Meals on Wheels of Hamilton Co. launches new breakfast program

Duke Energy supports nonprofit's efforts with \$2,800 grant

The REPORTER

After a successful pilot program, Meals on Wheels of Hamilton County has officially launched a new frozen breakfast option for its clients, furthering the organization's mission of enhancing the quality of life of homebound individuals and seniors in Hamilton County by providing nutritious meals, personal interactions, and independence.

Beth Gehlhausen, Meals on Wheels of Hamilton County Executive Director, notes the response to the breakfast option has been overwhelmingly positive. During the pilot program, a \$2,800 grant from Duke Energy made breakfast meals possible five days a week for eight weeks for 12 clients.

The frozen breakfasts are delivered Friday mornings and can come in quantities from two up to seven.

"Because the breakfasts are

frozen, it gives our clients greater flexibility to enjoy their meals on days and times that work for them," said Gehlhausen.

By introducing the frozen breakfast option to its meal offerings, Meals on Wheels has seen monthly orders increase from an

average of 634 meals monthly to 1,700 meals last month.

My first chat with my birth father

As my adoption and reunion story continues, I've changed some names, places, and dates.

I thought I could wait a couple of weeks after speaking with my birth mother before I wrote to Jack, my birth father. But one thought nagged at me. If he and his family were from Indianapolis, maybe he still had relatives nearby that he would be visiting in the summer. What if I waited too long, and he would be just 30 minutes away from me and I wouldn't be able to meet him? I knew all this was a long shot, but I didn't want to miss out on that possibility.

I crafted a letter like the one that I sent Linda and put it in the mail. My gut said I wouldn't have to wait as long for a response – if I did get one – since Memphis is somewhat closer to Indianapolis. And it was correct. In five days, I received a brief email from Jack.

Tony Craig named Sheridan police chief

Earlier this month, the Sheridan Board of Metropolitan Police Commissioners appointed Tony Craig as Chief of Police.

Chief Craig is a veteran law enforcement leader and brings his years of experience to this critical position. The Town of Sheridan is experiencing many exciting changes, and town officials say Chief Craig's leadership will position the department to meet the community's needs.

"I am humbled and honored by this opportunity to serve the women and men of the Sheridan Police Department and the citizens of the town," Craig said. "The future of the town is bright, and I am excited to be part of it."

Sheridan Town Council President Silas DeVaney, III said, "We are excited to welcome Chief Craig to the Sheridan Police Department. His past work experiences will lead Sheridan to a successful future. And his passion for family and community fit perfectly with our town."

Noblesville's 'Home for the Holidays Tour' will return with traditional parade route

The REPORTER

Noblesville Mayor Chris Jensen has announced the return of the annual "Home for the Holidays Tour" featuring Santa Claus during the first weekend of December.

"The Home for the Holidays Tour will be back and bigger than ever this year," Jensen said. "This tour encompasses a large part of Noblesville, as last year it covered over 110 lane miles."

The city has identified six routes that cover the areas of

Noblesville. Jensen said one route – the downtown portion – will be the traditional parade route.

"While we have had a route that covered the Downtown Noblesville area in past years, we will be including the traditional downtown parade route this year," Jensen said. "The downtown tour also will include not-for-profits and community groups. As our

The "Home for the Holidays Tour" will be split by the White River. Three routes, including the traditional parade route, will be held east of the river on Saturday, Dec. 3. The first tour will begin at 9 a.m. and the traditional downtown parade will be held at 2 p.m. Another three routes will be held Sunday, Dec. 4 west of the White River.

9th annual event will provide direct funding for Christmas season assistance to local families

The REPORTER

Good Samaritan Network (GSN) of Hamilton County, Inc., a local non-profit 501(c)(3) organization, has announced the ninth annual Hamilton County Festival of Trees.

The return of this holiday tradition marks a significant impact for Hamilton County families because it helps provide direct funding for Holiday Assistance to the unserved, at-risk, and underserved.

The Festival of Trees will be held at 6 p.m. on Saturday, Nov. 19 with an on-site live event and auction, as well as a silent auction both onsite and offsite. The live event will take place at the beautiful Renaissance Indianapolis North Hotel, 11925 N. Meridian St., Carmel. The evening includes a dinner, a keynote speak-

er, and an auction including custom designed themed Christmas trees, wreaths, and table centerpieces – all hand decorated by local designers specifically as fundraising pieces.

Reservations are available and are required due to limited seating. To RSVP, please visit gsnlive.org/festival-of-trees or call Good Samaritan Network at (317) 842-2603 ext. 200 for more details.

"In 2021 we thoroughly enjoyed our first year at

the Renaissance North with a near-capacity crowd. It also marked our first year back 'live' (onsite) since COVID, with over 309 generous bids placed," GSN Executive Director Nancy Chance said. "2021 was our best year ever with our strongest sponsors and participants, grossing \$79,462.57. The 'live' auction was incredibly fun and very successful in raising nearly \$24,000 alone!"

