## Odds & ends

I think most newspaper columnists like to have one of these “odds and ends” columns – where we just share brief, multiple stories. Today is mine.  
\*\*\*

### Happy Heavenly Birthday, Mom!

Yep, today's the day. And I know my mama is doing well. Before she passed away, I asked her to show me that she's all right through some sort of Lily of the valley sign.

“Make it unusual,” I asked. Well, she came through in two ways.

First, I've been able to smell our Lily of the valley while sitting on my back deck this year. Even though they're at the front of my house, the scent this year is more powerful than ever. That's never happened. Second, a dear friend surprised me Tuesday evening with Lily of the valley soap, essential oil, and notecards. I had to blink back the tears. Thanks, Mom! I love you.  
\*\*\*

**New Column Title.** I've given this tremendous thought, and I think the new column title fits me and this stage of life. At age 51, I've realized that even though my house, cars, pets, neighborhood, career, friends, and family aren't perfect, they're perfect for me. They all bring me such joy.

When my sister Vicky created a T-shirt with the saying “Perfectly Imperfect” on it, I knew I had to buy it. It's become my favorite pajama shirt.

My column topic will shift more towards empty-nester subjects, although this summer we're happy to have our son Jacob home from Ball State. And it will also focus on ...  
\*\*\*

**Getting to Know My Biological Parents.** Yep, I can finally share this with the world. I have written about how I was adopted, but until this time, I couldn't tell many people that I located my biological parents seven years ago.

## Tie vote means ailing member will remain on Carmel City Council

By CODY ADAMS  
WISH-TV | [wishtv.com](https://www.wishtv.com)

Carmel City Council Member Bruce Kimball was re-elected in 2019.

According to Kimball's son, a year later, Kimball suffered a stroke. The council decided at that time to take a wait-and-see approach as to whether Kimball would recover and return to his seat on the council.

Since then, Kimball has continued to receive his pay and health care benefits.

Council Member Sue Finkam said Monday night, “It's clearly been a while, and, again, we hoped he'd be back, but unfortunately he has not and, given all the activity in this district, I feel it's time to look closer at this issue and when he can return.”

Finkam co-sponsored a resolution that would initiate a process of declaring Kimball's council seat vacant due to his extended absence. The resolution on Monday night ended in a 4-4 tie, meaning it does not pass and Kimball will remain in his seat, leaving voters to decide in 2023.

Several in attendance of Monday night's meeting say they feel like they don't have

Registration for eight-week ‘Oceans of Possibilities’ now open

### The REPORTER

Registration for the Westfield Washington Public Library (WWPL) Summer Reading Program is now open. The eight-week program officially starts on Wednesday, June 1. All ages are encouraged to participate.

“We're encouraging everyone to dive into reading with this year's theme *Oceans of Possibilities*,” said Sara Reitmeyer Perry, a library assistant in the Children's Department. “Not only will we offer a host of ocean-themed storytimes, crafts, and trivia, but we're bringing in some must-see, hands-on activities.”

## Noblesville superintendent Beth Niedermeyer honored with Sagamore of the Wabash award

### The REPORTER

Noblesville Schools announced Thursday that superintendent Dr. Beth Niedermeyer is the recipient of Indiana's Sagamore of the Wabash award.

Created in the 1940s, the Sagamore is one of the highest honors in the state of Indiana, awarded by the governor as a personal tribute to those who have rendered distinguished service to the state through their wisdom, public commitment, and concern for the well-being of others.

Issued by Indiana Governor Eric Holcomb, the award was presented to Niedermeyer in honor of her retirement by Noblesville Mayor Chris Jensen.

“Beth has been instrumental in making Noblesville Schools one of the best districts in the state,” Jensen

Noblesville Mayor Chris Jensen presented the award to Noblesville Schools Superintendent Dr. Beth Niedermeyer on behalf of Governor Eric Holcomb.

“As a parent, I appreciate everything she has done inside the classrooms and as mayor she has been a critical partner on numerous ini-

tiatives, events and projects that the city and schools have partnered on over the eight years she has led the district. She will be greatly missed,

but it is my honor to present her the Sagamore of the Wabash Award on behalf of Gov. Eric Holcomb for her years of service in education and the thousands of students she has positively impacted.”

