Cicero comes together to raise money for public safety

John McEnroe documentary takes him back to court

The REPORTER

On Sept. 18, Cicero Friends of the Park held a spaghetti dinner fundraiser for Cicero Police, Fire and Public Safety personnel. There was also a Jeep cruise-in and a Concert on the Pier.

This event was the brain-child of Friends of the Park member Lisa Stokes-Bear, who also coordinated the fundraiser.

Cicero Friends of the Park thanks the many community volunteers who made this event possible and the public who came out to support local heroes.

Special thanks to the persons who furnished the food:

- Jama Fernung – DeLullo's Trattoria
- Matt Hall – Boathouse Kitchen & Swan Dive
- Brett Morrow – Cicero and

John McEnroe documentary takes him back to court

I've been thinking about tennis.

I miss the "ker pock ... ker pock ... ker pock" during the long rallies of my youth, the ball bouncing off the asphalt ("ker") followed by the quick collision with catgut ("pock"), the squeaks of sneakers and the wonderful poof at the opening of a new can of balls, each connection of tight strings on fresh balls filling the air with bursts of yellow fuzz.

I have been thinking about tennis because I just watched the recent, great Showtime documentary, *McEnroe*. In high school, I wanted to be John McEnroe.

But before then, in 1976, I was given my first tennis racket on my 12th birthday. Mom wrapped the racket so as not to ruin the surprise. My parents must've thought I was really stupid, not being able to identify a wrapped tennis racket. I bet tuba-playing kids go through the same thing. "Is it a Big Wheel?" I asked, holding up the wrapped package, just to make Mom and Dad feel good.

I was excited about the tennis racket but was overcome with disappointment when I discovered it wasn't the metal-framed Jimmy Connors-endorsed T-2000 I wanted. Instead, it was a used, wooden-framed racket

Sheriff's Department trains new pack

Thursday was the last day of a weeklong Bloodhound Seminar headed up by Sheriff's Deputy Neal Hoard. The class consisted of 15 dogs, 16 students, and five instructors who trained in several locations across Hamilton County. The dog and handler who came from the furthest west were from Tyler, Texas, and the furthest east was from Boston, Mass. Thank you to the Hamilton County Sheriff's Office Citizens Academy Alumni Association for its generosity in volunteering and to the Diabetes Youth Foundation Camp for the housing during the event.

Take journey back to *The War of the Worlds* with Noblesville Preservation Alliance!

Submitted

Join the Noblesville Preservation Alliance on a journey back in time to a fateful evening in 1938 when many tuned in to hear the horrifying news of an invasion ... an alien invasion.

In October 1938, Orson Wells and the Mercury Theatre of the Air presented a program that would prove to be one of the most memorable events in broadcast history: *The War of the Worlds*.

Despite being presented as a radio play, many people thought it was a real news broadcast and widespread panic ensued. The aftermath of the

broadcast led Wells to issue an apology, but one thing was clear: radio had real power.

Now, you have an opportunity to journey back to 1938 and experience *The War of the Worlds* as so many did on that night.

You'll embark on this journey to the past on Saturday, Oct. 8 from Preservation Hall, 1274 Logan St., Noblesville. Seating is limited, as you might expect of a time machine, so be sure to reserve your spots today.

Don't worry, you'll return to 2022 at the end of the evening, carrying only memories of the past.

Westfield PD wearing pink badges for breast cancer awareness

The REPORTER

The Westfield Police Department (WPD) proudly supports Breast Cancer Awareness Month, which takes place in October every year.

To show this to the public, some officers will wear pink enameled police badges throughout the month.

This campaign promotes increased awareness of the disease and offers information and support to those affected by breast cancer. It also raises funds for research into its cause, prevention, diagnosis, treatment, and a cure.

WPD hopes that the pink badges serve not only as a reminder to encourage citizens to get their mammograms and screening check-ups on a regular basis, but to also convey a message of hope for others on their own breast cancer journey and to let them know that they are not fighting this battle alone.

More information can be found at nationalbreastcancer.org.

Go Purple with Prevail!

On March 6, 2020, Indiana declared a public health emergency due to the coronavirus disease (COVID-19). For victims of domestic violence, COVID-19 was yet another challenge to their existing crisis and trauma. Indiana saw a 181 percent increase in domestic violence-related homicides due to unemployment, underemployment, isolations, alcohol consumption and greater access to firearms. 911 call centers reported up to an 87 percent increase in domestic violence calls.

McENROE

from Page 1

with the name Ann Jones written on it. A girl’s racket! I feigned appreciation, taking a few half-hearted strokes in the living room, fearing any second I would begin developing breasts. “At least it’s not a tuba,” I likely mumbled. Luckily, it was late November, too cold for outdoor tennis. By summer, I forgot I even had a racket. That’s one benefit of winter birthdays.

A few years later, though, something life-changing happened. I watched the dramatic 1980 Wimbledon Championship between Bjorn Borg and McEnroe on NBC. Suddenly, I wanted to be McEnroe. I loved his bad-boy antics. I begged my parents for a new tennis racquet. I assured them I would pay them back once I won Wimbledon. They fell for it. They had no idea what Wimbledon even was. With my new racket, a male one this time, tennis became an obsession.