PARADE

Routes are still being designed and will be announced in the coming weeks.

Due to COVID-19 cases and public health concerns, several changes were made to the city’s holiday events in 2020. The “Home for the Holidays Tour” with Santa Claus and several city departments including the police, fire, street, engineering, utilities and parks vehicles was created as a way to take Santa to the people and thank first responders

and essential workers. Instead of hosting a large gathering, Santa made his way throughout Noblesville neighborhoods.

“The pandemic made us be creative to keep the holiday spirit alive,” Jensen said. “In the four years prior to the change, organizers saw a decline in parade participants and attendance. By changing the format, we immediately saw larger crowds of enthusiastic residents that really enjoyed the new plan, and we heard positive feed-

back from many residents who otherwise would not have been able to participate at an offsite location. Each year since, we’ve tried to take Santa and the ‘Home for the Holidays Tour’ to more people and neighborhoods.”

The “Home for the Holidays Tour” is part of the city’s seasonal celebration. Holidays at the Hill returns to Federal Hill Commons starting Saturday, Nov. 19. The holiday tradition in the City of

Noblesville includes an ice-skating rink, walking light tour, carriage rides and holiday market. The Lights Over Seminary holiday display will begin Dec. 2 as part of the First Friday events taking place in Downtown Noblesville.

Not-for-profits and community groups interested in participating in the traditional downtown parade route or any of the neighborhood routes, free of charge, may visit cityofnoblesville.org/parade.

FIRST CHAT

Dear Amy,
I am so pleased to get your letter. It is wonderful to hear from you. I am doing a lot of teaching in the evenings but will look over my schedule and let you know of some possible times for a

phone call soon.

Looking forward to it, Jack
Chills traveled up and down my spine. I felt like I had truly hit the jackpot. Both of my birthparents were happy to hear from me. Both were willing to speak to me.

“I just want to pinch myself,” I said to my husband, John.

And on yet another Wednesday evening just a couple of weeks later, I had the chance to talk to my birth father. This time it was on my cell phone while waiting to pick up the boys from youth group.

Jack called me at 7:30. His voice was deep, strong, and steady. My hand flew to my face in amazement upon hearing it.

“How are you, Amy?” He asked.

“Oh ... I’m good, excited, and nervous!” I replied.

He laughed easily.

“Well, I think I am too.” Jack said. I gazed at the sunset over the football field near our church as we spoke, knowing that I would never forget this moment in my life.

“So, tell me how you found me,” he said. I explained the various steps

I had taken. Jack also had not heard about the State of Ohio opening its records.

“I did the state registry years ago, but nothing ever came of it.” Jack replied. *Wow, I thought, he had been looking for me!*

“I did the same thing, but in the state of Indiana,” I said. “I’m afraid I got a little mixed up. I’ve heard since then that registries don’t often bring people together.”

“I called a couple of other places and also got a brochure for a nonprofit that helps to reunite people from Ohio,” he said. “But I didn’t get very far. I figured after I retired, I would take a trip to Columbus and try to get some answers in person.”

John and I had wondered if one or both of my birthparents had ever looked for me. Now I had an answer. Sooner or later, I would’ve at least met my birth father.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County (nearly 80 percent of clients are women and children). Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Purchased trees will be professionally delivered free to the purchaser’s residence or address of choice by the following Monday after the live auction and event.

The Festival of Trees will include *mobile and on-line bidding*! You will simply register, which allows you to bid by phone and/or online at any time during the bidding. No app download is required.

Each of us is painfully aware of the economic downturn we are experiencing in our country. Sadly, it significantly impacts non-profits, like GSN, and we have been forced to increase RSVP prices. To help offset event cost increases for Festival of Trees 2022, we are making available an early registration promo code you can use to save 10 percent.

This county-wide Holiday Assistance Program is made possible, in part, because of in-kind donations received and processed all year long to GSN, which is dependent upon the neighbors and residents of Hamilton County for their donations of gently used or new toys (especially for 8- to 13-year-olds) and that are repurposed without cost to the residents of Hamilton County. Gently used bicycles are also welcomed and repurposed for families through the Recycled Cycles program.

Additional funds are required to handle expenses for the Holiday Assistance program, including perishable and nonperishable food.

Last year’s Holiday Assistance Program served over 46,000 people with (1) Thanksgiving distribution of food boxes, (2) Thanksgiving Day Meals (drive-thru and delivery), (3) Christmas distribution of food boxes and holiday toys, and (4) with the delivery of 791 meals for shut-ins on Christmas Eve! The annual Holiday Assistance budget is over \$71,000.

Speaking about the value of sponsorship, Chance said, “During the last eight years we’ve held Festival of Trees, we have enjoyed 93 amazing sponsors accumulating over \$140,000. They collectively directed assistance to Hamilton County families by supporting GSN’s programming and services! That’s incredible and that’s why sponsor participation is so critical! Sponsorships usually provide nearly 40 percent of the total fundraising gross, making a huge investment in our community and showing generosity and concern for our neighbors at the holidays! Thank you, sponsors!”