The term “sagamore” was used by the American Indian tribes of the north-eastern United States to describe a great man among the tribe to whom the chief would look for wisdom and advice. The award states that the honoree is distinguished by their humanity in living, loyalty in friendship, wisdom in council, and inspiration in leadership.

Niedermeyer recently announced that she will retire at the end of June after 38 years in public education.

The application announcement was released in April 2022

and the CRC Scholarship Committee reviewed 17 high-quality applications for the scholarships. Applicants' criteria for consideration included school grades, an essay on the impact of running and a healthy lifestyle in their life, and recommendation letters.

After careful consideration, the following high school seniors were selected as the 2022 recipients:

- **Zoe Dinius** – Noblesville High School, to attend Taylor University
- **Jamie Klavon** – Carmel High School, to attend Xavier University
- **Hannah Pensyl** – Westfield High School, to attend Purdue University

During her tenure in Noblesville, she led several significant achievements, including:

- State and national academic and extracurricular honors
- Safety enhancements following the district’s school shooting
- Strong fiscal and facility growth management
- An expanded focus on creating a school environment where all students can best learn
- The creation/expansion of community outreach and engagement initiatives

In addition to her leadership responsibilities with the district, Niedermeyer also serves on the board of directors for the Boys and

Girls Club of Noblesville, Noblesville Chamber of Commerce, Noblesville Youth Assistance, Noblesville Diversity Coalition and Noblesville Midday Rotary.

Niedermeyer has received other honors and awards over the course of her career, including Central Indiana Superintendent of the Year, Indiana Principal of the Year, Fort Wayne Community Schools Teacher of the Year, Aerospace Science Teacher of the Year, Excellence in Education awards, and a Distinguished Education Alumna Award from Indiana Purdue University Fort Wayne.

The school board expects to name a new superintendent in the coming weeks.

will be at the library on Saturday, June 18. Kids will be allowed to walk through the whale and learn about its biology, sounds, and natural history. Space is limited and registration is required.

The library will also play host to an Oceans of Foam Party on Thursday, July 7. Participants will be allowed to “swim” in a dance floor covered in foam with live music and games. The hypo-allergenic foam, similar to baby shampoo, is safe for kids and is biodegradable. Again, space is limited, and registration is required. Event registration can be completed on the [library’s events page](#).

Registration for the Summer Reading Program

can be found at [wwpl.bean-stack.org](http://wwpl.bean-stack.org). Anyone who reads at least 40 hours between June 1 and July 31 will be automatically entered into a drawing for the grand prize, which includes an underwater sports action camera. Prizes will also be distributed to participants throughout the program when they hit specific reading milestones.

“We hope to see hundreds of kids at the library this summer,” WWPL Director Sheryl Sollars said. “Summer break is a fun time to use the library and develop a lifelong habit of reading. Plus, reading over the summer helps young readers keep their skills up.”

Finkam said, “Without a vote probably over 100 times, I feel they deserve better.”

News 8 reached out to Council Member Kimball’s government email and received an automated response stating he was on medical leave.

His son gave a statement, saying “I am sorely disappointed in the lack of support from fellow Carmel city council members, not just for this situation, but since my father had his stroke in December 2020.”

For some reason, my mother became extremely nervous whenever I brought up the topic of finding my biological family. Even when the records division of St. Joseph County shared some non-identifying information with me in 2009, she was unhappy.

I wanted to respect her feelings, but as a mom myself, the urge to find out more about my biological history grew stronger every year. I wanted my boys to know their heritage, see where some of their traits came from, and have good medical history information.

When I learned that the State of Ohio was opening up their adoption records in the spring of 2015, I knew I couldn’t wait any

longer. I decided to get the information and not tell my mother.

It was so hard to keep everything a secret, especially as my search grew along with my love and respect for my parents. If only I could have told Mom how, with each new discovery on

my journey, it helped me feel closer to her than ever.

I know so many people are touched through adoption, so I hope my future stories will help others in the months and years to come.

Thanks for being flexible, Readers! I look forward to this new direction.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

This year's recipients are Chelsea Kleyla (HHES), Jeff Beechler (HHMS), and Elisa Garcia (HHHS). One of these educators will be selected to represent Hamilton Heights at the Indiana Teacher of the Year competition in the fall. In addition, our honorees for the Building Level Support Staff Member of the Year are Toby Etchison (HHES), AJ Robinson (HHMS), and Erin Bilderback (HHHS).

