**DON'T MISS THIS YEAR'S
HAMILTON COUNTY 4-H FAIR RESULTS!**

You can find them in today's edition after the sports section,
online at ReadTheReporter.com and on our [Facebook page](https://www.facebook.com/HamiltonCountyReporter).

Good job, 4-H'ers!

GOP breakfast focuses on county's first responders

The Hamilton County Republican Party honored local first responders and welcomed Florida Congresswoman Kat Cammack as the featured speaker at the club's monthly breakfast. Congresswoman Cammack is the youngest Republican woman member of 117th Congress and represents Florida's third Congressional district. She is a third-generation sandblaster who grew up on a cattle ranch and is a proud alumnus of the Naval War College. In Congress, she serves on the Homeland Security Committee and House Agriculture Committee. For more information about the Hamilton County Republican Party and upcoming events, please visit hamiltoncountygop.org. See more photos at ReadTheReporter.com.

Neighbors want answers after Noblesville police shoot man

By CAMILA FERNANDEZ
WISH-TV | wishtv.com

On Thursday, News 8 sent a list of questions to investigators following a police shooting in Noblesville.

On Wednesday, Carmel Police Department said that an officer shot 41-year-old Karmen Parrish, but police won't say why the officer decided to pull the trigger.

WISH-TV News 8 has asked Carmel Police Department for the officer's name and whether the officer was wearing a body camera, but so far police have only said that they

don't have any additional information available for release at this time.

"It is strange the limited information given out, but again we don't know the whole situation," said Joe Kauser, a Noblesville resident.

Kauser was at home when his dog heard the gunshot and started barking.

"I honestly didn't think anything of it just because we live near the countryside downtown Noblesville and so we hear gunshots every now and then, but people, recreational use," Kauser said.

Teresa Keefer also heard

the gunshot. She and her husband, Rob Brown, also say they need more information.

"I was, I got up at 5 o'clock to use the restroom and I heard a loud, curdling scream and then a loud boom like a gunshot and I just freaked out," Keefer said. "I would like to know my surroundings. I don't want to have to pick up and move. I'd like to stay here how we have been."

The shooting happened near the intersection of Fifth Street and Walnut Street. Noblesville Police say they responded to multiple disturbance calls.

The mayor says they involved a person with an active warrant. When officers arrived at the house, no one answered. Then they heard yelling and that's when officers confronted Parrish and his girlfriend. An officer then shot Parrish.

"I've just seen him out with his dog and his kids if they're his kids. I've seen the girlfriend come and go, but never really talk to them, exchange words," Kauser said.

Police have not said if Parrish was armed. He was transported to IU Health Methodist Hospital for treatment and on Thursday was stable.

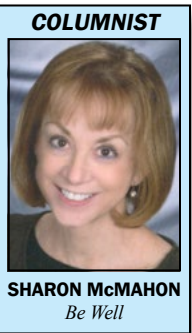

Successful fitness plans use activities you already enjoy

"This is the first day of the rest of your life..."
- "Hold Us Together" by Maher and Wilson

Even during a pandemic, each day is an opportunity to focus on how to customize a fitness lifestyle that makes sense for you which will address most specifically your needs and your schedule.

As a nutrition and wellness coach and fitness instructor, I know very well how clients can be resistant to a plan which does not truly reflect their goals and real-world opportunities to achieve those goals. My professional management position for many years kept me at my desk and sitting at meetings, so incorporating flexibility and strength training was imperative and in my "retirement" (think REWIRED instead of retired!) years that focus becomes even more important as I age - gracefully, I hope!

It is a well-known fact that moderate exercise can help prevent slowing processes that come with age, as it enhances blood flow to the brain, which can reduce the risk of stroke. It also improves cognitive processing and slows down the degeneration

Don't miss Senior Citizens Organization Bake Sale at Noblesville Farmers Market

The REPORTER

The Senior Citizens Organization of Noblesville will hold a bake sale from 8 a.m. to noon on Saturday, July 31 at the Noblesville Main Street Farmers Market at Federal Hill Commons.

Members will sell cakes, pies, cookies, breads, candy and other items - all homemade. The organization will be set up at the west end of the park's restroom building.

Learn more about the organization at seniorcitizensorg.org.