Sponsorships are available in multiple categories, including: Event Sponsor

\$8,000; Pinnacle Sponsor \$4,000; Pillar Sponsor \$2,000; Platform Sponsor \$1,000; and Partner \$500. Sponsors can easily register online at gsnlive.org/festival-of-trees.

Vietnam Veterans and Korea Veterans

Open House, Saturday, November 5

9:00 – 11:00 a.m.

Most states celebrate “Welcome Home Vietnam Veterans Day” the date of the final withdrawal of U.S. troops from Vietnam. The day commemorates the sacrifices of Vietnam veterans and is part of a national effort to recognize the men and women who were denied a proper welcome upon returning home more than 40 years ago. The United States Congress has designated March 29 of each year to be recognized as National Vietnam War Veterans Day. This year Horseshoe Prairie Chapter, NSDAR, will recognize these veterans on November 5th.

To recognize military service men and women who served during the Vietnam era, as well as those who served in Korea, we invite you to attend an Open House at Noblesville Township Community Center, 372 S 8th St, in Noblesville.* Coffee, juice and various food items sponsored by The Farmers Bank will be served by members of the Horseshoe Prairie Chapter. Members of the “Rugged Brothers” band will entertain us with a few of our favorite songs.

The Horseshoe Prairie Chapter recognizes and thanks all our military veterans for their service and dedication to our country. Ancestors of the Daughters of the American Revolution fought to establish a country free from tyranny and provide the independence we enjoy today.

PLEASE JOIN US ON NOVEMBER 5 – WE APPRECIATE YOUR SERVICE AND LOOK FORWARD TO SEEING YOU !

Don't run red lights with your health

"Is it not unlawful to run red lights?!" – Rhetorical question from me to my husband Bruce

Readers: Warning! Metaphors ahead!

Recently I have been frighteningly impressed by the number of vehicles running traffic red lights, primarily in the Noblesville area. I am horrified by the number which continues to grow. This says much about our civil society these days, but I digress. I am tempted to go THERE but will not! However, I have been reflecting on these important traffic lights and how we can use those as metaphors which relate to our own health and well-being. For instance:

Eating Plan: (Do not call it a "diet" – which should only be used as a noun, not a verb!)

Green light

- Complex carbohydrates (whole grain breads, peas, beans, potatoes, oats, fruits, vegetables)
- Fats – monounsaturated and polyunsaturated (avocados, olive oil, unsalted nuts and nut butters)
- Proteins (lean meats, seafood, eggs, dairy, seeds and nuts, legumes, soy)

Yellow light

- Sodium
- Saturated fats (cheese, palm and coconut oils, red meats)
- Alcohol

Red light

- Fast foods (Sorry!)

COLUMNIST

SHARON MCMAHON
Be Well

grains While the above usage of "traffic lights" is meant to merely illustrate foods which are the most safe and healthy, just remember that for your best life that 45 to 60 percent of your eating plan should be carbohydrates, 20 to 35 percent healthy fats, and 10 to 35 percent proteins. Persons with specific medical conditions will need to consult their physicians.

The Green Lights will keep you healthy, the Yellow Lights can be tricky so be careful, and if you find yourself in a Red Light situation – be careful! These guidelines are intended to help people decrease their risk of some forms of cancer, heart disease, obesity, diabetes, high blood pressure, stroke, osteoporosis, and liver disease – the so-called lifestyle diseases. So please ... eat healthy, pay attention to yellow lights, and don't run those red lights!

AG Rokita wins another settlement to combat robocalls

The REPORTER

Indiana Attorney General Todd Rokita announced on Thursday an historic settlement with Startel Communication LLC and its CEO.

Rokita filed suit in October 2021 against Startel, an Indiana company, and several other defendants for allegedly assisting and facilitating foreign robocallers in India, the Philippines, and Singapore who robocalled Hoosiers.

Rokita and Startel came to a resolution that will protect Hoosiers from more illegal calls. The resolution requires Startel and Ms. Hall, the CEO, to exit the telecommunications industry forever. Further, Startel and Hall are prohibited from operating or working with a telecommunications company.

"The people of Indiana are tired of being bombarded by robocalls, and this settlement is a win for Hoosiers," Rokita said. "If telecom companies are unwilling to stop the robocalls flooding into the U.S., we have no problem putting them out of business for good."