What makes these awards so special is that the winners are selected by their colleagues, who see the impact these individuals have on students and families – in and out of the classroom every day. These amazing honorees represent education at its best at Hamilton Heights and we are grateful to have this caliber of professionals in our district. Congratulations!

Fourteen Business Professionals of America (BPA) students traveled to Dallas, Texas, to participate in the National Leadership Conference and eight received top medals, including Corbin Landrey who won the National Torch Ambassador of the Year and placed eighth in Payroll Accounting. Amber Lane was awarded a \$1,000 BPA scholarship and also placed

in the Top 9 in Desktop Publishing and Database Applications. Elianna Watson, Devyn Taylor and Melissa Lovell, who comprised the Global Marketing Team, placed in the Top 10. Ben Wolfgang, Jenn Houser, and Lydia Lytle with the Adobe XD Experience also placed in the Top 10. Well done!

Heights' Robotics Teams also had a great experience in Dallas. They were among more than 20,000 students from 36 countries to compete at this year's VEX Robotics World Championship. We had teams make it to the finals, and one team won one of only 10 Sportsmanship Awards for the entire event! Congratulations!

I want to give a shoutout to the members of the Northern Hamilton County Chamber of Commerce and all those who helped make the second annual Sheridinner a success! The proceeds from this fundraising event benefit the business programs at Hamilton Heights and Sheridan Community Schools.

Thank you for your partnership and positive impact.

## Fred glances around the county

Thirteen local attorneys applying for judge in Hamilton Superior Court 6 were interviewed Monday. They are seeking to fill the vacancy created by the retirement of Judge Gail Bardach, which becomes effective July 1. Results of the interviews will go to Gov. Eric Holcomb, who appoints a judge to serve Bardach's unexpired term, which extends to Dec. 31, 2023. Names of the applicants have not been released.

Dick Nyers, former Carmel High School football coach, is credited with establishing a winning football tradition at CHS and leading the organization of the Carmel Dads Club. Now retired and living in Columbus, Ind., he was guest of honor Monday night at the club's Corporate Sponsor Appreciation Dinner. Nyers,

There will be a recount of votes in the Republican primary contest for State House District 32. The county elections office confirmed yesterday that the request had been made. In Hamilton County returns, Fred Glynn received 30 more votes than Suzie Jaworowski. But, the vote drew even closer when precincts in Marion County's portion of the district showed Glynn ahead by only six votes. The district was newly created this year, so there is no incumbent.

Noblesville veterans organizations will conduct their annual Memorial Day

services on Monday, May 30. An 11 a.m. memorial is planned at the county courthouse square monument. American Legion and VFW honor guards perform the public ceremonies at the county's major county cemeteries. A complete listing will be published when available.

The American Recovery Plan Act (Covid) committee for Hamilton County held a meeting at 10 a.m. Thursday in the County Commissioners conference room. The agenda listed consideration of items tabled from the committee's last meeting, including requests from several townships for funds to meet needs incurred during the pandemic. The county will soon receive the second half of its \$65 million federal grant. Planned allocations have not been announced.

The Carmel City Council voted down a resolution proposed by some members

to remove council member Bruce Kimball who is ill and has been unable to attend meetings for the past year and a half. The resolution failed on a 4-4 tie vote. Kimball will continue to draw his \$21,000 salary and benefits. His term ends on Dec. 31, 2023.

## Driving change: The power of giving back to our nation's heroes

Next week marks the most prestigious race on the NTT INDYCAR SERIES schedule, a hallmark of American life, and an international event. It is also an occasion

GRAHAM RAHAL

to recognize the sacrifice that so many men and women have made to preserve our country's freedom and our individual liberties.

On this one weekend in late May each year, all eyes are on 33 drivers as they race the 200 laps of the Indianapolis 500. In normal years, the race attracts approximately 300,000 people from across the country to the Greatest Spectacle in Racing.

To say the Indy 500 is a major event in my life would be a huge understatement as my dad competed and won here before I was born, and I now have the privilege and honor of competing here myself as a member of the Rahal Letterman Racing team. But the Indy 500 and other races on the schedule mean something else to me, too.

As Americans turn their attention to the Indy 500, I would be remiss if I neglected to use the platform that I've been fortunate enough to have been given through the sport to acknowledge the selflessness and sacrifice of U.S. military veterans. It is because of our country's veterans that we can enjoy life as we know it in our remarkable nation and can come together at events, like Indy 500, without fear of external threats.

