# HSE food pantry in high demand while students continue to face food insecurity during pandemic

By ALEAH HORDGES  
WISH-TV | [wishtv.com](http://wishtv.com)

More students from Hamilton Southeastern High School are using its food pantry as the pandemic continues.

It's currently a small storage closet called Rory's Closet, named after HSE's mascot.

Front office manager Della Johnson told News 8 she's hopes to relocate the food pantry to a larger space within the school and still asks for donations.

Johnson said Rory's Closet was created after a student asked her for food about seven years ago. She said it took her about a week to help the student and later mustered the courage to notify the school principal. The principal soon after allowed there to be a non-perishable food pantry.

Rory's Closet also has school supplies and toiletries. Johnson said it's often used during breakfast hours and that Pop-Tarts are what students often ask for. She said that macaroni and cheese microwavable cups are also in high demand.

The front office manager mentioned that families have also stopped in as part of their grocery shopping and the pantry has helped students who've lost their home to

a fire.

Between five and six students use the food pantry daily while school is operating at 50 percent capacity, but Johnson expects more students when everyone returns.

"It amazed me because of the perception of Fishers, Indiana and that everybody is well off, but I'm a witness to tell you

that, no, the need does not have a color or has a class," Johnson said. "The need is real."

There's also a second pantry on the other side of Hamilton Southeastern High School for clothes, shoes and household items. Johnson really hopes to combine both pantries in the near future.

# Sheriff's Deputies diffuse tense situation with an armed individual under stress

The REPORTER

In January, Deputy Eddie Hansen and Sergeant Kevin Crask were dispatched to check the welfare of a Hamilton County citizen. Upon arrival, Deputy Hansen contacted the distressed individual, who was also armed with a rifle and struggling with suicidal ideation.

Deputy Hansen gave successful verbal instructions to deescalate the situation. Dep. Hansen negotiated for several minutes to gain compliance and eliminate the use of a weapon.

Subsequently, the incident ended peacefully because of the courageous actions of

Dep. Hansen and Sgt. Crask. Despite the tense and uncertain nature of this call, no injuries occurred.

"Dep. Hansen displayed some of the most amazing communication skills and compassion I have seen in this profession," Sgt. Crask said. "Dep. Hansen routinely goes above and beyond to help people, and this was yet another display of his dedication to Hamilton County and its residents."

Hansen

Crask

Sheriff Dennis Quakenbush said, "I could not be more proud to work alongside Dep. Hansen and Sgt. Crask every day."

Quakenbush attributes this positive outcome directly to the bold personal attributes of his employees, but also to the extensive mental health training and Crisis Intervention Training that has become mandatory for all Hamilton County Sheriff's Office employees.

# New data show COVID cases down in Fishers, but city remains at Level 4

By LARRY LANNAN  
[LarryInFishers.com](http://LarryInFishers.com)

There is good and not-so-good news in the latest data released by the Fishers Health Department.

The good news is that COVID cases are down in the latest numbers. However, even with that, Fishers remains in the red, Level 4, or highest category of transmission. [Click here](#) for a more detailed video discussion from Fishers Health Department Director Monica Heltz posted on YouTube on Feb. 9.

The Fishers Health Department has vaccinated 3,232 individuals. This week, the department is vaccinating people for their second dose. In Hamilton County, 12

percent of the population has received their first dose and 5.5 percent have completed their vaccine.

Individuals ages 65 years and older are eligible to receive the COVID-19 vaccine, regardless of underlying medical conditions. Vaccination clinic hours are by appointment only and can be made [here](#) for eligible individuals only. You are able to schedule your vaccination appointment at the Mass Vaccination Site or at any vaccination site in Indiana. New appointments continue to open up, so check back frequently.

If you need assistance with scheduling, please call the Fishers COVID Hotline at (317) 595-3211 or call 2-1-1. Family members may schedule on behalf of eligible

individuals. There is no charge for the vaccine. All persons receiving the vaccine will need valid ID or other proof of meeting eligibility criteria.

Beginning on Monday, Feb. 15, the Technology Drive testing site in Fishers will close for testing due to decreased demand. School-based exposures (resident and nonresident) can be tested at the drive-thru Fishers Health Department Testing Site at the City Services Building located at 3 Municipal Drive.

