HSE talks about changing start times, bus schedules, but no closer to a decision

By LARRY LANNAN
[LarryInFishers.com](#)

The Hamilton Southeastern (HSE) school board discussed school start times, bus schedules and related issues for more than 90 minutes at an early morning work session Monday, but the board is no closer to a consensus or staff recommendation on where to go from here. The longer these decisions are delayed, the more likely it will be that the current schedules may continue into next school year.

Superintendent Allen Bourff told board

members he has been involved in internal discussions about the start time changes and bus system redesign since he assumed the HSE position in 2015. Bourff also said the complexity of the various options has led to difficulty in communicating with the public on all the options.

Bourff cited several reasons why schedule changes are being considered by the school district.

First, there is scientific sleep research data that suggests the school district should make some changes in the daily class schedules.

Second, Bourff says schedule changes can lead to better support of teacher professional development.

Third, there is a constant shortage of school bus drivers in the HSE school dis-

trict, so redesigning the bus schedule can ease that shortage by “economizing” the routes.

Finally, a redesigned bus routing system could also create more flexibility for all transportation routes, such as shuttle service between school buildings.

Surveys indicate about 60 percent of the respondents do not favor a three-tier bus scheduling system as proposed, while about 40 percent favor such a change. Bourff says many in the community have questioned the reliability of those survey results.

The board is grappling with two concepts – “flipping” start times with elementary students reporting for class earlier with those at the secondary level starting classes later, and going to a three-tier bus

scheduling system. Both can have an impact on the start and end time of classes each day.

The board held a robust discussion, looking at all proposals from a number of different angles. After the session ended, Bourff emphasized that the agenda item on Wednesday night’s regular board meeting will remain a discussion item with no action expected.

Scott Spillman of Mudsock Sports told board members moving the secondary class day later could have an impact on the availability of gymnasiums for his group’s indoor programs and could complicate the schedules of volunteer coaches.

School administrators will put together a recommendation for the board, but it will not likely happen soon.

Indiana House approves additional court magistrate for Hamilton County

State Rep. Donna Schaibley’s bill allows Hamilton County to hire an additional court magistrate to help ease caseloads of the quickly-growing county.

The REPORTER

The Indiana House of Representatives on Tuesday approved allowing Hamilton County to hire an additional magistrate.

State Rep. Donna Schaibley (R-Carmel) said the new magistrate would preside over minor offenses and hold preliminary hearings for more serious crimes. Schaibley said Hamilton County is one of the fastest-growing counties in the state, which makes it more difficult for staff to keep up with the workload.

“Our judicial officers are in serious need of an extra set of hands to help speed up the trial process,” Schaibley said. “It is encouraging to see the swift action in the General Assembly to help provide Hamilton County with this much-needed resource.”

The most up to date data from the Weighted Caseload Measure shows Hamilton County has just one judicial officer for about 29,500 people. Schaibley said Hamilton County superior and circuit court judges, commissioners, council and prosecuting attorney support adding this position.

House Bill 1145 now heads to the Senate for further consideration. To learn more, visit [iga.in.gov](#).

The interest is in 3 County Council seats

Less than two weeks remain during which candidates may file for the May 5 primary election. Thus far few contests have developed for the county offices at stake in this year’s election.

The major exception is the competition for three at-large seats on the Hamilton County Council. Thus far seven candidates have formally filed and another one or more are expected.

Why so much interest in the council? At least part of the reason is the factional split on some issues between the seven incumbent councilors.

servatives, but some are more conservative than others. This splint probably leads to the number of candidates interested in the three seats.

Those filed thus far are: Brad Beaver, Lyneen Burrow, Jeff Hern, Sue Maki, Rick McKinney, Steve Nation, and former Noblesville mayor John Ditslear, who filed his candidacy on Tuesday. There are indications that others may join the field.

In the meantime, no contests have developed for county commissioner where Mark Heirbrandt and Steve Dillinger are running for re-election.