One aspect of my career that I hold most dear is the opportunity to make a difference in the lives of veterans through the team's Turns for Troops program, sponsored by United Rentals.

als. For every lap that I complete on the track, United Rentals graciously donates \$50 to SoldierStrong, a national non-profit organization dedicated to donating revolutionary medical technologies to Veterans Affairs medical centers and other facilities to provide veterans with expanded access to innovative medical care. I'm proud that since 2016, Turns for Troops has raised \$1,485,177 for SoldierStrong. Of that total, \$631,700 has come through laps turned, the Graham and Courtney Rahal Foundation has raised over \$630,000 through our annual Drivers Tournament powered by United Rentals and our Vets for Vets event, and another \$222,794 came from various sources.

During the 2016 season's stop at Sonoma, I had the honor of meeting Sgt. Dan Rose, a 10-year Army Reserve veteran who was paralyzed from the waist down when he was injured by an improvised explosive device (IED) blast in Afghanistan. Since our first meeting, Dan Rose has served as an inspiration to me for what it truly means to be an American patriot. His life is also an example – which all Americans can look to emulate – of extraordinary perseverance and hope in the face of adversity and hardship. With the help of a state-of-the-art spinal cord rehabilitation device known as an exoskeleton, he was able to regain the ability to stand and walk again.

Rose was fortunate to access an exoskeleton because of the tremendous and unique efforts carried out by SoldierStrong. Despite his injury, he pursues a full and active lifestyle

that includes downhill skiing and mountain biking. To date, SoldierStrong has donated two iBOT PMDs to individual veterans and 29 SoldierSuits and 18 virtual reality technology systems, known as BraveMind, to treat post-traumatic stress to medical facilities across the country. These and other technologies that SoldierStrong provides have the power to transform the day-to-day experiences of veterans in their lives after service. I've seen the capabilities of these medical technologies firsthand and firmly believe that access to them is one of the greatest gifts we can give to veterans who have given so much to our country.

I am blessed to have a career that I am not only passionate about but that also allows me to benefit veterans – America's true heroes – in a life-changing way. I am grateful that I am in the company of organizations like SoldierStrong and United Rentals in our commitment to give back to our country's veterans who provide us with the power of hope and show us what it means to persevere.

As we head into the best weekend of the year for IndyCar fans around the world, let's all remember the individuals whose service affords us the freedoms we enjoy each and every day.

### The REPORTER

The musical is based on the beloved Disney film. Nominated for seven Tony Awards, *Mary Poppins* includes a score filled with timeless classics such as "A Spoonful of Sugar," "Step in Time" and the Academy Award-winning "Chim-Chim Cher-ee."

The *New York Daily News* called *Mary Poppins* "Magical! A roof-raising, toe-tapping, high-flying extravaganza!" and *USA Today* called the show "Irresistible," adding it's "a fresh fountain of youth that will make many a grown-up feel like a kid again."

Cara Statham Serber returns to reprise the title role from Beef & Boards' 2014 production. Also returning from that popular production are Buddy Reeder as Bert, Eddie Curry as George Banks, and Heather Patterson King as Winifred Banks.

# Jeff & Shari Worrell celebrate 30 years of service to CarmelFest

## The REPORTER

Jeff and Shari Worrell are well-known throughout Carmel for their various volunteer efforts, which have left a mark on the community. One of the causes they are proudest to have championed is Carmel's annual celebration of Independence Day: CarmelFest.

For the last 30 years, the Worrells have been a mainstay during the two-day celebration. Rain or shine, in hot weather or REALLY hot weather, you can't go long without seeing Jeff or Shari during the festival. But their commitment to ensuring CarmelFest is enjoyed by thousands continues throughout the other 363 days of the year. Whether it's helping organize volunteers for the parade, selling spark buttons, coordinating the fireworks shows, or any of the countless other duties they take on, the Worrells have been a centerpiece in the joy and happiness of the 4th of July for three decades.

"CarmelFest has become a part of who we are at this point," Jeff said. "In my hometown in Iowa, my father helped coordinate the fireworks show each year. So, when the opportunity to help in Carmel came up, we jumped at the chance to give back! It has been an honor to have had the opportunity to participate in the best celebration of July 4th in the Midwest – or even the country."