All Hoosiers can [schedule an appointment](#) for testing on the Fishers Health Department website. If you need assistance scheduling, please call the Fishers COVID Hotline at (317) 595-3211.

# Carmel Senior Living wins national award

The REPORTER

Carmel Senior Living is proud to announce that it has been selected as one of 2021's Best of Senior Living Award Winners through SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America and Canada.

SeniorAdvisor.com is in its seventh year of hosting the Best of Senior Living Awards. SeniorAdvisor.com's Best of Senior Living 2021 Award winners represent the best of the best of in-home care, assisted living, and other senior living providers, based on the online reviews written by seniors and their families.

The annual SeniorAdvisor.com Best of Senior Living Awards tabulates fam-

ily-created reviews to find the highest quality care providers for this honor. Carmel Senior Living regularly receives exceptionally positive reviews like this one:

"As a healthcare professional, I work closely with other communities. Carmel Senior Living has always exceeded my expectations. They are always very professional, prompt and helpful. We have referred many residents to their community because we know they will be well taken care of," said Gina M.

Chase Harmacinski, the executive director at Carmel Senior Living, said, "We

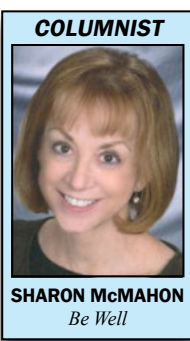

Harmacinski

are truly honored to be a four-time recipient of this prestigious award from SeniorAdvisor.com. Being named 'Best of Senior Living' anytime, but particularly in the middle of a pandemic, is a humbling reflection of our incredible residents and devoted team members at Carmel Senior Living. Side by side and six feet apart, we are stronger and better because we are together."

Less than 3 percent of providers nationwide receive this prestigious designation. Additional details and a complete list of award winners can be found on [SeniorAdvisor.com](http://SeniorAdvisor.com).

# Strive for the 'gold standard' in heart health

"I want to live, I want to give. I've been a miner for a heart of gold." – Neil Young, 1972

COLUMNIST

SHARON McMAHON  
Be Well

Most of you are very aware that February is "National Heart Health Month" as well as the "Go Red for Women" month. Fortunately, there is much information available now about heart health, particularly as it relates to women. Few people are not surprised, thankfully, that heart disease is the *number one killer* of both men and women, surpassing all types of cancer and other diseases. In 2016, nearly 841,000 people in the U.S. succumbed to heart disease, with coronary heart disease being the most prevalent. Direct and indirect costs of heart disease total more than \$358.1 billion. That includes health expenditures and lost productivity.!

While heart disease statistics have been available and research conducted for many years regarding heart disease and men, both research and information gathering for women's heart issues are relatively recent. While only one in five American women believe that heart disease is her greatest health threat, heart disease causes one in three women's deaths each year, killing approximately one woman every minute. Ninety percent of women have one or more risk factors for developing heart disease. The symptoms of heart disease can be different in women and men, and are often misunderstood.

Thankfully, the information noted above, and much more, is readily available. I encourage everyone to talk frankly with their health provider about their risk factors, review their dietary habits, and make this a priority. My own viewpoint on the subject also incorporates getting adequate sleep, removing stress, getting up from sofas and chairs, and making the necessary life changes which can alter those statistics. Yes, these suggestions have been particularly challenging during the pandemic, but we can focus on doing what we can while we can to not only avoid the coronavirus but to acknowledge and try to improve other aspects of our health.

# Indiana measure would repeal law requiring licenses to carry handguns

By DAVID WILLIAMS  
WISH-TV | [wishtv.com](http://wishtv.com)

A controversial bill under consideration at the Statehouse would repeal the law that requires Hoosiers to obtain licenses to carry handguns.

Supporters say the legislation, House Bill 1369, is getting a hearing is a huge step in the right direction to restore Second Amendment rights; the opposition sees the measure as dangerous.

"We have a real issue with guns in Indiana for sure. We are the 19th state for deaths by gun," Patricia Rettig, a volunteer with the Indiana chapter of Moms Demand Action, told News 8 on Wednesday.

Moms Demand Action is making its voices heard.