Two or three matches during a single summer day were not unusual. Hand and foot blisters were common.

The 90- to 100-degree days of July and August didn’t matter. To stay hydrated, I filled the tennis ball can – they were metal then – with warm water from the nearby fountain, each sip tasting like rust and tennis ball chemicals. It likely stunted my growth. Made my hair fall out. Between matches, I’d get a chili dog at Dairy Queen and resume play without gastrointestinal repercussions. My skin went from lobster red to bronze in just a few days.

I was a scrappy, top-spinning, loudmouthed, human backboard type of player. I had no backhand. My second serve was so slow it actually went in reverse. My canvas tennis shoes would rip after only a couple of matches, and I would wrap them with Dad’s electrician’s tape.

With no prior lessons, I joined the Tell City High School Marksmen tennis team. Our coach, also new to the sport, sat in his car and sipped a beer while we ran laps. He reminded me of the coach (Walter Matthau)

on *The Bad News Bears*. We were The Bad News Marksmen.

I played number three singles my first year.

Inspired by McEnroe’s showmanship, I made a spectacle of myself, grunting and jumping with each stroke, diving for the out-of-reach shots as if the asphalt were Wimbledon grass (a little blood never hurt anyone), rolling, sliding like a clay court specialist (this technique caused me to tear my ACL during a match in my 30s), climbing fences, yelling at myself for my boneheaded blunders, and cussing out the tennis ball for its mutinous spirit when losing a point. I would hold the ball up to my face and exclaim, “There’s one in every can!” My teammates ate it up. They nicknamed me “Gazelle” because of my exaggerated, ballet-like leaps during returns.

Though I was a local bad boy of tennis, Mom never missed a match. She applauded with zeal when opponents double faulted, making her, I guess, “the bad mom of tennis.” An Evansville kid, after hearing her squeal with unsportsmanlike delight when he served a ball into the net, asked during changeover, “Who is that #\$\$%&?” To which I replied, “That #\$\$%& is my mom.” I hacked him to death in the third set – in Mom’s honor.

Photo provided
Scott Saalman playing tennis in 1983.

Our team never won a title, often thwarted by the dreaded Jasper Wildcats, historically one of the best tennis programs south of Indy. Anytime Jasper was next on our schedule, we’d plead with our coach, “Do we really have to show up?” He’d burp.

I experienced only one memorable match against Jasper. I scrapped my way into a third set. “Hit it to his backhand. Hit it to his backhand,” my opponent’s teammates shouted then. Even their parents shouted, “Hit it to his backhand.” It was such an infectious chant that I swore I heard my own teammates shout it. Yes, every shot my opponent made went to my backhand. I looked at Coach for advice. I read his lips: “I need a beer.” The third set ended quickly. I lost.

In tennis, I was better than some but worse than most. I never made it to Wimbledon. Sorry, Mom and Dad. Still, God love you, Johnny Mac.

PREVAIL
Advocating for Victims of Crime & Abuse

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

AG Rokita & team achieve \$2.9M settlement in Medicaid fraud case

The REPORTER

Indiana Attorney General Todd Rokita announced Tuesday his office has recovered \$2.9 million to settle allegations that a Northeast Indiana hospital network overbilled Indiana Medicaid between January 2017 and March 2021.

The overbilling resulted from the usage of improper revenue codes submitted to Medicaid for certain blood-clotting tests performed on patients at several hospital locations operated by Parkview Health System.

"All Medicaid providers have an obligation to ensure that they are seeking appropriate and justifiable payments from the Indiana program," Rokita said. "Whenever we have

reason to believe the program is overbilled, we investigate – and then we work to recover any overcharges."

Rokita thanked members of his Medicaid Fraud Control Unit for their work on this case – including Deputy Attorney General Jordan Stover and two investigators, John Mills and Bryan Katterhenry.

"We also appreciate Parkview's cooperation in resolving this matter when it was brought to their attention," Rokita said.

On behalf of Hoosiers, Rokita and his team have now recovered more than \$429 million since he took office in January 2021. That sum represents the work of four divisions: Complex Litigation; Consumer

Rokita

Protection; Litigation; and the Medicaid Fraud Control Unit.

"Our team takes very seriously our responsibility to be wise and faithful stewards of the public trust," Rokita said. "Some recoveries are returned to the public treasury, and some are sent directly to everyday Hoosiers to whom money is owed. Our mission is to ensure justice is done."

The Indiana Medicaid Fraud Control Unit receives 75 percent of its funding from the U.S. Department of Health and Human Services under a federal grant. The remaining 25 percent is funded by the State of Indiana.

Duke Energy helps Noblesville prepare sites to attract jobs & spur economic development

The REPORTER

Duke Energy Indiana has selected three properties in Hamilton, Hendricks and Putnam counties for inclusion in its 2022 Site Readiness Program, which prepares high-potential business and industrial sites for economic development investments and markets them nationwide to companies looking to expand or relocate their operations.