"Just as any family has their traditions around Independence Day, we've made CarmelFest part of our family's," Shari added. "From as young as they can remember, our kids have spent the 4th celebrating and volunteering, and it's

something we all look forward to each year."

The Allied Solutions CarmelFest Parade committee unanimously voted to award the 2022 grand marshal honor to the Worrells in recognition of their 30 years of service and dedication.

### About the Worrells

Jeff Worrell is a 34-year resident of Carmel who is driven to help others. He is the founder of Advantage Medical, now owned by Scrip Companies, and serves as an At-Large Carmel City Council Member. Jeff brings an attitude of service and empathy to all he does. His leadership in the community also includes serving as President of the Carmel Chamber of Commerce (now OneZone), St. Vincent – Carmel Hospital Board, Carmel Christkindlmarkt board, Rotary Club of Carmel, and Good Day Carmel.

Since becoming a Carmel resident in 1988, Shari Worrell has made an impact across Carmel and Hamilton County serving those in need. Several significant contributions include volunteer leadership team at Our Lady of Mt. Carmel for their annual Thanksgiving food drive helping over 500 families, serving on the

children, Brad and Amy. As a family, the Worrells enjoy traveling, boating on Lake Michigan and snow skiing.

### About CarmelFest

CarmelFest is celebrating its 34th year as one of central Indiana's premier Independence Day festivals. Presented by the Rotary Club of Carmel, CarmelFest offers games and rides, delicious food, live entertainment, an outdoor marketplace featuring local artisan creations and a Fourth of July parade. The two-day celebration concludes with the city's biggest fireworks. Each year, more than 300 volunteers collaborate to bring this heartland tradition to life for its 60,000 visitors. Find more information at [CarmelFest.net](http://CarmelFest.net).

## Paul McClay

November 25, 1931 – March 17, 2022

Paul McClay, 90, formerly of Sheridan, passed away on Thursday, March 17, 2022, at his daughter's home. Born on November 25, 1931, he was the son of the late Paul L. "Mouk" and Ona Jane (Barrickman) McClay.

Paul loved playing basketball during his years at Sheridan High School. After graduating with the Class of 1950, he hired on with Delco Remy in Anderson as a utility operator. He retired in 1987 after 37 years of service with the company. In addition to his responsibilities at Delco, Paul was a fixture at the Pickett's Point Service Station in Sheridan. For 50 years he was a familiar face you came to expect when you went to The Point. In those days it was a full-service station, and part of the "full service" was talking to Paul while he gave your vehicle a little TLC. Paul enjoyed visiting with his customers; for some, he was the source for what was going on around town. Over the years, Pickett's Point saw many changes, but Paul was one of the constants the residents of Sheridan came to rely on.

He was a proud member of UAW Local 662.

When Paul had the time, he loved traveling and camping with his family. He also enjoyed escaping the cold Indiana winters. He and Wilma quickly adopted the snowbird lifestyle and spent 13 years wintering in Florida. He loved spending as much time as he could with his family, especially when it came to his grandchildren and great-grandchildren. He was extremely proud of each and every one of them.

Paul is survived by his loving wife of 50 years, Wilana (Hoover) McClay. She and Paul were married in 1970, joining their two families together as one. Also surviving are nine children, Debra Haugen of Temple, Texas, Kathy Eckard (Jess) of Round Rock, Texas, Sherry Lares (Lewis) of Katy, Texas, Larry McClay (Debbie) of Westfield, Jeff McClay (Mary) of Macomb Twp., Mich., David Johnson (Janice) of Westfield, Penny Nicholson (Mike) of Indianapolis, Lori Dame of Kokomo, and Polly Johnson Waggoner of Ewing, Va.; 21 grandchildren; 22 great-grandchildren; brother, Bob McClay (Linda) of Sheridan; and two nieces, Pam Jones and Rhonda (Rick) Bohuk, both of Sheridan.

A Celebration of Life will take place at 4 p.m. on Saturday, May 21, 2022, at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation from 2 p.m. until the time of service.

Paul will be laid to rest at Spencer Cemetery in Sheridan at a later date.