"We want to increase public safety. We respect the Second Amendment," Rettig said. "We aren't trying to take guns away from people. We simply want to keep guns out of the wrong hands."

On Wednesday, state lawmakers heard testimony on the House bill, which specifies that people would not be required to get or have a license or permit from the state if they are not

Synergize helps Girl Scouts impact Indiana’s future

GOLD STANDARD

from Page 1

By DENISE MOE  
For the Reporter

Synergize’s monthly 4:30 Meetups are known for impacting a new nonprofit each month. For February, the group has partnered with Girl Scouts of Central Indiana. Synergize will contribute the funds they raise to Girl Scouts’ financial assistance and upcoming programs.

Girl Scouts has been impacting girls and young women nationwide for over 100 years. The Central Indiana region alone serves over 19,000 girls each year. “Our goal is always to serve more of the population,” said CEO Danielle Shockey. “There’s something in Girl Scouts for every girl.”

Despite school closures and gathering restrictions, Girl Scouts has continued to commit to that goal. By April of 2020, they were running virtual programs on a web platform called Girl Scouts at Home. The platform helped Girl Scouts earn badges and patches

safely during the pandemic. It also brought them into online dialogue surrounding current events, like vaccine development.

“Because geography wasn’t a boundary, Girl Scouts in Indiana for example could sign up to learn how to hula dance from Girl Scouts in Hawaii,” explained Shockey, a former Girl Scout herself. “There were some real bright spots in that pivot.”

Currently, Girl Scouts of Central Indiana is navigating a socially-distanced cookie season. They’re offering cookie delivery through a Grubhub partnership that will run through the middle of March, with no fees until mid-February. By developing their own landing pages for cookie sales, individual Girl Scouts also get to work within digital platforms.

Although Girl Scouts’ programming looks different this year, volunteers can help in largely the same ways. The organization still needs financial assistance

donations and camp volunteers. They also need subject matter experts to help provide content across their four pillars: STEM education, the outdoors, life skills, and entrepreneurship.

Even signing up for a small repeating donation can make an enormous impact on a Girl Scout. This year, given widespread job loss and school closures, the need is especially dire. “Five dollars a month – one less cup of coffee – will fund a girl’s year in Girl Scouts,” Shockey says. “The need isn’t new, but it has grown.”

“My favorite thing about partnering with Girl Scouts is the generational ripple that their impact makes,” said Synergize Founder Arron Stanton. His relationship-building group hopes to provide as much financial aid as possible. “These girls will leave Girl Scouts determined to make their life impact the world, rather than believing life is determined by how the world impacts them.”

Synergize has themed

February as their Month of Mentoring, inspired by the impact that Girl Scouts has on girls and young women. That impact is close to every employee and volunteer with Girl Scouts of Central Indiana.

“We have a great opportunity to watch women grow up through this organization,” said Deana Poterf, Chief Membership and Marketing Officer. “And when they go off to college, we look at them and say, ‘This really does make a difference.’”

**About Girl Scouts of Central Indiana**

Girl Scouts is 2.5 million strong – 1.7 million girls and 750,000 adults who all believe in the power of every G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)™ to change the world. Girl Scouts’ extraordinary journey began more than 100 years ago with the original G.I.R.L., Juliette Gordon “Daisy” Low. On March 12, 1912, in Savannah, Ga., she organized the very first Girl Scout troop, and every year since, Girl Scouts have honored her vision and legacy, building girls of courage, confidence, and character who make the world a better place. Girl Scouts is the preeminent leadership development organization for girls. And with programs from coast to coast and across the globe, Girl Scouts offers every girl a chance to practice a lifetime of leadership, adventure, and success. To volunteer, reconnect, donate, or join, visit [girlscoutsindiana.org](http://girlscoutsindiana.org) or call (317) 924-6800.

**About Synergize**

Synergize is a Carmel-based group of business and community leaders who build lifelong friendships instead of business deals. Its members, who value authentic connection and community impact, live by the motto, “Relationships Over Everything.” The only rule? No jerks! To learn more about the Synergize movement and their commitment to world-changing impacts, visit [synergizeindy.com](http://synergizeindy.com).