Fishers Arts Council awarded \$4,290 grant from Indiana Arts Commission

The REPORTER

The Indiana Arts Commission (IAC) announced it has awarded \$4,290 to the Fishers Arts Council (FAC) through the Arts Project Support grant program.

During its Quarterly Business Meeting on June 25, IAC approved funding recommendations for the Arts Project Support and Arts Organization Support grant programs. Over 590 applications were reviewed by 167 Hoosiers from around the state specializing in arts, community development, and finance.

"The projects and organizations that are receiving funding have major positive impacts on the cultural, economic, and educational climate of Indiana," said IAC Chair Alberta Barker. "The Commission is impressed at the work being done around the state and is excited to support investment in Hoosier communities."

"This is the third year IAC has provided FAC with this grant which is used to support our Spark! of Creativity Series in June, November and Decem-

ber," according to FAC President Tom Rich.

"Spark! of Creativity pays artists to engage with residents of Fishers to spark their creativity in a variety of mediums such as glass, acrylic, woodworking, performing arts, and more," according to FAC Executive Director Les Reinhardt.

This funding allows FAC to pursue its mission to support, advocate and cultivate visual and performing arts opportunities that educate, enhance and/or enrich the lives of those who live, work and visit Fishers. The series is done in conjunction with the City of Fishers during the city's Spark!Fishers, Shop Fishers and Winter Wonderland activities.

"From the smallest rural communities to the largest cities, we see arts and creativity improving quality of life and driving economic development, and this funding will support the projects and organizations around the state at the heart of this progress," said IAC Executive Director Lewis Ricci. "It is an honor to support work that is strengthening the fabric of Indi-

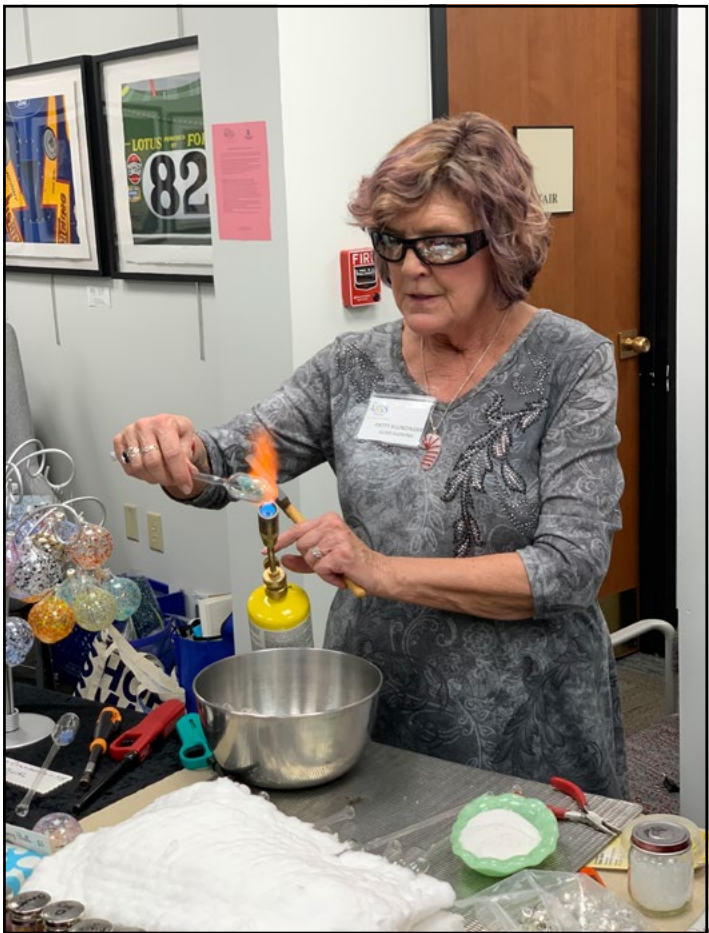

Photo provided

Grants like the one from IAC are what help the Fishers Arts Council to enable artists like Patty Klunzinger (above) to share their talents with the Fishers community.

ana communities."

Funding for IAC and its programs is provided by the Indiana General Assembly and the National Endowment for the Arts, a federal agency.

FAC is appreciative of Senator Mike Braun and Senator Todd Young along with Representative Victoria Spartz for their efforts in supporting this program through the IAC and the NEA.