Similarly, County Audi-

tor Robin Mills is thus far unopposed.

Former County Treasurer Kim Good now has an opponent for the Treasurer’s position. Susan Byer filed her candidacy on Tuesday.

Incumbent Surveyor Kent Ward is alone running for another term.

No Democrats have yet filed for any county office.

Dozens of candidates for precinct committeeman and state convention delegate have filed in both political party primaries.

The parties will hold reorganizational meetings this year, and both parties have state conventions with the GOP gathering shaping up to be the most interesting. Attorney General Curtis Hill will be opposed by Adam Krupp and John Westercamp.

Nickel Plate Arts offering couples, families creative ways to celebrate Valentine’s Day

The REPORTER

Nickel Plate Arts, in conjunction with partners throughout Downtown Noblesville, are offering unique and artistic opportunities for both families and couples to celebrate the Valentine’s season.

For couples looking for a creative Valentine’s date, Nickel Plate Arts will provide Valentine’s Date Nights on two different evenings in February. From 6 to 9 p.m. on Feb. 13 and 14, couples can participate in a variety of romantically-themed art stations at Nickel Plate Arts. Couples can choose to participate in one or all six stations.

The event will also feature live music and

offer wine and beer from local breweries and wineries. Valentine’s Date Nights will extend to other spots in Downtown Noblesville, including Primeval Brewing, where Tenth Street Photography will set up a Valentine’s photo booth. In addition, Kiln Creations will offer Valentine’s-themed painting projects.

Nickel Plate Arts executive director Aili McGill is a firm believer that Valentine’s Date Nights help add excitement into any relationship.

“Our Date Night stations allow couples to go beyond dinner-and-a-movie and actually interact in ways that can help them explore new dimen-

sions of each other,” said McGill. “We have overheard couples who have been married for decades turn to each other as they work on one of our art projects and exclaim, ‘I never knew that about you!’”

Families will have plenty of chances to join in on the Valentine’s fun. On Saturday, Feb. 8 and 15, families can participate in Cupid’s Art Crawls, with imaginative drop-in art activities taking place at Nickel Plate Arts, Caravan Classes, Kiln Creations, Hamilton County Artists’ Association and Noble-Made.

The City of Fishers has accepted a bid from Harding Group to repave city streets during 2020 following a Monday vote by the Fishers Board of Public Works and Safety.

The \$2.66 million funding will mostly come from the Wheel Tax, although

Mayor Scott Fadness emphasized that two parking lot paving projects in the area in commercial areas near City Hall will not be funded by Wheel Tax money.

The bid includes some sidewalk and curb work in the neighborhoods. Subdivisions that will see this work include Auburn Springs, Pleasant View/

Sweet Briar, Sandstone, Spyglass Falls and Spyglass Hill. [Click here](#) for more details on the work.

The board also approved purchasing 15 new police patrol vehicles, all Ford Explorer hybrids, for a total of \$538,155. This only covers buying the vehicles, not the cost of outfitting each one with equipment for police use.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

Spartz’s bill aims to ease tile drainage permit requirements

The REPORTER

A bill authored by State Sen. Victoria Spartz (R-Noblesville), which would clarify existing statutes waiving the **Indiana Department of Environmental Management (IDEM)** permit requirements for local surveyors to deal with drainage issues in a prompt and efficient manner, passed the Senate last week.

Many drainage tiles were installed over 100 years ago and the issue of tile breakage is becoming more and more prevalent. **Senate Bill 229** clarifies standing law and practices of the local jurisdiction for surveyors to fix issues within regulating drains. Any delays and power struggles between agencies create unnecessary costs, redundancy, inefficiencies and ultimately burdens to the taxpayers.