Additionally, the effects of isolation and loneliness have been widely studied as it relates to heart disease. To learn more about the “Roseto” effect in which a close-knit community experiences a reduced rate of heart disease, a recent PBS special documentary revealed attributes of positive relationships which reflect on our heart health. Information is also available online for those who wish to search for it. The effect is named for Roseto, Pa., and describes family and community interaction there and the healthy effect on the inhabitants.

My quote this week may seem a little odd, but I hope that as we close up the month of February you do take responsibility and become a “miner for a (healthy) heart of gold.” Let’s strive for the “gold

standard” in heart health by consuming fewer trans fats, packaged foods high in sodium, refined carbs, fried foods, and whole milk products. Working on establishing better family and working relationships, getting in those 10,000 steps each day, and adequate rest will do your heart good!

prohibited by law from carrying or possessing a handgun.

“It lowers the bar. It removes permitting, which removes background checks,” Rettig said. “People who are otherwise unable to get a gun now would be able to if you take away that background check. So, while it may state there are certain stipulations, how are we going to know those stipulations are there until something tragic happens?”

The group Hoosier Gun Rights, which supports the measure, argues in a statement that “as a law-abiding citizen, you shouldn’t need any ‘permission slip’ from the government to keep and bear arms.”

Candee Anderson supports the measure.

“When you punish citizens by making more laws, more fees, making them jump through more hoops, it doesn’t stop the criminal element,” Anderson said.

“All it does is penalize law-abiding citizens who just want to carry out their constitutional rights to protect themselves and their families.”

The measure was written by Rep. Ben Smaltz, a Republican from Auburn. No votes on the measure have been recorded on the legislature’s website. The chair of the committee that heard the measure Wednesday said, over the next few days, people can talk with legislators about their support or opposition of the bill.

The bill sponsor says he expected the legislature would dedicate the \$3.5 million in permits fees that police departments now collect and spend on equipment and training. The Associated Press reported several police officials spoke against the bill, saying it would make it more difficult to identify who shouldn’t possess handguns.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

# Heights graduate, FFA State Secretary urges you to ‘Embrace’ National FFA Week

After graduating from Hamilton Heights High School in June of 2020, I participated in one of the most rigorous interview rounds in hopes of being slated to serve as an Indiana FFA State Secretary. On June 18, 2020, I was slated and elected by a delegation of my peers to serve as the Indiana FFA State Secretary.

I reside in Trafalgar, Ind., at the Indiana FFA Leadership Center with my six other teammates. In a typical year, my teammates and I travel thousands of miles across the state speaking to local FFA chapters, developing partnerships with Indiana agribusinesses, meeting with government leaders and attending various events promoting the FFA, agricultural education and the agriculture industry.

Due to the ongoing coronavirus pan-

KYLIE SCHAKEL

demic, we’ve had to become creative in advocating for agriculture and speaking with members. We are also responsible for developing, planning and presenting nine leadership conferences and workshops to over 2,500 FFA members, represent Indiana FFA as delegates at the national FFA convention and expo, and finish our year in June 2021 by planning and executing the 92nd Indiana FFA Convention to students, advisors, alumni and special guests.

The Indiana FFA Association is an agriculture education youth organization that is associated with the Indiana Department of Education and the Indiana State Department of Agriculture. Our association is a part of the National FFA Organization that serves 760,113 student members who

belong to one of 8,739 local FFA chapters throughout the U.S. and Puerto Rico. The FFA mission is dedicated to making a positive difference in the lives of young people by developing their potential for premier leadership, personal growth, and career success through agriculture education. Since being elected, I have delayed my college education to serve the over 12,500 members from 212 FFA chapters throughout the state of Indiana.

Serving as a full-time student ambassador brings lots of enjoyable moments; however, one of the most exciting moments of the year is approaching: National FFA Week. Indiana FFA and the state officer team will celebrate National FFA Week with our 12,500-plus members from Feb. 20 through the 27th. This week gives FFA members an opportunity to educate the public about agriculture. Additionally,

chapters across the state conduct a variety of activities to help others in their school and community learn about FFA and agricultural education.

As the state secretary, I will be traveling to the northern part of the state and celebrating with FFA chapters! Teaching curriculum about agriculture, visiting with members, and seeing their excitement for this prestigious organization are just a few of the events that will take place throughout my travels.