Aspire receives \$1.5M in federal COVID rescue plan funding

The REPORTER

Aspire Indiana Health has received a \$1.5 million grant to expand and improve healthcare services under the American Rescue Plan Act passed earlier this year in response to the COVID pandemic.

Aspire is eligible as a Federally Qualified Health Center (FQHC) Look-Alike that accepts Medicare and Medicaid. The grant, which is for a period of two years, is distributed through the Health Resources and Services Administration (HRSA) as part of expansion of the Affordable Care Act (ACA) included in the rescue plan.

Aspire operates FQHC clinics in Boone, Hamilton, Madison and Marion counties that offer a full range of family medicine services, with a particular focus on serving the underserved and at-risk.

"We are very grateful for this federal support and will use the funding to continue the mission of Aspire Indiana Health to make health and wellbeing a reality for Hoosiers from every walk of life," said Barbara Scott, Aspire President & CEO.

Aspire is supported by a strong network of community organizations, state/federal entities and generous benefactors. Those interested in partnering with Aspire in making health and well-being a reality in Central Indiana are encouraged to email info@aspireindiana.org.

FITNESS PLAN

from Page 1

of the nervous system.

The key to a fitness plan is to not think of it as short-term punishment that you have to “put up with” but to make it part of your daily routine. After a few weeks it will become second nature to you. Additionally, it is important to remember that you only have to lose a small amount to see large health benefits. Losing just 5 to 10 percent of your body weight can lower blood pressure, cut your risk of diabetes and heart disease, and lower your intake of bad cholesterol.

Let’s see ... what is an activity in which most of us participate every day? Could it be ... walking?! This simple act will bring significant benefits to your heart and your weight. If you aim for 10,000 steps per day, you will feel the difference. And if you feel like skipping – go for it and increase your calorie burning!

The key to a plan or program which will keep you focused on activity is to find what you enjoy, vary your activities by biking, dancing, swimming – or whatever keeps you moving.

Don’t forget the resistance training which can raise the metabolic rate by about 30 to 50 calories per day. Over a three-month period, appropriate training will produce about three pounds of muscle which will boost your resting metabolic rate by about 7 percent. Do you have a favorite TV or internet program you watch two to three times each week? Make that your resistance training time as well while you watch or listen to your program!

Many of you who read my column regularly know that I am passionate about the importance of flexibility training for your body. Without it, none of the above suggestions will give you maximum results and can lead to injury. Your joints can tighten and become thicker as you age, but flexibility exercises can help increase mobility. Bending, rotating, and extending your joints prevents injury so choose a good, gentle stretching regimen four or five days a week. The key word is *gentle* with no vigorous forward or side twists.

My most important recommendation – before implementing any of the suggestions mentioned above – is that you have a complete physical to determine any contraindications to any of these activities. In particular, if you are over 50 years of age and have had little or no physical activity for some time, please begin with your physician’s examination which can address or uncover issues which may help you to plan your fitness program. The key to your success lies within you: Find activities that help you feel better, look better, and increase your energy and longevity. Remember, “This is the first day of the rest of your life...”

Advocating for Victims of Crime and Abuse
www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

– Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Individually packaged snacks
- Lysol
- Hand sanitizer
- Disinfecting wipes

Drop off items at Tom Wood Volkswagen in Noblesville, 14701 Tom Wood Way.

AG Rokita announces \$507M agreement with opioid distributors, manufacturer

Settlement represents massive opportunity for Indiana counties and cities to reap benefits without years of litigation

The REPORTER

Indiana Attorney General Todd Rokita on Wednesday announced a historic \$507 million settlement for Indiana as part of a \$26 billion multi-state agreement that will help bring desperately needed relief to people across the country who are struggling with opioid addiction.

The agreement includes Cardinal Health, McKesson, and AmerisourceBergen – the nation's three major pharmaceutical distributors – and Johnson & Johnson, which manufactured and marketed opioids. The agreement also requires significant industry changes that will help prevent this type of crisis from ever happening again. The agreement would resolve investigations and litigation over the companies' roles in creating and fueling the opioid epidemic.