The City of Noblesville recently purchased 77.65 acres of land near East 141st Street and Olio Road, expanding upon nearly 300 acres of land that has been designated Innovation Mile. Innovation Mile will be a mile-long, master planned innovation district that includes advanced manufacturing (industrial), health technologies, life science innovation, wholesale trade, and professional and financial services.

This property holds unique value in its location and proximity to Interstate 69. It also encompasses Borg Warner as an anchor,

which designs, manufactures and delivers mobility solutions for the automobile market. This area will be able to serve companies looking for technology-related infrastructure like fiber and conduit.

“This is the second Site Readiness Program grant the city of Noblesville has received, and we greatly appreciate Duke Energy’s continued support and partnership in economic development,” Noblesville Economic Development Director Andrew Murray said. “The Innovation Mile development will encompass approximately 300 acres and will be able to serve businesses within our targeted industries. This is going to be a very sought-after location for those seeking new construction, and we appreciate Duke Energy’s help to further market the site and attract new companies to Noblesville.”

“We’re committed to ensuring our communities have the resources and support they need to thrive – now and well into the future,” Duke Energy Indiana President Stan Pinegar said. “Utilities play a critical role as industries weigh whether to relocate to an area or expand their presence. The Duke Energy Site Readiness Program has been a valuable offering and we are proud of the program’s many successes. Through

Murray

Pinegar

this initiative and many others, we work hand in hand with local and regional partners to bring new jobs and capital investment to the communities we serve.”

Through its Site Readiness Program, Duke Energy identifies high-potential sites and partners with county officials and local economic development professionals to develop a strategy for getting the sites fully

ready to market to industrial prospects. In Indiana alone, Duke Energy has helped prepare 41 properties that have won 16 major projects since the program started in 2013, drawing more than 5,500 new jobs and \$5.3 billion in capital investment to the state.

The company works with Banning Engineering and Site Selection Group to evaluate sites. Based on consultant recommendations, Duke Energy will collaborate with county leaders and local economic development professionals to develop a strategy for marketing the sites. After each site’s state of readiness has advanced, Duke Energy’s national business recruitment team strategically markets them nationwide to companies looking to expand or relocate their operations. Duke Energy will award up to \$10,000 to each site to help prepare them to attract projects.

Centier Bank welcomes Westfield’s own Ben Studebaker as Regional Sales Manager

The REPORTER
Centier Bank President and CEO Michael E. Schrage has announced Ben Studebaker as Vice President, Regional Sales Manager, overseeing the Greater Indianapolis and Lafayette

Markets. Studebaker joins Centier after spending over 10 years working in banking, starting out as a bank teller and eventually a market leader. Most recently, he served as Director of Mortgage Sales for another financial institution prior to joining Centier.

Studebaker received a bachelor’s degree in finance from Ball State University as well as a Masters of Business Administration from Anderson University. He is a 13-year resident of Hamilton County and said he aims to bring his knowledge about the needs of the community to the team and how we can best serve clients.

“I am looking forward to

spreading awareness about Centier’s rich history and living out our purpose in the Greater Indy market,” Studebaker said. “My goal is to be an uplifting Servant Leader to my team in order to position Centier as the go-to helpful financial guide in our communities.”

Randy Shephard, Senior Vice President of Retail Sales at Centier Bank, said Studebaker’s vast experience in community banking and his enthusiasm makes him a welcome addition to the team.

“We are so thrilled to welcome Ben to Centier

Studebaker

Bank and look forward to seeing him guide and inspire an already fantastic team in our Greater Indianapolis and Lafayette branches,” Shephard said. “His leadership style and warm personality is contagious, adding to the remarkable banking services we deliver to our clients.”

Studebaker resides in Westfield with his husband, Brandon.

For more information about Ben Studebaker, email bstudebaker@centier.com. For more information on Centier Bank, visit centier.com.

Spartz introduces bill to increase transparency of non-profit hospitals

The REPORTER

U.S. Rep. Victoria Spartz on Thursday introduced the Non-Profit Hospital Tax Exemption Transparency Act as part of her package to increase competition in health care.

Non-profit hospitals have accumulated large monopoly powers in many health care markets, although, according to the 2021 Health Affairs study, they spend consid-

erably less on charity care than for-profit hospitals. The current guidelines for community benefit qualifying hospitals for tax-exempt status are vague and could be abused by stakeholders.

Based on multiple studies, including RAND studies performed by the Em-

Spartz

ployers' Forum of Indiana, Indiana has some of the highest hospital prices and health care monopoly issues in the nation.

This legislation clarifies the standards by which non-profit hospitals can qualify for tax exemption.

BBB: Beware perils of 'clickbait'

The REPORTER

Clickbait involves "baiting" an unsuspecting reader into clicking on a link by using enticing verbiage, a salacious headline or an ad that seems too good to be true. Scammers and misleading advertisers also use remarkable current events or disasters to drive clicks.

So, why is clickbait so dangerous? Simply put, clickbait could represent a serious threat to your cybersecurity. Not only could the information that you read online be false, you could be clicking on a malicious link and installing viruses or spyware onto your computer. When dealing with cybersecurity risks, it pays to be cautious.