This year our state theme is ‘Embrace.’ During National FFA Week, I hope to embrace our members and the changes this past year has brought.

To find out which state officer will be in your area, check out Indiana FFA’s social media! To learn more about the Indiana FFA Organization, feel free to contact me at [secretary@inffa.org](mailto:secretary@inffa.org) or please visit [inffa.org](http://inffa.org).

## Smart College Selection welcomes Stephanie Aikins as new educational consultant

Educational consulting firm expands to meet demand

### The REPORTER

Smart College Selection welcomes Stephanie Aikins to its college consulting team. Aikins will be responsible for working directly with high school students to help them identify their strengths, build strategic college lists, and create compelling and authentic college applications.

“We are overjoyed that Stephanie is joining Smart College Selection,” said Smart College Selection Founder Amy McVeigh. “She brings extensive counseling experience and deep knowledge of college options to the team.”

Aikins has 15 years of experience as a guidance counselor and a college counselor in public and private high schools, most recently at the International School of Indiana and previously at Carmel and

Greenwood High Schools. She also worked as a college admissions officer for Franklin College and as a residence hall director at Western Michigan University.

“I joined Smart College Selection because I know that as an independent educational consultant, I will be able to make an even greater impact on each student than I could working in a school environment,” Aikins said.

Aikins has an M.S. in Counselor Education from Western Michigan University and a B.S. in Business Administration/Marketing from Valparaiso University. She is board certified as a counselor through the National Board for Certified Counselors and is licensed

Aikins

in the state of Indiana as a school counselor. She holds memberships in the Indiana Association for College Admission Counseling and the National Association for College

Counseling.

### About Smart College Selection

Smart College Selection is an Indiana-based educational consulting firm that helps high school students and their families confidently and strategically move through the college selection process. ## TODAY'S BIBLE READING

*I ask then: Did God reject his people? By no means! I am an Israelite myself, a descendant of Abraham, from the tribe of Benjamin. God did not reject his people, whom he foreknew. Don't you know what Scripture says in the passage about Elijah—how he appealed to God against Israel: "Lord, they have killed your prophets and torn down your altars; I am the only one left, and they are trying to kill me"? And what was God's answer to him? "I have reserved for myself seven thousand who have not bowed the knee to Baal." So too, at the present time there is a remnant chosen by grace. And if by grace, then it cannot be based on works; if it were, grace would no longer be grace. What then? What the people of Israel sought so earnestly they did not obtain. The elect among them did, but the others were hardened, as it is written: "God gave them a spirit of stupor, eyes that could not see and ears that could not hear, to this very day." And David says: "May their table become a snare and a trap, a stumbling block and a retribution for them. May their eyes be darkened so they cannot see, and their backs be bent forever."*

### Mary Power

June 20, 1950 – February 5, 2021

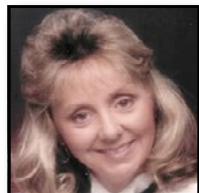

Mary Power passed away peacefully on February 5, 2021, after a prolonged battle with Alzheimer's disease. Mary was born on June 20, 1950, to Walter and May Howard, and is survived by her son, Sam James; her brother, Michael Howard (Deborah); and sister, Susan Jeffrey (Andy).

Mary was a 1968 graduate of Carmel High School and a graduate of Indiana University. Mary served faithfully as a teacher at the Indiana School for the Deaf for 35 years and headed the work program at the School in her later years. Mary was a devoted mother. She enjoyed the outdoors and living in her lake cottage on Princess Lake.

There will be no services held at this time, but Mary's family anticipates having a Celebration of Life later in the year.

In lieu of flowers, memorial contributions can be made to the Superintendent, Indiana School for the Deaf, 1200 E. 42nd St., Indianapolis, IN 46205. All contributions will be deposited into the Student Recreation Fund to assist with programs at the school.

Arrangements have been made through Randall and Roberts Funeral Home. Condolences can be sent to [randallroberts.com](http://randallroberts.com)

Gus Etchison breaks Kent Carson's scoring record...

# 'Rocks beat Huskies in up-tempo game

By **RICHIE HALL**  
**ARCADIA** - Two of this basketball season's biggest offensive teams went at it Friday night at Hamilton Heights, as the Huskies hosted Westfield.