In this case, the robocallers allegedly made over 4.8 million

phone calls to Hoosiers and hundreds of millions of calls to other states across the country. The robocallers allegedly operated a variety of scams, including IRS and Social Security Administration imposter scams, legal action or arrest scams, computer support scams, Apple support scams, and Amazon subscrip-

tion scams. Rokita offers the following tips to avoid scams and unwanted calls:

- Be wary of callers who specifically ask you to pay by gift card or cryptocurrency (like Bitcoin). For example, the IRS does not accept iTunes gift cards.
- Look out for prerecorded calls from government agencies you were not expecting. Typically, the IRS and SSA do not call people.
- If you suspect fraudulent activity, do not provide any personal information and end the call.
- Contact Attorney General Rokita's Consumer Protection Division at 1-888-834-9969 or donotcall@atg.in.gov.

Noblesville’s own Kevin Yaney publishes three Civil War novels

The REPORTER

Noblesville resident Kevin Yaney has just published *The Fourth of July*, a trilogy of historical fiction books set during the Civil War. From 4 to 6 p.m. on Thursday, Oct. 27, Yaney will sign books at the Adler Building, 136 S. 9th St., Noblesville. During the event, he will have casual conversations about the story, the Civil War, spies, abolitionists, and Indiana soldiers involved in the fight. The event is open to the public.

The three books of *The Fourth of July* trilogy tell the story of Louisa McLain and her two sons, George and Will. Sixty years after the war, on the Fourth of July, Louisa is in a nursing home, reading letters her sons sent her during the conflict. As the story unfolds, it is discovered that both George and Will were recruited as Union spies. They were sent perilously behind enemy lines, dressed as Confederate soldiers. They also became part of the abolitionists’ movement through the Underground Railroad, running slaves out of the South to freedom.

“These books came from my research on spies during the Civil War, the Underground Railroad, the involvement of Indiana soldiers in the war, and my family lineage,” Yaney said. “I have always had a fascination with people who risked their lives to promote what they believed. That certainly came about

I enjoyed researching the history behind the events, particularly from the letters left behind by those who were part of the conflict.” The books explore the complicated issues of the day, particularly slavery and the radical abolitionists movement to eradicate it by any means. It also reveals the strong ties of family and faith that those scattered by the atrocities of war will be reunited. If you enjoy history, the books are faithful to actual events.

“It was important to me that these be historically accurate,” Yaney said. “That being said, there were some crazy things that went on during the war, especially when you get into all the spying and movement of fugitive slaves.”

Citizens Gas of Westfield proposes rate hike, asks for customer comments

The Hamilton County Sheriff’s Office thanks Indiana University Athletics for playing host to the Fall 2022 Hoosier Network Event. It was great visiting with students about to start their careers, some in law enforcement, and answering questions for them at the recruitment table. Sgt. Cancer Care Cup raises \$42K at charity dinner & golf outing

Nonprofit assists cancer patients & families with treatment costs

The REPORTER

More than 150 people attended the sixth annual Cancer Care Cup Charity Dinner, Auction & Golf Outing on Aug. 28 and 29 at The Bridgewater Club. Together, the dinner, auction and golf outing raised \$42,000 through dinner ticket sales, sponsorships, silent auction items and golfer participation.

Ed McLaughlin, Co-Founder of Predictive InSight and Executive Advisor with NEXERA, gave an encouraging speech at dinner. He issued a \$3,000 in 3 Minutes Challenge, and guests graciously donated over \$3,500. Dave & Rae provided entertainment, and the next day golfers participated in the golf outing.

“We really want to thank our supporters and sponsors,” Cancer Care Cup Vice President Karen Keinsley said. “Without their support we wouldn’t be able to help so many on-

cology patients in need.”

About Cancer Care Cup

Cancer Care Cup, a 501(c)(3) non-profit, was established in 2017 to assist cancer patients receiving oncology treatment. To date, the organization has contributed over \$175,000 to patient assistance funds helping with expenditures that would otherwise be financially difficult for the patient or caregivers. Those receiving help from the patient assistance fund have used funds to pay for hotel stays, transportation, medical devices, gas, and meals while undergoing treatment at the hospital.

The Cancer Care Cup volunteer board is staffed by cancer survivors, caregivers and supporters who have witnessed first-hand the devastating emotional and financial toll a cancer diagnosis can take. Group members say they are motivated to help support oncology patients and their families.

Cancer Care Cup raised \$42,000 at the sixth annual charity dinner, auction and golf outing in August.

“We believe no one should fight alone! If you are an oncology patient or caregiver needing assistance please contact us, we are here for you,” Cancer

Care Cup Co-Founder Gina Terril said.

For more information about Cancer Care Cup, please visit CancerCareCup.com.

Letter to the Editor —

Former Noblesville teacher says time to get back to academics, supports Misti Ray & Melba Kiser for school board

Dear Editor:

I have been a Noblesville resident for over 18 years. I have two sons who both went through Noblesville Schools. I am a former teacher and now a social worker. I value the importance of all students being educated equally. I value social skills being taught in our schools.

What I don’t value is the surveys being used to seek our students’ social and emotional status. I don’t value the change in focus on social skills instead of academics.

I value our teachers who have been educated and are the professionals in the classrooms for academics.

