each age group with play on this day, along with an awards ceremony including all age groups. Each participant will receive a reversible jersey and a pair of shorts at the beginning of the season, sponsored by Buffalo Wild Wings' ALL-STARS initiative.

"Every year, hundreds of kids grow throughout the season with hopes to make it to the championship game at our Basketball Spectacular," said Tony Eslamirad, BGCN Sports Director. "The memories that are made and the life lessons that are learned are still talked about today among those who played decades ago."

Photo provided

The Boys & Girls Club of Noblesville will begin its 40th annual Youth Basketball League in a few weeks. Practices begin the week of Dec. 2, with game starting the week of Jan. 6.

The registration fee per individual is \$60 plus a current Club membership (memberships are \$55 per school year). All proceeds benefit the Boys & Girls Club of Noblesville. Registration forms and coaches applications can be found online at www.bgcni.org or at 1700 Conner St. For sponsorship opportunities, contact the Boys & Girls Club of Noblesville at (317) 773-4372 or send an email to teslamirad@bgcni.org.