Both teams had things rolling early, but the Shamrocks pulled away in the fourth quarter for an 80-68 victory, giving them back-to-back wins. It also marks back-to-back wins in the longtime series, as Westfield beat Heights last season.

"It's really like this with them every year," said Shamrocks coach Shane Sumpter. "It's a county game. It always comes down to the fourth quarter, it seems like. The last three or four years, that's what it's been."

The Huskies took an early 8-2 lead, with Lucas Letsinger hitting a 3-pointer and Isaac Wilson adding five points (a 3 and a putback). Westfield answered that with an 8-0 run; Matthew Penley made a layin and Braden Smith nailed consecutive triples.

Smith wound up with 10 points in the quarter, hitting two putbacks in a row later in the quarter. Penley had nine points in that period, including a 3, and Luke Naas finished the quarter with a 3-pointer.

In the second quarter, Heights' Gus Etchison got going, scoring 12 points. Etchison drained three 3s, with his second triple putting the Huskies up 36-35. But Westfield went on a 6-0 run to take a 41-36 lead and would not trail again. A Smith layin made the halftime score 43-39 in favor of the 'Rocks.

Westfield's lead in the third quarter

was anywhere from eight points to one, which happened at the beginning of the period when Letsinger nailed another 3. The Shamrocks quickly went back up 51-45, with Cam Haffner getting Westfield back up by six.

"It went from one to six in back-to-back possessions," said Heights coach Chad Ballenger.

Baskets by Haffner and Penley got the 'Rocks ahead 55-47. Etchison's 3 and Luke Carroll's layin cut it to 55-52, but Westfield finished the quarter with layins by Nic Depasquale and Penley to lead 59-52.

"In the second half, late third quarter, early fourth, it seemed like we had a five or six-point lead, but we could never really expand that, because they'd come down and hit a shot," said Sumpter. "I thought we were one or two baskets away from really separating ourselves, doing some things on offense that we wanted to do."

The Shamrocks finally got that separation in the fourth quarter, with a late 7-0 run to take a 72-61 lead. Smith scored off a steal, Penley made a layin, and Smith converted a three-point play to give his team a double-digit advantage. Etchison stopped the run with a layin, but another quick 6-0 stretch clinched it for Westfield. Sumpter said that once his team started spreading the Huskies out, "we were in good shape."

"For us to compete and hang around just says a lot," said Ballenger. "We think that we can make a nice tournament run

Etchison is seen here taking the shot to make the record-breaking score; his career total of 1,896 points puts him ahead of Heights legend Kent Carson's 1,894 points, a record that stood for over 50 years.

and that shows tonight with what we did and play at Noblesville on Tuesday.

Westfield. We needed a few more stops."

Smith finished with 27 points, eight rebounds, eight assists and four steals. Penley scored a career-high 23 points, with Haffner and Depasquale adding 10 points each. Haffner pulled eight rebounds and dished out five assists.

Etchison scored 33 points, including seven 3-pointers. With his final basket of the game in the fourth quarter, he moved past Huskies legend Kent Carson to become the Hamilton Heights all-time leading scorer. Carson's record of 1,894 points had stood for over 50 years, now Etchison has it with 1,896 points.

"I thought tonight he did a pretty good job," said Ballenger. "He didn't force too much. Westfield's a very good defensive team. It's just nice to get it for him and he can move on now and not have that in the back of his mind. Congrats to him. Kent Carson was a heck of a player. He's in South Alabama's hall of fame. It's been a longtime record."

Letsinger drained four 3s for 12 points and Wilson scored 10 points. Etchison led the rebounds with seven, while Carroll collected six. Etchison also handed out four assists, while Carroll blocked two shots.

Westfield is 13-4 and hosts Western Boone on Tuesday. The Huskies are 11-4

# 'Blazers cruise to Senior Night victory

The University boys celebrated Senior Night in style Friday as seniors Adam Witzman, Camden Brown and Matt Jones led the Trailblazers to an easy 95-33 win over Victory College Prep.

Brown and Jones had 20 points each while Witzman had a career-high 18 as all 10 Trailblazers who saw action scored.