We need to support our teachers during this time of need. Listen to them and their concerns. Teachers are leaving at an astounding rate because of political agendas are being brought into the schools, and they feel they must follow along with the agenda of the administration or risk their jobs.

As a taxpayer and a parent, I believe we need a School Board that will listen to parental concerns, allow teachers to voice their concerns freely without retribution, look at the student first for education, and not bewilder a parent for speaking up at a meeting.

Since Joe Forgey has been on our School Board, I have watched as he has bewildered parents who have spoken up. He does not respond to emails that have been sent to him and he has talked negatively about other members of the board at meetings. He has placed his needs first and not the students when it comes to

school board meetings. He has stated at many meetings he has a Butler game to get to.

I support Misty Ray and Melba Keiser for School Board. Both are willing to listen to all sides, take out politics and go back to academics being a stronghold for our schools. They support funding our teachers’ needs and the students’ needs – as well as listening to parents’ concerns.

We need change to get Noblesville Schools moving in a better direction ... away from political agendas and back toward academic excellence. Vote Misti Ray and Melba Kiser for School Board this November.

Noblesville Teachers' Forum adamantly supports Forgey & Haberman for school board

Dear Editor:

The Noblesville Teachers' Forum (NTF) is the local union of educators at Noblesville Schools.

We each have unique roles in our buildings; we are your kids' teachers, coaches, speech language pathologists, librarians, social workers, special education teachers, and mental health support staff. We are learner-focused, but we also help all our students to develop strong relationships and future-ready skills. We are committed to teaching students to think critically and view multiple perspectives. We are committed to creating an inclusive learning space that values all voices. We are professionals working together to do what is best for all our learners.

As professionals, we understand that collaboration and respectful relationships with all stakeholders are key to making decisions that are best for students. It is imperative that we have school board leaders who will unite our schools and community around our shared interests and view the people who work with our students as allies and not adversaries.

NTF reached out to each candidate and made our endorsement decisions after a vetting process, which included a review of completed written questionnaires, a community panel, and personal interviews. NTF encourages you to value our insight, as professionals and as our kids' teachers, and we hope that you will join us in voting for Dr. Joe Forgey and Chuck Haberman for the Noblesville School Board two open at-large seats.

NTF has been given the opportunity to work with Dr. Joe Forgey during his four years serving on the school board and has seen firsthand his dedication, passion, and unabashed support for every Noblesville student and staff member.

In his years on the board, Dr. Forgey has consistently shown up by visiting schools, attending extracurriculars, and meeting with teachers and staff. He is dedicated to our learner-focused vision and always loves to learn alongside our students. He values and respects the insight from educators to ensure that we create inclusive environments for all our students, regardless of their background. He appreciates each educator and support staff member. He knows the teacher shortage is real, and Dr. Forgey is dedicated to retaining and recruiting amazing teachers.

NTF is confident that Dr. Joe Forgey will continue the impressive work that he's done for our schools and community and encourages you to vote for him for Noblesville School Board.

Serving on a school board requires a leader that can focus on long-term goals, think critically, and problem solve while also being highly empathetic and willing to consider multiple perspectives – because our shared interest is people. In the conversations and interactions that NTF has had with Chuck Haberman, we have been impressed with his passion for our students' education, eagerness to hear from teachers, and appreciation of individuals' lived experiences.

Balancing a position that requires collaboration and decision-making that uniquely impacts each community member while being empathetic to real human concerns is an arduous role, and we truly believe that Chuck Haberman's unique experiences in school, the U.S. Marine Corps, workforce development, and as a father shape him as a leader capable of that balance. NTF is looking forward to the opportunity to work with Haberman in making Noblesville Schools the best environment for all learners. We hope you will also vote for him on Nov. 8.

Noblesville Schools must have board leaders that will respectfully and collectively work with all the people who serve our students, regardless of their background. Forgey and Haberman are the candidates who will help lead us to focus on our shared vision, unite our community with civility, and serve as role models for our learners.

The Noblesville Teachers' Forum encourages you to vote for Dr. Joe Forgey and Chuck Haberman for the Noblesville School Board on Nov. 8.

Fishers receives \$75K grant to improve trails & greenways

The REPORTER

The Indianapolis Metropolitan Planning Organization (IMPO) on Wednesday announced that it had awarded a \$75,000 grant for a planning project in Fishers.

The City of Fishers will use its grant to produce a citywide greenways study to identify primary pedestrian routes and priority gaps

in the pedestrian network. With the new Nickel Plate Trail and Geist Greenway, city leaders want to expand the Fishers 2040 Bike and Pedestrian Map.

The funding comes from federal planning dollars, which the IMPO offered to communities to identify and plan for future needs. Once needs are pinpointed and plans are

developed, the grantee can find additional public and private financial resources.

“Funding opportunities like this one are extremely helpful in laying the groundwork for seeking funding for future investments,” said Anna Gremling, executive director of the IMPO.