“There are still plenty of state and federal regulations on the books dealing with wetlands, but even the federal government under the Clean Water Act exempts maintenance of drainage ditches from permitting,” said Spartz. “The misapplication of the statutes by the IDEM is costing thousands of dollars to local communi-

ties, like Hamilton County, which is an unnecessary and burdensome power grab by the state agency. This bill benefits not just local government, landowners and farmers, but all taxpayers, since all bureaucracy costs are ultimately passed on to all taxpayers.”

If passed and signed into law, SB 229 would clarify that a permit is not required by a county surveyor from IDEM for the reconstruction or maintenance of regulated drains.

SB 229 will now move to the House of Representatives.

Kevin Bishop

August 31, 1952 – January 19, 2020

Kevin Bishop, 67, Sheridan, passed away on Sunday afternoon, January 19, 2020 at Methodist Hospital in Indianapolis.

Kevin grew up and lived most of his life in Sheridan where his big personality and larger-than-life sense of humor will live on through countless stories from his friends and family. He graduated from Sheridan High School in 1970 and worked at the two Bishop family-owned businesses in town. He was a flooring installer for Bishop Home Supply and was the meat manager at Sheridan Food Market. It was the latter position that earned him one of his many nicknames, “Meat Man.” He later went on to work in sales for World Carpets for many years, traveling throughout the state, each time bringing home a cassette single of whatever his daughter’s favorite song at that time happened to be.

His major organizational affiliation was the famous Rat Fink Club established in a club house on 1st Street where he and his buddies, Dana, Dudley and Nick, hung out from age six to early teens, sneaking cigarettes and making the most of their childhood friendship. He loved telling stories of these times, as well as his stint as a racehorse owner and playing in a band with his friends. He continued to play guitar, even until recently in his condo in the Spicewood retirement community. Hopefully his neighbors enjoyed rock and roll!

He said many times the best years of his life were spent raising his children. He enjoyed coaching them and their friends in basketball, baseball and softball. Later in life he cheered on from the sidelines of his grandchildren’s games, always positive and often keeping his own children in check! He was the grandpa who got down on the floor and played for hours with them – whether it be with dolls or dinosaurs. He was also grandpa to his beloved grandpet, Sofie, a five-pound poodle who was eager and overjoyed to spend the occasional week at the “Pappy Spa.”

He is survived by the loves of his life, his three children, Ryan Elliot (Valerie) Bishop, Noblesville, Brock Austin (Kelly) Bishop, Noblesville, and Megan Alane (Clay) Lingerfeldt, Whitestown; his 11 grandchildren, Marisa Bishop, Logan (Bishop) Osborne, Sydney Bishop, Isabelle Bishop, Noah Robinson, Elijah Hood, Paul Henry Bishop, Alec Turner, Holland Coyle, Calvin Lingerfeldt and Cade Lingerfeldt; and by his two great-grandchildren, Landon Singleton and Karter Bishop. He also leaves behind his brother, Craig (Dorothy) Bishop; and sister, Judy Kercheval, as well as many nieces and nephews.

He was preceded in death by his beloved parents, Ovid Henry Bishop and Lona Ann (Brown) Bishop; and his sister- and brother-in-law, whom he also loved and often spoke of, Jayne Ann (Bishop) Bless and Ed Bless.

Kevin did not know a stranger, and he could easily talk to anyone for hours, with stories of his childhood or even last week. He genuinely enjoyed connecting with people and making them laugh.

More stories starring Kevin (or “Beastie”) will be told at his Celebration of Life, which will be held at 6 p.m. on Friday, January 31, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation from 3 p.m. until the time of service.

James Howard Mitchell

May 1, 1950 – January 23, 2020

James Howard Mitchell, 69, passed away on Thursday, January 23, 2020, at Copper Trace in Westfield. James, a.k.a. “Bob,” was born on May 1, 1950, in Noblesville.