"This \$507 million settlement for the state of Indiana marks a massive step forward in our efforts to end the opioid epidemic and provide justice to countless Hoosier families torn apart by this crisis," said Rokita. "While no amount of money will ever compensate for the loss and pain that's resulted from the scourge of addiction across our state, this significant settlement will go a long way in preventing a crisis of this kind from ever happening again."

The settlement agreement could resolve the claims of both states and local governments across the country, including Indiana's lawsuit against Cardinal Health, McKesson, and AmerisourceBergen, and potentially resolve local communities' lawsuits in federal and state courts.

Following Wednesday's announcement, states have 30 days to sign onto the deal and local governments in the participating states will have an additional period of time to join to secure a critical mass of participating states and local governments. States and their local governments will receive maximum payments if each state and its local governments join together in support of the agreement.

Indiana anticipates signing the agreement, ensuring that Indiana local governments will be eligible to participate. Indiana's share will be distributed among the state and local governments pursuant to a statute passed by the Indiana General Assembly this spring (IC 4-6-15). Local governments that are currently litigating were

provided the ability to opt out of the state's opioid plan. Those local governments have the opportunity to opt back into the state's plan within 60 days of opting out.

Indiana stands to receive approximately \$507 million with all local governments on board. If subdivisions do not opt back in, Indiana collectively loses up to \$237.9 million in opioid abatement funds from the global settlement.

"Earlier this year, I worked hand-in-hand with members of the Indiana General Assembly to ensure Indiana communities could take advantage of this settlement at the earliest opportunity it came," said Rokita. "The settlement is structured so that communities will receive guaranteed money, rather than pursuing their own lawsuits and fighting against massive corporations and their lawyers for years to come with no guarantee of any payout. Any Indiana local elected official who has been advised otherwise should come back into the settlement now. Only by doing this will Indiana truly be able to make meaningful progress toward ending the opioid epidemic. The well-being of our families, friends, and neighbors depends on it."

Funding Overview

- The three distributors collectively will pay up to \$21 billion over 18 years.
- Johnson & Johnson will pay up to \$5 billion over nine years with up to \$3.7 billion paid during the first three years.
- The total funding distributed will be determined by the overall degree of participation by both litigating and non-litigating state and local governments.
- The substantial majority of the money is to be spent on opioid treatment and prevention.
- Each state's share of the funding has been determined by agreement among the states using a formula that takes into account the impact of the crisis on the state – the number of overdose deaths, the number of residents with substance use disorder, and the number of opioids prescribed – and the population of the state.

Injunctive Relief Overview

The 10-year agreement will result in court orders requiring Cardinal, McK-

Rokita

esson, and AmerisourceBergen to:

- Establish a centralized independent clearinghouse to provide all three distributors and state regulators with aggregated data and analytics about where drugs are going and how often, eliminating blind spots in the current systems used by distributors.
- Use data-driven systems to detect suspicious opioid orders from customer pharmacies.
- Terminate customer pharmacies' ability to receive shipments, and report those companies to state regulators, when they show certain signs of diversion.
- Prohibit shipping of and report suspicious opioid orders.
- Prohibit sales staff from influencing decisions related to identifying suspicious opioid orders.
- Require senior corporate officials to engage in regular oversight of anti-diversion efforts.

The 10-year agreement will result in court orders requiring Johnson & Johnson to:

- Stop selling opioids.
 - Not fund or provide grants to third parties for promoting opioids.
 - Not lobby on activities related to opioids.
 - Share clinical trial data under the Yale University Open Data Access Project.
- This settlement comes as a result of the tireless work of staff in the Indiana Attorney General's Office and investigations by state attorneys general into whether the three distributors fulfilled their legal duty to refuse to ship opioids to pharmacies that submitted suspicious drug orders and whether Johnson & Johnson misled patients and doctors about the addictive nature of opioid drugs.

The Indiana Attorney General's Office has worked aggressively and tirelessly to hold corporations accountable who put greed over Hoosiers' health with respect to the opioid crisis. In February 2021, **Rokita filed a \$12.5 million settlement for Indiana** as part of a \$573 million multi-state settlement with one of the world's largest consulting firms, McKinsey & Company, resolving investigations into the company's role in working for opioid companies, helping those companies promote their drugs, and profiting from the opioid epidemic.