IMPO is responsible for planning and program-

ming federal transportation funds for highways, transit, non-motorized transportation and other means of moving people and goods in an eight-county central Indiana region.

In addition, the IMPO also supports Central Indiana governments in other areas including land use, housing, economic development, and water policies.

Carmel school board candidates Brake, Brown & Sharp get AG Rokita's endorsement

Submitted

Indiana Attorney General Todd Rokita has announced his endorsement of the Brake, Brown, Sharp campaign for Carmel Clay School Board. The Office of the Attorney General (OAG) has introduced the Parents' Bill of Rights, a document which "provide(s) parents a roadmap to understanding their rights and how the law interacts with their children's education," according to the OAG website.

"We the Parents are primarily responsible for what and how our children learn," Rokita said. "It is not the government's job to raise our children, even if it wants to do so. Therefore, it is of utmost importance that we understand our legal rights to effectively oversee and participate in the part of our children's education that occurs outside the home, including in government schools."

Rokita said he will support candidates who seek

to uphold parents' rights in education.

"Several candidates running for school board in Indiana's local elections are focused on upholding parental rights in education," Rokita said in his endorsement letter on Wednesday. "An involved parent is the single greatest gift in any child's life. Understanding that parents are the very first educators in our children's lives, and that they are the source of the unique values and morals of the family, I stand beside the candidates that will uphold these truths and support the rights outlined under Indiana laws."

Rokita continued, "I am choosing to endorse the Brake, Brown, and Sharp campaign for Carmel Clay School Board. It is my hope that the voters of Carmel strongly consider voting to elect these great candidates who will support students, teachers, protect parents' rights, and complete transparency in education."

The Brake, Brown, and Sharp campaign (BBS) came together around a common vision of restoring academic excellence and parents' rights in Carmel Clay Schools. They say their focus will be on the policies necessary to achieve this critical academic goal.

Sarah Jane (Taylor) Waitt

May 23, 1930 – October 16, 2022

Sarah Jane (Taylor) Waitt, 92, formerly of Sheridan, passed away on Sunday morning, October 16, 2022, at the home of her daughter and son in law, Marylee and David Pound, where she had been living since May.

She was born on May 23, 1930, to Mrs. Kathryn Taylor in Cincinnati, Ohio. Her father, Odus Taylor, passed away in March, just before she was born. Her family moved to Sheridan after her birth, and she resided there until 2016 when she moved to Wellbrooke of Westfield with her husband.

She was a 1948 graduate of Sheridan High School and attended Earlham College.

On September 25, 1954, she married Dr. Paul Waitt, and together they would celebrate 66 wonderful years of marriage prior to his death on October 3, 2020.

Sarah Jane was a full-time mother and homemaker. Her six children kept her busy as she shuttled them to activities, ball practices, and games. Her car was always in motion.

She began a second life after the graduation of her youngest in 1983. She was a birthright Quaker and a member of the Sheridan Friends Meeting. She served in the Western Yearly Meeting and would ultimately become president of their United Society of Friends Women – a position that afforded her the opportunity to travel throughout the Midwest to serve in that capacity. She faithfully served on the Board of Directors for both Earlham College and Conner Prairie during that time as well.

She traveled with her husband to China, Russia, and Germany, as well as mission trips to Kenya and Palestine. She also enjoyed the years she was able to winter in Naples, Fla.

Sarah Jane loved holidays – especially Christmas. Deck the halls wasn't just a song to her. She liked nothing better than to have all the “troops” home with her for a party, or just a Sunday dinner.

She is survived by her children, Marylee (David) Pound of Indianapolis, Tom (Sally) Waitt of Sheridan, Reid (Kim) Waitt of Raleigh, N.C., Susan (Alan) Gossard of Sheridan, and John (Karla) Waitt of Sheridan; daughter-in-law, Carolyn Waitt of Aurora, Ill.; 14 grandchildren, of which she was a very proud to be their Mema, John Paul and Chloe Pound, Ross Waitt, Katie (Lawson) Kilpatrick, Luke (Allison) Waitt, Samuel (Shannon) Waitt, Taylor (Katie) Waitt, Kathryn (Mac) Schultz, Lauren Waitt, Grant (Michelle) Gossard, Garrett (Brittany) Gossard, Emily Waitt, Sarah Waitt, and Jack (Brittany) Waitt; five great-grandchildren, with November bringing baby Gossard – number six, Ava Waitt, Merritt and Oaks Kilpatrick, and Max and Joe Gossard; and many nieces and nephews.

She was preceded in death by her son, Dan M. Waitt; daughter-in-law, Tracy Waitt; her brothers, Richard and Raymond Taylor; as well as a great-granddaughter, Adeline Kilpatrick.

A celebration of her life will be held from 3 to 5 p.m. on Sunday, October 23, 2022, at Kercheval Funeral Home, 306 E. 10th St., Sheridan.