Bob was a 1968 graduate of Sheridan High School. He then went off to Purdue University for a short stint before he found himself following his dream of moving to Denver, Colo. Denver is where he spent the next 13 years as a member of the Dawson band. In 1986 he moved back to 512 E. 1st St. in Sheridan, where he spent the rest of his healthy years living and caring for his beloved mother. Bob worked for L & K Noe Excavating for 16 years before semi-retiring and taking on Cool Lake Golf Course. Cool Lake brought him so much joy, up until the end of his working career.

Bob was, without a doubt, driven by the sunshine in the sky. He loved to spend time outside soaking up the rays, fishing, reading a book, cruising in the jeep, and playing as MUCH golf as possible. He loved his golfing family and spent many hours just hanging with the guys. His favorite line to all of them at the course was, “Let’s go Laser and 8 Iron.”

Bob was quirky and famous for his one-liners. He had nicknames for everyone and about 10 nicknames of his own that everyone around town had for him. To a stranger meeting him, it became somewhat confusing, never truly understanding what his real name was. It also brought about a lot of laughter, which is what Bob was truly about. There was never a serious moment when he was around. Bob was a lot like a magnet. When people saw Bob, they were drawn to him for his light-hearted sense of humor.

Bob was a fan favorite to everyone. He spent many of his evenings supporting all the little league teams and Sheridan Blackhawk sports. He not only loved sports, but he loved getting to know the kids and their families. One of Bob’s new favorite pastimes became FaceTiming with his brother, Johnny, in North Carolina. He was always hoping to catch him mid-stroke on the golf course.

Bob had a very special place in his heart for Jessica and Jamie Wallace and Cort and Maddi Christy. Although Bob was never married nor had a family of his own, he was always considered family to these four.

Bob is survived by his brother, John (Marie) Mitchell; niece, Allison Mitchell; Nick, Lori, Cort, Ciera and Maddi Christy; and Mila Jane, Jessica and Jamie Wallace. He was preceded in death by his parents, John and Mary Ellen Mitchell.

Services for James Mitchell were held on Tuesday, January 28, 2020 at Sheridan United Methodist Church, 207 E. 2nd St., Sheridan, where family and friends gathered prior to the time of services. The Rev. Jody Brown officiated.

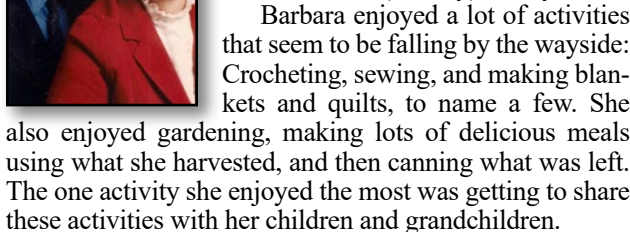

Everyone is invited to share a memory or leave a condolence at **fisherfunerals.com**

In Lieu of flowers, memorial contributions can be made to Sheridan High School Athletic Dept. at 24185 N. Hinesley Road, Sheridan, IN 46069.

Barbara Ethel (Bailey) Hutchens

June 18, 1932 – January 22, 2020

Barbara E. Hutchens, 87, Spencer, Ind., formerly of Sheridan, passed away on Wednesday morning, January 22, 2020 at River-view Health in Noblesville. Born June 18, 1932 in Boxley, Ind., she was the daughter of the late Arnold Johnson and Artie Mae (Christy) Bailey.

Barbara enjoyed a lot of activities that seem to be falling by the wayside: Crocheting, sewing, and making blankets and quilts, to name a few. She also enjoyed gardening, making lots of delicious meals using what she harvested, and then canning what was left. The one activity she enjoyed the most was getting to share these activities with her children and grandchildren.

Barbara lived for her family. In addition to her four children, she raised two of her grandchildren, Janet and Jewel, from a young age, as if they were her own. In addition, she had five more grandchildren and played an equally important role in their lives. She loved being a grandmother, but when the first great-grandchild was born, not to mention the great-great-grandchildren, her excitement reached a whole new level. She was so proud of the fact that she had 16 great-grandchildren, 10 great-great-grandchildren, and one that is still just a bun in the oven, and never missed an opportunity to tell you about them.