## TODAY'S BIBLE READING

*Therefore, since the promise of entering his rest still stands, let us be careful that none of you be found to have fallen short of it. For we also have had the good news proclaimed to us, just as they did; but the message they heard was of no value to them, because they did not share the faith of those who obeyed. Now we who have believed enter that rest, just as God has said,*

*"So I declared on oath in my anger, 'They shall never enter my rest.'"*

*And yet his works have been finished since the creation of the world. For somewhere he has spoken about the seventh day in these words: "On the seventh day God rested from all his works."*

*And again in the passage above he says, "They shall never enter my rest."*

## Joseph Thomas Thieme

October 26, 1939 – May 19, 2022

Joseph Thomas Thieme, 82, Carmel, passed away on Thursday, May 19, 2022, after a long illness. He was born on October 26, 1939, in Lafayette, Ind., and was the son of Frederick J. and Josephine Clifford Thieme.

Tom graduated from Jefferson High School in 1957, and then he attended Purdue University.

In 1963, he was drafted into the U.S. Army, where he was commissioned as a 2nd Lieutenant in Artillery at Ft. Sill, Okla. He married Jane M. Freistoffer on May 30, 1964. She preceded him in death on December 4, 2013.

Tom served at Ft. Sill, Okla., where he taught Artillery Survey, then in Korea as a Battery Commander from March 1966 to April 1967. After returning to Ft. Sill, Okla., and then Ft. Bliss, Texas, where he attended Artillery Officer Advanced Training, he was assigned to serve in Vietnam. Upon returning from his year in Vietnam, he was assigned to Germany for three years where he served as the Executive Officer of a Pershing Missile Battery and was the Reconnaissance and Survey Officer for the Battalion. Captain Thieme was a hardworking and well-respected officer, devoted to his country to the end. A true patriot, Tom received several commendations, including the Bronze Star for Meritorious Service. A perfectly cared for flag was always flying at his home.

In 1972, he left the service and returned to Lafayette where he began his 28-year career in chemistry at Eli Lilly and Company, retiring in 2002.

During retirement, he used his considerable photography skills as photographer for Coldwell Banker The Shook Agency, retiring in 2005. His impressive collection of camera equipment was also known to be of aid in helping him appear to belong in places for which he wasn't credentialed – most especially, restricted areas of his beloved Indianapolis Motor Speedway.

Tom was a longtime member of St. Boniface Catholic Church in Lafayette where he was a member of the Parish Council. In recent years after his move to Carmel, he was a member of St. Louis de Montfort Parish where he was famous for bringing his delicious deviled eggs to the St. Ann's Guild lunches. He was a member of the Knights of Columbus, and the American Legion in South Haven, Mich.

He was a devoted husband to Jane for 49 years and a loving father and grandfather. Daughter Jennie (Jerome) LaReau and son Thomas (Shelly) Thieme, both of Carmel, and daughter Mary Jo (Andreas) Sashegyi of Indianapolis all survive him. He is also survived by the loves of his life, his grandchildren: Nicholas, Andrew and Zachary Thieme, Katherine LaReau and Thomas Sashegyi. His sisters Barbara Schrader of Lafayette and (twin) Josephine Deible of Oswego, Ill., also survive, along with many nieces, nephews and cousins he adored. He was preceded in death by his brothers John and James Thieme.

Services will be held at St. Louis de Montfort Catholic Church in Fishers on Tuesday, May 24, 2022. Visitation will be at 9:30 a.m. in the narthex, followed by a mass of Christian burial at 11 a.m. Burial at Oaklawn Cemetery will follow the funeral mass.

## Boys track and field sectional

# Carmel wins third straight in close meet

By RICHIE HALL

**CARMEL** - A close meet can be good for a track and field team, although it is a little better if it involves a victory.

The Carmel boys track and field team had that close meet Thursday as the Greyhounds hosted the sectional at Carmel Stadium. The 'Hounds were chasing Hamilton Southeastern for most of the meet, but took the lead after the 3200 run and held on to claim their third consecutive sectional title, scoring 158 points to the Royals' 150.5 points.

The win was also the 28th sectional title in Carmel program history. Just as important, the Greyhounds had five wins and qualified 15 for next Thursday's regional round at Lafayette Jefferson.

"It definitely helps us get ready for the tournament, because we know these meets are only going to get closer," said Carmel coach Ken Browner. "Looking at the state meet, we feel if we can get everybody through, we're one of the five or six teams that can win it, but we can't make mistakes, either. And this helped us tonight, because if we would've slipped up somewhere, HSE would have got us. And so that just helped our guys and just let them know, 'Hey, we got to be ahead of them these final two races.'"