In lieu of flowers, you may remember Sarah Jane by planting a daffodil, tulip, or snapdragon.

TODAY'S BIBLE READING

Since everything will be destroyed in this way, what kind of people ought you to be? You ought to live holy and godly lives as you look forward to the day of God and speed its coming. That day will bring about the destruction of the heavens by fire, and the elements will melt in the heat. But in keeping with his promise we are looking forward to a new heaven and a new earth, where righteousness dwells.

Your Friday Night Football Preview

Bob Cross / File photo

Hamilton Heights' Trey Ehman has rushed for 896 yards this season and scored 10 touchdowns. The Huskies play a first-round sectional game tonight at Maconaquah.

Sheridan, Hamilton Heights & Guerin Catholic begin sectional play tonight

The REPORTER

The IHSAA football sectionals begin tonight, although not for every team in Hamilton County.

Since the Class 5A and 6A schools get the first week of sectionals off, five of the county's eight football-playing schools will not be in action. Meanwhile, the county's three smaller schools take to the field tonight, and all of them are ready to get going with the tournament.

The only game in the county tonight will be at Sheridan. The Class 1A No. 5 Blackhawks host Union City to start play in Sectional 45, with a kickoff time of 7 p.m. In Class 3A Sectional

28, both county teams are on the road: Guerin Catholic plays at Oak Hill, while Hamilton Heights travels to Maconaquah. Both those games have 7 p.m. kickoffs.

SHERIDAN vs. UNION CITY

This will be the first time in 10 years that Sheridan has played the Indians. The previous meeting between the two teams took place Oct. 26, 2012 in the sectional semi-finals. Union City was the host, but the Blackhawks were the winners, 40-6.

The Indians finished the regular season 2-7, and were 2-6 in the Tri-Eastern Conference. Union City's wins

came against Knightstown 26-12 and Cambridge City Lincoln 39-6. The Indians lost to Tri 68-12, Monroe Central (the only non-conference opponent) 38-0, Hagerstown 56-14, Northeastern 47-0, Union County 55-14, Centerville 63-8 and Winchester 44-6.

Junior Alec Spence is UC's regular quarterback, and he has thrown for 186 yards and two touchdowns. Sophomore Quincy Midgaugh is the top receiver with 11 catches, including one of the touchdown receptions. Sophomore Jace O'Connor caught the other TD pass.

Two more sophomores lead the Indians' rushing. Bradin Daniels has gained 353 yards and scored once, while Brayden Huggins has totaled 264 yards and three rushing touchdowns. Daniels leads the defense with 66 tackles.

Sheridan is 8-1 for the season. The Blackhawks dropped their opener to Western Boone 35-12, but haven't lost since. Sheridan's regular season culminated last week in a 19-18 victory at Carroll, which gave the 'Hawks a second consecutive Hoosier Heartland Conference championship.

Senior Peyton Cross has had an outstanding season, rushing for 1,497 yards and 18 touchdowns. Junior Zach Bales is next in line with 522 yards and eight TDs,

while senior Jacob Jones has 360 yards and seven scores.

Sophomore quarterback Caleb Alexander has thrown four touchdown passes, while junior Trent DeCraene has the most receptions with nine. Bales has made 107 tackles, followed by Jones with 93 stops. Jones leads in tackles for loss with 13, while Bales has 11 TFLs.

HAMILTON HEIGHTS vs. MACONAQUAH

Hamilton Heights is headed up to Maconaquah for a Sectional 28 first-round game between two old conference rivals.

Both schools were members of the Mid-Indiana Conference before the league disbanded after the 2014-15 school year. The two teams last met on Sept. 6, 2014 with the host Huskies winning 22-8.

Maconaquah now plays in the Three Rivers Conference, and finished play in that league 6-2 this season. The Braves beat Wabash 31-20, Northfield 27-26, Whitko 53-8, Peru 30-13, North Miami 28-26 and Manchester 26-18, while dropping games to Tippecanoe Valley 57-14 and Rochester 38-14. Maconaquah is 6-3 overall, its only non-conference game was a Week 2 loss to Lewis Cass, 20-14.

The Braves have a good quarterback in junior Braxton Birner. He has

completed 215 of 322 pass attempts for 2,461 yards and 28 touchdowns. Two sophomores are tied for the most receptions: AJ Kelly and Fuddy Kile both have 73 catches. Kile has more touchdown receptions, with 14 to Kelly's eight.

Junior Ty Galvan leads the rushing with 425 yards and three scores. Sophomore Ethan Farnell is on top of the defense with 82 tackles.

The Huskies are 7-2 for the season and have won their last four games. That includes a Hoosier Conference playoff win over Lafayette Central Catholic, a top 10 team in 2A, in the league's third-place game. Heights beat the Knights 41-21.