Barbara is survived by her two daughters, Sue Nichols (Darrell), Fillmore, Ind., and Donna Jo Pickett (Steve), Spencer, Ind.; seven grandchildren, Janet Lynn Snow (Mark), Jewel Anne Grimes (James), Charity Ann Rhea, Susan Rae Bayless, Charles Robert Roach, Micah Alan Pickett and Daniel Joel Pickett; 16 great-grandchildren; 10 great-great-grandchildren, with one on the way; and by her three remaining sisters, Lavina Cummings (sibling #12) of Arizona, Mildred Price (sibling #14) of Arizona, and Elizabeth Sample (sibling #15) of Sheridan.

She was preceded in death by her parents; son, John R. Hutchens; daughter, Pamela Hutchens-Wallace; six brothers, Lloyd, Jerrold, Floyd, Guy, Joe and Ferrell Bailey; five sisters, Rena Wallace, Wilma Bangle, Hollis Weaver, Rosamond Richards and Mary Huffer; and by the love of her life, her husband Robert M. Hutchens, on February 24, 1997. She and Robert were married on July 18, 1948.

Services were held on Tuesday, January 28, 2020 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation prior to the time of service. Burial followed at Crown View Cemetery in Sheridan. Elder Paul Fruth officiated.

TODAY'S BIBLE READING

For he was numbered with us, and had obtained part of this ministry. Now this man purchased a field with the reward of iniquity; and falling headlong, he burst asunder in the midst, and all his bowels gushed out. And it was known unto all the dwellers at Jerusalem; insomuch as that field is called in their proper tongue, Aceldama, that is to say, The field of blood.

Richard "Dick" Overholser
June 9, 1927 – January 26, 2020

On Sunday, January 26, 2020, Richard "Dick" Overholser, loving husband and father of three, passed away at the age of 92.

Dick was born in Red Oak, Iowa, on June 9, 1927 to Alice (Sprague) and Ralph Overholser. He graduated from Red Oak High School where he ably competed in football, basketball, golf and track. Dick honorably served for 14 months in the U.S. Navy. He was dubbed "Squanchy" by his fellow sailors. When the war ended, Dick was on the USS Mormac Dove in route from the Philippines to the USA. Dick graduated from the University of Iowa in 1950. He married Joan Fraseur on September 5, 1949. They raised two sons, Richard and Robert, and one daughter, Sara (Tharp).

At the age of 8, Dick and his sister Joan created the "world famous" Club of Good Cheer with Joan as President and Dick as Vice-President. (Dick lost a very close run-off vote for President in 1935. We think his sister stuffed the ballot box). They were good buddies and only they knew the workings of the Club of Good Cheer.

Dick and Joan, his wife of 70 years, raised their family in Charles City, Iowa, and South Bend, Ind. Dick was very active within the Charles City community and served as President of the Iowa Area Council of Management Clubs, Chairman of the Floyd County Draft Board, member of the Charles City School Board, President of the Oliver Management Club, Worshipful Master of the Masonic Lodge, Chairman of the Floyd County University of Iowa Alumni Club and President of the Charles City Country Club.

Dick spent most of his work life as a purchasing manager for Oliver/White Farm Equipment, Cabot Corporation and PT Components. He worked diligently and developed lasting relationships with suppliers and fellow employees.

Dick loved sports and the competition that sports provide. He was an avid golfer, bowler and tennis player. He grew up playing table tennis round robins with his family and neighborhood friends. This competition served him well as he won the University of Iowa table tennis singles title from 1948 to 1950. In addition, he was an ardent Hawkeye fan and followed his team through the good and bad times.

Dick was preceded in death by his father, Ralph; his mother, Alice; and one great-grandchild, Joey Tharp.

Dick is survived by his wife, Joan; his sister, Joan Houghton; his sons, Richard and Robert (Laura); his daughter, Sara (Bart) Tharp; along with nine grandchildren; 13 great-grandchildren; and many nieces and nephews.