Even when a clickbait link doesn't install malware, the information presented can be incredibly misleading. Clickbait headlines can also be a form of "native advertising." Native advertising involves advertising or marketing content that appears similar to news, featured articles, and product reviews. The risk of these ads, according to the Federal Trade Commission's Guide for Businesses, is that con-

sumers will not know that the article they are reading is an advertisement rather than a factual news piece. FTC often finds this type of advertising to be deceptive.

The Better Business Bureau (BBB) offers these suggestions to avoid the perils of clickbait:

- Don't take the bait. Always hover over the post, use your mouse, and look at the link. If it seems suspicious, or you don't recognize the source, avoid it.

- Avoid unnecessary updates. Be cautious of videos that redirect you to update your video player. Hackers could be using this seemingly routine download to obtain personal information or access to your computer.

- Avoid "buzzwords." Words like "shocking," "exclusive" and "miracle" are designed to divert your attention and convince you to click.

- Verify. If you are curious about a headline, search credible media outlets for similar information before clicking.

- Check the URL address. Even if links appear to be sent to you by friends, take caution. Scammers of-

ten hack social media profiles in order to send malicious links.

- Is it skillfully written? Pay close attention to issues with grammar, diction or capitalization.

- Would you otherwise pay for this information? If the link promises to deliver something that you would otherwise have to pay for, this is a red flag. Consumers tell BBB that links to IQ tests, credit info, and miracle cures often lead to malware.

You can always report questionable posts to Facebook. Directions regarding how to report these posts is available via Facebook's help center.

Letter to the Editor

Shaffer reviews Brainard’s ‘legacy of numbers’

Dear Editor:

As Carmel’s mayor leaves office, he leaves a legacy of numbers.

In 26 years, his city’s population grew 185 percent as its debt increased exponentially to \$1.5 billion today with more borrowing planned.

Carmel’s city budget grew 71 percent and its property tax rate, more than 50 percent.

More than 140 roundabouts cost a half-billion dollars in borrowed principal and interest, reducing accident and injury accident rates by half of 1 percent.

In recent months, three major scandals erupted:

- A 46-percent cost overrun on Hotel Carmichael built on public expense despite a developer’s “guarantee” it would build not one, but two “motor courts.”
- A sexual harassment complaint against the city attorney which the mayor squelched for more than a year and then accepted the attorney’s resignation after a city councilor’s investigation was brought to his attention
- Another sexual misconduct case within the police department.

The twin jewels of the mayor’s vision, the Palladium and Hotel Carmichael, remain locked in debt. The two hotel bonds won’t be paid off until 2035 and the two Center for the Performing Arts bonds, until 2033.

The mayor initially proposed the Center as a \$17 million program funded by donations and grants. The 2022 principal and interest payments on Palladium bonds is \$7 million alone.

A \$300 million increase in principal and interest owed last year alone won’t be paid off until 2046.

As with Robert Owens’ New Harmony, Ind., Carmel’s utopian centrally-planned dream evaporates in the harsh sunlight of reality.

Bill Shaffer

Rosalba (Rosie) Mariacher

July 13, 1936 – September 25, 2022

Rosalba (Rosie) Mariacher, a loving wife, mother, and friend, passed away peacefully on Sunday, September 25, 2022, residing at Rose Senior Living in Carmel, with her husband Bob at her side.

Rosie was born on July 13, 1936, in Ibagué, Colombia, S.A. She was the 13th child of the late Alfredo and Matilda (Gutierrez) Arbelaez. Rosie came to the United States in 1957 knowing very little English to help her sister, who had given birth to her first child. Her sister was living in Denver, Colo., at that time. Rosie met Bob in 1961 while he was attending the University of Denver. The two of them were married on December 29, 1962, in Denver.

Rosie became a naval wife when Bob was commissioned a U.S. Navy Officer in March of 1963. They spent six months in Athens, Ga., while Bob attended Supply Corps School. From Athens they relocated to San Diego, Calif., where their first two daughters were born, compliments of the Navy. Their son was born in La Habra, Calif., and their third daughter was born in Lansing, Mich. The family of six arrived in Carmel in 1978 where they settled down and raised their children. Besides helping raise her four children, Rosie worked 24 years at Resort Condominiums (RCI) using her bilingual skills in various customer service and support assignments.

Rosie's pride and joy for living was being with her family. She deeply loved her husband, her four children and their spouses, her 12 grandchildren, and her nine great-grandchildren. Rosie was a devout Catholic and active in parish life. She also made time for volunteering at St. Vincent's Women Hospital in the Neonatal unit, the Little Sisters of the Poor, St. Vincent de Paul, and the Women's Care Center.

Rosie will always be remembered for her beautiful smile, tireless work ethic, flair for fashion, special cooking recipes, salsa dancing, and warm hugs and kisses. She leaves a legacy of love, warmth, and kindness to all who knew her whether family, friends, acquaintances, or strangers.

Rosie is survived by her husband, Robert (Bob) Mariacher; her four children, Patricia (Josh) Coughlin, Cynthia (John Richard) Schooler, Gregory (Amy) Mariacher, and Lori (Miguel) Antolinez; 12 grandchildren; and nine great-grandchildren at the time of her passing.