Coach Brandon Lafferman was effusive in praising his seniors. "I can't say enough about this senior class and what they have had to endure throughout such a complicated year, on and off the court. I'm so proud of how they have led this team since we got going in the fall during our open gyms."

"I am really excited for Adam Witzman and the game he had on our Senior Night. He really took advantage of the opportunity and packed the stat sheet with points, rebounds and blocked shots," continued Lafferman. "We now turn all of our attention to trying to win our conference and preparing for our sectional."

University came out on fire, making

their first ten field goal attempts, including seven three pointers. Jones made five three pointers in the first quarter as University raced to a 31-8 lead after the opening period. The only Trailblazers missed field goal in the first quarter turned in to points as Brown scored on a buzzer beating rebound off a missed three-point shot. Brown had 10 in the first period.

University stretched their lead to 48-10 at halftime. Jones added another three-pointer in the second quarter to finish the half with 18 points while Brown added five more points.

The five three-pointers in the first quarter by Jones established a new school record while the six three pointers in a half tied the school record held by Eric Wott (2013) and Max Greenamoyer (2018). Both records are top 10 all-time Indiana marks according to the Hickory Husker Book of Indiana High School Basketball Records on hickoryhuskers.rivals.com

Witzman led the charge in the second half, scoring nine points in the third quarter and five in the fourth.

Nate Jeffrey had eight points, Mitchell Martin seven and Sabien Cain and Robert Russell six each.

University outrebounded Victory College Prep 45-8. Brown led the way 10 rebounds Witzman and Cain had seven caroms each and Jeffrey six.

The Trailblazers shot 61 percent for the game, making 36 of 59 shots. University shared the ball all night, handing out 29 assists on the 36 made baskets. Cain (seven), Kasey Ash-Simpson (six) and Jones (five) were the leading assist men for the game. Ash-Simpson had three steals.

University improves to 11-4 on the season. The Trailblazers will host Greenwood Christian Saturday afternoon in the PAAC championship game. University will be seeking its fourth consecutive PAAC title. Varsity tip-off is scheduled for 4:30 p.m. and the game will be

streamed on the UHSofIndiana YouTube Channel.

Girls state swimming...

# Carmel sends all 27 swims to finals

Fishers, HSE advance several swims, NHS' Huff seeded 2nd in breaststroke

The Carmel girls swim team put itself in excellent position to extend its state championship streak after the Greyhounds’ performance in Friday’s state preliminaries at the IU Natatorium in downtown Indianapolis.

Carmel qualified all 27 of its swims to the Saturday finals. The Greyhounds advanced 23 swims to the championship heat and the other four to the consolation heat. Carmel earned the top seed in all three relays and placed three swimmers in the championship heat of the individual medley, 500 freestyle, backstroke and breaststroke.

Individual first seeds for the Greyhounds are Gretchen Lueking in the 200 free and Meghan Christman in the 50 free. Lueking is also the second seed in the butterfly, with Madelyn Christman the second seed in the IM and Berit Berglund seeded second in the backstroke.

Fishers advanced 12 swims to the finals, placing nine in the championship heat and three more in the consols. JoJo Ramey is the Tigers’ highest seed, at fourth in the 500 free. Fishers sent its medley and 400 free relays into the championship heat, with the 200 free relay landing in the consolation heat.

Hamilton Southeastern qualified seven swims to the finals, with five reaching the championship heat and two more in the consolations. The Royals placed all three of their relays in the championship heat, with its medley relay team of

Rebecca Ang, Kennedy Fisher, Audrey Crawford and Molly Pedersen the highest seed at fourth.

Noblesville will have six swims participate in the finals. Sammy Huff will attempt to defend her state title in the breaststroke, where she is seeded second. The Millers’ other five swims all reached the consolation heat, including two swims from Caitlin Marshall, in the butterfly and 500 free.

Westfield’s medley relay team of Alexa Boillat, Annie Spaletto, Hannah Jones and Macy Hoaglan qualified 16th and will swim in the consolation heat of that event.

The state swim meet begins at 9 a.m. with the diving competition. All three rounds – first, semi-finals and finals – will take place during the session. The swimming consolation and championship finals will begin at 3:30 p.m.

Positions 1-8 qualify for championship heat, positions 9-16 qualify for consolation heat, positions 17 and 18 are alternates.