Junior quarterback Bodie Derrer has had a great season, going 105-of-177 through the air for 1,527 yards and 20 touchdowns. Sophomore Tyler Champion had 40 receptions, 11 of them for scores.

Senior Trey Ehman is on top of the rushing with 896 yards and 10 TDs. Senior Vincent Harley leads the tackles with 74.

GUERIN CATHOLIC vs. OAK HILL

Guerin Catholic will play a brand-new opponent when it travels to Oak Hill for a 7 p.m. kickoff.

This will be the first meeting between the two schools, both of which are named the Golden Eagles. Oak Hill is unbeaten for the season at 9-0 and receiving

votes in the 3A poll, while Guerin Catholic is 5-4 and ranked No. 9 in 3A.

Oak Hill zoomed through the regular season unchallenged, starting with wins over Eastern 41-3 and Southwood 58-7. Oak Hill plays in the Central Indiana Conference, and easily won the championship with victories over Eastbrook 35-0, Mississinewa 45-22, Madison-Grant 35-6, Frankton 40-0, Alexandria 55-7, Blackford 49-0 and Elwood 56-0.

Senior Kyle Turanchick has dominated the ground for Oak Hill, with 1,710 yards and 35 touchdowns. Junior Levi Trexler is the team's quarterback, and he is 45-of-65 through the air with 719 yards and six scores.

Senior Lucas Hasty is the top receiver for Oak Hill, with 20 catches and three touchdowns. Junior Avery Mills is on top of the defense with 92 tackles.

Guerin Catholic finished the regular season on a winning note, beating Culver Academies 42-0 last Friday at the Eagles Nest. Sophomore quarterback Malcolm Houze has thrown for 980 yards and 10 touchdowns during the season, with senior Will Fremion making 45 catches, nine for touchdowns. Junior Jack Cherry has 38 receptions, including three scores.

Senior Justin Zdobyak leads the rushing with 700 yards and seven touchdowns. Senior Luke Moody is the defensive leader with 85 tackles.

Following comments on Daniel Snyder, Frank Reich ‘really proud’ to work for Irsay

By CHARLIE CLIFFORD
WISH-TV | wishtv.com

On Tuesday, Indianapolis Colts owner Jim Irsay became the first NFL owner to publicly call for the removal of Washington Commanders owner Daniel Snyder, stating there is “merit” to making the groundbreaking move.

The media session with Irsay in New York at the NFL Owner’s Meetings has

led the NFL news cycle for the past 24 hours, and, eventually, it will take 24 votes between Irsay and fellow owners to oust Snyder from his post.

On Wednesday, News 8’s Charlie Clifford asked Colts head coach Frank Reich about Irsay’s courage to speak up following multiple reports that other owners feel the same way but have yet to publicly call for Snyder’s removal.

“Really proud to work for Mr. (Jim) Irsay, for the Colts,” Reich said. “He’s a leader. The guy’s a leader. Just proud to work for him, proud of what he stands for, his family. It’s been his whole life. He’s been a leader, he’s going to be the leader in social justice issues. He’s about doing the right thing. That’s what our mission is about — to entertain, inspire and unite by winning the right way. The man wants to

win the right way. I’m proud to work for him.”

On Wednesday, Irsay posted this message on his Twitter account:

“...You gotta stand, for something...or you’re gonna fall...for anything...” JM

The Commanders visit Lucas Oil Stadium next Sunday to take on the Colts without the services of former Indianapolis Quarterback Carson Wentz due to a broken finger.

Ehlinger on relationship with Foles, promotion to Colts no. 2 quarterback

By CHARLIE CLIFFORD
WISH-TV | wishtv.com

Colts second-year quarterback Sam Ehlinger will be under center in a limited capacity as early as this Sunday against their AFC South rival Tennessee in Nashville.

Ehlinger leapfrogged veteran quarterback Nick Foles into Indianapolis’ back-up quarterback spot this past week, a move designed to expand Colts Head Coach Frank Reich’s playbook especially in short yardage situations.

“Last week there were a few situations that we had talked about, didn’t end up running them, so we’ll see what they want to do (this week),” Ehlinger said.

This preseason Ehlinger dazzled in three appearances completing 24/29 passes for 289 yards and five total touchdowns. The former University of Texas standout did not commit a turn-

over, and posted a passer rating of 147.8.

Foles expects to be on the inactive list for gameday going forward, which certainly was not the pitch this offseason that lured the former Philadelphia Eagles Super Bowl MVP to Indianapolis. Despite the decision Ehlinger believes nothing has changed between the two former West Lake High School (Austin, Texas) quarterbacks.

“I can’t say enough about how great of a man Nick (Foles) is,” Ehlinger said. “We went to the same high school so we have a great connection, and our relationship hasn’t changed one bit. We’re still messing around having a good time. The way that he’s handled it, I think that there’s no person that could have handled it any better than he has.”

Ehlinger has 18 career snaps and zero career pass attempts in the NFL, but that likely changes soon.