Dana Howard named branch manager at Centier Bank's Carmel location

The REPORTER

Michael E. Schrage, CEO and Chairman of Centier Bank, has announced the recent appointment of Dana Howard as branch manager of the bank's Carmel location.

Howard said her love of leadership began at the age of nine when she began working at her family's local Dairy Queen. She was even promoted to Assistant Manager at the age of 13. She joined Centier in May 2021, after spending over 20 years in customer service within the health and banking industries.

She is an alumna of **Indiana Tech** where she received an associate's degree in business administration, and bachelor's degrees

in business administration and human resources.

Howard said she is most looking forward to being involved with Centier's unique, caring corporate culture. "I am a firm believer that you should treat others how you wish to be treated," Howard said. "Centier ensures that their clients and associates are treated like family, and I am more than excited to demonstrate that to the Carmel community."

Laura Demeter, Regional Sales Manager at Centier Bank, said Howard's positive energy and willingness to help make her a great

Howard

addition to the team.

"Dana understands that each client has individual needs," Demeter said. "She will go out of her way to get to know her clients better so that she can offer personalized solutions."

Howard resides in Indianapolis with her husband, Les, and their two children.

For more information about Dana Howard, email dhoward@centier.com, call (317) 844-5233 ext. 3938, or book an appointment to speak with her by [clicking here](#). For more information about Centier Bank, go to centier.com.

TODAY'S BIBLE READING

Praise be to the God and Father of our Lord Jesus Christ, the Father of compassion and the God of all comfort, who comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves receive from God. For just as we share abundantly in the sufferings of Christ, so also our comfort abounds through Christ. If we are distressed, it is for your comfort and salvation; if we are comforted, it is for your comfort, which produces in you patient endurance of the same sufferings we suffer. And our hope for you is firm, because we know that just as you share in our sufferings, so also you share in our comfort.

We do not want you to be uninformed, brothers and sisters, about the troubles we experienced in the province of Asia. We were under great pressure, far beyond our ability to endure, so that we despaired of life itself. Indeed, we felt we had received the sentence of death. But this happened that we might not rely on ourselves but on God, who raises the dead. He has delivered us from such a deadly peril, and he will deliver us again. On him we have set our hope that he will continue to deliver us, as you help us by your prayers. Then many will give thanks on our behalf for the gracious favor granted us in answer to the prayers of many.

2 Corinthians 1:4-11 (NIV)

DNR completes stocking of striped, hybrid striped bass

The REPORTER

The Indiana DNR recently completed its annual stocking of striped bass and hybrid striped bass across several of the state's lakes.

DNR staff stocked more than 125,000 two-inch striped bass fingerlings in four southern Indiana public lakes and more than 134,000 two-inch hybrid striped bass fingerlings in nine lakes throughout the state. The stockings met or exceeded DNR's 2021 stocking goals for the two species.

Striped and hybrid striped bass were stocked in the following lakes:

- Brookville Lake (Union and Franklin County) – 72,600 striped bass
- Cecil M. Harden Lake (Parke County) – 40,600 striped bass
- Cedar Lake (Lake County) – 7,810 hybrids
- Clare Lake (LaPorte County) – 420 hybrids
- Hardy Lake (Scott County) – 1,000 striped bass; 10,000 hybrids
- Lake Shafer (White County) – 12,910 hybrids
- Monroe Lake (Monroe County) – 53,750 hybrids

- Nyona Lake (Fulton County) – 1,040 hybrids
- Patoka Lake (Dubois County) – 11,353 striped bass; 44,000 hybrids
- Shadyside Park Lake (Madison County) – 1,575 hybrids
- Worster Lake (St. Joseph County) – 3,270 hybrids

Indiana does not have the native sources to spawn striped and hybrid striped bass. DNR relies on commercial sources and state partners to supply fry for its hatchery system. In 2021, East Fork State Fish Hatchery staff developed a new relationship with the Jack D. Bayless Fish Hatchery in St. Stephen, S.C. The hatchery supplied Indiana with 500,000 striped bass fry. Good conditions in the hatchery ponds resulted in a surplus of fingerlings.

The fish stocked in 2021 should reach a fishable size of 14 inches in 2023 and begin to exceed 20 inches in 2024. Thanks to stockings like this, Indiana anglers can look forward to continued quality striped and hybrid striped bass fishing opportunities.