Family and friends are invited to visitation from 5 to 7 p.m. on Thursday, January 30 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville. Funeral services will be at 11 a.m. on Friday, January 31, at Noblesville First United Methodist Church, 2051 Monument St., Noblesville. Visitation will begin at the church one hour prior to funeral services. Interment will follow at Crownland Cemetery in Noblesville.

Girls basketball

Royals beat Pike to finish regular season

By RICHIE HALL

FISHERS - Hamilton Southeastern got a wake-up call during the first half of its Senior Night game during Pike.

The Red Devils were tied with the Class 4A No. 5 Royals at halftime, but Southeastern woke up in a big way in the second half. HSE outscored Pike 23-2 in the third quarter and rolled to a 61-36 victory in the Royals' final game of the regular season.

The Red Devils led 7-4 at one point during the first period before Southeastern went on an 8-0 run. Junior Lydia Self started things with a pair of free throws, then senior Sydney Parrish and sophomore Makayla Hinshaw both hit 3-pointers.

A layin from Jaelynne Murray cut HSE's lead to 12-9, which is where the first quarter ended. Lauren Horton tied the game with a 3-pointer to start the second, but two seniors teamed up to get the Royals back on top: Bailee Poore scored off a Lauren Morris steal.

The game went back and forth for a while until Southeastern made another 8-0 run to take a 25-18 lead. Parrish scored five points, sandwiched between a Morris 3. But Pike came back again, and used its own 7-0 run to tie the game by halftime, 25-25.

"We were stagnant on defense in the first half," said Royals coach Chris Huppenthal. "We tried to trap and their splitting our traps, getting to the basket easy. When we go up 25-18, they score three possessions in a row. Offensively, we weren't moving the basketball. We had some opportunities to get the basketball inside and people weren't able to make the pass inside."

The Red Devils scored the first basket of the second half, but after that it was all Southeastern. The Royals went on a 23-0 run that ate up almost the entire third quarter and gave them a 48-27 lead.

Parrish, freshman Olivia Brown and Morris each hit a triple for the first nine points of the run. Parrish totaled 11 points in the third quarter. Senior Bri Baker helped the Royals continue to cruise in the fourth period, hitting a pair of 3s in the early minutes of the quarter.

"Olivia Brown comes off the bench and does a wonderful job for us," said Huppenthal. "Bri Baker hit a couple 3s. The difference was that we just woke up. We're not at a time of the year where you can sleepwalk through any part of the game. It's Game 22 and we just got to do a better job preparing ourselves when we walk out of the locker room."

Two seniors, appropriately, led HSE in scoring. Parrish finished with 24 points, including three 3-pointers, and reached double-double status with 10 rebounds. She also had six assists. Parrish now sits at 1,862 career points, needing seven more to match the Hamilton County girls scoring record. Morris added 10 points.

"It's not easy being a high school athlete, going through four years of summer workouts and weight training and the season," said Huppenthal. "It really, for all intents and purposes now has become a year-round commitment. You look at these five seniors have made that commitment. As a coach you really appreciate that about them, what they've done for the program. These kids are part of the legacy last year of winning a state championship, a big part of that, and that's go-

Hamilton Southeastern's Lauren Morris scored 10 points, including two 3-pointers for the Royals during their 61-36 win over Pike on Tuesday.

ing to be something that they're going to be able to carry with them for the rest of their lives."

Southeastern finished the regular season 20-2 and plays Carmel in the first round of the Westfield sectional next Tuesday. The Royals beat the Greyhounds 52-36 back on Nov. 29, but 4A No. 9 Carmel has been on tear as of late, winning 11 of its last 12 games.

"We know they can be dangerous," said Huppenthal. "We know they can shoot the ball. We know their length. It's just something that we've got to get ourselves ready for and again, we've got to be ready when we walk out of the locker room to play the game."