The Greyhounds surged ahead thanks to their 1-2 finish in the 3200. Kole Mathison ran away with the race, finishing in 9 minutes, 4.30 seconds. Mathison was 20 seconds ahead of teammate Charlie Schuman, who placed second. That gave Carmel 18 team points, and turned a 14.5-point deficit into a slight lead. The Greyhounds then clinched the meet with a runner-up result in the 4x400 relay, followed by a 3-4 finish from Evan Brehl and Drew Franklin in the

shot put.

Of course, the 'Hounds were winning their share of events as well. James Philpott started a run of three straight Carmel wins on the track when he took the 100 dash in 11.29 seconds. That was followed by an incredible run from Mathison in the 1600, where he sailed home in a new sectional record time of 4:06.50. The Greyhounds then picked up a victory in the 4x100 relay. Phil-

pott later won the 200 dash.

Carmel's other regional qualifiers were the 4x800 relay team, Adom Quist in the 110 hurdles, Andrew Willman in the 300 hurdles, Aydrion Caldwell in the high jump (second place with 6 feet, 5 inches), Christian Peterson in the long jump, Greg Gottlieb in the 200 and Nolan Ring in the discus. The top three in each event move on to the regional, so Brehl qualified in the shot put as well. After that, the Greyhounds will likely get a handful of callbacks to regional with four at-large spots available, so Franklin could also be heading to Lafayette.

"We qualified everybody we expected through, which was good," said Browner. "And we had some great performances."

Southeastern had a great meet, with three event wins and a total of 14 regional qualifiers, with several callbacks on the horizon. The Royals began the meet with a win in the 4x800 relay, then soared to two field event victories.

Manraj Grewal won the high jump with a leap of 6 feet, 7 inches. Not only was that a personal best for Grewal, but he also broke down a barrier.

"I've been stuck at that 6-4, 6-5 range for the whole year," said Grewal, so for him to finally break through "was amazing." Grewal tried for 6-9 and almost cleared it - "just hit it with my ankle," he said. But he thought the jump was good and said, "my confidence is really high right now."

Southeastern got a 1-2 sweep in the long jump. Michael Griffith won the event with a best jump of 23 feet, while Lamine Sall placed second, jumping 22 feet, 7 inches.

Jack Greer took second in the shot put and Jackson Constantine placed third in the discus, while Alex Troutman was third in the high jump, giving HSE six regional qualifiers in the field, with callbacks possible as well.

Back on the track, Mason Alexander placed second in both the 100 and 200 dashes, while Nolan Satterfield was the runner-up in an exceptionally fast 800 run at 1:54.16. Other automatic regional track qualifiers were Will Gerig in the 110 hurdles, Andrew Knight in the 1600 run, Jaylon Cooper in the 400 dash and the Royals' 4x100 relay.

Fishers placed third as a team with 125.5 points. The Tigers had five event victories, starting with hurdle sensation Tyler Tarter. The sophomore breezed to victory in both 110 hurdles (14.73 seconds) and 300 hurdles (39.08 seconds), and was also part of the winning 4x400 relay.

Keefer Sohengen also ran on the Fishers 4x400, this after cruising to a win in the open 400 dash (48.39 seconds). Joshua Forbes won the pole vault, clearing 14 feet, 6 inches. The Tigers also qualified their 4x800 and 4x100 relays on to the regional, while Makell Wiggins also earned a regional spot by placing third in the 400.

Noblesville placed fourth as a team and auto-qualified for regional in five events. Will Johnston tied for second place in the pole vault, then the Millers had four more third-place finishers: Christ Degni in the 100 dash, Joel Mumaw in the 1600, Ben Kern in the 300 hurdles and Asher Propst

in the 3200. Westfield took fifth as a team. The Shamrocks got a huge win from senior Kai Connor, who barreled to victory in the 800 run, clocking a new sectional record time of 1:53.75. It's a new Westfield school record as well. Connor gave credit to his teammate Colin Lakomek for pushing him; Lakomek placed third and also advanced to the regional. Both men later ran on the Shamrocks' 4x400 relay, which placed third to advance to regional. "He's running me down every practice and always challenging me," said Connor. "It's good to have a guy like that because without him, I wouldn't be able to do any of this. I got a guy there every single day there every single day, always pushing me to do my best." Hamilton Heights finished in sixth place. The Huskies got two wins from its star thrower, Colin Wilson. The junior set a new sectional record in winning the shot put of 61 feet, 9 inches, this after placing first in the discus with a best throw of 170 feet, 5 inches. Peyton McQuinn tied for second in the pole vault, so Heights will be represented at the regional in three events. Guerin Catholic's best finish was fifth from its 4x400 relay team, while University's Steven Scott took sixth in the 200 dash.