Visitation will be from 9:30 to 10:30 a.m. before the Celebration of Life service at 10:30 a.m., on Thursday, October 13, 2022, at St. Elizabeth Ann Seton Catholic Church, 10655 Haverstick Road, Carmel. Rosie's remains will be interred in the Madonna Mausoleum within the Mt. Olivet Catholic Cemetery in Wheatridge, Colo., a suburb of Denver.

Memorial contributions in Rosie's name can be given to the Women's Care Center, 4901 W. 86th St., Indianapolis, IN 46268 (womenscarecenter.org/indianapolis-indiana). Condolences: randallroberts.com

Our family has been serving Hamilton County since 1953

Larry Eugene Brown

August 13, 1957 – September 24, 2022

Larry Eugene Brown, 65, passed away on Saturday, September 24 at his home. Larry was born on August 13, 1957, in Huntington, W.V., and grew up in the Marion and Huntington, Ind., area. He graduated from Huntington North High School in 1975.

Larry began his career as a proud member of the United States Army. During that time Larry served his country in various locations such as Fort Campbell, Ky., Fort Hood, Texas, Fort Shafter, Hawaii, and a joint services post near Augsburg, Germany. After the Army, Larry had a lengthy career as project manager at Pacific Volt, AT&T and ATS. He began his civilian career in Southern California, eventually relocating to Westfield to be near family. At each place, Larry made many friendships that lasted a lifetime. He reunited annually with friends he served with in the Army. He retired in 2021.

Outside of work Larry enjoyed coaching Pop Warner football, traveling to Las Vegas, singing karaoke (some would say his voice was “like a combination of Fergie and Jesus”), visiting and decorating his mother's gravesite, and hanging out with family and friends.

After retirement, Larry devoted much of his time to the Cicero American Legion Post 341, working toward a better future for veterans. He and his girlfriend ran the kitchen, providing food and entertainment on Wednesday and Friday evenings. Joining the American Legion Riders and participating in the fundraising events brought him his greatest joy. Larry knew how to live in the present and was the life of every party. He was known to be a consummate optimist and to have a big heart. Larry cared about family, friends, and relationships. He did not care about material things – with the one exception of his Harley Davidson motorcycle, or Trans Am, or Corvette, or ... well, he liked fast cars.

Larry was preceded in death by his parents, Eddie and Bonnie (Billups) Brown.

He is survived by his girlfriend, Genoveva (Jenny) Estandarte; sons, Larry (Sabrina) and Dannon (Andrea); grandchildren, Logan, Tyler, Gavin, Jon, Ashley, Alex, Christiaan, Jack, and Carlo; siblings, Jeff (Mary), Lesa (Mark), Deana (Buck), and Tracey (Staci); and many nieces, nephews, and cousins who loved and admired him.

The family will receive friends from 2 to 5 p.m. on Saturday, October 8 at the Hartley Funeral Homes Cicero Chapel, 209 W. Jackson St., Cicero. A memorial service will follow at 5 p.m. An after-service reception will be hosted by Larry's American Legion Post 341 brothers and sisters, next door at the post's home, 50 Washington Ave., Cicero.

Memorial donations may be made to Cicero American Legion Post 341.

Arrangements are entrusted to Hartley Funeral Homes Cicero Chapel, 209 W. Jackson St., Cicero, where you may send condolences at hartleyfuneralhomes.com.

TODAY'S BIBLE READING

Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Resist him, standing firm in the faith, because you know that the family of believers throughout the world is undergoing the same kind of sufferings.

And the God of all grace, who called you to his eternal glory in Christ, after you have suffered a little while, will himself restore you and make you strong, firm and steadfast. To him be the power for ever and ever. Amen.

1 Peter 5:8-11 (NIV)

Nancy L. Hester Dew

May 4, 1942 – September 8, 2022

Nancy L. Hester Dew, 80, died on September 8, 2022, at her residence in Fishers. She was born on May 4, 1942, to David Hester and Velva Kendall Hester, both deceased.

Nancy graduated from Shelbyville High School in 1960 and went on to IUPUI, graduating 1968. She was employed by General Motors Bus and Truck from 1964 until retiring in 1998.

Surviving Nancy are her first cousins, Aaron, Barry (Jane) Laird, Rosie Handley, Jackie Handley Brown (John), and Donna Turner.

Nancy is preceded in death by Sonya Swick and dear friends James (Jennifer) Neal and family.

A memorial service will be held at 1 p.m. on Saturday, October 8, 2022, at the Fall Creek Township Trustee's Office, 11595 Brooks School Road, Fishers.

Royal record unblemished

Hamilton Southeastern takes 7th victory on Noblesville’s turf

By **RICHIE HALL**
sports@readthereporter.com

NOBLESVILLE – Hamilton Southeastern ran its unbeaten record to 7-0 Friday night, as the Royals pulled away from Noblesville 38-14 in a Hoosier Crossroads Conference game at Beaver Field.