Learn more about fishing for these species at wildlife.IN.gov/fishing/striped-and-hybrid-striped-bass-fishing.

Richard "Dick" G. Landis

August 2, 1930 – July 20, 2021

Richard "Dick" G. Landis, 90, Carmel, joined his beloved wife, Joyce, in heaven on July 20, 2021, just 23 days after her passing. As in life, they are together again and always.

He was born August 2, 1930 in Brookville, Ohio, son of Arthur Landis and Lelah Ganger Minnich.

In addition to his parents, Dick was preceded in death by his step-father, Cletus Minnich; and brother, Jerry Minnich. Though Dick was only six months old when his father passed, the Landis family kept him close to their family throughout his life.

Survivors include his sisters, Carolyn (Dave) Phipps and Linda (Jerry) Goodpastor; children, Lance (Naomi) Landis, Layne Landis, Lisa (Bill) Wilber, and Leslie (Eric) Walls; grandchildren, Jessica (Jeremy) Brown, Isaac Goren, Krista (Luke) Mielke, Benjamin (Maureen) Walls, Gabriel (fiancée Whitney), Sarah Wilber, and Starla Landis; and great-grandchildren, Kaitlynn Goren, Zoey Goren, Adeline Brown, Micah Mielke, and Winslow Walls.

Dick was a graduate of Milton Union High School in West Milton, Ohio, and had a brief career as a carpenter before joining the United States Marine Corps, where he served from 1951 to 1953.

Dick earned his Bachelor of Science degree from Manchester College in Indiana, where met the love of his life, Joyce. While at Manchester, he played baseball, basketball, and football. In 1971, Richard obtained his Master's Degree in Education at Central State College in Ohio.

Richard was an accomplished athlete in his youth and carried that into his career as a teacher, coach, and athletic director. He taught at Stivers High School in Dayton, Ohio, from 1958 to 1971, where he coached football and mentored countless young athletes, many who were disadvantaged and benefitted from his generous spirit.

In 1972, Dick moved his family to Carmel where he taught at Carmel Junior High School for two years and then became Athletic Director at the newly opened Clay Junior High School. He was inducted into the Stivers High School Football Hall of Fame in 2009. Dick later became active on the board, where he saw many of his own student athletes nominated.

He was an avid golfer, fisherman, and spent his retirement years making fishing poles and mentoring his grandchildren. He loved garage sales, especially when he could barter the prices. Dick loved being involved in his grandchildren's lives. He always had time to listen and give advice, a gift he extended to the many others he loved outside his family.

A combined Memorial Service honoring Richard and Joyce will be held at noon on Saturday, July 31, 2021 at St. Mark's United Methodist Church, Carmel, of which they were active members. The family will receive guests beginning at 10 a.m. until service time.

In memory of Richard and Joyce, contributions may be directed to everykidsports.org.
Bussell Family Funerals, Carmel-Westfield is privileged to assist the family in arrangements. Condolences: bussellfamilyfunerals.com

NOBLESVILLE, CARMEL, WESTFIELD, SHERIDAN, HAMILTON HEIGHTS, FISHERS, UNIVERSITY, GUERIN CATHOLIC, HAMILTON SOUTHEASTERN

Carmel Swim Club, FAST have multiple winners on Day 1 . . .

Age Group State begins at Forest Park

The Forest Park Aquatic Center in Noblesville began hosting its second big meet in three weeks on Friday, as the Indiana Swimming Age Group State championships came to town.

After the first day of competition, the Carmel Swim Club is on top of the standings, emulating last week's Senior State champions. Carmel has 930 points, with Fishers Area Swimming Tigers in second place with 543 points. Southeastern Swim Club is in fourth with 248.5 points.

The Carmel club picked up nine event winners during Friday's action. Alex Schakell had a hand in three victories in the Girls 13-14 division, starting with wins in the 100 freestyle and the 200 butterfly. Schakell also joined Lynsey Bowen, Molly Sweeney and Lexie Ward to claim the 400 medley relay. Ward also finished first in the Girls 13-14 800 free, while Sweeney also won the Girls 13-14 100 breaststroke.