## Baseball Comeback at Brownsburg gives Tigers HCC title

The Fishers baseball team won the Hoosier Crossroads Conference championship Thursday with a come-from-behind victory at Brownsburg, 5-3.

The Bulldogs led 3-0 after five innings before the Tigers scored all five of their runs in the top of the sixth. Gavin Clayton and Joey Brenzewski both got on base with singles, then Carson Dunn came up and smacked a home run to send everyone home and tie the game.

Next up was Jack Brown, and he hit a double to get on base. Dom Oliverio came to the plate minutes later, and his homer got Brown home and gave Fishers the lead. The Tigers held on to the lead from that point forward.

Dunn and Clayton both had two hits. Brown pitched six innings for the win, striking out six. Joey Wilmoth pitched the seventh inning and got the save.

The Tigers are 12-1 in the conference and 21-6 overall. Fishers hosts Brownsburg

tonight to finish HCC play.

## Three big innings for Zionsville prove costly for Millers

By CRAIG ADKINS

**NOBLESVILLE** - Things seemed to come in threes against Noblesville in the final regular season home game on Thursday against HCC rival Zionsville.

The Millers just couldn't quite keep up with the pace of the visiting Eagles' scoring sprees in three different innings, dropping the first game in the Hoosier Crossroads Conference series, 16-4 in six innings.

Starting pitcher Josh Kern got off to a decent start in the first two innings, striking out two, allowing one hit and just two base-runners, one by an error. Unfortunately, that didn't last long.

Zionsville's offense showed what it is capable of in the top of the third. They unleashed six runs and six hits on Kern. The Eagles connected for three singles, two doubles and sandwiched in the middle of the hit parade was a solo home run from Brody Chrisman. That opened up the scoring and the visitors were out to a commanding 6-0 lead.

"Our defense wasn't very good. So, we gave them way too many outs and we didn't execute pitches," stated Noblesville head coach Justin Kever on his team's performance.

The Millers didn't give up once down by a half dozen. They got a little rally in place in the bottom of the third.

Nolan Decker led off with a triple to left center and would quickly be driven home on a sacrifice fly to center from Luke Wilson to get the Millers on the board. Connor Bloss would reach on an error by Eagles third baseman Elliott Peter. Kern was hit by a pitch for two runners aboard. Then, Jacob Edwards showed the improvement in his bat, taking a double to deep left center that would score Bloss from second to cut Zionsville's lead to 6-2.

"The bats weren't bad tonight," said Kever on the Millers' lack of production in comparison to the Eagles' output.

The Eagles weren't done, as they added five more hits to their total to put four more runs up that ran the score to 10-2.

Bryce Riggs began the home fifth with a double over Colin Price's head in center. Two batters later, Kern took a double of his own to the fence in left center, sending

Riggs home for a 10-3 score.

The theme of threes for Zionsville was mainly involving its three big run-producing innings.

The Eagles put another crooked number on the scoreboard to keep Noblesville from any chance of a comeback, plating six more runs in the top of the sixth. That half dozen were aided by another three singles, two doubles and a triple that bumped the count up to 16-3.

The Millers got one more run in the bottom of the sixth. Drew Niswonger tripled to start it off and scored on an RBI groundout from Decker for the final score of 16-4.

Zionsville improves its record to 16-11 and is now 6-7 in HCC play.

The Eagles had four players with three hits apiece. Chrisman highlighted his three-hit night with the home run. Max Bond the most productive with five RBIs.

Noblesville drops to 13-12 overall and 7-6 in the HCC. The Millers head to Zionsville tonight for the second game of the series at 6 p.m. They will conclude the regular season on Saturday with a doubleheader against Lafayette Jefferson (10-17) at Loeb Stadium with the first game at noon.