Southeastern scored one touchdown in each of the first three quarters. Both of the Royals’ first-half touchdowns came late in their respective periods: Jalen Alexander made a 47-yard run into the end zone with just under three minutes to go in the first quarter for Southeastern’s first score.

Then with just over a minute left in the second period, Donovan Hamilton made a big catch for HSE’s second touchdown. It was a 21-yard throw from Ty Bradle, and it gave the Royals a two-score lead. Carter Gutt made both extra-point kicks, giving Southeastern a 14-0 lead at halftime.

“We didn’t start real quick,” said Royals coach Michael Kelly. “We’re still trying to find a way to get after it offensively. And at the end of the day, we got to be able to start fast. I’m proud of our team, how they continue to fight and battle through some

adversity there.”

Alexander picked up another touchdown in the third quarter, making a two-yard push into the end zone midway through the period. The Millers answered with their first touchdown late in the quarter, when Gabe Bellan punched the ball in from the two-yard line.

The Royals got going in the fourth quarter. Clayton Wilke scored after catching an eight-yard touchdown pass from Bradle. Gutt later kicked a 43-yard field goal. Southeastern completed the scoring with one more passing touchdown: Chandler Weston threw a pass to Jack Osiecki near the sideline, and he ran it in for a one-yard score. Gutt made the extra-point kick, giving him a 5-for-5 mark for the night.

Alexander finished with 142 rushing yards, while Eli Brantman totaled 107 yards.

Noblesville got one more score late in the fourth period, as Gage Gulley ran the ball in from the one.

“Very proud of our kids,” said Noblesville coach Dave Sharpe. “They fight to the very end.”

Logan Shoffner led the Millers’ rushing with 108 yards.

“Offensively, we knew this is a tremendous defense we’re going up against, and it’s just very hard to continue to sustain success either on the ground or through the air,” said Sharpe. “They’re very good and it was great to see us play hard to the very end.”

The Royals are 5-0 in conference play and travel to Franklin Central next Friday. Noblesville is 0-5 in HCC play and 2-5 overall, and plays at Brownsburg next Friday.

Westfield’s ground game provides second half boost for win over Avon

By CRAIG ADKINS
For The Reporter

WESTFIELD – It’s never a good thing when a high school football game is peppered with penalties. Both Avon and Westfield had their fair share of yellow flags thrown. If it wasn’t turnovers, three missed field goals or a blocked punt, the first half had many moments that warranted a pretty heated halftime locker room.

There must have been something that the Westfield coaching staff drove home to the Shamrocks that turned their first half miscues into multiple positives in a 35-21 win over Avon last night.

“It felt like we should have had a good lead at half and then had the ball coming out. We missed three field goals. I think we finished the night with eight penalties, some that were self-inflicted and unacceptable,” said Westfield head coach Jake Gilbert on the impact penalties and mishaps on special teams affected the first half.

It became a habit for the ‘Rocks to begin drives in Avon territory. Westfield had the fortune of beginning 10 of its 14 offensive possessions on Avon’s side of the field. Their first series began at the Avon 37. Four plays into it, Cole Ballard ran up the middle for a 7-0 lead.

Avon quarterback Mason Reynolds fumbled on his own 21, giving Westfield a short field.

A false start brought the third play back to a third down and 12 at the Avon 23. The ‘Rocks fumbled it right back. The Orioles didn’t get far, being forced to punt.

After a short punt, Avon held strong on defense and forced Westfield into a field goal opportunity. Brody Boehm would miss wide right on a 44-yard attempt.

The Orioles then put together a drive in the early part of the second quarter that resulted in a two-yard touchdown run from Dailon Zeigler to tie it 7-7.

The ‘Rocks blocked an Avon punt and recovered it at the Oriole 34, but Boehm would miss another field goal just into the final minute before halftime, leaving the score 7-7.

“Obviously, poor on our offense and the execution in the first half, but much better in the second half,” stated Gilbert on Westfield’s turnaround in the second half offensively.

“Great by our defense the whole time. So, the defense had their backs against the wall and had to keep going and making plays. For them to come up with five takeaways, that’s amazing,” said Gilbert on his defense’s performance throughout the game.

Sophomore Kendall Garnett is turning into quite the back for Westfield. Being thrust into a starting role in the past few weeks has really sparked him and bolstered his production.

Garnett found the end zone for the first of his two scores on a one-yard run up the middle that broke the tie, putting Westfield up 14-7 early in the third.

On the next Avon series, Reynolds fumbled and Mikeah Webster pounced on it. Once again with great field position, Boehm was set for a shorter field goal. This time, it was blocked by the Orioles.

Westfield’s Kendall Garnett rushed for 126 yards and two touchdowns for the Shamrocks during their 35-21 win over Avon Friday night.

It took no time at all and Westfield stripped the ball from Reynolds.

Starting at the Avon 31, Ballard capped off the short drive with a one-yard run for the TD to make it 21-7.

The next time on offense, Ballard threw an interception. A few plays later, the Orioles cut into the Shamrock lead.

A penalty was called and Avon ran a play with no time on the third quarter clock. On a third down and 18 at Westfield’s 29, Reynolds found Cameron Green for an 18-yard TD pass, narrowing the gap to 21-14 after three.