Lewis Zhang was first in the Boys 13-14 1500 free, then joined William Lathrop, Ethan Zhang and Luke Pugh to win that division's 400 medley relay. Kayla Barr placed first in the Girls 13-14 400 individual medley. Brady Ladine won the Boys 10&U 50 butterfly.

The FAST team won seven events on Friday. Emily Wolf picked up three wins in the Girls 11-12 division, pacing the 100 free, 200 backstroke and 400 free. In the Boys 11-12 category, Alex Koo was first in the 100 free and 400 free. Eduardo Sanchez got two victories in the Boys 13-14 division, triumphing in the 400 IM and the 200 butterfly.

Westfield Aquatics' Madelyn Yonkus was a triple winner in the Girls 10&U category, taking the 100 free, 50 butterfly and 200 IM. Southeastern Swim Club's Collin Hutson finished first in the Boys 13-14 100 breaststroke.

A list of results involving Hamilton County clubs appears below. The meet continues today at Forest Park.

Combined team scores: 1. Carmel Swim Club 930, 2. Fishers Area Swimming Tigers 543, 4. Southeast-

Westfield native takes his brother with him in spirit to Tokyo Olympics

By OLIVIA RAY
WISH-TV

Standing at 6-feet-5 and 230 pounds with a recognizable hairstyle, Westfield native Joe Schroeder is a civil engineer who enjoys sailing in his free time, was a college cheerleader, and a rugby standout who earned a roster spot on Team USA.

“There is such a deep sense of pride,” Joe’s mother Susan Schroeder said. “Joe is full of grit and determination, he always chased his dreams, and this is one of his biggest ever. He has been relentless.”

The most recent addition to Schroeder’s robust resume reads “member of TEAM USA Eagles rugby sevens squad.”

Beginning at age 15, he collected a few rings at Cathedral High School.

“And as he moved onto college, he decided to go to Trine (University) for civil engineering, and they did not have a rugby program,” Jim Schroeder said. “So, he just decided not to play sports. Sophomore year there was a call out for cheerleading, and Joe showed up and said he was interested in it.”

“I started hitting the gym a lot because I started throwing people in the air,” Joe Schroeder said. “Um, so, you know, I was going to put on 20ish, 30 pounds, you know, through my college career.”

Eventually, the national team got wind of Joe’s rugby gift while he was playing for a club team after graduation.

Since 2017, he has been in California, earning his roster spot.

“To get to this level through all the adversity that he’s been through,” Jim Schroeder said. “We are just so proud of him and proud of the whole family.”

Westfield's Joe Schroeder will make his Olympic debut on Sunday night as part of the United States' rugby team. Schroeder will be easy to spot with his unique hairstyle, which he wears to honor his brother Will.

Joe Schroeder will proudly represent Trine University as their first-ever Olympian; he’s also one of two Cathedral grads to compete on the world’s biggest stage.

And the Central Indiana star should be easy to spot on the rugby field in Tokyo thanks to his unique hairstyle, which serves a special meaning for the entire Schroeder family.

“My brother Will, unfortunately, we lost a year and a half ago,” Joe Schroeder said. “He loved to rock mullets. That was kind of his hairstyle. And he did it, he rocked it the best, and he was obviously a big supporter of mine. He loved watching me, loved, loved the fact that I was, on the USA team.”

“Just to honor him a little bit, it (mullet) comes on the back. So, he’s going to be covering my back out there.”

Schroeder’s Olympic debut is Sunday night when the United States takes on Kenya.

2021 HAMILTON COUNTY 4-H FAIR RESULTS

Your one-stop shop for comprehensive, easy to understand results!

Over the next 11 pages, you will find the results from this year's 4-H Fair broken down into categories. The first category lists 4-H'ers alphabetically by last name.

At the top of each page, you will find the first and last 4-H'er listed on that page . . . much like guide words in a dictionary. Other categories of results include:

**Rockets, pg. 9 • Llamas, pg. 9 • Poultry, pg. 9 • Bucket Calf & Dairy, pg. 9 • Meat Goats, pg. 10 • Dairy Goats, pg. 10
Gardens, pg. 10 • Swine, pg. 10 • Dogs, pg. 10 • Sheep, pg. 10 • Rabbits, pg. 10 • Horse & Pony, pg. 11**

ALPHABETICALLY, BY LAST NAME