The next drive for Westfield, Garnett ran from five yards out pushing it back to a two-score game at 28-14.

“Our running back played his butt off. I thought our quarterback (Cole Ballard) was a warrior. I felt like our defense was extremely opportunistic with their takeaways,” stated Gilbert on the play of Garnett and Ballard in the backfield.

Avon wasn’t giving up hope on a comeback, but time wasn’t on their side. The scored in the middle of the fourth on a five-yard run from Jaiden Jones, cutting it to 28-21.

The ‘Rocks were then faced with a third down and nine at the Avon 34. Ballard faked the draw to Garnett and kept it, running up the middle for a 34-yard touchdown for what would be the final score of 35-21.

“They kind of willed us to win,” said Gilbert of Garnett and Ballard.

“I thought the o-line picked it up. We had a whole new o-line from last week. Three guys in different spots, two new players and they started to get in sync in the second half and I was happy with that,” stated Gilbert, complementing the offensive line.

“We did what we had to do to win the game. We have great potential, poor execution as a team, poor discipline, but we’re working on it. I’m just happy we got the win,” continued Gilbert on some areas the Shamrocks need to improve on before next week’s game at Fishers.

Having a sense of urgency, the Orioles took to the air and that’s when Shamrock defensive back Andrew Lieske picked off a Reynolds pass that sealed the game for Westfield.

Avon (0-7, 0-5 HCC) is having trouble trying to piece together a win. Last season, the Orioles dropped their first eight before winning their regular season finale against Noblesville.

The Orioles host Zionsville (4-3, 2-3 HCC) next week.

Kendall Garnett carried 29 times for 98 yards and two touchdowns and Cole Ballard ran for 96 yards on 13 rushes and three scores.

Westfield (4-3, 3-2 HCC) has a tough task on the road at Fishers (5-2, 3-2 HCC) on Friday.

‘Hounds Homecoming hoopla!

Carmel first team to hold rival Ben Davis to 14 points this season

The REPORTER

Carmel and Ben Davis had yet another one of their classic football battles on Friday, which was also the Greyhounds’ Homecoming game.

In the end, Carmel made it one to celebrate, as a fourth-quarter score sent the Greyhounds past the Giants 21-14. It was a relatively even game between the two rivals, with both teams finishing around 300 yards of total offense.

“We ran the ball a little better than them, but they threw the ball, a lot more completions than us,” said Carmel coach John Herbert. “But it didn’t feel like there was this big imbalance. There were moments where it just seemed we couldn’t stop Ben Davis, and then somehow we would.”

The ‘Hounds were leading 14-7 after three quarters, but the Giants scored on a two-yard run just 45 seconds into the fourth. Carmel eventually got the lead back with 4:20 left when Reece Bellin caught a three-yard touchdown reception from Jack Kazmierczak.

That was Kazmierczak’s third touchdown throw of the game, which meant he was responsible for all of the Greyhounds’ scores. With less than a minute to go before halftime, Kazmierczak tossed a 73-yard

Huskies lower the boom on Tipton

The REPORTER

Before Hamilton Heights took to the field with Tipton for its annual rivalry game for The Hammer, Huskies coach Jon Kirschner pointed out that the last time Heights had won that Hammer was back when Sterling Weatherford – now playing for the Chicago Bears – was on the Huskies team.

“It’s time,” Kirschner told the present-day Huskies.

After that, Heights came out and hammered the Blue Devils, 42-7. The Huskies thus beat their backyard rival for the first time since 2016.

“We just played fast and we flew around the football field, and we had a blast doing it,” said Kirschner. “Proud of my coaches. I thought we executed a great game from a staff standpoint as well. When we made mistakes, we were able to fix them. All around, just a good, solid night.”

Heights got on the board early when Ty-

ler Champion caught a 66-yard touchdown pass from Bodie Derrer, and the quarterback was just getting warmed up. That would be the only score of the first period.

The Huskies turned it up in the second quarter, putting in three more touchdowns. Derrer punched the ball in from the one early in the period. Later, Dean Mason scored on a 36-yard interception return; Kirschner said this was Mason’s first full game of the season after injuries.

Then with 17 seconds left before halftime, Champion caught another scoring pass from Derrer, this one for four yards. Teigan Scoles was 4-for-4 in extra-point kicks for the half, and that gave Heights a 28-0 lead.

Tipton scored its touchdown early in the fourth quarter on a 10-yard run, but that would be all. Jaylyn Pugh took a 14-yard Derrer pass in for a touchdown with 7:05 left in the fourth, and Vincent Harley completed the scoring by bringing in another

14-yard Derrer pass. Scoles made both extra-point kicks.

Derrer had an outstanding, night going 15-of-23 for 210 yards and the four touchdowns. Champion made six receptions. Trey Ehman led the rushing with 108 yards.

The Huskies improved to 2-1 in Hoosier Conference East Division play and are 5-2 overall. Heights travels to Lewis Cass next week to finish division play.

The Sheridan Shutout Special

This week, Farmersburg feels Blackhawks’ wrath

The REPORTER

The Sheridan football team pitched another shutout on Friday.

The Blackhawks traveled to North Central Farmersburg, south of Terre Haute, and kept their win streak going by sailing past the Thunderbirds 42-0. It’s the third week in a row that Sheridan has not allowed an opponent any points, and the fourth shutout this season.

The last time the Blackhawks had four shutouts during a season was in 2007. Sheridan had five shutouts during that campaign, one that finished 15-0 with a state championship.

The Blackhawks scored six touchdowns, all by run. Eli Kolb (23 yards) and Peyton Cross (five yards) scored in the first quarter to give Sheridan a 14-0 lead, then three more put the ‘Hawks up 35-0 at halftime. Cross took off on a 44-yard run, Zach Bales punched one in from the one-yard line, and Keegan Hampton took an interception return 44 yards to score.

Cross finished the scoring in the third quarter by making another 44-yard touchdown sprint. Owen Bell went 5-of-5 for extra points, with Caleb Alexander kicking the extra point

There is a tight battle for the team championship at the IHSAA girls golf state finals, which began Friday at Prairie View Golf Club in Carmel.

Center Grove leads the team standings after the first round with a score of 320. Carmel is right behind with a 323; the Greyhounds led for most of the day before the Trojans made a late run to the top of the leaderboard.

Ava Nguyen and Claire Swathwood both scored 80s for Carmel, with both making two birdies. Kamryn Williams also had a pair of

birdies in her first round, with Sophie Mock and Michaela Headlee both getting one.

Westfield is in seventh place currently with a score of 335. Samantha Brown got going during the later part of her rounds and is tied for fifth place individually with a 78, draining three birdies along the way. Addi Kooi carded a 79 and is tied for eighth, she made one birdie.

Hamilton Southeastern finished the first day in eighth place as a team with a 347. Janelle Garcia led the Royals with a score of 83.

Noblesville is right behind Southeastern, cur-

rently in ninth place with a 348. Caroline Whallon had a strong start to the tournament and is part of the fifth-place tie with a 78. Josie Kelley and Jordan Adam both made one birdie in their opening round.

Play continues today, with the first golfers teeing off at 8 a.m.

touchdown pass to Bellin, finally getting Carmel on the board after a near-scoreless first half.

Ben Davis opened the third quarter with its own 73-yard touchdown pass, but Kazmierczak answered

that with a 61-yard throw to Nathan Rodgers for another touchdown.

Kazmierczak finished the game 10-of-18 for 204 yards, with Bellin’s six catches totaling 138 yards. Alijah Alfayyad led the

rushing with 94 yards.

The Giants were averaging 34.7 points per game coming into Carmel Stadium, and it was the first time this season a team had held Ben Davis to 14 points.

“Our defense was just

outstanding,” said Hebert. “We watched all of Ben Davis’ games and their offense was just so prolific. We were able to stop the run.”

Carmel is 5-2 and plays next Friday at Warren Central.

Fishers sails past Flashes with two touchdowns in final quarter

The REPORTER

Fishers had to come from behind in the fourth quarter of its Hoosier Crossroads Conference game at Franklin Central on Friday.

The Flashes had the Tigers down 15-14 early in the final period, but Fishers scored two touchdowns to escape with a 26-15 victory. The win gets the Tigers back above .500 in the conference at 3-2.

A Franklin Central touchdown with 10:21 left in the quarter gave the Flashes a one-point lead. Fishers got out of trouble thanks to a 51-yard touchdown pass from Lucas Minns to Aidan Zimmer, which gave the Tigers a 20-15 lead. Khobie Martin then sealed the game for Fishers by making a 10-yard run with 1:33 left to play.

“They’re a good football team,” said Tigers coach Curt Funk. “We knew it was going to be tough on the road. Our kids fought hard and they never gave up, and we learned a lot from this game. As a team, I feel like we’re a better football team now because of the struggle we had tonight against a good Franklin

Guerin Catholic back on track

Golden Eagles put up most points in a game since 2016

The REPORTER

Guerin Catholic got back on the winning track in grand fashion Friday, as the Golden Eagles soared to a 59-35 win over Northview at the Eagles Nest.

Those 59 points were the most scored by a Guerin Catholic team since the Golden Eagles put up 60 points on Broad Ripple back in 2016. Guerin’s offense produced 374 yards of total offense and eight touchdowns.

Luke Moody started the scoring with a 94-yard kickoff return in the first quarter, then Cooper Navarro and Malcolm Houze both made short touchdown runs. GC went to the air in the second period, starting with a 25-yard touchdown pass to Jack Cherry.

The Knights were keeping up with the Golden Eagles, and the score was tied at 28-28 late in the second quarter. But a 39-yard touchdown pass from Houze to Fremion gave Guerin Catholic a 35-28 halftime lead, and the Golden Eagles would roll through the second half.

Guerin Catholic coach Tom Dilley had praise for Houze, who was making his third start after coming in for injured Ryan Zimmerman. Dilley said Houze “took a big step forward tonight. Made some nice reads and actually changed a couple plays the way he should have.”

Evan Guenther began the third quarter with a field
